Notice

Is hereby given, that persons desirous of entering into a contract for supplying NATIVE BOATS and other Country Craft, and TONNAGE, for the conveyance of Troops, Followers, Stores, &c. to Aden, any ports of the Persian Gulf, and Zanzibar, for a period of two years from the date of the acceptance of the offer, may, on application at this Office from 11 A. M. till 5 P. M. daily (Sundays excepted), obtain copies of the schedule or list of prices, and such information relating thereto as they may require.

2. Verbal offers for the contract will be received at this Office on Friday the 25th instant, at 1 o'clock precisely, when bidders will be required to bid a per-centage above or below the prices exhibited in the above list at which they will undertake the contract, on the understanding that the duties of the same must be performed in a satisfactory manner as ordered, free of all charges beyond the stipulated price, and that the supplies made under it are liable to objection or rejection by the executive Commissariat Officer, or by the indenting or receiving Officers; or by a Committee of Officers appointed on the part of Government, in the event of the contractor being dissatisfied with the decision of the above Officers, or either of them; it being understood that the decision of such Committee is to be final, and binding on all parties.

3. No person will be allowed to bid for the contract unless he previously deposits, in this Office, in cash, the sum of Rupees one hundred and sixty-five (165), which sum will be forfeited

in the event of delay, evasion, or refusal on the part of the contractor to execute the necessary deed of contract when required to do so, on his offer being accepted; in which latter case he must be prepared to give unexceptionable bonded security to the further amount of Rupees six hundred and sixty-three (663), which, together with the amount previously deposited, will be held as a guarantee for the due fulfilment of his contract.

4. The contractor will be required to sign and seal a contract, stipulating that the rates contracted for shall include all fees and other charges leviable on vessels at the different outports, as also that demurrage shall not be paid for Sundays.

5. The Commander in Chief of the Indian Navy, and all Government Officers, shall be at liberty to use Government boats or other craft when they may think it expedient.

6. All boats and other craft supplied are to be surveyed and approved of by an Officer or Officers of the Indian Navy, or of the Master Attendant's Department, and the contractor will be held strictly responsible for the safe delivery of every description of goods and stores confided to his charge for transport, and must deliver them in the same state as when made over to him or those in his employ, and must make good all deficiency and damage sustained by goods and stores while in charge of himself, his Tindals, Nacodas, and others in his employ, during the passage. (the dangers of the sea and capture by the enemy excepted), and he shall sign receipts for all goods and stores immediately they are made over to him, his Tindals, Nacodas, and others in his employ.

7. A contractor must comply immediately with all emergent demands, and meet others of less urgency within the periods stated in the requisitions made upon him; in failure whereof, this Department may immediately cause the required tonnage, &c. to be hired at his risk and cost, if it be considered expedient to do so; and in all such cases thirty (30) per cent. upon the amount of expenses incurred, or a fine of from Rupees thirty (30) to Rupees one hundred and fifty (150), at the option of the executive Commissariat Officer, will be levied as liquidated damages for each and every such breach of contract; and in every such case, it is to be understood that the contract may be cancelled, at the discretion of the Commissary General, and that if the contract be so cancelled, the cash deposit mentioned in paragraph 3 of this Notice will be forfeited to Government.

8. It is also to be understood that any delay, negligence, evasion, or refusal on the part of a contractor to make supplies or obey orders, or any attempt on his part, or that of his agents, to convey stores, supply tonnage, &c. in an improper manner, will subject him, in every instance, to be fined to the extent of Rupees twenty-five (25), at the option of the executive Commissariat Officer, from whose order an appeal may be made to the Commissary General, whose decision is to be final; but in cases when it may be deemed fit to exact any of the penalties provided for in the preceding clause, no further penalty shall be leviable under this clause.

9. It is further to be understood that the contractor, or an accredited agent on his part, approved of by the executive Commissariat Officer, is to attend at the Quarter Master General's Office during the usual hours of business, i. e. from 10 A. M. to 5 P. M. daily (Sundays excepted), also at such other time or place as may be indicated by that Department, when it may be considered desirable for the public service to require such attendance.

10. Any party whose offer is accepted will be required to produce his sureties, for the approval of the Honorable Company's Solicitor, within fifteen days from the date of the acceptance of his offer, or the contract will be resold. No reason will be stated for rejecting any security offered.

11. Bills for tonnage supplied under this contract must be preferred within one month from the date of the supply being made, in default of which the contractor will forfeit the full value of the tonnage, &c. supplied for which bills have not been so preferred, unless it clearly appear, to the satisfaction of the Commissary General, that the delay was unavoidable.

12. The amount of retrenchments made by the Military Board on the contractors' bills will be recovered from the first bills preferred for payment; but in the event of such retrenchments, or any portion thereof, being remitted, the amount remitted will be refunded.

13. Any party who, after offering for a contract, fails to furnish the necessary security, as provided for in Clause 10 of this Notice, will be interdicted from bidding on future occasions, unless he produces a document from some person or persons of unexceptionable character and sufficient means, guaranteeing the due execution and per-

formance of the contract, on his offer being accepted.

14. The annual outlay on the above contract is estimated at Rupees three thousand three hundred and sixteen (3,316).

15. No reason will be assigned for the rejection of any offer.

PUBLIC WORKS DEPARTMENT.

1. The following is an Extract (para. 31) of a letter from the Honorable the Court of Directors, No. 96, dated 20th December 1854:—

"In constituting a Department of Public Works, it will be necessary to divide the business coming before it into branches. For example, canals of irrigation, and other works connected with the revenue administration, will belong to the Revenue Branch; jails, to the Judicial; roads and bridges, to the Public; churches, to the Ecclesiastical. We wish this classification to be observed in your correspondence, and in that of the subordinate Governments, with us. Thus classified, the whole of the Public Works of India will be brought into view in one Department,—The Department of Public Works,—under which head our Despatches relating to them will be in future addressed to the several Governments."

2. In conformity with the instructions contained in this paragraph, the Right Honorable the Governor in Council has been pleased to resolve that in future all correspondence with Government regarding Public Works shall be conducted by the Secretary to Government in the Public Works Department, instead of being divided amongst the several Government Secretaries, who have heretofore conducted the correspondence of Government regarding Public Works according to the Department of the local Officers corresponding about them. He directs, therefore, that, with the exceptions mentioned in the following paragraph, all local Officers, whether Revenue, Judicial, or otherwise, will henceforth address all communications regarding Public Works to Government in the Public Works Department alone.

3. This rule is not to apply to Works under the control of Officers in the Military or Marine Departments, the correspondence relative to which will be conducted as heretofore by the Secretary to Government in those Departments; nor is it to extend to any Works executed within the limits and at the expense of Native States under the jurisdiction or control of Political Officers, who will continue to correspond with Government in the Political Department regarding such Works, unless advised otherwise in any particular case.

4. To enable Government more conveniently to carry out the change of system explained above, all Officers corresponding with Government in the Public Works Department regarding matters about which any correspondence may have already taken place between them and other Departments of the Secretariate, are requested to submit, with their first letter on the subject to the Department of Public Works, a Summary, recapitulating distinctly what has already been done in each case, stating how it now stands, and quoting all previous correspondence regarding it.

By order of the Right Hon'ble the Governor in Council,

W. HART,

Secretary to Government.

Bombay Castle, 23rd May 1855.

GENERAL DEPARTMENT.

The Right Honorable the Governor in Council is pleased to notify, for general information, that parties desirous of obtaining the patronage of Government to Works published by them shall no longer address their applications to Government, but submit them to the Director of Public Instruction, who will consider and dispose of them.

By order of the Right Hon'ble the Governor in Council,

W. HART,

Secretary to Government.
