No. 125 of 1862.—The following General Order by the Government of India, dated 4th February 1862, No. 125, is republished:—

"In continuation of Government General Order, No. 1120, of the 6th December 1861, His Excellency the Governor General in Council is pleased to publish, for general information, the following observations by the Right

Honorable the Secretary of State for India on answers given by the Government of India to questions connected with the late changes in the Indian Army, and published in Government General Orders, Nos. 801 and 833, of the 10th and 17th September 1861 :—

Questions.	Answers by Government of India.	Remarks.
96. An Officer is at home on two years' furlough in 1856, and ordered out in consequence of the Mutiny in 1857, having ten months of his leave unexpired; can he, if he joins the Staff Corps, take this balance of furlough without losing his appointment?	96. Yes; he would be allowed the balance of his furlough, retaining his appointment.	96. Approved; but add the words—"to the Staff Corps."
97. An Officer proceeds on fifteen months' leave retaining his appointment; he obtains twelve months additional leave, and thereby forfeits his appointment. Is his absence of fifteen months to be reckoned as Staff service?	97. Yes.	97. See Despatch to India, No. 315, of the 9th August, published in General Order, No. 824 of 1861.
99. Can an Officer having entered the Staff Corps retire from the Service and claim the extra 50l. as pension offered in Governor General's Order, dated 8th March last, No. 79, provided he applies to retire before the 1st October next?	99. Yes; but, as shown in the Despatch, No. 302, dated 2nd August 1861, published in General Order, No. 784, of the 5th September 1861, it is not the intention of Her Majesty's Government that Officers should enter the Staff Corps for the purpose of immediately retiring.	99. See remark on question and answer, No. 49, published in Government General Order, No. 960 of 1861.
102. Whether a Lieutenant in a British Regiment of Foot, of eight years' service, who was appointed Officiating Assistant Commissioner, Tenasserim and Martaban, on the 20th October 1860, and confirmed in the appointment of Second Class Extra Assistant Commissioner, Tenasserim Province, in June 1861, is eligible for the Staff Corps in India, and whether the service abovementioned will count as service on the Staff?	102. This Officer is eligible, at the discretion of Government, to join the Staff Corps on probation, under paragraph 75 of the General Order. Having been confirmed in permanent employ, his previous temporary employment will count as Staff service. See Questions and Answers 26 and 40. But as this Officer held only temporary employment on the 18th of February last, he cannot be admitted into the Staff Corps previously to the 22nd October 1861; after that date his claims will be considered.	102. An Officer entering the Staff Corps subsequent to the 22nd October 1861, has not the privilege of counting previous Staff service towards promotion.
107. If an Artillery Officer elects to serve out of India, will his pay and allowances, while serving in India, undergo any alteration from the existing rates?	107. His pay and allowances will not be altered.	107. Approved; but "add—" "while serving in India."
108. It is presumed that Officers of Paragraphs 30 and 45. Artillery now holding appointments either on the General Staff with Batteries of Native Artillery, in the Ordnance Department, or as Superintendents of Ordnance Manufacturing Establishments in India, are not required to vacate their appointments should they declare themselves willing to serve out of India, and that Officers now doing Regimental duty, and who are willing to serve out of India, will be eligible for appointment hereafter to Artillery and Ordnance Staff situations?	108. Artillery Officers who volunteer will retain their appointments, and those who have no appointments will be eligible to Staff employ.	108. Substitute "Artillery Officers who volunteer will retain their appointments, unless their services should be required elsewhere, and those who," &c. &c.
110. A Staff Officer having been directed temporarily to rejoin his Regiment on field service or for garrison duty, when circumstances have required for a time the presence of additional Officers, will the period he may thus have been temporarily serving with his Regiment count as Staff service for promotion in the Staff Corps?	110. The period during which a Staff Officer may temporarily serve with his Regiment will not reckon as Staff service, unless he has joined his Regiment in the field.	110. The privilege of counting as Staff service the period during which a Staff Officer may temporarily serve with his Regiment, if ordered to do so on public grounds, shall be granted to Officers joining their Regiments for garrison duty, as well as to those joining for field service.

(Signed) H. W. NORMAN, Lieutenant Colonel,
Secretary to the Government of India."

N.B.—This table is an extract from a more extensive yearly Return that is prepared for statistical purposes, and chiefly for the detection of any removable sources of disease, with a view to improving the healthiness of the Island. As the principal object cannot be fully attained unless the true causes of death be recorded, persons of all stations are requested, in each case of death occurring in their circle, to obtain, in writing, from the Medical Attendants the name of the fatal disease, that it may be delivered to the Policeman at the funeral place. Medical Practitioners particularly, are requested to aid the registration. Blank forms of Death Reports, to keep by them in readiness, are given gratuitously on application at the Office of the Deputy Commissioner of Police.

It is thought that some withhold their assistance through the notion that reports of the single casualties coming now and then under their observation could but little affect the Returns; but it ought rather to be borne in mind, that the accuracy of the Returns depends on the correct reporting of all single cases, for of such only the aggregate is made up.
