The Grain must be of unexceptionable quality, of the description usually furnished to this Department, and delivered daily, free of expense beyond the stipulated price, into the Commissariat Stores, or at the Cavalry or Horse Artillery Lines at Poona and Kirkee, as may be ordered. If any Grain tendered is considered objectionable by the executive Commissariat Officer, or the indenting Officers, and is not immediately exchanged by the contractor, the required quantity will be purchased by this Department, without delay, at his risk and cost, and in all such cases thirty (30) per cent. upon the amount of the expenses incurred, or a fine of Rupees fifty (50), at the option of the executive Commissariat Officer, will be levied as liquidated damages for each and every such breach of contract, it being understood that the simple condemnation of any quantity of Grain by a Committee constitutes such breach of contract, whether the rejected Grain be replaced by the contractor or by this Department; in every such case, also, it is to be understood that the contract may be cancelled, at the discretion of the Commissary General; and that if the contract be so cancelled, the cash deposit below mentioned will be forfeited to Government.

being accepted. Bonded security to the further amount of Company's Rupees fourteen thousand and three hundred (14,300), in addition to the above-mentioned deposit, will also be required previous to the execution of the contract, and the whole will be held as a guarantee for its due fulfilment.

Any parties whose offers are accepted will be required to produce their sureties for the approval of the Civil or Bazar Authorities, as necessary, within fifteen (15) days from the date of the acceptance of their offers, or the contract will be re-sold. For Gram, Rupees sixty-nine thousand and one hundred (69,100).
For Mutt, Rupees two thousand and four hundred (2,400).

Persons who, after offering for the contract, fail to furnish the necessary security, will be interdicted from bidding on future occasions.

Notice

Is hereby given, that persons desirous of entering into a contract for SUPPLYING such ARTICLES embraced in the schedule, as may be required by the Commissariat Department at Poona, for the use of the Troops and Departments at Poona and Kirkee, for the term of 11 months from 1st February 1855, may, on application at this Office from 11 A. M. till 5 P. M. daily (Sundays excepted), obtain copies of the schedule or list of prices, and such information relating thereto as they may require.

2. Verbal offers for the contract will be received at this Office on Monday the 22nd January 1855, at 12 o'clock precisely, when bidders will be required to bid a per-centage above or below the prices exhibited in the above list at which the supply will be made, on the understanding that the articles supplied are to be of unexceptionable quality, and are to be delivered in the first instance at the Commissariat Stores at 5 o'clock A. M. daily if required, and afterwards to the indenting Departments, in good condition, free of all charges beyond the stipulated price, in such numbers or quantities as may from time to time be demanded, and that the same are liable to examination and rejection by the executive Commissariat Officer, or by the indenting or receiving Officer; or by a Committee of Officers appointed on the part of Government, in the event of the contractor being dissatisfied with the decision of the above Officers, or either of them, it being understood that the decision of such Committee is to be final, and binding on all parties.

3. It is to be clearly understood, that such of the articles specified in the schedule as form part of the Rations for European Soldiers, or Hospital Diet, are to be supplied under the Rules laid down in G. G. O. No. 613, of the 10th October 1853, and No. 33, of the 11th January 1854, copies of which may be seen at this Office.

4. No person will be allowed to bid for the contract unless he previously deposits in this Office, in cash, Rupees five hundred (500), which sum will be forfeited in the event of delay, evasion, or refusal on his part to execute the necessary deed of contract when required to do so, on his offer being accepted; in which latter case he must be prepared to give unexceptionable bonded security, to the further amount of Rupees two thousand (2000), which, together with the amount previously deposited, will be held as a guarantee for the due fulfilment of his contract.

5. The contractor must comply immediately with all emergent demands, and meet others of less urgency within the periods stated in the requisitions made upon him; in failure whereof, or if any supply be condemned by a Committee of Officers as aforesaid, the articles, or such others as may be required in lieu thereof, shall be purchased by this Department without delay, at his risk and cost, if it be considered expedient to do so; and in all such cases thirty (30) per cent. upon the amount of expenses incurred, or a fine of Rupees fifty (50), at the option of the executive Commissariat Officer, will be levied as liquidated damages for each and every such breach of contract; it being understood that the simple condemnation of any article by a Committee constitutes a breach of contract, whether the rejected articles be replaced by the contractor or by this Department; in every such case, also, it is to be understood that the contract may be cancelled at the discretion of the Commissary General, and that if the contract be so cancelled, the cash deposit mentioned in Paragraph 4 of this Notice will be forfeited to Government.

6. It is also to be understood, that any negligence, evasion, or refusal on the part of the contractor to make supplies or obey orders, or any attempt on his part, or that of his agents, to pass off articles of an inferior quality in lieu of those he is bound to supply, or any neglect to deliver them at the time and place ordered, will subject him, in every instance, to be fined to the extent of Rupees twenty-five (25), at the option of the executive Commissariat Officer, from whose order an appeal may be made to the Commissary General, whose decision is to be final; but in cases when it may be deemed fit to exact any of the penalties provided for in the preceding clause, no further penalty shall be leviable under this clause.

7. It is further to be understood, that the contractor, or an accredited agent on his part, approved of by the executive Commissariat Officer, is to attend at this Office during the usual hours of business, *i. e.* from 10 A. M. to 5 P. M. daily (Sundays excepted), also at such other time or place as may be indicated by the executive Commissariat Officer, when he may consider it desirable for the public Service to require such attendance.

8. Any party whose offer is accepted will be required to produce his security for the approval of the Civil or Cantonment Authorities, as may be necessary, within fifteen days from the date of the acceptance of his offer, or the contract will be resold; no reason will be stated for rejecting any security offered.

9. Bills for articles supplied under this contract must be preferred within one month from the date of the delivery of the articles, in default of which the contractor will forfeit the full value of the supplies for which bills have not been so preferred, unless it clearly appear, to the satisfaction of the Commissary General, that the delay was unavoidable.

10. The amount of retrenchments made by the Military Board on the contractor's bills will be recovered from the first bills preferred for payment; but in the event of such retrenchments, or any portion thereof, being remitted, the amount remitted will be refunded.

11. Any party who, after offering for a contract, fails to furnish the necessary security, as provided for in Clause 8 of this Notice, will be interdicted from bidding on future occasions, unless he produces a document from some person or persons of unexceptionable character and sufficient means, guaranteeing the due execution and performance of the contract, on his offer being accepted.
