Notice

Is hereby given, that persons desirous of entering into a Contract for supplying Grain, &c. to the European Troops at the Presidency, Indian Naval Department, House of Correction, and County Gaol, and for such other proposes as may from time to time be required by the Commissariat Department, for the service of Government, for the term of one year from the 1st day of July next, may, on application at this Office, from 11 A. M. till 5 P. M. daily (Sundays excepted), obtain copies of the Schedule or List of Prices, and such information relating thereto as they may require.

2. Sealed tenders for the contract will be received at this Office on Friday the 24th instant,

at 2 P. M. precisely. These must specify, both in words and figures, the rates per cent. above or below the prices exhibited in the above list at which the supply will be made, on the understanding that the articles supplied are to be of unexceptionable quality, according to musters which may be seen in this office, or of the sort usually supplied; and are to be delivered, in the first instance at the Commissariat Stores, if required, and afterwards to the indenting Departments, in good condition, free of all charges beyond the stipulated price, in such quantities as may from time to time be demanded; and that the same are liable to examination and rejection by the executive Commissariat Officer, or by the indenting or receiving Officer; or by a Committee of Officers, appointed on the part of Government, in the event of the contractor being dissatisfied with the decision of the above Officers, or either of them; it being understood that the decision of such Committee is to be final and binding on all parties.

3. No tender will be received unless accompanied by a deposit, in cash, of the sum of Rupees (1,460) one thousand four hundred and sixty, which sum will be forfeited in the event of delay, evasion, or refusal on the part of the contractor to execute the necessary deed of contract, whenever required to do so, on his tender being accepted; in which latter case he must be prepared to give unexceptionable bonded security to the further amount of Rupees (5,842) five thousand eight hundred and forty-two, which, together with the amount previously deposited, will be held as a guarantee for the due fulfilment of his contract.

4. A contractor must comply immediately with all emergent demands, and meet others of less urgency within the periods stated in the requisitions made upon him; in failure whereof, or if any supply be condemned by a Committee of Officers as aforesaid, the articles, or such others as may be required in lieu thereof, shall be purchased by this Department without delay, at his risk and cost, if it be considered expedient to do so; and in all such cases thirty per cent. upon the amount of expenses incurred, or a fine of from Rupees (50) fifty, to (300) hundred, at the option of the executive Commissariat Officer, will be levied as liquidated damages for each and every such breach of contract; it being understood that the simple condemnation of any article by a Committee constitutes such a breach of contract, whether the rejected articles be replaced by the contractor or by this Department; in every such case, also, it is to be understood that the contract may be cancelled, at the discretion of the Commissary General, and that if the contract be so cancelled, the cash deposit of Rs. (1,460) one thousand four hundred and sixty, mentioned in para. 3 of this Notice, will be forfeited to Government.

5. It is also to be understood that any negligence, evasion, or refusal on the part of a contractor to make supplies, or obey orders, or any attempt on his part, or that of his agents, to pass off articles of an inferior quality in lieu of those he is bound to supply, or any neglect to deliver them at the time and place ordered, will subject him, in every instance, to be fined to the extent of twenty-five Rupees, at the option of the executive Commissariat Officer, from whose order an appeal may be made to the Commissary General, whose decision is to be final; but in cases when it may be deemed fit to exact any of the penalties provided for in the preceding Clause, no further penalty shall be leviable under this Clause.

6. It is further to be understood that the Contractor, or an accredited Agent on his part, approved of by the executive Commissariat Officer, is to attend at this office during the usual hours of business, *i. e.* from 10. A. M. to 5 P. M. daily, Sundays excepted, also at such other time or place as may be indicated by the executive Commissariat Officer, when he may consider it desirable for the public service to require such attendance.

7. Any party whose tender is accepted will be required to produce his sureties for the approval of the Hon'ble Company's Solicitor, within 15 days from the date of the acceptance of his tender, or the contract will be resold; no reason will be stated for rejecting any security offered.

8. Bills for articles supplied under this contract must be preferred within one month from the date of the delivery of the articles, in default of which the contractor will forfeit the full value of the supplies for which bills have not been so preferred, unless it clearly appear, to the satisfaction of the Commissary General, that the delay was unavoidable.

9. The amount of retrenchments made by the Military Board on the contractors' bills will be recovered from the first bills preferred for payment; but in the event of such retrenchments, or any portion thereof, being remitted, the amount remitted will be refunded.

10. Any party who, after tendering for the contract, fails to furnish the necessary security, as provided for in Clause 7 of this Notice, will be inter-

dicted from tendering on future occasions, unless he produces a certificate from individuals of unexceptionable character and sufficient means, guaranteeing the due execution and performance of the contract on his offer being accepted.

11. The annual outlay on the above contract is estimated at Rupees 29,210.

12. No reason will be assigned for the rejection of any tender.

Notice

Is hereby given, that persons desirous of entering into a contract for supplying such of the Hospital Clothing, &c. as may be required by the Commissariat Department at Poona, to meet demands from the several Stations of this Division, (with the exception of Ahmednuggur,) for the term of two years from the 1st July next, may, on application at the Commissariat Offices at Poona, Ahmednuggur, and Bombay, from 11 A. M. till 5 P. M. daily, (Sundays excepted,) obtain copies of the schedule or list of prices, and such information relating thereto as they may require.

2. Sealed tenders for the contract will be received at the Commissariat Offices at the above Stations (Poona, Ahmednuggur, and Bombay) on Monday the 20th instant, at 12 o'clock precisely. The tenders must specify, both in words and figures, the rates per cent. above or below the prices exhibited in the list above alluded to at which the supply will be made, on the understanding that the articles supplied are to be of unexceptionable

quality, and agreeably to such of the samples as will be shown at the sale; and all articles are to be delivered, in the first instance at the Commissariat Stores, Poona, if required, and afterwards to the indenting departments, in good condition, free of all charges beyond the stipulated price, in such numbers or quantities as may from time to time be demanded, and that the said articles are liable to examination and rejection by the Executive Commissariat Officer, or by the indenting or receiving Officer; or by a Committee of Officers appointed on the part of Government, in the event of the contractor being dissatisfied with the decision of the above Officers, or either of them; it being understood that the decision of such Committee is to be final and binding on all parties.

3. No tender will be received for the contract unless accompanied by a deposit in cash of Rupees (525) five hundred and twenty-five, which sum will be forfeited in the event of delay, evasion, or refusal on the part of the contractor to execute the necessary deed of contract, whenever required to do so, on his tender being accepted;

in which latter case he must be prepared to give unexceptionable bonded security to the further amount of Rupees (2,100) two thousand and one hundred, which, together with the amount previously deposited, will be held as a guarantee for the due fulfilment of his contract.

4. A contractor must comply immediately with all emergent demands, and meet others of less urgency within the periods stated in the requisitions made upon him; in failure whereof, or if any supply be condemned by a Committee of Officers as aforesaid, the articles, or such others as may be required in lieu thereof, shall be purchased by this department without delay, at his risk and cost, if it be considered expedient to do so; and in all such cases (30) thirty per cent. upon the amount of expenses incurred, or a fine of Rupees (50) fifty, at the option of the Executive Commissariat Officer, will be levied as liquidated damages for each and every such breach of contract; it being understood that the simple condemnation of any article by a Committee constitutes such a breach of contract, whether the rejected articles be replaced by the contractor or by this department; in every such case, also, it is to be understood that the contract may be cancelled, at the discretion of the Commissary General, and that if the contract be so cancelled, the cash deposit of Rupees (525) five hundred and twenty-five, mentioned in para. 3 of this Notice, will be forfeited to Government.

5. It is also to be understood that any negligence, evasion, or refusal on the part of a contractor to make supplies, or obey orders, or any attempt on his part, or that of his agents, to pass off articles of an inferior quality in lieu of those he is bound to supply, or any neglect to deliver them at the time and place ordered, will subject him, in every instance, to be fined to the extent of (25) twenty-five Rupees, at the option of the Executive Commissariat Officer; but in cases when it may be deemed fit to exact any of the penalties provided for in the preceding clause, no further penalty shall be leviable under this clause.

6. It is further to be understood that the contractor, or an accredited agent on his part, approved of by the Executive Commissariat Officer, is to attend at this office during the usual hours of business, i. e. from 10 A. M. to 5 P. M. daily, (Sundays excepted,) also at such other time or place as may be indicated by the Executive Commissariat Officer, when he may consider it desirable for the public Service to require such attendance.

7. Any party whose tender is accepted will be required to produce his sureties, for the approval of the Collector or Company's Solicitor, within fifteen days from the date of the acceptance of his offer, or the contract will be resold. No reason will be stated for rejecting any security offered.

8. Bills for articles supplied under this contract must be preferred within one month from the date of the delivery of the articles, in default of which the contractor will forfeit the full value of the supplies for which bills have not been so preferred, unless it clearly appear to the satisfaction of the Commissary General that the delay was unavoidable.

9. The amount of retrenchments made by the Military Board on the contractors' bills will be recovered from the first bills preferred for payment; but in the event of such retrenchments, or any portion thereof, being remitted, the amount remitted will be refunded.

10. Any party who, after tendering for the contract, fails to furnish the necessary security, as provided for in clause 7 of this Notice, will be interdicted from bidding on future occasions, unless he produces a certificate from individuals of unexceptionable character and sufficient means, guaranteeing the due execution and performance of the contract on his offer being accepted.

11. The annual outlay on the above contract is estimated at Rupees (10,511) ten thousand five hundred and eleven.

12. No reason will be assigned for the rejection of any offer.

T. G. FRASER, Major,
Assistant Commissary General.

Poona, Commissariat Office,
4th June 1853.
