Notice

Is hereby given, that persons desirous of entering into a contract for supplying Fresh Bread, Flour, &c. to the European Troops and Hospitals, Commissariat and Indian Naval Departments, House of Correction, and County Gaol, and for such other purposes as may from time to time be required, for the term of one year from the 1st day of July next, may, on application at this Office, from 11 A. M. till 5 P. M. daily, (Sundays excepted), obtain copies of the Schedule or List of Prices, and such information relating thereto as they may require.

2. Verbal offers for the contract will be received at this Office on Friday the 10th proximo, at 2 P. M. precisely, when intending contractors will be required to bid a per-centage above or below the prices exhibited in the above list at which the supply will be made, on the understanding that the articles supplied are to be of unexceptionable quality, or of the sort usually supplied, and are to be delivered, in the first instance at the Commissariat Stores, if required, and afterwards to the indenting departments, in good condition, free of all charges beyond the stipulated price, in such quantities as may from time to time be demanded, and that the same are liable to examination and rejection by the executive Commissariat Officer, or by the indenting or receiving Officer; or by a Committee of Officers appointed on the part of Government, in the event of the contractor being dissatisfied with the decision of the above Officers, or either of them; it being understood that the decision of such Committee is to be final and binding on all parties.

3. No person will be allowed to bid for the contract unless he previously deposits in this Office, in cash, the sum of Rupees (1,419) one thousand four hundred and nineteen, which sum will be forfeited in the event of delay, evasion, or refusal on the part of the contractor to execute the necessary deed of contract, whenever required to do so, on his offer being accepted, in which latter case he must be prepared to give unexceptionable bonded security to the further amount of Rupees (5,676) five thousand six hundred and seventy-six, which, together with the amount previously depo-

sited, will be held as a guarantee for the due fulfilment of his contract.

4. A contractor must comply immediately with all emergent demands, and meet others of less urgency within the periods stated in the requisitions made upon him, in failure whereof, or if any supply be condemned by a Committee of Officers as aforesaid, the articles, or such others as may be required in lieu thereof, shall be purchased by this Department without delay, at his risk and cost, if it be considered expedient to do so; and in all such cases thirty per cent. upon the amount of expenses incurred, or a fine of from Rs. (50) fifty to (200) two hundred, at the option of the executive Commissariat Officer, will be levied as liquidated damages for each and every such breach of contract; it being understood that the simple condemnation of any article by a Committee constitutes such a breach of contract, whether the rejected articles be replaced by the contractor or by this Department; in every such case, also, it is to be understood that the contract may be cancelled, at the discretion of the Commissary General, and that if the contract be so cancelled, the cash deposit of Rupees (1,419) one thousand four hundred and nineteen, mentioned in paragraph 3 of this Notice, will be forfeited to Government.

5. It is also to be understood that any negligence, evasion, or refusal on the part of a contractor to make supplies, or obey orders, or any attempt on his part, or that of his Agent, to pass off articles of an inferior quality in lieu of those he is bound to supply, or any neglect to deliver them at the time and place ordered, will subject him, in every instance, to be fined to the extent of twenty-five Rupees, at the option of the executive Commissariat Officer, from whose order an appeal may be made to the Commissary General, whose decision is to be final; but in cases when it may be deemed fit to exact any of the penalties provided for in the preceding clause, no further penalty shall be leviable under this clause.

6. It is further to be understood that the contractor, or an accredited Agent on his part, approved of by the executive Commissariat Officer, is to attend at this Office during the usual hours of business, *i. e.* from 10 A. M. to 5 P. M. daily, Sundays excepted, also at such other time or place as may be indicated by the executive Commissariat Officer, when he may consider it desirable for the Public Service to require such attendance.

7. Any party whose offer is accepted will be required to produce his sureties for the approval of the Honorable Company's Solicitor, within fifteen days from the date of the acceptance of his offer, or the contract, will be resold. No reason will be stated for rejecting any security offered.

8. Bills for articles supplied under this contract must be preferred within one month from the date of the delivery of the articles, in default of which the contractor will forfeit the full value of the supplies for which bills have not been so preferred, unless it clearly appear to the satisfaction of the Commissary General that the delay was unavoidable.

9. The amount of retrenchments made by the Military Board on the contractor's bills will be recovered from the first bills preferred for payment; but in the event of such retrenchments, or any portion thereof, being remitted, the amount remitted will be refunded.

10. Any party who, after offering for the contract, fails to furnish the necessary security, as provided for in Clause 7th of this Notice, will be interdicted from bidding on future occasions, unless he produces a certificate from individuals of unexceptionable character and sufficient means, guaranteeing the due execution and performance of the contract, on his offer being accepted.

XXXVI. It shall be lawful for the Governor General of India in Council at any time to withdraw either wholly or in part the option allowed by the preceding Section of this Act; and to direct that all or any letters, packets, or parcels shall not be forwarded by post unless the postage thereof shall be prepaid by means of a proper stamp or stamps, or to charge on all letters, packets, or parcels on which the postage shall not be prepaid, or which shall not be duly and properly stamped, such higher rates of postage than would otherwise be payable, as may from time to time be deemed expedient.

Sealed tenders for the contracts will be received at this Office on Monday the 27th June next, at 2 o'clock precisely, and will be opened in the presence of such parties as are in attendance on the day and hour specified, and no tenders can be received afterwards.

Parties willing to undertake the contract for Liquor, Beer, &c. are required to send in two tenders for the same, viz. one on the usual terms, and the other on the condition of receiving empty Bottles not required for the use of the Commissariat Department in Upper Scinde, at the following rates:—

Quart Bottles at 4 (four) annas per dozen.
Pint ditto at 6 (six) annas per dozen.

When intending contractors will be required to bid a per-centage above or below the prices exhibited in above lists at which the supply will be made, on the understanding that the articles supplied are to be of unexceptionable quality, or of the sort usually supplied, and are to be delivered, in the first instance at the Commissariat Stores if required, and afterwards to the indenting Departments, in good condition, free of all charges beyond the stipulated price, in such numbers or quantities as may from time to time be demanded, and that the same are liable to examination and rejection by the executive Commissariat Officer, or by the indenting or receiving Officer; or by a Committee of Officers appointed on the part of Government, in the event of the contractors being dissatisfied with the decision of the above Officers,

or either of them ; it being understood that the decision of such Committee is to be final, and binding on all parties.

3. No persons will be allowed to bid for the contracts unless they previously deposit in this office, in cash, the sums exhibited opposite to each of the following Schedules, which sums will be forfeited in the event of delay, evasion, or refusal on the part of the contractors to execute the necessary deeds of contract whenever required to do so, on their offers being accepted ; in which latter case they must be prepared to give unexceptionable bonded securities, to the further amount as shown opposite each Schedule, which, together with the amount previously deposited, will be held as guarantee for the due fulfilment of their contracts :—

4. Contractors must comply immediately with all emergent demands, and meet others of less urgency within the periods stated in the requisitions made upon them, in failure whereof, or if any supply be condemned by a Committee of Officers as aforesaid, the articles, or such others as may be required in lieu thereof, shall be purchased by this Department without delay, at their risk and cost, if it be considered expedient to do so ; and in all such cases thirty per cent. upon the amount of expenses incurred, or a fine of Rupees (50) fifty, at the option of the executive Commissariat Officer, will be levied as liquidated damages for each and every such breach of contract ; it being understood that the simple condemnation of any article by a Committee constitutes such a breach of contract, whether the rejected articles be replaced by the contractors or by this Department ; in every such case, also, it is to be understood that the contracts may be cancelled at the discretion of the Commissary General, and that if the contracts be so cancelled, the cash deposits mentioned in paragraph 3 of this Notice will be forfeited to Government.

5. It is also to be understood, that any negligence, evasion, or refusal on the part of contractors to make supplies or obey orders, or any attempt on their part, or that of their agents, to pass off articles of an inferior quality in lieu of those they are bound to supply, or any neglect to deliver them at the time and place ordered, will subject them in every instance to be fined to the extent of twenty-five Rupees, at the option of the executive Commissariat Officer, from whose order an appeal may be made to the Commissary General, whose decision is to be final ; but in cases when it may be deemed fit to exact any of the penalties provided for in the preceding Clause, no further penalty shall be leviable under this Clause.

6. It is further to be understood, that the contractors, or accredited agents on their part, approved of by the executive Commissariat Officer, are to attend at this Office during the usual hours of business, *i. e.* from 10 A. M. to 5 P. M. daily (Sundays excepted), also at such other time or place as may be indicated by the executive Commissariat Officer, when he may consider it desirable for the public service to require such attendance.

7. Parties desirous to undertake the contracts are required to submit with their tenders certificates from parties of unexceptionable character and sufficient means as their sureties for the amount specified opposite each Schedule, but in case any of the sureties are not approved of by the Civil or Bazar Authorities at this Station, others to be immediately substituted, or otherwise the contracts will be resold at their risk and loss, and in that case the decision of the Commissary General is final.

8. Bills for articles supplied under the contracts above stated must be preferred within one month from the date of the delivery of the articles, in default of which the contractors will forfeit the full value of the supplies for which bills have not been so preferred, unless it clearly appears, to the satisfaction of the Commissary General, that the delay was unavoidable.

9. The amount of retrenchments made by the Military Board on contractors' bills will be recovered from the first bills preferred for payment, but in the event of such retrenchments, or any portion thereof, being remitted, the amount remitted will be refunded.

10. Parties who, after offering for the contracts, fail to furnish the necessary security, as provided for in Clause 7 of this Notice, will be interdicted from bidding on future occasions, unless they produce a certificate from individuals of unexceptionable character and sufficient means, guaranteeing the due execution and performance of the contracts on their offers being accepted.
