M. precisely, when intending contractors will be required to bid a per-centage above or below the prices exhibited in the above list at which the supply will be made, on the understanding that the articles supplied are to be of unexceptionable quality, according to musters which may be seen in this Office, or of the sort usually supplied, and are to be delivered, in the first instance at the Commissariat Stores, if required, and afterwards to the indenting Departments, in good condition, free of all charges beyond the stipulated price, in such quantities as may from time to time be demanded, and that the same are liable to examination and rejection by the executive Commissariat Officer, or by the indenting or receiving Officer; or by a Committee of Officers appointed on the part of Government, in the event of the contractor being dissatisfied with the decision of the above Officers, or either of them; it being understood that the decision of such Committee is to be binding on all parties.

3. No person will be allowed to execute the contract unless he previously deposits in cash, the sum of Rupees (32) thirty-two, which sum will be forfeited in the event of his refusal or refusal on the part of the contractor to execute the necessary deed of contract, whenever required to do so, on his offer being accepted, in which latter case he must be prepared to give unexceptionable bonded security to the further amount of Rupees (131) one hundred and thirty-one, which, together with the amount previously deposited, will be held as a guarantee for the due fulfilment of his contract.

4. A contractor must comply immediately with all emergent demands, and meet others of less urgency within the periods stated in the requisitions made upon him, in failure whereof, or if any supply be condemned by a Committee of Officers as aforesaid, the articles, or such others as may be required in lieu thereof, shall be purchased by this Department without delay, at his risk and cost, if it be considered expedient to do so; and in all such cases thirty per cent. upon the amount of expenses incurred, or a fine of from Rs. twenty-five to fifty, at the option of the executive Commissariat Officer, will be levied as liquidated damages for each and every such breach of contract; it being understood that the simple condemnation of any article by a Committee constitutes such a breach of contract, whether the rejected articles be replaced by the contractor or by this Department; in every such case, also, it is to be understood that the contract may be cancelled, at the discretion of the Commissary General, and that if the contract be so cancelled, the cash deposit of Rupees (32) thirty-two, mentioned in paragraph 3 of this Notice, will be forfeited to Government.

8. Bills for articles supplied under this contract must be preferred within one month from the date of the delivery of the articles, in default of which the contractor will forfeit the full value of the supplies for which bills have not been so preferred, unless it clearly appear to the satisfaction of the Commissary General that the delay was unavoidable.

9. The amount of retrenchments made by the Military Board on the contractor's bills will be recovered from the first bills preferred for payment; but in the event of such retrenchments, or any portion thereof, being remitted, the amount so remitted will be refunded.

10. Any party who, after offering for the contract, fails to furnish the necessary security, as provided for in Clause 7th of this Notice, will be interdicted from bidding on future occasions,

FORT WILLIAM,
HOME DEPARTMENT,
LEGISLATIVE,

The 21st October 1853.

The following Act, passed by the Governor General of India in Council on the 21st October 1853, is hereby promulgated for general information:—

ACT No. XIV. OF 1853.

An Act for regulating the Collection and Distribution of the Effects of Officers, Seamen, and others dying in the Marine Service of the East India Company called the Indian Navy.

Whereas it has been deemed expedient, in pursuance of the Provisions of an Act passed in a Session of Parliament holden in the 3rd and 4th years of the reign of Her Majesty Queen Victoria, to provide for the due collection, conversion into money, application, remittance, and distribution of the effects of Officers, Engineers, Soldiers, Marines, Seamen, and all others belonging to the Marine Establishment of the East India Company called the Indian Navy, who shall die in the Service of the said Company out of the United Kingdom, and for the discharge of their marine debts, It is enacted as follows:—

I. When any Commissioned Officer belonging to the Indian Navy shall die in the Service of the East India Company out of the United Kingdom, whether his death shall take place on board Ship or on shore, the First Lieutenant of the Ship or Vessel to which such Officer belonged at the time of his death, or the Officer of such Ship or Vessel next in rank to the Commander thereof, or the Commander himself, if there is no other Commissioned Officer on board, or any Officer he may appoint, shall immediately secure all the effects and equipage of the deceased on board the said Ship or Vessel, or on shore in quarters, and any other effects of the deceased within the territorial possessions of the East India Company, which the Commander of such Ship or Vessel shall direct or authorise to be collected or secured, and shall with all convenient speed, and not later than one month after the death of the Officer, with the assistance of two other Officers not under the rank of Purser, or of Clerk in charge, such Clerk having served not less than two years at sea, to be appointed by the Commanding Officer of the said Ship or Vessel, make an inventory thereof, and transmit that inventory, together with an account of the debts and credits, to the Office of the Secretary to the Government of the Presidency of Bombay in the Marine Department, to the end that after payment of such Officer's marine or ship debts, and the expenses of his interment where any shall have been incurred, the overplus, if any, shall be paid over by the said Secretary to the legal representatives of the Officer so deceased, as hereinafter mentioned.

II. When any Non-commissioned Officer, Seaman, or other person belonging to, or serving in the Indian Navy, shall die out of the United Kingdom in the Service of the East India Company, whether his death shall take place on board Ship or on shore, the First Lieutenant of the Ship or Vessel to which such Non-commissioned Officer, Seaman, or other person belonged at the time of his death, or the Officer of such Ship or Vessel next in rank to the Commander thereof, or the Commander himself, if there be no other Commissioned Officer on board, or any Officer he may appoint, shall immediately secure all the effects and equipage of the deceased on board the said Ship or Vessel, or on shore in quarters, and any other effects of the deceased within the territorial possessions of the East India Company, which the Commander of the Ship or Vessel shall direct or authorise to be collected or secured, and shall with all convenient speed, not later than one month after the death, in the presence of two other Officers of the rank in the preceding Section mentioned, to be appointed by the Commander of the said Ship or Vessel, take an inventory thereof, and of his credits, and shall take care

that the same be applied in the first instance to the liquidation of his marine or ship debts, the remainder, if any, to be paid over to the Secretary to the Government of Bombay in the Marine Department, in order that the same may be paid to the legal representatives of the deceased.

III. When any such Commissioned or Non-commissioned Officer, or Seaman, or other person, shall at the time of his death as aforesaid have been detached temporarily from his own Ship, and shall be serving with another Ship at a distance from his own, the Officers of the Ship in which the deceased was serving, as well as the Officers of the Ship to which the deceased belonged at the time of his death, shall act in manner above directed in Sections I. and II. of this Act.

IV. If any Commissioned Officer, or Non-commissioned Officer, Seaman, or other person belonging to, or serving in the Indian Navy, shall die within the Presidency of Bombay, away from the Ship or Vessel to which he belongs, except when temporarily serving with another Ship, the Commander-in-Chief of the Indian Navy shall in such case appoint a Committee, consisting of such three Officers as he may direct, to secure the effects of the deceased, or such of them as he may direct, and to apply the same, and act in regard thereto, as in the first and second Sections of this Act mentioned.

V. The said First Lieutenant and other Officers to be selected and appointed for the purposes aforesaid are hereby required to take upon them the said duties, and faithfully discharge the same, and in all respects conform to the provisions and regulations hereinafter particularly specified.

VI. The effects and credits, within the territories under the Government of the East India Company, of Deserters from the Indian Navy, shall be collected and applied in like manner in payment of their marine or ship debts, and the remainder, if any, shall be brought to the credit of the said Company.

VII. It shall be lawful for the Officers, or other persons so authorised as aforesaid, to secure and collect the effects, or any part of the effects of any such deceased Officer, Seaman, or other person so dying as aforesaid, to ask, demand, and receive any such effects to which his authority shall extend, and to commence, prosecute, and carry on any actions or suits for the recovery thereof, and to sell and dispose of, or otherwise deal with the same, without taking out any letters of administration, either with any will annexed or otherwise, in every respect as if such Officers or persons employed or authorised as aforesaid had been appointed executors, and had proved the will, or had taken out administration of such effects; and no Administrator General, Registrar of any Court in the East Indies, or any person acting under the appointment or authority of such Court, *ad colligenda* or otherwise, shall in any manner interpose in relation to any such effects unless required or authorised so to do by any such Officer or person so authorised as aforesaid.

VIII. All sums of money due by deceased Officers, Engineers, Marines, Seamen, and other persons belonging to or serving in the Indian Navy, to the Indian Navy Fund, or in respect of mess-bills unadjusted since the last regular issue of pay-bills, or in respect of Military or Marine clothing appointments, or of equipments, or other articles supplied from the Ship's stores, or of servants' wages due, or of any Ship expenses during the current month, or of any Sanatorium or Hospital charges, or of any mess, or marine or ship accounts, and all sums of money due to any Agent, or Paymaster, or Purser, or any other Officer, upon any such account, or on account of any advance made for any such purpose, and also any wages or expenses attending or relating to the illness or death of any such Officer, Seaman, or other person, shall be deducted and taken to be marine or ship debts, and shall be paid out of any arrears of pay or allowances, or out of any prize or bounty money, or the equipage, goods, chattels, and effects of any Officer, Seaman, or

other person dying out of the United Kingdom while in the Service of the said Company, in preference to any other debts, claims, or demands whatsoever upon the estate and effects of such Officer, Seaman, or other person; and if any doubt shall arise as to whether any claim or demand made in relation to any Officer, Seaman, or other person is a marine or ship debt or not, or whether such charges or expenses attending or relating to the illness or funeral of such Officer, Seaman, or other person are proper to be allowed, or whether any such marine or ship debts remain due, such question shall be decided and concluded by any order or certificate to be made by the Secretary to the Government, and all such payments shall be good and valid in law; and every person who shall make any such payment out of any such arrears of pay, effects, or proceeds as aforesaid under the provisions of this Act, or in pursuance of any such order or certificate of such Marine Secretary, or into whose hands any such money shall come, shall be and is hereby indemnified for and in respect of such payments, and all other acts, matters, and things done in pursuance of the provisions of this Act, or of the order or certificate of the said Secretary in relation to the distribution of such assets, anything in any Act or Acts or law or laws to the contrary notwithstanding.

IX. All such marine or ship debts shall and may be paid without probate of any will or any letters of administration, and the surplus only of such arrears of pay or allowances, prize or bounty money, equipment, goods, and chattels, or the proceeds thereof, shall be deemed the personal estate of the deceased for the payment of duty in respect of any probate or of any letters of administration, or for the purpose of distribution as personal estate; and it shall be lawful for the said Secretary to order and direct the payment or distribution of any such surplus, in any case in which the same shall not exceed Five hundred Company's rupees, without any probate or letters of administration, or payment of any duty of stamps, or upon legacies or otherwise, and it shall also be lawful for any Paymaster or other person to issue any sum not exceeding the value of five hundred Company's rupees which may be due to any such deceased Officer, Seaman, or other person, unto the widow or relative of any such Officer, Seaman, or other person, or unto the representative or representatives of any such widow or relative in India in like manner, without any probate or letters of administration, or payment of any duty or stamps, or upon legacies or otherwise, the same to be paid to the person who shall be notified by the said Secretary as aforesaid as being entitled thereto; and all such payments respectively shall be as valid and effectual to all intents and purposes as if the same had been made by or to any executor or administrator, or under the authority of any probate or letters of administration, anything in any Act or Acts or law or laws to the contrary notwithstanding.

X. Any such effects, or the proceeds or surplus of such effects, of any Officer, Seaman, or other person so dying, when remitted to any person under any order of the Secretary to the Government of Bombay, or to such Secretary, shall not by reason of coming to the hands of such person or Secretary be taken to be assets or effects in the place to which such proceeds or surplus may be remitted, so as to render it necessary that administration should be taken out in respect thereof; and it shall be lawful for the Secretary to the Government of Bombay to order that such effects, or the proceeds or surplus of any such effects, shall be remitted to any other place in India where the same can more conveniently be paid over to the person or persons entitled thereto, and the obedience to the orders of such Secretary in respect to the payment and disposal of any such effects, proceeds, or surplus of such effects, shall be a discharge from all actions, suits, and demands in respect thereof, to any person to whose hands any such effects, proceeds, or surplus shall have come, and which shall have been paid and disposed of under the order of such Secretary.

XI. The effects or the proceeds or surplus of effects

of any such Officer, Seaman, or other person dying as aforesaid, which shall remain after satisfying such marine or ship debts as aforesaid, shall with all convenient speed be transmitted to such Secretary as aforesaid, by the Officer or person employed and required to take care of, collect, and receive the same, and such Secretary shall cause the same, or the surplus thereof remaining after satisfying such debts, and after and subject to such payment and application as is hereinbefore authorised, to be paid to the executor or legal representative (if in India) of such Officer, Seaman, or other person, or if such executor or legal representative shall not be in India, or shall not within twelve months from the death of such Officer, Seaman, or other person claim such surplus, then and in that case such Secretary shall remit the said surplus to the Court of Directors of the East India Company in London, to be by them paid to the executor or legal representative of such Officer, Seaman, or other person so deceased, and such remittance at the end of twelve months as aforesaid shall be a discharge to such Secretary from all actions, suits, and demands in respect of such surplus; provided always, that the Registrars of Her Majesty's several Supreme Courts in India shall not, nor shall the Administrator General of either of the said Presidencies, be required or entitled to take out letters of administration with the will annexed or otherwise in respect of such surplus.

XII. The provisions of this Act are intended to apply and shall apply only to European Officers and Seamen, and to other persons being Europeans belonging to the Indian Navy, who may die as aforesaid.

XIII. And whereas the Governor in Council of Bombay made certain Rules, bearing date 27th July 1844, to be observed on the decease of European Officers and European Seamen belonging to the Indian Naval Service, purporting to be Rules made in pursuance of the provisions of the said Act of the 3rd and 4th Victoria and the Articles of War thereto annexed, and which Rules have been acted upon, it is hereby enacted that the said Rules shall no longer be acted upon, but that all acts heretofore done within any part of the territories under the Government of the East India Company, which were authorised by the said Rules, shall be deemed to be valid, and that no act thereby authorised to be done shall be questioned in any Court of Justice in any part of the territories under the Government of the East India Company.

FORT WILLIAM,
HOME DEPARTMENT,
LEGISLATIVE,

The 28th October 1853.

The following Act, passed by the Governor General of India in Council on the 28th October 1853, is hereby promulgated for general information:—

ACT No. XV. of 1853.

An Act for the Amendment of Procedure in Cases of Regular Appeal to the Sudder Courts in the Presidency of Fort William in Bengal.

Whereas it is desirable to simplify and shorten the procedure in regular appeals to the Courts of Sudder Dewanny Adawlut in the said Presidency; It is enacted as follows:—

I. Act IV. 1850, and Sections II. III. and IV. Act. XXX. 1850, are hereby repealed, except as to appeals presented before the passing of this Act.

II. *Clause 1st.*—Every petition of regular appeal in a case appealable to either of the said Sudder Courts shall be presented to the Court in which the decision was passed within six weeks from the day of the decision. Such petition of appeal shall, except in cases of petitions under Section XIII. of this Act, contain only notice that the party, being dissatisfied with the decision, is desirous of appealing from it.

Clause 2nd.—The Sudder Court may extend the time for presenting such petition of appeal to the lower Court, upon being satisfied that there is sufficient cause for such extension of time. The application for such extension of time may be made directly to the Sudder Court, or through the intervention of the lower Court, at the option of the applicant.

III. On presentation of a petition of regular appeal to the Court in which the decision was passed, notice thereof to the respondent, as well as a proclamation to the same effect, shall immediately issue from that Court; and a copy of the proclamation shall be forthwith fixed up in some conspicuous part of the Court House of the said Court. If the notice cannot be personally served, the proclamation shall at once be fixed upon the door of the respondent's dwelling house, or in some conspicuous place in the village or place where he usually resides; or in cases in which the respondent shall not have a fixed residence within the jurisdiction of the Company's Courts, the proclamation may be fixed upon the door of his house of business or catchery, or the notice may be served on his known local agent. In case the proclamation cannot be fixed or the notice served in the manner above-mentioned, the proclamation shall be fixed up in such other place, if any, as the said last mentioned Court shall direct. The Nazir shall make a return to the Court stating when and where the notice and proclamation have been served or fixed up. The return of the Nazir shall be filed in Court, and shall form part of the record of the case, and such return shall be published by fixing up the same in some conspicuous part of the Court House of the lower Court.

IV. *Clause 1st.*—The Rule in Section XI. Regulation VI. 1793, which directs copies of all original papers transmitted to the Sudder Court with the record of an appealed case to be made out and deposited in the Court in lieu of the originals, is hereby modified, and it shall be necessary to copy, authenticate, and deposit only the exhibits in the case, and also any other papers of importance, including the pleadings, or any parts of them which either of the parties shall require to be copied, authenticated, and deposited in the lower Court previously to their being transmitted to the Sudder Court.

Clause 2nd.—If either of the parties require any papers to be copied, authenticated, and deposited, such party shall, either by himself, or his pleader, or authorised agent, give notice in writing thereof to the lower Court, before the expiration of fourteen days from the time of the publication of the return of the Nazir as aforesaid. Such notice shall specify the papers which the party requires to be copied, authenticated, and deposited.

Clause 3rd.—Either party may, by himself, or his pleader, or authorised agent, before the presentation of an appeal, give notice in writing to the lower Court specifying any papers or documents which he requires to be copied, authenticated and deposited, in the event of an appeal being preferred.

V. The petition of appeal, together with the record of the lower Court, shall be certified to the Sudder Court as soon as conveniently may be after the presentation of the petition of appeal, provided that the same shall not be certified within the time allowed to the parties for specifying the papers which they desire to be copied, authenticated, and deposited.

VI. On arrival of the appeal record at the Sudder Court, notice shall be affixed in the Court House of the said Court, requiring the appellant to file, within six weeks from the date thereof, his grounds of objection to the decision of the Court below. Within the said space of six weeks the appellant shall file in the said Sudder Court his grounds of objection to the decision.

VII. *Clause 1st.*—On the filing of the grounds of objection by the appellant, notice shall be affixed in the Court House of the Sudder Court, requiring the respondent to file his grounds of objection, if any,

to the appeal or to the decision of the lower Court within four weeks from the date of such notice.

Clause 2nd.—Within the said space of four weeks the respondent shall file any grounds of objection which he has to the appeal, or which relate to such parts of the decision as are involved in the appeal.

Clause 3rd.—If the respondent shall desire to object to any part of the decision of the lower Court, not involved in the appeal, he may present a separate petition of appeal to the Sudder Court within the said space of four weeks, or within such further time as the said Sudder Court shall allow for that purpose.

Clause 4th.—The respondent shall in such case file with his petition of appeal his grounds of objection to that part of the decision to which his appeal relates, otherwise his appeal shall not be received.

VIII. *Clause 1st.*—At the expiration of the time allowed to the respondent for filing his grounds of objection, and for filing a separate petition of appeal in the Sudder Court, the record shall be deemed complete, and the case ready to be called up for decision on any day which the Sudder Court may notify, unless the respondent within such time file a separate petition of appeal in the Sudder Court.

Clause 2nd.—If the respondent file a separate petition of appeal in the Sudder Court, notice shall be fixed up in the Court House of the Sudder Court to the effect that the respondent has filed such separate appeal, and the notice shall require the appellant to file any grounds of objection which he may have thereto, within the space of four weeks from the date of the notice.

Clause 3rd.—Within such space of four weeks the appellant may file any grounds of objection which he has to such appeal, or which relate to that part of the decision which is involved in the respondent's appeal. At the expiration of the time allowed for filing such grounds of objection by the appellant, the record shall be deemed complete, and the case ready to be called up for decision on any day which the Sudder Court shall notify for that purpose.

Clause 4th.—If the appeal of either party be dismissed or withdrawn, the appeal of the other may be heard alone; otherwise the two appeals and the proceedings thereon shall form one record, unless the Sudder Court shall otherwise order.

IX. The respondent shall not be allowed to present a separate petition of appeal in the Sudder Court, if he shall previously have presented a petition of appeal to the lower Court.

X. *Clause 1st.*—All grounds of objection which shall be filed by either the appellant or the respondent shall be stated distinctly and concisely, without any argument or narrative of facts, and shall be numbered consecutively, and, except in the cases hereinafter mentioned, shall be on paper bearing the stamp duty prescribed by Article 9, Schedule B, Regulation X. 1829.

Clause 2nd.—The Sudder Court may extend the time for filing grounds of objection either by an appellant or respondent, upon special application for that purpose, and upon sufficient reasons being shown to the satisfaction of the said Court for such extension of time. In such case the objections may be filed within such extended time.

XI. Either party may, by leave of the Sudder Court or any Judge thereof, at any time before the hearing, amend his grounds of objection or add grounds of objection to those filed, upon such terms and conditions and within such time, as the said Court or Judge may direct. The said Court may also, upon the hearing of any appeal, allow either party to amend his grounds of objection, or to add further grounds, or to urge and be heard by himself or his pleader in support of any objection not included in his grounds of objection, upon such terms and conditions as to postponement of the cause, and as to the payment of costs or otherwise, as the Court shall think just, to prevent the

opposite party or his pleader from being taken by surprise or otherwise. Without such leave of the Court, neither party shall be allowed to urge or be heard in support of any objection not included in his grounds of objection filed. But the Court shall not be confined to such grounds of objection on deciding the cause.

XII. *Clause 1st.*—The Sudder Court may call up for hearing and decision on any day the Court shall notify, and without regard to the place in which the case stands in the general list of appeals, any grounds of objection filed by the respondent or the appellant to the appeal of the opposite party, and the Sudder Court may hear and decide upon such grounds of objection before calling the case up for decision upon the grounds of objection to the decision of the lower Court.

Clause 2nd.—If the grounds of objection filed by the appellant and respondent shall be upon points of law only, and shall not raise any question of fact, the Sudder Court may order the case to be called up for hearing and decision on any day which the said Court shall notify, without regard to the place in which it stands in the general list of appeals pending in the said Court.

Clause 3rd.—If the grounds of objection filed shall raise questions of law and fact, and it shall appear to the Sudder Court that the decision of the law may render it unnecessary to determine any question of fact so raised, the Court may order the case to be called up for decision upon the law alone, in the first instance, in the manner pointed out in the last preceding Section, and if their decision of the case upon the law shall render it unnecessary to determine any question of fact, the said Court shall pass a final decision in the case, otherwise the Court shall determine the law only, and the case shall be afterwards set down in the list of regular appeals for hearing upon the question or questions of fact, and shall be determined in the same manner as any other regular appeal.

XIII. If any party to a regular suit be desirous of being admitted to appeal *in formâ pauperis* to the Sudder Court, the following procedure shall be adopted:—

Clause 1st.—The appellant shall present his petition to the lower Court according to the rules prescribed by Section II. of this Act. Provided, that a petition to appeal *in formâ pauperis* against any decision passed before this Act shall come into operation may be presented within three months from the day of the decision.

Clause 2nd.—Petitions of appeal by parties desirous to appeal *in formâ pauperis* shall contain a statement to that effect, and also a Schedule of the whole real and personal property belonging to the petitioner, and the estimated value of such property, and shall be written on paper bearing the stamp duty of two Rupees per sheet.

Clause 3rd.—Upon the presentation of such petition, the notice to the respondent and the proclamation shall state that the appellant desires to appeal *in formâ pauperis*.

Clause 4th.—On arrival of the appeal record at the Sudder Court, the same procedure shall be adopted in that Court as in other cases of regular appeal, except that after the filing of the grounds of objection by the appellant, and before notice shall be given requiring the respondent to file his grounds of objection, the Sudder Court shall determine, according to the rules now applicable to the determination of such cases, whether or not the appellant shall be allowed to appeal *in formâ pauperis*.

Clause 5th.—If the Sudder Court allow the petitioner to appeal *in formâ pauperis*, notice shall be given to the respondent to file his grounds of objection in the manner provided by Section VII. of this Act, and the same procedure shall be adopted subsequently thereto as in other cases of regular appeal under this Act. The rules and conditions now applicable to persons admitted by the Sudder Court to appeal *in formâ*

pauperis shall continue in force, except where the same are inconsistent with any of the provisions of this Act.

Clause 6th.—If the Sudder Court refuse to allow the petitioner to appeal *in formâ pauperis*, the said Court may make an order to the effect that the appellant, upon filing a petition of appeal in that Court, upon paper stamped with the stamp duty required by Article 8, Schedule B, Regulation X. 1829, and upon re-filing his grounds of objection on paper stamped with the stamp duty required by Article 9 of the same Schedule, may proceed with the appeal according to the rules prescribed by this Act in the case of persons not appealing as paupers.

Clause 7th.—Upon such order being made, the appellant shall file his petition and re-file his objections upon paper stamped with the stamp duty required by Clause 5 of this Section, within two weeks from the date of such order, or within such further time as the said Court may allow for that purpose, otherwise the appeal shall stand dismissed.

Clause 8th.—Upon the re-filing of the grounds of objection according to the provisions of the last preceding Clause, notice of the order and of the re-filing of such objections shall be given to the respondent in the manner prescribed by Section VII. of this Act, and the respondent shall be required to file his grounds of objection, if any, according to the provisions of that Section. The procedure subsequent to such notice shall be according to the general provisions of this Act.

Clause 9th.—If an appellant shall petition to appeal *in formâ pauperis*, his grounds of objection may be written on plain paper.

XIV. If an appellant shall be admitted to appeal or a respondent to defend *in formâ pauperis*, all grounds of objection subsequently filed by either party may be written on plain paper.

XV. No decision shall be reversed or altered, nor shall any case be remanded upon appeal to the Sudder Court, on account of any error, defect, or irregularity not productive of injury to either party, nor opposed to any express enactment contained in the general Regulations or Acts of Government.

XVI. This Act extends only to regular appeals which shall be presented after the passing of this Act in Civil cases appealable to either of the Sudder Courts in the Presidency of Fort William in Bengal.

FORT WILLIAM,
HOME DEPARTMENT,
LEGISLATIVE,

The 28th October 1853.

The following Draft of a proposed Act was read in Council for the first time on the 28th October 1853 :—

ACT No. — of 1853.

An Act to explain and amend Act X. of 1851 and Act XX. of 1841.

Whereas doubts exist as to the limits within which certificates of administration to personal estates granted in pursuance of Section IV. Act. X. of 1851, by the British representative accredited to a foreign State, or by the British Officer holding the highest executive authority in a district to which Act XX. of 1841 does not extend, and it is expedient to remove such doubts, and also to amend the provisions of the said Acts; It is enacted as follows :—

I. Every such certificate of administration as aforesaid, which shall hereafter be granted, shall, as regards the public securities of the East India Company, give authority to the person to whom the same shall be granted, throughout the territories in the possession and under the Government of the East India Company, and have the same effect throughout the said territories as a certificate granted under the provisions of Act XX. of 1841, as amended by Act X. of 1851, as within the Presidency within which the same is granted; provided always, and it is hereby enacted, that no certificate granted under the provisions of Act XX. of 1841, as amended by Act X. of 1851, or under the provisions of Act X. of 1851, shall empower the person certified to negotiate any Government note or share of a Bank or any share of such security, or to receive any interest or dividend due thereon, or any share of such interest or dividend, unless the Government note or Bank share shall be specified in such certificate.

II. Any Judge, British representative, or other British Officer authorised to grant a certificate, may from time to time extend the same to any Government note or Bank share not originally specified therein, and every such extension shall have the same effect as if the Government note or Bank share to which the certificate shall be extended had been originally specified therein.

III. Upon the extension of a certificate, security may be required in the same manner as upon the original grant of a certificate.

Ordered, that the Draft now read be published for general information.

Ordered, that the said Draft be re-considered at the first Meeting of the Legislative Council of India after the 28th day of January 1854.

GEO. PLOWDEN,

Offg. Secy. to the Govt. of India.

Notice

Is hereby given, that the Contracts for the exclusive privilege of SELLING ARRACK and COUNTRY LIQUOR, and INTOXICATING DRUGS, Ganja, Opium, and Khuskhus, to the Troops and Camp Followers at Malligaum, for one year, from 1st February 1854 to 31st January 1855, will be put up to competition at the Office of the Superintendent of Bazars at Malligaum, at 12 o'clock, noon, on Monday the 5th December 1853.

2. Verbal offers for the contracts will be received by the above-named Officer on the date and hour specified in the preceding paragraph; and sealed tenders, accompanied by the requisite cash deposit, will also be received by the Commissary General of the Army at Bombay, on the same date and hour.

3. No person will be allowed to bid or tender for the contract unless he deposits with his offer the sum of Company's Rupees (80) eighty for the Liquor, and Rupees (20) twenty for the Drug Contract, which will be forfeited in the event of delay, evasion, or refusal to execute the necessary deed of contract; and two unexceptionable securities will also be required from the highest bidders, to guarantee their fulfilment of the terms of the respective contracts.

4. The Troops composing the Malligaum Brigade are—

	Strength.
Detachment of Artillery.....	40
One Regiment N. I.	795
Camp Followers	1,899

But the contracts will be sold for the actual number of Troops that may be present on the day of sale, which will be duly notified to the bidders at the time; and the amount of the monthly payment shall not be increased or decreased on account of Troops arriving in or departing from the Cantonment, unless the strength of such Details exceeds one-fourth the number of men for whom the contracts have been entered into. It is, however, to be distinctly understood, that any alteration in the number of Camp Followers will not entitle the contractors to claim any remission in the payment of the stipulated monthly amount of their respective engagements: the departure of Troops from the Cantonment, as above specified, will alone give claim for remission.

5. The conditions of the contracts shall not be considered binding, or in force in any respect, until the same are confirmed by superior authority.

6. The person or persons whose tenders may be accepted will be required, ere entering on the performance of their contract, to deposit with the Superintendent of Bazars the amount of one month's stipulated payment, as his or their personal security for the due execution of the agreement. This is to be in addition to the monthly payment in advance of the sums tendered for the contract.

7. Further particulars relative to these contracts will be made known on application at the Office of the Superintendent of Bazars at Malligaum, and that of the Commissary General of the Army at Bombay, from 10 A. M. till 4 P. M. every day, Sundays excepted.

8. The contractor will have to defray the expenses of maintaining a Preventive Police, when and wherever the Brigadier Commanding may deem necessary, for the suppression of clandestine sale of Spirits to European Troops.

9. No reason will be assigned for the rejection of any offer.

E. A. GUERIN, Major,
Superintendent of Bazars.

Superintendent of Bazars' Office,
Malligaum, 13th October 1853.

A. RICHARDSON, Depy. Secy. to Government.

Notice

Is hereby given, that persons desirous of entering into a contract for the SUPPLY of BEER (both in quart and pint bottles) to this Department, for the term of six months certain, and subsequently during the pleasure of Government, may, on application at this Office, from 11 A. M. till 5 P. M. daily, (Sundays excepted,) obtain copies of the schedule, or list of prices, and such information relating thereto as they may require.

2. Verbal offers for the contract will be received at this Office on Friday the 2nd proximo, at 2 o'clock P. M. precisely, when intending contractors will be required to bid a percentage above or below the prices exhibited in the above-mentioned list at which the supply will be made; on the understanding that the articles supplied are to be

of unexceptionable quality, according to musters which may be seen in this Office, or of the sort usually supplied; and are to be delivered in the first instance at the Commissariat Stores, if required, and afterwards to the indenting Departments, in good condition, free of all charges beyond the stipulated price, in such quantities as may from time to time be demanded, and that the same are liable to examination and rejection by the Executive Commissariat Officer, or by the indenting or receiving Officer; or by a Committee of Officers appointed on the part of Government, in the event of the Contractor being dissatisfied with the decision of the above Officers, or either of them; it being understood that the decision of such Committee is to be final, and binding on all parties.

3. No person will be allowed to bid for the con-

tract unless he previously deposits in this Office, in cash, the sum of Rupees (700) seven hundred, which sum will be forfeited in the event of delay, evasion, or refusal on the part of the contractor to execute the necessary deed of contract, when ever required to do so, on his offer being accepted.

4. A contractor must comply immediately with all emergent demands, and meet others of less urgency within the periods stated in the requisitions made upon him; in failure whereof, or if any supply be condemned by a Committee of Officers as aforesaid, the articles, or such others as may be required in lieu thereof, shall be purchased by this Department without delay, at his risk and cost, if it be considered expedient to do so, and in all such cases (30) thirty per cent. upon the amount of expenses incurred, or a fine of from Rupees (30) thirty to (50) fifty, at the option of the Executive Commissariat Officer, will be levied as liquidated damages for each and every such breach of contract; it being understood that the simple condemnation of any article by a Committee constitutes such a breach of contract, whether the rejected article be replaced by the contractor or by this Department; in every such case, also, it is to be understood that the contract may be cancelled, at the discretion of the Commissary General, and that if the contract be so cancelled, the cash deposit of Rupees (700) seven hundred, mentioned in para. 3 of this Notice, will be forfeited to Government.

5. It is also to be understood, that any negligence, evasion, or refusal on the part of a contractor to make supplies, or obey orders, or any attempt on his part, or that of his agents, to pass off articles of an inferior quality, in lieu of those he is bound to supply, or any neglect to deliver them at the time and place ordered, will subject him, in every instance, to be fined to the extent of (25) twenty-five Rupees, at the option of the Executive Commissariat Officer, from whose order an appeal may be made to the Commissary General, whose decision is to be final; but in cases when it may be deemed fit to exact any of the penalties provided for in the preceding clause, no further penalty shall be leviable under this clause.

6. It is further to be understood that the contractor, or an accredited agent on his part, approved of by the Executive Commissariat Officer, is to attend at this Office during the usual hours of business, i. e. from 10 A. M. to 5 P. M. daily, (Sundays excepted,) also at such other time or place as may be indicated by the Executive Commissariat Officer, when he may consider it desirable for the public Service to require such attendance.

7. Bills for articles supplied under this contract must be preferred within one month from the date of the delivery of the articles; in default of which the contractor will forfeit the full value of the supplies for which bills have not been so preferred, unless it clearly appear to the satisfaction of the Commissary General that the delay was unavoidable.

8. The amount of retrenchments made by the Military Board on the contractor's bills will be recovered from the first bills preferred for payment; but in the event of such retrenchments, or any portion thereof, being remitted, the amount so remitted will be refunded.

9. No reason will be assigned for the rejection of any offer.

No. 693 of 1853.—The Right Honorable the Governor in Council is pleased to publish the following General Order by the Most Noble the Governor General of India in Council, dated Fort William, 28th October 1853, No. 875:—

The Most Noble the Governor General of India in Council having had under consideration the mode of payment to be observed in regard to Native Soldiers of the Madras and Bombay Armies, who may be desirous of drawing pay while on leave at Stations under this Presidency, is pleased to promulgate the following Rules, in supercession of the Government General Order No. 168, of the 12th March 1852, and of previous regulations on the subject:—

1. All Commissioned, Non-Commissioned Officers and Privates, belonging to either of the Presidencies of Fort Saint George and Bombay, who may obtain leave of absence to Stations in Bengal and the North Western Provinces, and who may be desirous of drawing pay during the term of such leave, will be furnished with a passport or leave certificate for this purpose, agreeably to the accompanying Form (No. 1).

2. The passports are to be carefully filled up by the Regimental or other Officers entrusted with their preparation, great care and minuteness in recording the personal appearance and particular marks of each Soldier being requisite to ensure identification, and to prevent fraud.

3. Each Soldier must be required to indicate the Treasuries, Civil or Military, from which he may be desirous of drawing pay. A specification thereof is to be entered in the passport in the appropriate column, and it should be distinctly explained to every Native Soldier, that in the event of any deviation from his stated route, as entered in the passport, he will receive no pay except on arrival at one of the Stations therein mentioned.

4. The Officers in charge of the Treasuries thus indicated should be advised of the intended payments simultaneously with the issue of the passport, and be furnished with a copy of the latter document.

5. The advice should also contain the probable dates of arrival of the holder of the passport at each of the Stations indicated, and in the event of his arriving much earlier or later than the appointed time at any Station, the Collector or Pay Master of such Station should notify the circumstance to the Officers at the remaining Stations entered in the passport.

6. No duplicate passport is to be issued without a previous reference to the Officers in charge of the several Treasuries concerned, for the purpose of ascertaining the extent of the payments that may have been made upon the original passport; and advice of the issue of a duplicate passport is invariably to be furnished to the several Treasuries therein mentioned.

7. The several Pay Masters, Deputy Pay Masters, Collectors, and other disbursing Officers in Bengal and the North Western Provinces are authorised to discharge, as the same shall become due, the pay of furlough men of the Madras and Bombay Establishments, on presentation of passports or leave certificates in the form above prescribed, provided that advice thereof has been duly received, and that the identity of the applicants has been satisfactorily established. It should be the special care of all disbursing Officers or their subordinates to compare the passport presented in each case with the copy furnished with the letter of advice, and to see that the descriptive remarks entered in both correspond with the personal appearance of the applicant.

8. Receipts for all payments thus made are invariably to be taken in duplicate, and the payments are to be debited in the disbursing Officer's account current to Madras or Bombay, as the case may be.

9. A note of every payment, of the date on which it is made, and of the period to which it refers, is also to be carefully entered on the back of the passport.

10. The disbursing Officers will furnish at the beginning of each month statements (a separate statement on account of each Presidency) of the payments made by them during the preceding month, in the accompanying Form (No. 2), accompanied by the original receipts, to the Military Accountant at Fort William, for transmission to the Authorities at Fort Saint George and Bombay respectively. The duplicate receipts will accompany the Account Current as vouchers in support of the relative debits.

11. It is to be understood that the monthly statements of payments are not, as heretofore, to be submitted to the Military Auditor General for audit, but to be forwarded direct to the Military Accountant at Fort William, their respective amounts being charged off in Account Current, as above directed.

12. Passports will, as heretofore, be issued only from the Offices of the Adjutants General at Madras and Bombay respectively, on the requisition of Commanding Officers, who will render an annual account, on the 1st January, of the number received and issued, and the balance remaining in store.

13. The foregoing Rules are to have effect from the 1st January 1854.

- For List No. 1, Company's Rupees 242.
- For List No. 2, Company's Rupees 1,134.

T. M. VYTHENAWTHUM,
Commissariat Agent.

Commissariat Office,
Kolapoor, 15th October 1853.

Notice

Is hereby given, that persons desirous of entering into Contracts for SUPPLYING such ARTICLES of PROVISIONS, embraced in the following Schedules, as may be required by the Commissariat Department at Poona, for the use of the Troops and Departments at Poona, Kirkee, and Poorundhur, for the term of one year from 1st January 1854, may, on application at this Office from 11 A. M. till 5 P. M. daily (Sundays excepted), obtain copies of the Schedules, or lists of prices, and such information relating thereto as they may require :—

- No. 4, For Arrowroot, Barley (Europe), and Sago, as per musters.

The Contracts for Provisions in these two Lists will be applicable to Poorundhur also.

2. Verbal offers for the contracts will be received at this Office on Monday the 12th proximo, at 12 o'clock precisely, when bidders will be required to bid a per-centage above or below the prices exhibited in the above lists at which the supply will be made, on the understanding that the articles supplied are to be of unexceptionable quality, and agreeable to such of the samples as will be shown at the sale, or of the sort usually supplied; and all articles are to be delivered, in the first instance at the Commissariat Stores at Poona and Kirkee if required, and afterwards to the indenting Departments, in good condition, free of all charges beyond the stipulated price, in such numbers or quantities as may from time to time be demanded, and that the same are liable to examination and rejection by the Executive Commissariat Officer, or by the indenting or receiving Officers; or by a Committee of Officers appointed on the part of Government, in the event of the contractor being dissatisfied with the decision of the above Officers, or either of them; it being understood that the decision of such Committee is to be final, and binding on all parties.

3. No persons will be allowed to bid for the contracts unless they previously deposit in this Office, in cash, the sums exhibited opposite to each of the following Schedules, which sums will be forfeited in the event of delay, evasion, or refusal on the part of the contractors to execute the necessary deeds of contract, whenever required to do so, on their offers being accepted; in which latter case they must be prepared to give unexceptionable bonded securities, to the further amount as shown opposite each Schedule, which,

together with the amount previously deposited, will be held as guarantee for the due fulfilment of their contracts :—

	Deposit before bidding.	Bonded Security on acceptance of any offer.
For List No. 1, Co.'s Rs.	3,430	13,720
„ „ No. 2,	3,145	12,580
„ „ No. 3,	1,110	4,440
„ „ No. 4,	15	60

4. The contractor must comply immediately with all emergent demands, and meet others of less urgency within the periods stated in the requisitions made upon him; in failure whereof, or if any supply be condemned by a Committee of Officers as aforesaid, the articles, or such others as may be required in lieu thereof, shall be purchased by this Department, without delay, at his risk and cost, if it be considered expedient to do so; and in all such cases (20) thirty per cent. upon the amount of expenses incurred, or a fine of Rupees (50) fifty, at the option of the Executive Commissariat Officer, will be levied as liquidated damages for each and every such breach of contract; it being understood that the simple condemnation of any article by a Committee constitutes such breach of contract, whether the rejected articles be replaced by the contractor or by this Department; in every such case, also, it is to be understood that the contract may be cancelled, at the discretion of the Commissary General; and that if the contract be so cancelled, the cash deposit mentioned in paragraph 3 of this Notice will be forfeited to Government.

5. It is also to be understood, that any negligence, evasion, or refusal on the part of a contractor to make supplies, or obey orders, or any attempt on his part, or that of his agents, to pass off articles of an inferior quality in lieu of those he is bound to supply, or any neglect to deliver them at the time and place ordered, will subject him in every instance to be fined to the extent of (25) twenty-five Rupees, at the option of the Executive Commissariat Officer; but in cases when it may be deemed fit to exact any of the penalties provided for in the preceding clause, no further penalty shall be leviable under this clause.

6. It is further to be understood, that the contractor, or an accredited agent on his part, approved of by the Executive Commissariat Officer, is to attend at this Office during the usual hours of business, i. e. from 10 A. M. to 5 P. M. daily (Sundays excepted), also at such other time or place as may be indicated by the Executive Commissariat Officer, when he may consider it desirable for the public Service to require such attendance.

7. Any parties whose offers are accepted will be required to produce their sureties for the approval of the Civil or Bazar Authorities, as necessary, within fifteen days from the date of the acceptance of their offers, or the contracts will be resold. No reason will be stated for rejecting any securities offered.

8. Bills for articles supplied under this contract must be preferred within one month from the date of the delivery of the articles, in default of which the contractor will forfeit the full value of the supplies for which bills have not been so preferred, unless it clearly appear to the satisfaction of the Commissary General that the delay was unavoidable.

9. The amount of retrenchments made by the

Military Board on the contractors' bills will be recovered from the first bills preferred for payment; but in the event of such retrenchments, or any portion thereof, being remitted, the amount remitted will be refunded.

10. Any party who, after tendering for the contract, fails to furnish the necessary security, as provided for in Clause 7 of this Notice, will be interdicted from bidding on future occasions, unless he produces a certificate from individuals of unexceptionable character and sufficient means, guaranteeing the due execution and performance of the contract, on his offer being accepted.

11. The annual outlay on the above contracts is estimated as follows:—

No. 1	Rs. 68,598
No. 2	62,904
No. 3	22,185
No. 4	271
