Notice

Is hereby given, that persons desirous of entering into a contract with this Department for SUPPLYING BREAD to Troops on the march from the Presidency to the Deccan, for the term of one year from the 1st day of December next, may, on application at this office from 11 A. M. till 5 P. M. daily, (Sundays excepted,) obtain copies of the Schedule or list of price, and such information relating thereto as they may require.

2. Verbal offers for the contract will be received at this office on Tuesday the 18th proximo, at 2 P. M. precisely, when intending contractors will be required to bid a per-centage above or below the price in the above list at which the supply will be made, on the understanding that the Bread supplied is to be of the first quality, and delivered to Troops on the line of march

free of all charges beyond the stipulated price, in such quantities as may from time to time be demanded, and that the same is liable to examination and rejection by the executive Commissariat Officer, or by the indenting or receiving Officer; or by a Committee of Officers appointed on the part of Government, in the event of the contractor being dissatisfied with the decision of the above Officers, or either of them; it being understood that the decision of such Committee is to be final, and binding on all parties.

3. Offers will be received only from parties residing at, or who have agents in Bombay.

4. The party or parties whose offer may be accepted must supply every detail of Troops proceeding from the Presidency to the Deccan, whose numerical strength may exceed seven, with fresh Bread throughout the march.

5. No person will be allowed to bid for the contract unless he previously deposits in this office, in cash, the sum of Rupees (32) thirty-two, which sum will be forfeited in the event of delay, evasion, or refusal on the part of the contractor to execute the necessary deed of contract, whenever required to do so, on his offer being accepted, in which latter case he must be prepared to give unexceptionable bonded security to the further amount of Rupees (130) one hundred and thirty, which, together with the amount previously deposited, will be held as a guarantee for the due fulfilment of his contract.

6. A contractor must comply immediately with all emergent demands, and meet others of less urgency within the periods stated in the requisition.

tions made upon him; in failure whereof, or if any supply be condemned by a Committee of Officers as aforesaid, the Bread, or such other article as may be required in lieu thereof, shall be purchased by this Department without delay, at his risk and cost, if it be considered expedient to do so; and in all such cases (30) thirty per cent. upon the amount of expenses incurred, or a fine of from Rupees (25) twenty-five to (50) fifty, at the option of the executive Commissariat Officer, will be levied as liquidated damages for each and every such breach of contract; it being understood that the simple condemnation of any article by a Committee constitutes such a breach of contract, whether the rejected article be replaced by the contractor or by this Department; in every such case, also, it is to be understood that the contract may be cancelled at the discretion of the Commissary General, and that if the contract be so cancelled, the cash deposit of Rupees (32) thirty-two, mentioned in paragraph 5 of this Notice, will be forfeited to Government.

7. It is also to be understood that any negligence, evasion, or refusal on the part of a contractor to make supplies, or obey orders, or any attempt on his part, or that of his agents, to pass off an article of an inferior quality in lieu of that he is bound to supply, or any neglect to deliver it at the time and place ordered, will subject him, in every instance, to be fined to the extent of (25) twenty-five rupees, at the option of the executive Commissariat Officer, from whose order an appeal may be made to the Commissary General, whose decision is to be final; but in cases when it may be deemed fit to exact any of the penalties provided for in the preceding clause, no further penalty shall be leviable under this clause.

8. It is further to be understood that the contractor, or an accredited agent on his part, approved of by the executive Commissariat Officer, is to attend at this office during the usual hours of business, *i. e.* from 10 A. M. to 5 P. M. daily, (Sundays excepted), also at such other time or place as may be indicated by the executive Commissariat Officer, when he may consider it desirable for the public service to require such attendance.

9. Any party whose offer is accepted will be required to produce his sureties for the approval of the Honorable Company's Solicitor, within fifteen days from the date of the acceptance of his offer, or the contract will be re-sold. No reason will be stated for rejecting any security offered.

10. Bills for articles supplied under this contract must be preferred within one month from the date of the delivery of the article, in default of which the contractor will forfeit the full value of the supplies for which bills have not been so preferred, unless it clearly appear, to the satisfaction of the Commissary General, that the delay was unavoidable.

11. The amount of retrenchments made by the Military Board on the contractors' bills will be recovered from the first bills preferred for payment; but in the event of such retrenchments, or any portion thereof, being remitted, the amount remitted will be refunded.

12. Any party who, after offering for the contract, fails to furnish the necessary security, as provided for in Clause 9 of this Notice, will be interdicted from bidding on future occasions, unless he produces a certificate from individuals of unexceptionable character and sufficient means, guaranteeing the due execution and performance of the contract, on his offer being accepted.

13. The annual outlay on the above contract is estimated at Rupees 652.

Notice

Is hereby given, that persons desirous of entering into a Contract for supplying NATIVE BOATS, COUNTRY CRAFT, TONNAGE, &c. to the Military and Indian Naval Departments at the Presidency, for a period of two years from the 1st day of November next, may, on application at this Office from 11 A. M. till 5 P. M. daily (Sundays excepted), obtain copies of the Schedules or lists of prices, and such information relating thereto as they may require.

Military Department.

No. 1.—Schedule for supplying Native Boats and other Country Craft and Tonnage for the conveyance of Troops, Stores, &c., and also for the performance of Port duties.

Indian Naval Department.

No. 2.—Schedule for supplying Native Boats and other Country Craft and Tonnage for the conveyance of Timber, Coal, Goods, Stores, &c., as also for the performance of Harbour duties.

2. Verbal offers for the contract will be received at this Office on Friday the 21st instant, at 2 P. M. precisely, when intending contractors will be required to bid a per-centage above or below the prices exhibited in the above lists at which they will undertake the contract, on the understanding that the duties of the same must be performed in a satisfactory manner, as ordered, free of all charges beyond the stipulated price, and that the supplies made under it are liable to objection or rejection by the Executive Commissariat Officers, or by the indenting or receiving Officers; or by a Committee of Officers appointed on the part of Government, in the event of the contractor being dissatisfied with the decision of the above Officers, or either of them, it being understood that the decision of such Committee is to be final and binding on all parties.

3. No person will be allowed to bid for the contract unless he previously deposits in this office, in cash, the sum set opposite the Schedules, respectively, viz:—

Schedule No. 1.—Rupees (2,876) two thousand eight hundred and seventy-six.

Schedule No. 2.—Rupees (619) six hundred and nineteen.

Which sum will be forfeited in the event of delay, evasion, or refusal on the part of the contractor to execute the necessary deed of contract, should his offer be accepted; in which latter case he must be prepared to give unexceptionable bonded security to the further amount, as follows:—

For Schedule No. 1.—Rupees (11,506) eleven thousand five hundred and six.

For Schedule No. 2.—Rupees (2,478) two thousand four hundred and seventy-eight.

Which, together with the amount previously deposited, will be held as a guarantee for the due fulfilment of his contract.

4. The contractor will be required to sign and seal a contract, stipulating that the rates contracted for shall include all fees and other charges leviable on vessels at the different Outports, as also that demurrage shall not be paid for Sundays.

5. The Commander in Chief of the Indian Navy, and all Government Officers, shall be at liberty to use Government Craft or Boats whenever they may think it expedient.

6. Government is at liberty to hire tonnage on

Square-rigged Vessels for the conveyance of Troops, Stores, &c. through the agency of the Marine Department, or despatch the same by its own or private Steamers, or by means of the Railway when it can be made available, and the contractor shall have no claims whatever on Government for thus despatching Troops, Stores, &c. at any time.

7. Parties desirous of offering for the above contract are hereby informed that Government is already prepared to carry on the Boat contract under the orders of its Officers, unless favorable offers are received.

8. All Boats and other Craft supplied are to be surveyed and approved of by an Officer or Officers of the Indian Navy, or of the Master Attendant's Department, and the contractor will be held strictly responsible for the safe delivery of every description of Goods and Stores confided to his charge for transport, and must deliver them in the same state as when made over to him or those in his employ, and must make good all deficiency and damage sustained by Goods and Stores while in charge of himself, his Tindals, Nacodas, or others in his employ, during the passage, (the dangers of the sea and capture by the enemy excepted,) and he shall sign receipts for all Goods and Stores immediately they are made over to him, his Tindals, Nacodas, or others in his employ.

9. The contractor must comply immediately with all emergent demands, and meet others of less urgency within the periods stated in the requisitions made upon him; in failure whereof, this Department may immediately cause the required Tonnage, &c. to be hired at his risk and cost, if it be considered expedient so to do, and in all such cases thirty per cent. upon the amount of expenses incurred, or a fine of Rupees (50) fifty, at the option of the Executive Commissariat Officer, will be levied as liquidated damages for each and every such breach of contract; and in every such case it is to be understood that the contract may be cancelled, at the discretion of the Commissary General, and that, if the contract be so cancelled, the cash deposit of Rupees (2,876) two thousand eight hundred and seventy-six, on account of Schedule No. 1, and Rupees (619) six hundred and nineteen, on account of Schedule No. 2, mentioned in para. 3 of this Notice, will be forfeited to Government.

10. It is also to be understood that any negligence, evasion, or refusal on the part of a contractor to make supplies, or any attempt on his part, or that of his agents, to convey Stores, supply Tonnage, &c. in an improper manner, will subject him in every instance to be fined to the extent of twenty-five rupees, at the option of the Executive Commissariat Officer, from whose order an appeal may be made to the Commissary General, whose decision is to be final; but in cases when it may be deemed fit to exact any of the penalties provided for in the preceding clause, no further penalty shall be leviable under this clause.

11. Any party whose offer is accepted will be required to produce his sureties for the approval of the Honorable Company's Solicitor, within fifteen days from the date of the acceptance of his offer, or the contract will be resold. No reason will be stated for rejecting any security offered.

12. Bills for Tonnage supplied under this contract must be preferred within one month from the date of the supply being made, in default of

which the contractor will be liable to forfeit the full value of the Tonnage, &c. supplied, for which bills have not been so preferred, unless it clearly appear, to the satisfaction of the Commissary General, that the delay was unavoidable.

13. The amount of retrenchments made by the Military Board on the contractors' bills will be recovered from the first bills preferred for payment; but in the event of such retrenchments, or any portion thereof, being remitted, the amount remitted will be refunded.

14. Any party who, after offering for the contract, fails to furnish the necessary security, as provided for in Clause 12 of this Notice, will be interdicted from bidding on future occasions, unless he produces a certificate from individuals of unexceptionable character and sufficient means, guaranteeing the due execution and performance of the contract, on his offer being accepted.

15. The annual outlay on the above contracts is estimated as follows, viz:—

No. 1, Rupees 57,532, and No. 2, Rupees 12,392.

16. No reason will be assigned for the rejection of any offer.

Londres, le 29me Juin 1853.

S. E. MONS. LE COMTE DE CLARENDON,

&c. &c. &c.

M. LE COMTE,

A l'occasion de l'Exposition Universelle qui doit s'ouvrir à Paris en 1855, plusieurs Fabricans étrangers se sont adressés à M. le Ministre de l'Intérieur pour savoir, 1re, si les produits dont l'importation en France est prohibée seront admis à l'Exposition; 2de, si, l'Exposition terminée, ces mêmes produits peuvent être ré-exportés, ou s'ils pourront être vendus pour la consommation intérieure.

Ces deux questions, M. le Comte, ont reçu une solution conforme aux vues éclairées qui ont porté le Gouvernement de Sa Majesté l'Empereur à décréter l'Exposition Universelle de 1855. Il a été en conséquence décidé, non-seulement que les Marchandises prohibées seraient admises à cette Exposition, mais encore, qu'elles pourront, après sa clôture, et au gré des Exposants, être ré-exportées en franchise de tous Droits, ou livrées en France, à la consommation intérieure, moyennant l'acquiescement d'un Droit de 30 par cent de la valeur.

Ces dispositions prendront place dans le Règlement Général qui s'élabore en ce moment; mais en présence des préoccupations qui paraissent avoir déjà excitées hors de France le régime des Marchandises prohibées destinées à l'Exposition de Paris de 1855, j'ai été chargé d'avoir l'honneur d'informer votre Excellence des Résolutions adoptées à cet égard par le Gouvernement de Sa Majesté Française. Votre Excellence jugera peut-être convenable de porter des à présent ces dispositions à la connaissance des Industriels et Manufacturiers sujets de Sa Majesté Britannique.

J'ai, &c.

London, 29th June 1853.

TO THE RIGHT HONORABLE THE EARL OF CLARENDON,

&c. &c. &c.

MY LORD,

With reference to the Universal Exhibition which is to be opened in Paris in 1855, several Foreign Manufacturers have written to the Minister of the Interior to know, 1st, whether Productions of which the importation into France is prohibited, will be admitted at the Exhibition; 2nd, whether, at the termination of the Exhibition, such productions must be re-exported, or will they be allowed to be sold for internal consumption.

These two questions, My Lord, have met with a reply conformable to the enlightened views which have led His Majesty the Emperor to decree the Universal Exhibition of 1855. It has consequently been decided, that not only will the prohibited articles be admitted at this Exhibition, but also that after its close, and at the will of the Exhibitors, can be re-exported, free of all Duties, or sold in France for internal consumption, on payment of a duty of 30 per cent., according to the value.

These dispositions will be placed among the General Regulations which are being prepared at this moment, but in consequence of the discussions which appear to have already arisen out of France, in regard to the system of prohibited Merchandize destined for the Exhibition of 1855, I have been chosen to have the honor of informing your Excellency of the Resolutions adopted on this subject by the Government of His Imperial Majesty. Your Excellency will, perhaps, deem it proper immediately to make known these dispositions to the Trade and Manufacturers of Her Britannic Majesty's subjects.

I have the honor to be, &c.
