8. The name, rank, profession, business, occupation, or calling and residence of the Depositors will be entered by the Bank in the Pass Books, and the signature or mark of the Depositor must be written on the same page.
Name, calling, and residence of Depositor to be entered, and his signature taken in the Pass Book.
9. Should a Pass Book be lost another will be supplied by the Bank on the identity of the applicant as the owner of the missing book being satisfactorily established, and after the lapse of a month a fee of One Rupee will be charged for the new Book.
Replacement of lost and defaced Pass Books.
10. Should a Pass Book be so defaced or torn as to render the entries therein illegible, it will be retained by the Bank, a new one supplied, and a Rupee charged for the same.

As a general rule, the Bank will refund money only to Depositors in person, but when the Depositor is a female, or prevented from attending at the Bank by unavoidable causes, the Secretary will exercise his discretion in making payments on behalf of such persons to those duly authorized by them to receive the money by an Order written as follows:—

15. When a deposit is made on account of a Minor, the age of the Child must be communicated, that it may be recorded by the Bank.
Age of minors to be stated.
16. On the death of a Depositor, the Balance at credit will be paid to the Executor or Assign; but should there be no will forthcoming, then in accordance with Act XXVI. of 1855. Should, however, the Depositor have been in the Army or Navy, the Balance will be paid in conformity with the Rules of the Service to which he may have belonged.
Withdrawal of money belonging to deceased depositors.
17. Compound Interest per annum at such rate as may be authorized by Government (it is at present $3\frac{1}{2}$ per cent.) will be allowed on deposits. No Interest will, however, be allowed for broken periods of a month, nor be calculated on fractions of a rupee, but deposits during the first four working days of a month will be dealt with as having been made in the preceding month in regard to the Interest due thereon.
Rate of Interest allowed on Deposits.
18. The Accounts will be closed annually on the 30th of April, and the Balance of Interest at that date will be paid to depositors, or carried to account.
Accounts closed annually.

* "8.—It having been observed that many persons deposit money about the beginning of the month, seemingly for safe custody, and then withdraw sums as they are required from time to time in the course of the same month, a practice which, pursued as a system, seems scarcely to come within the legitimate use or proposed ends of a savings' bank, the Secretary is therefore empowered to close the account of any Depositor who may use the Bank as an agency by very frequently withdrawing portions of his deposits."

19. When the sum at the credit of a Depositor has continued for a month in excess of Rupees 1,500 it will be transferred to, or invested in, one of the Loans of the Government of India, in the name of the depositor. Deposits aggregating Rupees 500 and upwards may also be thus disposed of at the desire of depositors.

20. If a Government Promissory Loan Note, obtained on behalf of a Depositor, be unclaimed three months from the date of purchase or investment, it will be deposited in the General Treasury.

21. A Register will be kept by the Bank of the Accounts transferred to Government Loans, showing the names of the Proprietors, the numbers, dates, and amounts of the Notes, and the manner in which each Note was disposed of.

22. Interest will not be drawn by the Secretary to the Bank, or by the Sub-Treasurer, on the Promissory Notes obtained on behalf of Depositors, except in those cases in which the Notes may be in the custody of the former officer on behalf of minors.

23. In addition to the General Audit which all Public Accounts undergo in the Office of the Deputy Auditor and Accountant General, and that which the Committee may deem it necessary personally to undertake, a particular Audit of the Accounts of the Bank, after the close of each year, will be effected by two persons to be appointed by Government.

24. An Annual General Statement of the transactions of the Bank, showing also the Balance at the close of the year, will be submitted for the information of Government, and for publication in the *Government Gazette*.

25. Officers in charge of Civil Hoozoor and Divisional Paymaster's Treasuries are authorized to supply Pass Books, and to receive and refund Deposits on behalf of the Government Savings' Bank under the foregoing Rules; but every New Book must be sent to the Bank (after the provisions in the 8th Rule have been carried out), that it may be Registered and Indexed before being made over to the Depositor.

26. Officers in charge of Civil Treasuries will communicate to the Bank, according to prescribed forms, the amounts deposited in, and withdrawn from, their Treasuries monthly, forward a "non-negotiable Public Service Transfer Receipt" for the former, and be furnished with a similar receipt for the latter, retaining the Withdrawals in the meantime under the head of "Advances."

27. When a Depositor is about to change his place of abode, he must take his Pass Book to the Bank or to the Treasury in which his savings may have been deposited, that the requisite authority for the refund thereof elsewhere may be written immediately below the lowest entry of receipt or withdrawal in his Pass Book as follows:—

"Payable at Poona (or elsewhere, as the case may be).

*Government Savings' Bank,
Bombay, 1st June 1861."*

A. B., Secretary,

lines being drawn across the Pass Book just above and below the sentence. The accession and removal of Depositors are to be noted in the Lists of Withdrawals or Deposits.

28. As soon after the close of the Official year as possible, Officers in charge of Civil Treasuries will collect and forward to the Bank the Pass Books belonging to the Depositors resident in their Districts, that the entries therein may be checked with those in the Books of the Bank, and the Interest due in each case credited.

29. Divisional Paymasters will forward Lists of the Deposits in, and Withdrawals from, their Treasuries to the nearest Civil Treasury for incorporation in, and transmission with, the Collector's Lists as supplements thereto; and also with a view to the amounts thereof being adjusted in connection with Divisional Paymaster's monthly Receipts for advances from the Civil Department.

30. Should an account be overdrawn in consequence of a Withdrawal not having been duly debited, or through an erroneous entry in a Pass Book, the loss will have to be made good by the Officer at whose Treasury the oversight or mistake occurred.

31. When a Depositor requests that his account may be finally closed, his Pass Book is to be sent to the Bank for that purpose.

32. The transfer endorsement adverted to in Rule 27 will be dispensed with in regard to Public Establishments liable to be ordered on duty from one District to another. The Deposits and Withdrawals in such cases will be made on the application and responsibility of the Heads of the Offices, the Pass Books being presented at the same time; and the disbursing Officers will specially note in their Lists the entries of such extraneous transactions, and quote the amount and date of the previous receipt or payment as per Pass Book, vide margin.

No. 10 of 1862.—The following General Order by the Government of India, dated 20th December 1861, No. 1159, is republished :—

"His Excellency the Governor General in Council is pleased to lay down the following Rules to be observed on the transfer of a Pensioner from one Presidency to another :—

1. On a Pensioner of one Presidency being permitted to reside in another Presidency, the Military Accountant of the Presidency to which the Pensioner belongs shall furnish a Register in the annexed Form B. to the Military Accountant of the Presidency to which the Pensioner may be proceeding, in order to the immediate issue of the necessary instructions for the payment of the Pension. Notice of the transfer will also be communicated by the respective Military Accountants to the Officers in the two Presidencies concerned, who pass the accounts of Pensioners.

2. On the Pensioner wishing to return to his own Presidency, the re-transfer will be similarly made.

3. Conformably with the Financial Resolution of 17th November 1860, the Pensioner's stipend will be adjusted as a debit to his own Presidency in the Books of the Military Accountant of the Presidency in which he may be residing, and on the audit solely of the Local Examiner.

4. Should the Pensioner die, or be otherwise removed from the Pension Establishment, while absent from his own Presidency, the casualty will be reported to the Military Accountant of such Presidency in the same way as if the Pensioner were returning thither (*vide* paragraph 2 of this Order). The original Pension Roll or Parchment Certificate of the Pensioner (if he be deceased) will accompany the report of the casualty. The Military Accountant of the Pensioner's Presidency will note the casualty in the Register in which he had noted the Pensioner's transfer, and will make over the Roll of the Pensioner, if deceased, to the proper Departments.

5. The Officer in charge of the Statistics of Pensioners in each Presidency will obtain from the Military Accountant a Register of Pensioners transferred to other Presidencies for payment; and from the Examiner in charge of Pension Accounts at the Presidencies where the Pensioners are residing such information regarding them as he may require to enable him to prepare his Annual Returns, thus precluding any inconvenience from the adjustment of accounts directed in paragraph 3 of this Order.

6. The Military Accountants of the two Presidencies concerned in the transfer of payment of any Pension will communicate with each other direct regarding the transfer, which they will arrange without reference to Government.

N.B.—This table is an extract from a more extensive yearly Return that is prepared for statistical purposes, and chiefly for the detection of any removable sources of disease, with a view to improving the healthiness of the Island. As the principal object cannot be fully attained unless the true causes of death be recorded, persons of all stations are requested, in each case of death occurring in their circle, to obtain, in writing, from the Medical Attendants the name of the fatal disease, that it may be delivered to the Policeman at the funeral place. Medical Practitioners particularly, are requested to aid the registration. Blank forms of Death Reports, to keep by them in readiness, are given gratuitously on application at the Office of the Deputy Commissioner of Police.

It is thought that some withhold their assistance through the notion that reports of the single casualties coming now and then under their observation could but little affect the Returns; but it ought rather to be borne in mind, that the accuracy of the Returns depends on the correct reporting of all single cases, for of such only the aggregate is made up.

Re-directed Postage.—"Inasmuch as the Post Office is certainly not bound to arrest any person's Letters in transit, and inasmuch as it is only for the convenience of the Public that the Post Office in India consents to grant such accommodation—a thing wholly unknown in England,—I do not believe that any person to whom the case is properly explained, can be so unreasonable as to question the justice of the charge. If any person should be unreasonable enough to do so, the Post Office is, in my opinion, perfectly justified in refusing to stop in transit any covers for such a person, in which case, they will be forwarded to their original address, and so become liable to Forward Postage on being returned."

Books.—Government having ruled that Books for Educational purposes should not be sent under the Frank of Officers of the Educational Department, Postmasters and Deputy Postmasters are directed to be careful not to permit them in future to pass as Service Covers.

NOTIFICATION.
REVENUE DEPARTMENT.

The following Notification and Ordinance by the Government of India, dated the 3rd instant, are republished for general information:—

“No. 16.

NOTIFICATION.

HOME DEPARTMENT.

Fort William, the 3rd January 1862.

Whereas it is declared, by the Ordinance passed by the Governor General of India on the 27th of December 1861, that, until the Governor General in Council shall otherwise order, it shall not be lawful for any person to export Saltpetre from any part of Her Majesty's Territories in India, except in a British Vessel bound either to the Port of London or to the Port of Liverpool; and whereas it appears, from the instructions since received from Her Majesty's Government, that the prohibition to export Saltpetre from India, so far as regards British Vessels, is to apply only to such Vessels when bound to Ports not within the United Kingdom, the Governor General in Council is pleased to order accordingly that it shall be lawful to export Saltpetre on British Vessels bound to any Port of the United Kingdom, any thing in the said Ordinance notwithstanding.

By order of the Governor General in Council,

(Signed) W. GREY,
Secretary to the Government of India.

LEGISLATIVE.—*The 3rd January 1862.*

The following Ordinance, passed by the Governor General of India on this date, is promulgated for general information:—

An ordinance to prohibit the exportation of Saltpetre, except in British Vessels bound to the United Kingdom, passed by the Governor General of India, under the provisions of 24 and 25 Vict., Cap. 67, on the 3rd of January 1862.

Whereas in a Despatch from the Secretary of State for India, dated the 3rd of December 1861, the instructions of Her Majesty's Government have been received by the Governor General in Council to take immediate measures for preventing the exportation of Saltpetre from India, except in British Vessels bound for the Ports of the United Kingdom, and to cause any Saltpetre which, previously to the receipt, and contrary to the conditions of the said instructions, may have been placed on board Vessels still in Port, to be re-landed; and whereas, in consequence of the said instructions, the Governor General in Council has this day ordered that it shall be lawful to export Saltpetre on British Vessels bound to any Port of the United Kingdom, anything in the Ordinance of the Governor General of the 27th of December 1861 notwithstanding; and whereas it is expedient to make further provision for giving effect to the instructions now received from Her Majesty's Government, it is therefore ordered as follows:—

I. Until the Governor General in Council shall otherwise order, it shall not be lawful to export Saltpetre from any part of Her Majesty's Territories in India, except in a British Vessel bound to a Port of the United Kingdom.

II. All Saltpetre which, previously to the promulgation of this Ordinance, may have been placed for exportation on any Vessel still being within a Port of Her Majesty's Territories in India, and not being a British Vessel bound for a Port of the United Kingdom, shall be re-landed.

III. No Collector of Customs or other Officer shall grant a Port Clearance to any Vessel having on board Saltpetre, other than a British Vessel bound for the United Kingdom.

IV. If any person shall attempt to export Saltpetre contrary to the provisions of this Ordinance, the same shall be seized and confiscated.

V. Any Custom House Officer may, without warrant, seize Saltpetre liable to confiscation under this Ordinance.

(Signed) W. GREY,

Secretary to the Government of India."

By order of His Excellency the Honorable the Governor in Council,

A. D. ROBERTSON,

Acting Chief Secretary to Government.
