Notice

Is hereby given, that persons desirous of entering into a contract for SUPPLYING COLD DRAWN CASTOR OIL, of Country manufacture, to this Department, for the term of one year from the 1st day of February next, may, on application at this Office, from 11 A. M. till 5 P. M. daily, (Sundays excepted,) obtain copies of the Schedule or list of prices, and such information relating thereto as they may require.

2. Sealed tenders for the contract will be received at this Office on Friday the 30th instant, at 2 P. M. precisely. These must specify, both in words and figures, the rate per cent. above or below the prices exhibited in the above list at which the supply will be made, on the understanding that the articles supplied are to be of unexceptionable

quality, according to musters which may be seen in this Office, or of the sort usually supplied, and are to be delivered, in the first instance at the Commissariat Stores, if required, and afterwards to the indenting Departments, in good condition, free of all charges beyond the stipulated price, in such quantities as may from time to time be demanded, and that the same are liable to examination and rejection by the executive Commissariat Officer, or by the indenting or receiving Officer; or by a Committee of Officers appointed on the part of Government, in the event of the contractor being dissatisfied with the decision of the above Officers, or either of them; it being understood that the decision of such Committee is to be final, and binding on all parties.

3. No tender will be received unless accompanied by a deposit in cash of the sum of Rupees (32) thirty-two, which sum will be forfeited in the event of delay, evasion, or refusal on the part of the contractor to execute the necessary deed of contract, whenever required to do so, on his tender being accepted, in which latter case he must be prepared to give unexceptionable bonded security to the further amount of Rupees (131) one hundred and thirty-one, which, together with the amount previously deposited, will be held as a guarantee for the due fulfilment of his contract.

4. A contractor must comply immediately with all emergent demands, and meet others of less urgency within the periods stated in the requisitions made upon him, in failure whereof, or if any supply be condemned by a Committee of Officers as aforesaid, the articles, or such others as may be required in lieu thereof, shall be purchased

by this Department without delay, at his risk and cost, if it be considered expedient to do so; and in all such cases thirty per cent. upon the amount of expenses incurred, or a fine of from Rs. twenty-five to fifty, at the option of the executive Commissariat Officer, will be levied as liquidated damages for each and every such breach of contract; it being understood that the simple condemnation of any article by a Committee constitutes such a breach of contract, whether the rejected articles be replaced by the contractor or by this Department; in every such case, also, it is to be understood that the contract may be cancelled, at the discretion of the Commissary General, and that if the contract be so cancelled, the cash deposit of Rupees (32) thirty-two, mentioned in paragraph 3 of this Notice, will be forfeited to Government.

5. It is also to be understood, that any negligence, evasion, or refusal on the part of a contractor to make supplies, or obey orders, or any attempt on his part, or that of his agents, to pass off articles of an inferior quality in lieu of those he is bound to supply, or any neglect to deliver them at the time and place ordered, will subject him, in every instance, to be fined to the extent of twenty-five Rupees, at the option of the executive Commissariat Officer, from whose order an appeal may be made to the Commissary General, whose decision is to be final; but in cases when it may be deemed fit to exact any of the penalties provided for in the preceding clause, no further penalty shall be leviable under this clause.

6. It is further to be understood, that the contractor, or an accredited agent on his part, approved of by the executive Commissariat Officer, is to attend at this Office during the usual hours of business, i. e. from 10 A. M. to 5 P. M. daily, Sundays excepted, also at such other time or place as may be indicated by the executive Commissariat Officer, when he may consider it desirable for the public service to require such attendance.

7. Any party whose tender is accepted will be required to produce his sureties for the approval of the Honorable Company's Solicitor, within fifteen days from the date of the acceptance of his tender, or the contract will be resold. No reason will be stated for rejecting any security tendered.

8. Bills for articles supplied under this contract must be preferred within one month from the date of the delivery of the articles, in default of which the contractor will forfeit the full value of the supplies for which bills have not been so preferred, unless it clearly appear to the satisfaction of the Commissary General that the delay was unavoidable.

9. The amount of retrenchments made by the Military Board on the contractor's bills will be recovered from the first bills preferred for payment; but in the event of such retrenchments, or any portion thereof, being remitted, the amount so remitted will be refunded.

10. Any party who, after tendering for the contract, fails to furnish the necessary security, as provided for in Clause 7th of this Notice, will be interdicted from tendering on future occasions, unless he produces a certificate from individuals of unexceptionable character and sufficient means, guaranteeing the due execution and performance of the contract, on his tender being accepted.

11. The annual outlay on the above contract is estimated at Rupees 658.

12. No reason will be assigned for the rejection of any tender.

FORT WILLIAM,
HOME DEPARTMENT,
LEGISLATIVE,

The 18th November 1853.

The following Act, passed by the Governor General of India in Council on the 18th November 1853, is hereby promulgated for general information :—

ACT No. XVI. of 1853.

An Act for amending the Law of Special Appeals.

I. Act No. III. of 1843 is hereby repealed, except as to cases in which a petition for appeal shall have been presented before this Act shall come into operation.

II. If any application for a special appeal shall have been presented, and no order shall have been passed thereon before this Act shall come into operation, such application shall be heard and determined in the same manner as an appeal presented under this Act; and all the provisions of this Act shall extend to such application and to the hearing thereof, and to all subsequent proceedings thereon; and also to the hearing and determination of the appeal, if the same shall be admitted.

III. If any such application shall have been presented, and the appeal admitted before this Act shall come into operation, the appeal shall be heard and determined in the same manner as if this Act had not been passed, except that the Sudder Courts shall determine the appeal without reference to the points certified, and may call for or refer to any part of the proceedings which may be necessary, and that the provisions of Section X. of this Act shall extend to such appeals.

IV. A special appeal shall lie to the Sudder Courts in the several Presidencies of Fort William in Bengal, Fort St. George, and Bombay, from any decision passed on regular appeal in any of the Civil Courts subordinate to the said Sudder Courts respectively, on any of the following grounds, namely :

1st. On the ground that the decision hath failed to determine all material points in difference in the cause, or hath determined the same or any of them contrary to law, or usage having the force of law.

2nd. On the ground of a misconstruction of any document.

3rd. On the ground of any ambiguity in the decision affecting the merits.

4th. On the ground of any substantial error or defect in procedure, or in the investigation of the case, provided such error or defect be apparent on the record, and shall have produced, or be likely to have produced any error or defect in the decision of the case upon the merits. Provided always, that no such special appeal shall lie, nor shall any such decision be reversed, altered, or remanded by any of the said Sudder Courts, upon the ground that the decision of any question or fact is contrary to or not warranted by the evidence duly taken in the cause, or any probability deduced from the record.

V. *Clause 1.*—A petition of special appeal may be presented in the Sudder Court, or it may be presented in the Court in which the decision objected to was passed for transmission to the Sudder Court. In either case the petition must be presented within three months from the date of the decision appealed against, unless the petitioner can show just and reasonable cause to the satisfaction of the Sudder Court for not having presented it within such limited period.

Clause 2.—Every such petition of special appeal shall be accompanied by authenticated copies of the decree objected to and of the decree of the Court of original jurisdiction. If the appeal be presented in the Court in which the decree objected to was passed, such last mentioned Court shall forthwith forward the same to the Sudder Court with an endorsement thereon of the date on which it was presented, together with the copies of the decrees of the lower Courts by which it was accompanied.

Clause 3.—An application for an extension of the time for presenting a petition of special appeal may be made directly to the Sudder Court or through the intervention of the lower Court, at the option of the applicant.

VI. Every petition for a special appeal shall set forth concisely and under distinct heads the grounds of objection to the decision appealed, without any argument or narrative, and such grounds shall be numbered consecutively.

VII. *Clause 1.*—The Sudder Courts shall cause lists of the petitions which shall be presented for the admission of special appeals to be prepared weekly, and to be affixed in the Court houses of the said Sudder Courts respectively. The said lists shall set forth the dates on which such petitions are likely to be brought on for hearing, and the said Sudder Courts shall cause extracts from the said lists to be transmitted to the Courts in which the decisions on regular appeal were passed; such extracts shall be affixed in some conspicuous place in the last mentioned Courts, and extracts therefrom shall be transmitted by such Courts to the Courts in which the original suits were instituted, and such last mentioned extracts shall be affixed in some conspicuous place in the said last mentioned Courts. The time to be fixed by the Sudder Court for the hearing of any petition shall not be less than six weeks from the date of despatch of the extracts referring to the same from the Sudder Court. The date of the despatch of each extract shall be notified thereon.

Clause 2.—At any time within the period of one month from the date of the despatch of the extract referring to the appeal, or within such further time as the Sudder Court shall, for just and reasonable cause allow for that purpose, the respondent may present a separate petition of special appeal in the Sudder Court upon any of the grounds upon which a special appeal will lie against any part of the decision of the lower Court not involved in the appeal of the opposite party, provided the respondent shall not previously have presented a special appeal in the cause. Such petition, however, shall not be inserted in any list to be prepared in pursuance of *Clause 1, Sec. VII.* of this Act.

Clause 3.—If the petition of appeal or the appeal of either party be dismissed, withdrawn, or rejected, the application for appeal or the appeal, as the case may be, of the other party, shall be heard alone, according to the provisions of this Act; otherwise all applications for special appeal and all admitted special appeals relating to the same decision shall respectively be heard together, unless the Sudder Court shall otherwise order in any case.

VIII. *Clause 1.*—It shall be lawful for one or more of the Judges of the said Sudder Courts, respectively, to hear applications for special appeals, duly presented as aforesaid, in the presence of the appellant or his pleader, and also of the respondent or his pleader, or such of them as shall attend, and it shall be competent for such Judge or Judges to call for and peruse any document forming a part of the record of the cause; or to order the amendment of the petition of special appeal forthwith, or within such time as he or they may order, not exceeding one month from the date of such order; or to make an order of reference to the Court which pronounced the decree appealed from for further information or explanation; or to pass an order for admitting the appeal for hearing or for rejecting the same; or, if it shall appear that the facts have not been sufficiently recorded, or that the case is otherwise so insufficient that the Sudder Court could not, if the appeal were admitted, pass a final decree thereon, but for no other cause, to issue an injunction, setting forth the errors, irregularities, or other defects in the decision appealed against, and remanding the same to the Court by which the same shall have been passed, in order that such decision may be reviewed by the last mentioned Court, and that such order or decree may be passed thereon as shall be conformable to law. Provided always, that

no such remand shall be ordered as aforesaid, except upon grounds whereon a special appeal will lie under this Act. If any such application shall be heard by only two Judges, and they differ in opinion as to admitting the appeal for hearing, it shall be admitted.

Clause 2.—An order for admitting a special appeal for hearing shall specify, for the information of the Court, the grounds upon which it was admitted. But neither the Court nor the parties shall be confined to those grounds upon the hearing.

Clause 3.—If an order be passed for admitting the special appeal for hearing, the case shall be brought on to the file of the Court to be heard and determined in due course.

Clause 4.—If an order for rejecting a special appeal, or for remanding a case, be made by one Judge only, such order shall not be final, but it shall be laid before another Judge of the same Court, who shall hear the application for the appeal in the presence of the appellant or his pleader, and also of the respondent or his pleader, or such of them as shall attend. If the second Judge be of opinion that the appeal ought to be rejected, or the case remanded, he shall pass a final order to that effect; if he be of opinion that the appeal ought to be admitted, he shall pass an order for admitting the same, and the appeal shall thereupon be admitted, heard, and determined in due course, in the same manner as if it had been admitted in the first instance.

Clause 5.—A final order for remanding a case shall not be made without notice to the respondent to enable him to appear and be heard.

Clause 6.—Any Judge by whom an order for admitting a special appeal shall be made may certify that in his judgment the decision of the lower Court is manifestly erroneous upon any of the grounds upon which a special appeal will lie, and thereupon the appeal may be set down for hearing in a list to be called the list of certified special appeals. All cases entered in such list may be called up in due course for hearing and decision according to the provisions of this Act, without regard to the general list of special appeals pending in the Sudder Court.

Clause 7.—If an application for a special appeal be heard by a number of Judges sufficient according to the provisions of this Act to hear and determine the appeal, and it shall appear that the decision is manifestly erroneous, or that the case ought to be remanded, the appeal may be heard and determined forthwith, if the respondent or respondents be present or represented by a pleader or pleaders, otherwise the Court may order the case to be entered in the list of certified appeals, and the same shall be entered accordingly.

IX. Clause 1.—Every order for rejecting a special appeal shall state the reason for disallowing each of the grounds set forth in the petition, and every such order of rejection may be once reviewed by the Judge or Judges by whom the same was passed, or by any Judge or Judges sitting for or instead of him or them, if they or he shall think fit to review the same. Provided, that no such review shall be allowed unless application for the same be made within three months from the date of such order.

Clause 2.—If any such order be rescinded, or if the Judges who shall review the same shall be equally divided in opinion, the appeal shall be admitted, and the case brought on to the file of the Court, and heard and determined in due course.

Clause 3.—A petition for the review of such order shall be written on paper stamped with a Government stamp of the value of two Rupees a sheet.

X. Clause 1.—When any special appeal shall be admitted, the same shall be heard and determined by three or more of the Judges of the Sudder Court, and such hearing and determination shall be upon all the

grounds whereon a special appeal will lie under this Act.

Clause 2.—The Sudder Court may at any time before or at the time of the hearing of any special appeal, or any application for a special appeal, allow either party to amend the grounds of objection set forth in his petition, or to add further grounds of objection thereto; or to urge and be heard by himself or his pleader in support of any objection not included in his petition, upon such terms and conditions as to postponement of the hearing, and as to the payment of costs or otherwise, as the Court shall think just, to prevent the opposite party or his pleader from being taken by surprise or otherwise. Without such leave of the Court, neither party shall be allowed to urge or be heard in support of any objection not set forth in his petition. But upon hearing the application, or determining the appeal, the Sudder Court shall not be confined to the grounds of objection set forth in the petition.

The following Act is brought up before the Legislative Council this day, the Governor General of India in Council being desirous that no time should be lost in passing the Act.

Resolved, that the Rule requiring that no Draft of a Law shall be ordered to be published till at least one week shall have elapsed from the day on which it was first laid before the Council of India in its Legislative Department, and that the Rules requiring that all Acts of the Governor General of India in Council shall be brought up for second reading in two months, or in three months, from the date of the first reading, be suspended in respect to the following proposed Act, and that it be at once passed into Law.

VI. It shall be lawful for the said Association to make Bye-laws for the Regulation of its own proceedings, which Bye-laws shall be binding only on its own Members and Officers, provided that no such Bye-law shall be valid till it shall have been approved of by one extraordinary General Meeting of Proprietors specially convened for that purpose; provided also, that no such Bye-law shall be valid till it shall have been confirmed by the Governor of the Presidency of Fort William in Bengal.

VII. At any time after the 14th day of March 1860 it shall be lawful for the Governor General of India in Council, by an Order in Council, to direct that the said Association shall be dissolved at the expiration of five years from the date of such order, and such order shall of itself have the effect of dissolving the said corporation at the expiration of the said space of five years, except for the purposes mentioned in Section XXXIX. Act No. V. of 1838.

Notice

Is hereby given, that persons desirous of entering into a contract for SUPPLYING MEDICAL COMFORTS, &c. to this Department, for the term of one year from the 1st day of February next, may, on application at this office from 11 A. M. till 5 P. M. daily, (Sundays excepted,) obtain copies of the

Schedule or list of prices, and such information relating thereto as they may require.

2. Sealed tenders for the contract will be received at this office on Saturday the 31st instant, at 2 P. M. precisely. These must specify, both in words and figures, the rate per cent. above or below the prices exhibited in the above list at which the supply will be made, on the understanding that the articles supplied are to be of unexceptionable quality, according to musters which may be seen in this office, or of the sort usually supplied, and are to be delivered in the first instance at the Commissariat Stores, if required, and afterwards to the indenting Departments, in good condition, free of all charges beyond the stipulated price, in such quantities as may from time to time be demanded, and that the same are liable to examination and rejection by the executive Commissariat Officer, or by the indenting or receiving Officer; or by a Committee of Officers appointed on the part of Government, in the event of the contractor being dissatisfied with the decision of the above Officers, or either of them; it being understood that the decision of such Committee is to be final, and binding on all parties.

3. No tender will be received unless accompanied by a deposit in cash of the sum of Rupees (80) eighty, which sum will be forfeited in the event of delay, evasion, or refusal on the part of the contractor to execute the necessary deed of contract, whenever required to do so, on his tender being accepted, in which latter case he must be prepared to give unexceptionable bonded security to the further amount of Rupees (321) three hundred and twenty-one, which, together with the amount previously deposited, will be held as a guarantee for the due fulfilment of his contract.

4. A contractor must comply immediately with all emergent demands, and meet others of less urgency within the periods stated in the requisitions made upon him; in failure whereof, or if any supply be condemned by a Committee of Officers as aforesaid, the articles, or such others as may be required in lieu thereof, shall be purchased by this Department without delay, at his risk and cost, if it be considered expedient to do so; and in all such cases (30) thirty per cent. upon the amount of expenses incurred, or a fine of from Rupees (30) thirty to (100) one hundred, at the option of the executive Commissariat Officer, will be levied as liquidated damages for each and every such breach of contract; it being understood that the simple condemnation of any article by a Committee constitutes such a breach of contract, whether the rejected article be replaced by the contractor or by this Department; in every such case, also, it is to be understood that the contract may be cancelled at the discretion of the Commissary General, and that if the contract be so cancelled, the cash deposit of Rupees (80) eighty, mentioned in paragraph 3 of this Notice, will be forfeited to Government.

5. It is also to be understood that any negligence, evasion, or refusal on the part of a contractor to make supplies, or obey orders, or any attempt on his part, or that of his agents, to pass off articles of an inferior quality in lieu of those he is bound to supply, or any neglect to deliver them at the time and place ordered, will subject him, in every instance, to be fined to the extent of (25) twenty-five rupees, at the option of the executive Commissariat Officer, from whose order an appeal may be made to the Commissary General, whose

decision is to be final ; but in cases when it may be deemed fit to exact any of the penalties provided for in the preceding clause, no further penalty shall be leviable under this clause.

6. It is further to be understood that the contractor, or an accredited agent on his part, approved of by the executive Commissariat Officer, is to attend at this office during the usual hours of business, *i. e.* from 10 A. M. to 5 P. M. daily, (Sundays excepted,) also at such other time or place as may be indicated by the executive Commissariat Officer, when he may consider it desirable for the public service to require such attendance.

7. Any party whose tender is accepted will be required to produce his securities for the approval of the Honorable Company's Solicitor, within fifteen days from the date of the acceptance of his tender, or the contract will be re-sold. No reason will be stated for rejecting any security tendered.

8. Bills for articles supplied under this contract must be preferred within one month from the date of the delivery of the articles, in default of which the contractor will forfeit the full value of the supplies for which bills have not been so preferred, unless it clearly appear, to the satisfaction of the Commissary General, that the delay was unavoidable.

9. The amount of retrenchments made by the Military Board on the contractors' bills will be recovered from the first bills preferred for payment ; but in the event of such retrenchments, or any portion thereof, being remitted, the amount so remitted will be refunded.

10. Any party who, after tendering for the contract, fails to furnish the necessary security, as provided for in Clause 7 of this Notice, will be interdicted from tendering on future occasions, unless he produces a certificate from individuals of unexceptionable character and sufficient means, guaranteeing the due execution and performance of the contract, on his tender being accepted.

11. The annual outlay on the above contract is estimated at Rupees 1607.

12. No reason will be assigned for the rejection of any tender.

4. The contractor must comply immediately with all emergent demands, and meet others of less urgency within the periods stated in the requisitions made upon him; in failure whereof, or if any

supply be condemned by a Committee of Officers as aforesaid, the articles, or such others as may be required in lieu thereof, shall be purchased by this Department, without delay, at his risk and cost, if it be considered expedient to do so; and in all such cases (30) thirty per cent. upon the amount of expenses incurred, or a fine of Rupees (50) fifty, at the option of the Executive Commissariat Officer, will be levied as liquidated damages for each and every such breach of contract; it being understood that the simple condemnation of any article by a Committee constitutes such breach of contract, whether the rejected articles be replaced by the contractor or by this Department; in every such case, also, it is to be understood that the contract may be cancelled, at the discretion of the Commissary General; and that if the contract be so cancelled, the cash deposit mentioned in paragraph 3 of this Notice will be forfeited to Government.

5. It is also to be understood, that any negligence, evasion, or refusal on the part of a contractor to make supplies, or obey orders, or any attempt on his part, or that of his agents, to pass off articles of an inferior quality in lieu of those he is bound to supply, or any neglect to deliver them at the time and place ordered, will subject him in every instance to be fined to the extent of (25) twenty-five Rupees, at the option of the Executive Commissariat Officer; but in cases when it may be deemed fit to exact any of the penalties provided for in the preceding clause, no further penalty shall be leviable under this clause.

6. It is further to be understood, that the contractor, or an accredited agent on his part, approved of by the Executive Commissariat Officer, is to attend at this Office during the usual hours of business, i. e. from 10 A. M. to 5 P. M. daily (Sundays excepted), also at such other time or place as may be indicated by the Executive Commissariat Officer, when he may consider it desirable for the public service to require such attendance.

7. Any parties whose offers are accepted will be required to produce their sureties for the approval of the Civil or Bazar Authorities, as necessary, within fifteen days from the date of the acceptance of their offers, or the contracts will be resold. No reason will be stated for rejecting any securities offered.

8. Bills for articles supplied under this contract must be preferred within one month from the date of the delivery of the articles, in default of which the contractor will forfeit the full value of the supplies for which bills have not been so preferred, unless it clearly appear to the satisfaction of the Commissary General that the delay was unavoidable.

9. The amount of retrenchments made by the Military Board on the contractors' bills will be recovered from the first bills preferred for payment; but in the event of such retrenchments, or any portion thereof, being remitted, the amount remitted will be refunded.

10. Any party who, after tendering for the contracts, fails to furnish the necessary security, as provided for in Clause 7 of this Notice, will be interdicted from bidding on future occasions, unless he produces a certificate from individuals of unexceptionable character and sufficient means, guaranteeing the due execution and performance of the contract, on his offer being accepted.
