Notice

Is hereby given, that persons desirous of entering into a contract for performing the duties of WASHING and ROLLING BOTTLES, &c., of this Department, for the term of one year from the 1st day of December next, may, on application at this Office from 11 A. M. till 5 P. M. daily, (Sundays excepted,) obtain copies of the Schedule, or List of Prices, and such information relating thereto as they may require.

2. Verbal offers for the contract will be received at this Office on Friday the 28th instant, at 2 P. M. precisely, when intending contractors will be required to bid a per-centage above or below the prices exhibited in the above list at which they will undertake to perform the whole of the work

embraced therein, on the understanding that it must be performed in a satisfactory manner, and that the materials used must be of unexceptionable quality, or of the usual description; that the work must be performed whenever ordered, free of all charges beyond the stipulated price; and that the same is liable to examination and rejection by the executive Commissariat Officer, or by the indenting or receiving Officer; or by a Committee of Officers appointed on the part of Government, in the event of the contractor being dissatisfied with the decision of the above Officers, or either of them; it being understood that the decision of such Committee is to be final, and binding on all parties.

3. No person will be allowed to bid for the contract unless he previously deposits in this Office, in cash, the sum of Rupees (70) seventy, which sum will be forfeited in the event of delay, evasion, or refusal on the part of the contractor to execute the necessary deed of contract, whenever required to do so, on his offer being accepted, in which latter case he must be prepared to give unexceptionable bonded security to the further amount of Rupees (281) two hundred and eighty-one, which, together with the amount previously deposited, will be held as a guarantee for the due fulfilment of his contract.

4. A contractor must comply immediately with all emergent orders for washing and rolling Bottles, &c., and other similar duties of less urgency must be complied with in the periods stated in the requisitions made upon him; in failure whereof, or if the work be con-

demned by a Committee of Officers as aforesaid, this Department may immediately cause the work to be executed at his risk and cost, if it be considered expedient to do so; and in all such cases (30) thirty per cent. upon the amount of expenses incurred, or a fine of from Rupees (30) thirty to (100) one hundred, at the option of the executive Commissariat Officer, will be levied as liquidated damages for each and every such breach of contract; it being understood that the simple condemnation by a Committee of any work performed constitutes such a breach of contract, whether the work in question be afterwards executed by the contractor or by this department; in every such case, also, it is to be understood that the contract may be cancelled, at the discretion of the Commissary General, and that if the contract be so cancelled, the cash deposit of Rupees (70) seventy, mentioned in para. 3 of this Notice, will be forfeited to Government.

5. It is also to be understood, that any negligence, evasion, or refusal on the part of a contractor to perform the work, or any attempt on his part, or that of his agents, to use materials of an inferior quality in lieu of those he is bound to use, or any neglect on his part to perform the work at the time and place ordered, will subject him, in every instance, to be fined to the extent of (25) twenty-five Rupees, at the option of the executive Commissariat Officer, from whose order an appeal may be made to the Commissary General, whose decision is to be final; but in cases when it may be deemed fit to exact any of the penalties provided for in the preceding clause, no further penalty shall be leviable under this clause.

6. It is further to be understood that the contractor, or an accredited agent on his part, approved of by the executive Commissariat Officer, is to attend at this Office during the usual hours of business, i. e. from 10 A. M. to 5 P. M. daily (Sunday excepted), also at such other time or place as may be indicated by the executive Commissariat Officer, when he may consider it desirable for the Public Service to require such attendance.

7. Any party whose offer is accepted will be required to produce his sureties for the approval of the Honorable Company's Solicitor, within fifteen days from the date of the acceptance of his offer, or the contract will be resold; no reason will be stated for rejecting any security offered.

8. Bills for work performed under this contract must be preferred within one month from the date of the performance of the work, in default of which the contractor will forfeit the full value of the work performed for which bills have not been so preferred, unless it clearly appear to the satisfaction of the Commissary General that the delay was unavoidable.

9. The amount of retrenchments made by the Military Board on the contractor's bills will be recovered from the first bills preferred for payment; but in the event of such retrenchments, or any portion thereof, being remitted, the amount remitted will be refunded.

10. Any party who, after offering for the contract, fails to furnish the necessary security, as provided for in Clause 7th of this Notice, will be interdicted from bidding on future occasions, unless he produce a certificate from individuals of unexceptionable character and sufficient means,

guaranteeing the due execution and performance of the contract, on his offer being accepted.

11. The annual outlay on the above contract is estimated at Rupees 1,406.

12. No reason will be assigned for the rejection of any offer.

You will likewise be pleased to deliver into my office your pass, and other credentials

No merchandize shall be permitted to be landed from any ship or vessel whatever until the above rules shall have been observed. When the above forms shall have been observed, and the prescribed duties shall either have been paid, or sufficient security shall have been taken for the amount of them, consisting either of a deposit of goods, or of Company's paper, from the owner or freighters of the cargo, they shall be permitted to land the goods. The form of application shall be according to the Form D in the Appendix annexed to this Act.

Sixth.—No permission shall be given for the landing of any cargo or goods belonging to the Captain or Officers of ships or vessels entering at any of the ports of Pegu, or of any baggage belonging to passengers that may come in them, excepting the cargoes, goods, or baggage of the persons named in the preceding and present clause.

Seventh.—All goods and packages, without exception, imported from sea, shall be landed at the Custom-house, and if landed, or attempted to be landed at any other place, either clandestinely or otherwise, they shall be liable to confiscation.

A Bill, in the Form marked E in the Appendix to this Act, shall be delivered to the importers.

XXVIII. No claim for a remission of duty upon liquors or other goods stated to have been found damaged shall be admitted, unless the condition of the goods shall have been ascertained previously to their passing the Custom-house. On examination of them at the Custom-house, should any of them be found not to be in a merchantable state, such goods must be sold on the spot, as the condition of any remission of duty; and the duty shall be settled on the proceeds of the sale. But no such damaged goods shall be permitted to be sold, until the proprietor or his agent shall have caused to be inserted in a local newspaper an advertisement, specifying the day and time of the sale, and the articles to be sold. XXXIII. The Collector of Customs shall report to the Commissioner whenever any arms or military stores, being private property (with the exception of fowling-pieces, pistols, or other arms for private use,) are landed from any vessel importing goods into Rangoon, or elsewhere in the Province of Pegu, specifying the nature, numbers, and quantity of such arms and stores, together with the name of ship, and of the Commander or Consignees; the above-mentioned report shall also state whether the arms or stores were originally shipped as private property, or procured from any of the Company's Governments in India.

XXXIV. Precious stones, though exempt from duty, shall nevertheless, whether on importation or exportation, be entered at the Custom-house, and their value stated, under a penalty of ten per cent. on the value at which they may be estimated after due inquiry by the Collector.

XXXV. The importers of goods landed expressly for re-exportation, or transhipped in port, are nevertheless to pay, or deposit security for the import duties. Should any Master of a ship or other person be desirous of landing stores or other articles merely for temporary purposes, without any view to a sale of such stores or articles, they shall have the option of either paying or depositing security for the import duties thereon as above prescribed, or of landing them free of duty, upon making an application for that purpose to the Collector of Customs; provided, that in the latter case, they shall at the same time enter into a bond or note to the Collector, engaging to pay double duties on all such stores or articles (and which shall be entered at the Custom-house expressly for re-exportation), unless they shall be re-shipped on the same vessel within the period of three months from the date of their being landed.

Applications for permits to be in writing, and to contain certain specifications.

Bills to be made out for the duties which are to be paid, or security given for the payment of them in ten days before shipping the goods.

Rules to be observed if Collector suspects that any bale of piece goods does not correspond with the chellaun.

XXXIX. If the Collector of Customs have reason to suspect any bale of piece goods not to correspond with the chellaun, he shall summon the shipper, and in his presence, if he thinks fit to attend, shall cause the goods to be examined by the examiner and appraiser of piece goods; who, if they appear to him rated below the market price, or rate of value fixed for such goods, shall proceed to appraise them according to such price or rate of value, according to the best of his judgment, and shall certify his appraisal in writing under his signature to the Collector of Customs, who shall assess the goods agreeably to such appraisal. Should the proprietor refuse to pay the duties upon such appraisal, he shall not be permitted to ship the goods.

XL. If any bales be found to contain a greater quantity than shall be specified in the chellaun, the whole of the bales in which such excess may be found shall be liable to confiscation, and whatever goods the same person on the faith of his chellaun shall have before been permitted to ship on the same vessel without examination shall be subject to double duty in respect thereof.

XLI. On exporting gruff or other goods, not being piece goods, one or more chests, bags, or packages, at the discretion of the Collector of Customs, may be examined and weighed, subject to the same penalties in a case of difference from the chellaun as are specified in the preceding Section.

XLII. All boats laden with goods or merchandize from the interior of the country shall be

house. All goods in any boat attempting to pass the Custom-house without permission from the Collector of Customs shall be liable to confiscation.

XLIII. Provisions and stores for the use of Her Majesty's Navy, or for ships in the service of the East India Company, provided such provisions and stores are the property of the Crown, or of the said Company, may be passed free of duty; but all such articles furnished by contractors, or their agents, are not to be exempted from the payment of the prescribed duties.

XLIV. Goods for exportation free from duty shall nevertheless be entered at the Custom-house in the same manner as if they were goods paying duties.

XLV. No claim to drawback shall be admitted unless the goods shall be exported regularly through the Custom-house, and be included in the manifest of the export cargo, delivered into the Custom-house by the Commander or owner of the vessel in which they are to be exported, with the application for a port clearance; nor in any case after the port clearance shall have been taken out.

XLVI. No drawback shall be allowed on the re-exportation of articles imported from sea forming only a part of a package in which they were imported; or on any package that may not be entire as imported.

XLVII. In every instance, either of imports or exports, where the duties have been paid without any objection having been made to the rate of valuation, no claim for a return of any part of the duties so paid shall be allowed.

XLVIII. The Collector of Customs shall not grant a port clearance to any vessel until all duties of import and export have been paid or settled, or the goods, if free from duty, shall have been entered at the Custom-house; nor until the Commander shall produce a certificate from the police office purporting that a list of all seamen embarked in the vessel has been delivered into that office.

XLIX. All goods seized in the attempt to ship them in a clandestine manner, and goods shipped clandestinely, shall be liable to confiscation.

L. All fines, penalties, or forfeitures under this Act, except where otherwise expressly directed, shall be adjudged by the Deputy Commissioner, or his Assistant, subject to revision by the Commissioner, on appeal.

LI. And any Officer by this Act authorised to adjudicate in any case hereby punishable by fine or penalty, or before whom any fine or penalty is to be recovered, may exercise all the powers vested in a Magistrate by Act II. of 1839 for levying or enforcing the payment of such fine or penalty.

FORT WILLIAM,
 HOME DEPARTMENT,
 LEGISLATIVE,

The 7th October 1853.

The following Draft of a proposed Act was read in
 Council for the first time on the 7th of October 1853 :—
 Act No. _____ of 1853.

An Act relating to the Execution of Sentences in Petty
 Cases by Superintendents of Bazars, in the Presi-
 dency of Bombay.

Whereas the rule which prohibits a Superintendent
 of Bazars in the Presidency of Bombay from executing
 any sentence in the Criminal or Excise branches of his
 duties, until he has submitted his proceedings to the
 Commanding Officer, and which requires that trials
 before a Superintendent of Bazars shall be recorded as
 usual on Courts Martial, has been found to be produc-
 tive of unnecessary inconvenience and delay in petty
 cases, and it is expedient to abolish the rule in such
 cases; It is hereby enacted as follows:—

I. So much of Section XXX. Regulation XXII. 1827,
 of the Bombay Code, as enacts that the Superintend-
 ent of Bazars shall not execute any sentence in the
 Criminal or Excise branch of his duties until he has
 submitted his proceedings to the Commanding Officer,
 and that his trials shall be recorded in writing, as usual
 on Courts Martial, is hereby repealed, so far as it shall
 relate to any sentence which shall hereafter be passed
 by any Superintendent of Bazars, by which any fine
 not exceeding three rupees, or any imprisonment not
 exceeding three days, shall be ordered.

Ordered, that the Draft now read be published for
 general information.

Ordered, that the said Draft be re-considered at the
 first Meeting of the Legislative Council of India, after
 the 7th day of January 1854.

GEO. PLOWDEN,
 Offg. Secy. to the Govt. of India.

2. Verbal offers for the contracts will be received at this Office on Saturday the 26th proximo, at 12 o'clock precisely, when bidders will be required to bid a per-centage above or below the prices exhibited in the above lists, at which the supply will be made, on the understanding that the articles supplied are to be of unexceptionable quality, and agreeable to such of the samples as will be shown at the sale, or of the sort usually supplied; and all articles are to be delivered, in the first instance at the Commissariat Stores if required, and afterwards to the indenting Departments, in good condition, free of all charges beyond the stipulated price, in such numbers or quantities as may from time to time be demanded, and that the same are liable to examination and rejection by the Executive Commissariat Officer, or by the indenting or receiving Officer; or by a Committee of Officers appointed on the part of Government, in the event of the contractors being dissatisfied with the decision of the above Officers, or either of them; it being understood that the decision of such Committee is to be final, and binding on all parties.

3. No persons will be allowed to bid for the contracts unless they previously deposit in this Office, in cash, the sums exhibited opposite to each of the following Schedules, which sums will be forfeited in the event of delay, evasion, or refusal on the part of the contractors to execute the necessary deeds of contracts, whenever required to do so, on their offers being accepted; in which latter case they must be prepared to give unexceptionable bonded securities, to the further amount as shown opposite each Schedule, which, together with the amount previously deposited, will be held as guarantee for the due fulfilment of their contracts:—

4. Contractors must comply immediately with all emergent demands, and meet others of less urgency within the periods stated in the requisitions made upon them; in failure whereof, or if any supply be condemned by a Committee of Officers as aforesaid, the articles, or such others as may be

required in lieu thereof, shall be purchased by this Department, without delay, at their risk and cost; if it be considered expedient to do so; and in all such cases (20) thirty per cent. upon the amount of expenses incurred, or a fine of Rupees (50) fifty, at the option of the Executive Commissariat Officer, will be levied as liquidated damages for each and every such breach of contract; it being understood that the simple condemnation of any article by a Committee constitutes such a breach of contract, whether the rejected articles be replaced by the contractors or by this department; in every such case, also, it is to be understood that the contracts may be cancelled, at the discretion of the Commissary General; and that if the contracts be so cancelled, the cash deposits mentioned in paragraph 3 of this Notice will be forfeited to Government.

5. It is also to be understood, that any negligence, evasion, or refusal on the part of contractors to make supplies, or obey orders, or any attempt on their part, or that of their agents, to pass off articles of an inferior quality in lieu of those they are bound to supply, or any neglect to deliver them at the time and place ordered, will subject them in every instance to be fined to the extent of (25) twenty-five Rupees, at the option of the Executive Commissariat Officer, from whose order an appeal may be made to the Commissary General, whose decision is to be final; but in cases when it may be deemed fit to exact any of the penalties provided for in the preceding clause, no further penalty shall be leviable under this clause.

6. It is further to be understood, that the contractors, or accredited agents on their part, approved of by the Executive Commissariat Officer, are to attend at this Office during the usual hours of business, *i. e.* from 10 A. M. to 5 P. M. daily (Sundays excepted), also at such other time or place as may be indicated by the Executive Commissariat Officer, when he may consider it desirable for the public service to require such attendance.

7. Any parties whose offers are accepted will be required to produce their sureties for the approval of the Civil or Bazar Authorities, as necessary, within fifteen days from the date of the acceptance of their offers, or the contracts will be resold. No reason will be stated for rejecting any securities offered.

8. Bills for articles supplied under the contracts above stated must be preferred within one month from the date of the delivery of the articles, in default of which the contractors will forfeit the full value of the supplies for which bills have not been so preferred, unless it clearly appears to the satisfaction of the Commissary General that the delay was unavoidable.

9. The amount of retrenchments made by the Military Board on the contractors' bills will be recovered from the first bills preferred for payment; but in the event of such retrenchments, or any portion thereof, being remitted, the amount remitted will be refunded.

10. Parties who, after offering for the contracts, fail to furnish the security, as provided for in Clause 7 of this Notice, will be interdicted from bidding on future occasions, unless they produce a certificate from individuals of unexceptionable character and sufficient means, guaranteeing the due execution and performance of the contracts, on their offers being accepted.
