I. *Clause 1st.*—In modification of Clause 5th, Section X. Regulation V. of 1802, every petition of regular appeal in a case appealable to the Sudder Court shall be presented to the Court in which the decision was passed within six weeks from the day of the decision. Such petitions of appeal shall, except in cases of petitions under Section XII. of this Act, contain only notice that the party, being dissatisfied with the decision, is desirous of appealing from it.

Notice to be given to respondent, and proclamation to issue.

In case the proclamation cannot be fixed, or the notice served in the manner above-mentioned, the proclamation shall be fixed up in such other place, if any, as the said last-mentioned Court shall direct. The Nazir shall make a return to the Court stating when and where the notice and proclamation have been served or fixed up. M. to 5 P. M. daily (Sundays excepted), obtain a list of the articles, with the prices, and such information relating thereto as they may require.

2. Verbal offers for the contract will be received at this Office on Monday the 7th May next, at 12 o'clock precisely, when bidders will be required to bid a per-centage above or below the prices exhibited in the above list at which the supply will be made, on the understanding that the whole of the articles, &c. supplied are to be of the best description of the sorts described in the list, and are to be delivered, in the first instance at the Commissariat Stores at Belgaum, if required, and afterwards to the indenting Departments, in good condition, free of all charges beyond the stipulated price, in such number or quantities as may from time to time be demanded, and that the same are liable to examination and rejection by the executive Commissariat Officer, or by the indenting or receiving Officer; or by a Committee of Officers appointed on the part of Government, in the event of the contractor being dissatisfied with the decision of the above Officers, or either of them; it being understood that the decision of such Committee is to be final, and binding on all parties.

3. No person will be allowed to bid for the contract unless he previously deposits in this Office, in cash, the sum of Company's Rupees four hundred (400), which sum will be forfeited in the event of delay, evasion, or refusal on his part to execute the necessary deed of contract when required to do so, on his offer being accepted; in which latter case he must be prepared to give unexceptionable bonded security to the further amount of Company's Rupees one thousand six hundred (1,600), which, together with the amount previously deposited, will be held as a guarantee for the due fulfilment of his contract.

4. The contractor must comply immediately with all emergent demands, and meet others of less urgency within the periods stated in the requisitions made upon him; in failure whereof, or if any supply be condemned by a Committee of Officers as aforesaid, the articles, or such others as may be required in lieu thereof, shall be purchased by this Department without delay, at his risk and cost, if it be considered expedient to do so; and in all such cases thirty (30) per cent. upon the amount of expenses incurred, or a fine of from Rs. fifty (50) to Rs. two hundred (200), at the option of the executive Commissariat Officer, will be levied as liquidated damages for each and every such breach of contract; it being understood that the simple condemnation of any article by a Committee constitutes a breach of contract, whether the rejected articles be replaced by the contractor or by this Department; in every such case, also, it is to be understood that the contract may be cancelled at the discretion of the Commissary General, and that if the contract be so cancelled, the cash deposit mentioned in Paragraph 3 of this Notice will be forfeited to Government.

5. It is also to be understood, that any delay, negligence, evasion, or refusal on the part of a contractor to make supplies or obey orders, or any attempt on his part, or that of his agents, to pass off articles of an inferior quality in lieu of those he is bound to supply, or any neglect to

deliver them at the time and place ordered, will subject him, in every instance, to be fined to the extent of Rupees twenty-five (25), at the option of the executive Commissariat Officer, from whose order an appeal may be made to the Commissary General, whose decision is to be final; but in cases when it may be deemed fit to exact any of the penalties provided for in the preceding clause, no further penalty shall be leviable under this clause.

6. It is further to be understood, that the contractor, or an accredited agent on his part, approved of by the executive Commissariat Officer, is to attend at this Office during the usual hours of business, *i. e.* from 10 A. M. to 5 P. M. daily (Sundays excepted), also at such other time or place as may be indicated by the executive Commissariat Officer, when he may consider it desirable for the public service to require such attendance.

7. Any party whose offer is accepted will be required to produce his sureties for the approval of the civil or cantonment authorities, as may be necessary, within fifteen days from the date of the acceptance of his offer, or the contract will be resold. No reason will be stated for rejecting any security offered.

8. Bills for articles supplied under this contract must be preferred within one month from the date of the delivery of the articles, in default of which the contractor will forfeit the full value of the supplies for which bills have not been so preferred, unless it clearly appear, to the satisfaction of the Commissary General, that the delay was unavoidable.

9. The amount of retrenchments made by the Military Board on the contractors' bills will be recovered *from the first bills preferred for payment; but in the event of such retrenchments, or any portion thereof, being remitted*, the amount remitted will be refunded.

10. Any party who, after offering for this contract, fails to furnish the necessary security, as provided for in Clause 3 of this Notice, will be interdicted from bidding on future occasions, unless he produces a document from some person or persons of unexceptionable character and sufficient means, guaranteeing the due execution and performance of the contract, on his offer being accepted.

11. The annual outlay on the above contract is estimated at Company's Rupees seven thousand nine hundred and seventy-three, three annas, and five pies (7,973-3-5).

12. No reason will be assigned for the rejection of any offer.

Notice

Is hereby given, that persons desirous of entering into a contract for the SUPPLY of BRASS AND COPPER WARE, of Country manufacture, as may be required by the Commissariat Department at the Presidency, for the term of two years from the date of the acceptance of the offer, may, on application at this Office from 11 A. M. till 5 P. M. daily (Sundays excepted), obtain copies of the schedule or list of prices, and such information relating thereto as they may require.

2. Verbal offers for the contract will be received at this Office on Saturday the 19th instant, at 1 o'clock precisely, when bidders will be required to bid a per-centage above or below the prices exhibited in the above list at which the supply will be made, on the understanding that the articles supplied are to be of unexceptionable quality, and according to musters which may be seen in this Office, or of the sort usually supplied, and are to be delivered, in the first instance at the Commissariat Stores at the Presidency if required, and afterwards to the indenting Departments, in good condition, free of all charges beyond the stipulated price, in such quantities as may from time to time be demanded, and that the same are liable to examination and rejection by the executive Commissariat Officer, or by the indenting or receiving Officer; or by a Committee of Officers appointed on the part of Government, in the event of the contractor being dissatisfied with the decision of the above Officers, or either of them; it being understood that the decision of such Committee is to be final and binding on all parties.

3. No person will be allowed to bid for the contract unless he previously deposits in this Office, in cash, the sum of Rupees one hundred and ninety-five (195), which sum will be forfeited in the event of delay, evasion, or refusal on his part to execute the necessary deed of contract when required to do so, on his offer being accepted; in which latter case he must be prepared to give unexceptionable bonded security to the further amount of Rupees seven hundred and eighty-two (782), which, together with the amount previously deposited, will be held as a guarantee for the due fulfilment of his contract.

4. A contractor must comply immediately with all emergent demands, and meet others of less urgency within the periods stated in the requisitions made upon him; in failure whereof, or if any supply be condemned by a Committee of Officers as aforesaid, the articles, or such others as may be required in lieu thereof, shall be purchased by this Department without delay, at his risk and cost, if it be considered expedient to do so; and in all such cases thirty (30) per cent. upon the amount of expenses incurred, or a fine of any sum not exceeding Rupees twenty-five (25), at the option of the executive Commissariat Officer, will be levied as liquidated damages for each and every such breach of contract, it being understood that the simple condemnation of any article by a Committee constitutes a breach of contract, whether the rejected articles be replaced by the contractor or by this Department; in every such case, also, it is to be understood that the contract may be cancelled at the discretion of the Commissary General, and that if the contract be so cancelled, the cash deposit mentioned in paragraph 3 of this Notice will be forfeited to Government.

5. It is also to be understood that any delay, negligence, evasion, or refusal on the part of a contractor to make supplies, or obey orders, or any attempt on his part, or that of his agents, to pass off articles of an inferior quality in lieu of those he is bound to supply, or any neglect to deliver them at the time and place ordered, will subject him in every instance to be fined to the extent of Rupees twenty-five (25), at the option of the executive Commissariat Officer, from whose order an appeal may be made to the Commissary General, whose decision is to be final; but in cases when it may be deemed fit to exact any of the penalties provided for in the preceding clause, no further penalty shall be leviable under this clause.

6. It is further to be understood, that the contractor, or an accredited agent on his part, approved of by the executive Commissariat Officer, is to attend at this Office during the usual hours of business, *i. e.* from 10 A. M. to 5 P. M. daily (Sundays excepted), also at such other time or place as may be indicated by the executive Commissariat Officer, when he may consider it desirable for the public service to require such attendance.

7. Any party whose offer is accepted will be required to produce his sureties for the approval of the Honorable Company's Solicitor, within fifteen days from the date of the acceptance of his offer, or the contract will be resold. No reason will be stated for rejecting any security offered.

8. Bills for articles supplied under this contract must be preferred within one month from the date of the delivery of the articles, in default of which the contractor will forfeit the full value of the supplies for which bills have not been so preferred, unless it clearly appear, to the satisfaction of the Commissary General, that the delay was unavoidable.

9. The amount of retrenchments made by the Military Board on the contractors' bills, will be recovered from the first bills preferred for payment; but in the event of such retrenchments, or any portion thereof, being remitted, the amount remitted will be refunded.

10. Any party who, after offering for a contract, fails to furnish the necessary security, as provided for in Clause 7 of this Notice, will be interdicted from bidding on future occasions, unless he produces a document from some person or persons of unexceptionable character, and sufficient means, guaranteeing the due execution and performance of the contract, on his offer being accepted.

11. The annual outlay on the above contract is estimated at Rupees three thousand nine hundred and twelve (3,912).

12. No reason will be assigned for the rejection of any offer.

NOTICE.

The Director General of the Post Office in India has been informed by the Secretary to the Post Office in England that, owing to non-compliance with the Regulations required to be observed in the form of addressing Letters sent to Great Britain by Soldiers serving in India, many such Letters have been charged with full Postage, instead of being delivered for the reduced rate authorised by law.

3. The attention of Officers in Command of European Troops in India is drawn to the Regulation stated above, and it is requested that they will make it known to the Men under their command, and explain to them that Letters which are not marked as Soldiers' Letters, and which do not bear the signature of the Commanding Officer on the address, are charged with full Steam Postage, instead of being delivered for One Penny per half ounce.

H. B. RIDDELL,

The attention of the Public is particularly requested to Clause XVII. of the New Post Office Rules, and likewise to Section XXXVII. of Post Office Act No. XVII. of 1854.

"*Clause XVII.*—The Delivery Peons are prohibited from going out of their usual course to deliver Letters, Papers, or Parcels, and from delivering them without immediate payment of the exact amount of Postage; and they are not bound to give change. Should they be subject to detention, they are not to deliver the Letters, Papers, or Parcels, but to return them in the evening to the Post Office, for delivery the following day."

"*Section XXXVII.*—If any person shall refuse to pay any Postage which he is legally bound to pay for any Letter, or other article, the same may be recovered, by any Officer in charge of a Post Office, in the same manner as a fine may be recovered under this Act (*that is, by distress and sale of property*); and it shall be lawful to withhold from the person so refusing, until such Postage be paid, any other Letter or Packet addressed to that person."

2. No Letters will be delivered at the Post Office except on *immediate payment* of Postage; and any complaints that parties may have to make should be preferred, in the first instance, to the Deputy Post Master General.

Bombay, 28th February 1855.

As many Letters and Communications, having sole reference to the business of the Bombay Post Office, continue to come to the address of the Post Master General from Mofussil Offices, which ought to be addressed to the Deputy Post Master General in charge of the Bombay Post Office; and other Papers, which ought to be directed to the Post Master General, are sent to the Deputy; and thereby much delay and inconvenience arises in the transaction of business: it is requested, with reference to the Advertisement in Government Gazette, dated the 21st November 1854, notifying that the business of the Bombay Office had been made over to the Deputy, that care be taken in addressing properly all Letters and Communications, either to the Post Master General, or to the Deputy Post Master General, according as the business to which they refer has to be attended to and disposed of by either. It is requested that instructions to this effect be issued to all subordinate Offices.

Bombay, 21st February 1855.

Parties who may desire to send or call at the Post Office for their Overland Letters, are requested to register their Names; otherwise the Letters will be sent out for delivery by the Post Office Peons.

No Bearing Letters will be delivered except on *immediate* payment of the Postage.

Bombay, 16th December 1854.

Post Master General.

CHARLES M. I. POLLOCK,

Dated this 2nd day of April 1855.

☞ TAKE NOTICE.—All objections to the above List will be heard before the said Supreme Court, or one of the Judges thereof, at Chambers, during the month of May next ensuing.

N.
