Notice

Is hereby given, that persons desirous of enter-
ing into a contract for the SUPPLY of COLD DRAWN
CASTOR OIL, of Country manufacture, &c., as may
be required by the Commissariat Department at
the Presidency, for the term of one year from the
date of the acceptance of the offer, may, on appli-
cation at this Office from 11 A. M. to 5 P. M. daily
(Sundays excepted), obtain copies of the schedule
or list of prices, and such information relating
thereto as they may require.

2. Verbal offers for the contract will be received at this Office on Friday the 13th proximo, at 1 o'clock precisely, when bidders will be required to bid a per-centage above or below the prices exhibited in the above list at which the supply will be made, on the understanding that the articles supplied are to be of unexceptionable quality, and according to musters which may be seen in this Office, or of the sort usually supplied, and are to be delivered, in the first instance at the Commissariat Stores at the Presidency, if required, and afterwards to the indenting Departments, in good condition, free of all charges beyond the stipulated price, in such quantities as may from time to time be demanded, and that the same are liable to examination and rejection by the executive Commissariat Officer, or by the indenting or receiving Officer; or by a Committee of Officers appointed on the part of Government, in the event of the contractor being dissatisfied with the decision of the above Officers, or either of them; it being understood that the decision of such Committee is to be final, and binding on all parties.

3. No person will be allowed to bid for the contract unless he previously deposits in this Office, in cash, the sum of Rupees ninety-eight (98), which sum will be forfeited in the event of delay, evasion, or refusal on his part to execute the necessary deed of contract when required to do so, on his offer being accepted; in which latter case he must be prepared to give unexceptionable bonded security to the further amount of Rupees three hundred and ninety-three (393), which, together with the amount previously deposited, will be held as a guarantee for the due fulfilment of his contract.

4. A contractor must comply immediately with all emergent demands, and meet others of less urgency within the periods stated in the requisitions made upon him; in failure whereof, or if any supply be condemned by a Committee of Officers as aforesaid, the articles, or such others as may be required in lieu thereof, shall be purchased by this Department without delay, at his risk and cost, if it be considered expedient to do so; and in all such cases thirty (30) per cent. upon the amount of expenses incurred, or a fine of from Rs. twenty-five (25) to Rs. fifty (50), at the option of the executive Commissariat Officer, will be levied as liquidated damages for each and every such breach of contract; it being understood that the simple condemnation of any article by a Committee constitutes a breach of contract, whether the rejected articles be replaced by the contractor or by this Department; in every such case, also, it is to be understood that the contract may be cancelled at the discretion of the Commissary General, and that if the contract be so cancelled, the cash deposit mentioned in Paragraph 3 of this Notice will be forfeited to Government.

5. It is also to be understood, that any delay, negligence, evasion, or refusal on the part of a contractor to make supplies or obey orders, or any attempt on his part, or that of his agents, to pass off articles of an inferior quality in lieu of those he is bound to supply, or any neglect to deliver them at the time and place ordered, will subject him, in every instance, to be fined to the extent of Rupees twenty-five (25), at the option of the executive Commissariat Officer, from whose order an appeal may be made to the Commissary

General, whose decision is to be final; but in cases when it may be deemed fit to exact any of the penalties provided for in the preceding clause, no further penalty shall be leviable under this clause.

6. It is further to be understood, that the contractor, or an accredited agent on his part, approved of by the executive Commissariat Officer, is to attend at this Office during the usual hours of business, i. e. from 10 A. M. to 5 P. M. daily (Sundays excepted), also at such other time or place as may be indicated by the executive Commissariat Officer, when he may consider it desirable for the public service to require such attendance.

7. Any party whose offer is accepted will be required to produce his sureties for the approval of the Honorable Company's Solicitor, within fifteen days from the date of the acceptance of his offer, or the contract will be resold. No reason will be stated for rejecting any security offered.

8. Bills for articles supplied under this contract must be preferred within one month from the date of the delivery of the articles, in default of which the contractor will forfeit the full value of the supplies for which bills have not been so preferred, unless it clearly appear, to the satisfaction of the Commissary General, that the delay was unavoidable.

9. The amount of retrenchments made by the Military Board on the contractors' bills will be recovered from the first bills preferred for payment; but in the event of such retrenchments, or any portion thereof, being remitted, the amount remitted will be refunded.

10. Any party who, after offering for a contract, fails to furnish the necessary security, as provided for in Clause 7 of this Notice, will be interdicted from bidding on future occasions, unless he produces a document from some person or persons of unexceptionable character and sufficient means, guaranteeing the due execution and performance of the contract, on his offer being accepted.

11. The annual outlay on the above contract is estimated at Rupees one thousand nine hundred and sixty-five (1,965).

12. No reason will be assigned for the rejection of any offer.

Is hereby given, that persons desirous of entering into a contract for the SUPPLY of HOSPITAL CLOTHING, &c. as may be required by the Commissariat Department at the Presidency, for the term of two years from the date of the acceptance of the offer, may, on application at this Office from 11 A. M. till 5 P. M. daily (Sundays excepted), obtain copies of the schedule or list of prices, and such information relating thereto as they may require.

2. Verbal offers for the contract will be received at this Office on Friday the 20th instant, at 1 o'clock precisely, when bidders will be required to bid a per-centage above or below the prices exhibited in the above list at which the supply will be made, on the understanding that the articles supplied are to be of unexceptionable quality, and according to musters which may be seen in this Office, or of the sort usually supplied, and are to be delivered in the first instance at the Commissariat Stores at the Presidency if required, and afterwards to the indenting departments, in good condition, free of all charges beyond the stipulated price, in such quantities as may from time to time be demanded; and that the same are liable to examination and rejection by the executive Commissariat Officer, or by the indenting or receiving Officer; or by a Committee of Officers appointed on the part of Government, in the event of the contractor being dissatisfied with the decision of the above Officers, or either of them; it being understood that the decision of such Committee is to be final, and binding on all parties.

3. No person will be allowed to bid for the contract unless he previously deposits in this Office, in cash, the sum of Rupees one thousand two hundred and thirty-four (1,234), which sum will be forfeited in the event of delay, evasion, or refusal on his part to execute the necessary deed of contract when required to do so, on his offer being accepted, in which latter case he must be prepared to give unexceptionable bonded security to the further amount of Rupees four thousand nine hundred thirty-six (4,936), which, together with the amount previously deposited, will be held as a guarantee for the due fulfilment of his contract.

4. A contractor must comply immediately with all emergent demands, and meet others of less urgency within the periods stated in the requisitions made upon him; in failure whereof, or if any supply be condemned by a Committee of Officers as aforesaid, the articles, or such others as may be required in lieu thereof, shall be purchased by this department, without delay, at his risk and cost, if it be considered expedient to do so; and in all such cases thirty (30) per cent. upon the amount of expenses incurred, or a fine of from Rupees thirty (30) to two hundred (200), at the option of the executive Commissariat Officer, will be levied as liquidated damages for each and every such breach of contract; it being understood that the simple condemnation of any article by a Committee constitutes a breach of contract, whether the rejected articles be replaced by the contractor or by this department. In every such case, also, it is to be understood that the contract may be cancelled, at the discretion of the Commissary General, and that if the contract be so cancelled, the cash deposit mentioned in Paragraph 3 of this Notice will be forfeited to Government.

5. It is also to be understood that any delay, negligence, evasion, or refusal on the part of a

contractor to make supplies or obey orders, or any attempt on his part, or that of his agents, to pass off articles of an inferior quality in lieu of those he is bound to supply, or any neglect to deliver them at the time and place ordered, will subject him, in every instance, to be fined to the extent of Rupees twenty-five (25), at the option of the Executive Commissariat Officer, from whose order an appeal may be made to the Commissary General, whose decision is to be final; but in cases when it may be deemed fit to exact any of the penalties provided for in the preceding clause, no further penalty shall be leviable under this clause.

6. It is further to be understood that the contractor, or an accredited agent on his part, approved of by the Executive Commissariat Officer, is to attend at this Office during the usual hours of business, *i. e.* from 10 A. M. to 5 P. M. daily (Sundays excepted); also at such other time or place as may be indicated by the Executive Commissariat Officer, when he may consider it desirable for the public service to require such attendance.

7. Any party whose offer is accepted will be required to produce his sureties for the approval of the Honorable Company's Solicitor, within fifteen days from the date of the acceptance of his offer, or the contract will be resold. No reason will be stated for rejecting any security offered.

8. Bills for articles supplied under this contract must be preferred within one month from the date of the delivery of the articles, in default of which the contractor will forfeit the full value of the supplies for which bills have not been so preferred, unless it clearly appear, to the satisfaction of the Commissary General, that the delay was unavoidable.

9. The amount of retrenchments made by the Military Board on the contractor's bills will be recovered from the first bills preferred for payment; but in the event of such retrenchments, or any portion thereof, being remitted, the amount remitted will be refunded.

10. Any party who, after offering for a contract, fails to furnish the necessary security, as provided for in Clause 7th of this Notice, will be interdicted from bidding on future occasions, unless he produces a document from some person or persons of unexceptionable character and sufficient means, guaranteeing the due execution and performance of the contract on his offer being accepted.

The following Military letter, No. 25, from the Honorable the Court of Directors to the Government of India, dated 7th February 1855, is published for general information:—

MILITARY DEPARTMENT, No. 25 OF 1855.

Our Governor General of India in Council.

1. Consequent upon the changes which have been made in the system of promotion in Her Majesty's Army by the Royal Warrant dated on the 6th October 1854, and by the Order dated Horse Guards, the 23rd November 1854, the following changes in the system of promotion in the Armies of the East India Company have been approved and authorised by Her Majesty's Government. General periodical Brevets are abolished. A fixed establishment of General Officers of all Arms of the Service, arranged in one list for the three Presidencies, is authorised.

The Establishment to consist of:—

25 Generals.
50 Lieutenant-Generals.
145 Major-Generals.

Vacancies in the grades of General Officers respectively are to be filled by the promotion of the Senior Officers standing next in succession in the Gradation List of General Officers and Colonels at the three Presidencies.

Major Generals hereafter promoted for distinguished service will, after the number of General Officers on the fixed Establishment has been completed, be placed in the Permanent General Officers' List, in the proportion of one Major General for two vacancies; the second vacancy being filled by seniority from the Colonels' List.

Officers of Artillery, Engineers, Cavalry, and Infantry, after serving three years from the date they attain the rank of Lieutenant-Colonel, whether with their Regiment, or on the Staff, or on detached Military employment, in

situations which, by the Regulations in force at the time, can be held by Lieutenant-Colonels, will be promoted to the rank of Colonel.

Field Officers, commissioned as such before the 20th June 1854, will be allowed to rise by Brevet as under the Regulations then in force; but no Officer promoted to the rank of Field Officer on or after that date is to rise from the rank of Lieutenant-Colonel to that of Colonel otherwise than by three years' service in the former rank, as above described, or as a reward for distinguished service, or by appointment to be Queen's Aid-de-Camp.

The Governor-General of India may, if in his opinion the good of the Service requires it, appoint any Colonel selected for Field Service or a Divisional Command to the temporary rank of Major-General, without regard to seniority; and may, in like manner in the same circumstances, appoint a Major-General selected for a Command to the rank of Lieutenant-General.

In cases where Colonels shall be so appointed, without regard to seniority, to command as Major-Generals, their temporary rank, if they should have conducted themselves to the satisfaction of the Government of the Presidency to which they belong, may, after having held such Command for five years in peace, or after any shorter period in war, upon the recommendation of the Commander-in-Chief under whom they have served, transmitted with his own approbation by the Governor General of India, and further recommended by the Commander-in-Chief of Her Majesty's Forces, be made permanent at the pleasure of the Queen, if Her Majesty shall so determine. In like manner, the temporary rank of Lieutenant-General, as conferred by the Governor General of India, may be confirmed and made permanent at Her Majesty's pleasure.

In addition to the Colonels promoted by seniority to be Major-Generals, Colonels will be eligible for promotion by Her Majesty to the rank of Major-General, and Lieutenant-Generals to the rank of General, for distinguished service in the field. In the case of Officers promoted to the rank of General Officers as a reward for distinguished service in war, the recommendation, in which the service of the Officer shall be detailed, shall be published in the General Orders of the Army and in the *Gazette*, with a view to ensure the responsibility attaching to an appointment thus made out of the regular course of Army Promotion.

Every vacancy on the fixed Establishment of General Officers is to be filled by the promotion, where there is no supernumerary, of the Senior Colonel qualified to succeed to the rank of Major-General and to be placed on the fixed establishment under the Regulations now in force; and vacancies in the ranks of General and Lieutenant-General will be filled in the same manner. If there be more than one supernumerary who has been promoted for distinguished service, the promotion of the Senior Colonel to take place on every second vacancy only, until the supernumeraries be reduced by the appointment, alternately, of a supernumerary and the promotion of a Colonel.

Promotion shall be made in the ranks of Field Officers below the rank of Colonel, from time to time, or as vacancies occur in the Major-Generals' fixed Establishment.

Any Captain, Major, or Lieutenant-Colonel, may be rewarded by promotion to Brevet rank for distinguished service in the Field, on the recommendation, as at present, of the General Commanding in Chief.

The names of Officers above the rank of Captain who have already retired, or may hereafter retire from the Service on full pay, are to be retained in the Army List in italics; and Officers now on the retired Full Pay List, or hereafter retiring upon full pay, are to receive a step of Brevet rank, but such Officers cannot be further promoted.

2. One of the provisions of the Royal Warrant is, that "the Commands of General Officers and other situations on the Staff, both at home and abroad, shall not be held for more than five years, unless by re-appointment." This rule already obtains in the Service as regards General Officers on the Staff; and we have now resolved that it shall be extended, as in Her Majesty's Service, to all other situations on the Staff and on detached employment.

3. Immediate effect will be given to portions of the above arrangement, by the promotion by Her Majesty of Officers to complete the establishment of General Officers for the three Presidencies, and of the Officers now retired on full pay who are to receive a step of Brevet rank.

4. Your Government will forthwith promote to be Colonels the Lieutenant-Colonels entitled to that advantage.

5. In making these promotions, time of absence beyond sea, on furlough, or sick certificate on leave granted, will not be allowed to reckon as a part of the three years' service, except absence on account of wounds received in action, or from ill health contracted by service with an Army in the Field, which must be duly certified by the report of a Medical Board, when each case will be separately examined. In all other cases, the time of absence of the Officer before he has completed the required three years' service as Lieutenant-Colonel will be deducted, so that the Officer shall have actually served that time before he be promoted to the rank of Colonel.

6. Having considered the position of the Lieutenant-Colonels now in the Service who have held that rank for three years and upwards, it has been resolved that the above rule shall not be applied in its full strictness to them; but that the circumstances of each case, and the length and causes of absence, shall be taken into consideration, and the proper deductions, if any, from their time of service, be made accordingly.

7. We leave it to the Governor General of India in Council to specify in General Orders the Officers on the Staff or other detached Military employment, in which service as Lieutenant-Colonel shall, from the date of the promulgation in General Orders of the present arrangements, be held equivalent to actual Regimental Command as Lieutenant-Colonel in qualifying Officers, to be promoted to Colonels.

8. The Commissions of Colonels to all Lieutenant-Colonels qualified according to the arrangement now communicated, by three years' service as Lieutenant-Colonels on the 28th November 1854, are to bear that date, being the date assigned to the first promotion made in Her Majesty's Service under the Royal Warrant.

We are, &c.

NOTICES.

The attention of the Public is particularly requested to Clause XVII. of the New Post Office Rules, and likewise to Section XXXVII. of Post Office Act No. XVII. of 1854.

"*Clause XVII.*—The Delivery Peons are prohibited from going out of their usual course to deliver Letters, Papers, or Parcels, and from delivering them without immediate payment of the exact amount of Postage; and they are not bound to give change. Should they be subject to detention, they are not to deliver the Letters, Papers, or Parcels, but to return them in the evening to the Post Office, for delivery the following day."

"*Section XXXVII.*—If any person shall refuse to pay any Postage which he is legally bound to pay for any Letter, or other article, the same may be recovered, by any Officer in charge of a Post Office, in the same manner as a fine may be recovered under this Act (*that is, by distress and sale of property*); and it shall be lawful to withhold from the person so refusing, until such Postage be paid, any other Letter or Packet addressed to that person."

2. No Letters will be delivered at the Post Office, except on *immediate payment* of Postage; and any complaints that parties may have to make should be preferred, in the first instance, to the Deputy Post Master General.

Bombay, 28th February 1855.

As many Letters and Communications, having sole reference to the business of the Bombay Post Office, continue to come to the address of the Post Master General from Mofussil Offices, which ought to be addressed to the Deputy Post Master General in charge of the Bombay Post Office; and other Papers, which ought to be directed to the Post Master General, are sent to the Deputy; and thereby much delay and inconvenience arises in the transaction of business: it is requested, with reference to the Advertisement in Government Gazette, dated the 21st November 1854, notifying that the business of the Bombay Office had been made over to the Deputy, that care be taken in addressing properly all Letters and Communications, either to the Post Master General, or to the Deputy Post Master General, according as the business to which they refer has to be attended to and disposed of by either. It is requested that instructions to this effect be issued to all subordinate Offices.

Bombay, 21st February 1855.

Parties who may desire to send or call at the Post Office for their Overland Letters, are requested to register their Names; otherwise the Letters will be sent out for delivery by the Post Office Peons.

SUPPLEMENT

TO THE

BOMBAY GOVERNMENT GAZETTE.

Published by Authority.

TUESDAY, 17TH APRIL 1855.

NOTIFICATION.

POLITICAL DEPARTMENT.

The following paragraph of a Despatch from the Honorable the Court of Directors, dated the 9th ultimo, and the Circular Order therein alluded to, are published for general guidance.

By Order of the Right Honorable the Governor in Council,

H. L. ANDERSON,

Bombay Castle, 16th April 1855.

Secretary to Government.

With reference to our Despatch dated 7th March (No. 4) 1854, we forward for your information copies of a Circular Order addressed by Her Majesty's Secretary of State for Foreign Affairs to Her Majesty's Consuls abroad, enjoining that the same assistance and support be afforded to the subjects, and especially to the Navy, of the King of Sardinia, as are already extended to those of the Emperor of the French.

CIRCULAR.

Foreign Office, February 19th, 1855.

Sardinia, by a Treaty dated the 26th ultimo, has acceded to the Treaty of Alliance, concluded on the 10th of April 1854, between Great Britain and France, for the protection of the Ottoman Empire. This Power is thus placed in a state of hostility towards Russia.

As a natural consequence, you will have to extend for the future to Sardinian subjects, and especially to the Sardinian Navy, the assistance and good offices that you were instructed, at the outset of this War, to afford to the subjects of the Queen's august Ally, His Majesty the Emperor of the French; and you will be careful to establish with the Sardinian Agents, or the Commanders of Sardinian Ships of War, the same friendly relations, and the same concert, in all that affects the interests of the War, as with the Agents and Officers of the Emperor of the French.

You will acknowledge the receipt of this Despatch.

HER MAJESTY'S CONSUL AT _____

(True copies)

H. L. ANDERSON,

Secretary to Government.
