Notice

Is hereby given, that persons desirous of entering into a contract for SUPPLYING HOSPITAL PROVISIONS, &c. as may be required by the Commissariat Department at the Presidency, for the term of one year from the date of the acceptance of the offer, may, on application at this Office from 11 A. M. till 5 P. M. daily (Sundays excepted), obtain copies of the schedule or list of prices, and such information relating thereto as they may require.

2. Verbal offers for the contract will be received at this Office on Friday the 15th proximo, at 1 o'clock precisely, when bidders will be required to bid a per-centage above or below the prices exhibited in the above list at which the supply will be made, on the understanding that the articles supplied are to be of unexceptionable quality, and according to musters which may be seen in this Office, or of the sort usually supplied, and are to be delivered, in the first instance at the Commissariat Stores at the Presidency if required, and afterwards to the indenting Departments, in good condition, free of all charges beyond the stipulated price, in such quantities as may from time to time be demanded, and that the same are liable to examination and rejection by the executive Commissariat Officer, or by the indenting or receiving Officer; or by a Committee of Officers appointed on the part of Government, in the event of the contractor being dissatisfied with the decision of the above Officers, or either of them; it being understood that the decision of such Committee is to be final and binding on all parties.

3. It is to be clearly understood that such of the articles specified in the Schedule as form part of the rations or Hospital diet are to be supplied under the rules laid down in G. G. O. No. 613 of the 10th October 1853, and No. 33 of the 11th January 1854, copies of which may be seen at this Office.

4. No person will be allowed to bid for the contract unless he previously deposits in this Office, in cash, the sum of Rupees one thousand nine hundred and ten (1,910), which sum will be forfeited in the event of delay, evasion, or refusal on his part to execute the necessary deed of contract when required to do so, on his offer being accepted; in which latter case he must be prepared to give unexceptionable bonded security to the further amount of Rupees seven thousand six hundred and forty-three (7,643), which, together with the amount previously deposited, will be held as a guarantee for the due fulfilment of his contract.

5. A contractor must comply immediately with all emergent demands, and meet others of less urgency within the periods stated in the requisitions made upon him; in failure whereof, or if any supply be condemned by a Committee of Officers as aforesaid, the articles, or such others as may be required in lieu thereof, shall be purchased by this Department without delay, at his risk and cost, if it be considered expedient to do so; and in all such cases thirty (30) per cent. upon the amount of expenses incurred, or a fine of any sum not exceeding Rupees two hundred (200), at the option of the executive Commissariat Officer, will be levied as liquidated damages for each and every

such breach of contract, it being understood that the simple condemnation of any article by a Committee constitutes a breach of contract, whether the rejected articles be replaced by the contractor or by this Department; in every such case, also, it is to be understood that the contract may be cancelled at the discretion of the Commissary General, and that if the contract be so cancelled, the cash deposit mentioned in paragraph 4 of this Notice will be forfeited to Government.

6. It is also to be understood that any delay, negligence, evasion, or refusal on the part of a contractor to make supplies, or obey orders, or any attempt on his part, or that of his agents, to pass off articles of an inferior quality in lieu of those he is bound to supply, or any neglect to deliver them at the time and place ordered, will subject him in every instance to be fined to the extent of Rupees twenty-five (25), at the option of the executive Commissariat Officer, from whose order an appeal may be made to the Commissary General, whose decision is to be final; but in cases when it may be deemed fit to exact any of the penalties provided for in the preceding clause, no further penalty shall be leviable under this clause.

7. It is further to be understood that the contractor, or an accredited agent on his part, approved of by the executive Commissariat Officer, is to attend at this Office during the usual hours of business, *i. e.* from 10 A. M. to 5 P. M. daily (Sundays excepted), also at such other time or place as may be indicated by the executive Commissariat Officer, when he may consider it desirable for the public service to require such attendance.

8. Any party whose offer is accepted will be required to produce his sureties for the approval of the Honorable Company's Solicitor, within fifteen days from the date of the acceptance of his offer, or the contract will be resold. No reason will be stated for rejecting any security offered.

9. Bills for articles supplied under this contract must be preferred within one month from the date of the delivery of the articles, in default of which the contractor will forfeit the full value of the supplies for which bills have not been so preferred, unless it clearly appear, to the satisfaction of the Commissary General, that the delay was unavoidable.

10. The amount of retrenchments made by the Military Board on the contractors' bills, will be recovered from the first bills preferred for payment; but in the event of such retrenchments, or any portion thereof, being remitted, the amount remitted will be refunded.

11. Any party who, after offering for a contract, fails to furnish the necessary security, as provided for in Clause 8 of this Notice, will be interdicted from bidding on future occasions, unless he produces a document from some person or persons of unexceptionable character, and sufficient means, guaranteeing the due execution and performance of the contract, on his offer being accepted.

12. The annual outlay on the above contract is estimated at Rupees thirty-eight thousand two hundred and fifteen (38,215).

13. No reason will be assigned for the rejection of any offer.

Partial repeal of Act XIV. of 1839.

I. Act No. XIV. of 1839, in so far as it renders liable to penalties every person who shall make with any Native of India any contract for labor to be performed in the British Colonies of Saint Lucia and Grenada, or who shall knowingly aid or abet any Native of India in emigrating from the Ports of Calcutta, Madras, and Bombay respectively to the said Colonies, is repealed.

And every such Custom House Officer and Pilot shall make a complete report of the Emigrant laborers on board of any ship at the time of his quitting the same, and such report shall contain a declaration that, to the best of the declarant's belief, no additional Emigrant laborers have been received on board since obtaining the certificate, and that nothing else has been done or omitted to be done in the ship or vessel contrary to the provisions of this Act; and every such report or muster, if any, shall be transmitted without delay to the Emigration Agent of the Port. And any Custom

Punishment for forgery of document required by this Act.

XV. If any person shall forge, or shall use, knowing it to be forged, any document required by this Act, such person shall be liable to be imprisoned for any period not exceeding seven years.

Penalties how to be enforced.

XVI. All the several penalties to which the Masters of ships of vessels are liable by this Act, shall be enforced by information laid before any Justice of the Peace at the instance of the Emigration Agent or of any Officer appointed for the purpose by the Government of the Presidency or place, or may be enforced by putting in suit the Bond given by the Master, if such Bond has been given in consideration of the license granted to the ship.

Notice

Is hereby given, that persons desirous of entering into a contract for the Supply of Cold-drawn Castor Oil, of Country manufacture, &c. as may be required by the Commissariat Department at the Presidency, for the term of two years from the date of the acceptance of the tender, may, on application at this Office from 11 A. M. to 5 P. M. daily (Sundays excepted), obtain copies of the schedule or list of prices, and such information relating thereto as they may require.

2. Sealed Tenders for the contract will be receiv-

ed at this Office, on Friday the 22nd instant, at 1 o'clock precisely. These must specify, both in words and figures, the rate per cent. above or below the prices exhibited in the above list at which the supply will be made, on the understanding that the articles supplied are to be of unexceptionable quality, and according to musters which may be seen in this Office, or of the sort usually supplied, and are to be delivered, in the first instance at the Commissariat Stores at the Presidency, if required, and afterwards to the indenting Departments, in good condition, free of all charges beyond the stipulated price, in such quantities as may from time to time be demanded, and that the same are liable to examination and rejection by the executive Commissariat Officer, or by the indenting or receiving Officer; or by a Committee of Officers appointed on the part of Government, in the event of the contractor being dissatisfied with the decision of the above Officers, or either of them; it being understood that the decision of such Committee is to be final, and binding on all parties.

3. No tender will be received unless accompanied by a deposit, in cash, of the sum of Rupees ninety-eight (98), which sum will be forfeited in the event of delay, evasion, or refusal on his part to execute the necessary deed of contract when required to do so, on his tender being accepted; in which latter case he must be prepared to give unexceptionable bonded security to the further amount of Rupees three hundred and ninety-three (393), which, together with the amount previously deposited, will be held as a guarantee for the due fulfilment of his contract.

4. A contractor must comply immediately with all emergent demands, and meet others of less urgency within the periods stated in the requisitions made upon him, in failure whereof, or if any supply be condemned by a Committee of Officers as aforesaid, the articles, or such others as may be required in lieu thereof, shall be purchased by this Department, without delay, at his risk and cost, if it be considered expedient to do so, and in all such cases thirty (30) per cent. upon the amount of expenses incurred, or a fine of from Rupees twenty-five (25) to fifty (50), at the option of the executive Commissariat Officer, will be levied as liquidated damages for each and every such breach of contract, it being understood that the simple condemnation of any article by a Committee constitutes a breach of contract, whether the rejected articles be replaced by the contractor or by this Department; in every such case, also, it is to be understood that the contract may be cancelled, at the discretion of the Commissary General, and that if the contract be so cancelled, the cash deposit mentioned in para. 3 of this Notice will be forfeited to Government.

5. It is also to be understood, that any delay, negligence, evasion, or refusal on the part of a contractor to make supplies or obey orders, or any attempt on his part, or that of his agents, to pass off articles of an inferior quality in lieu of those he is bound to supply, or any neglect to deliver them at the time and place ordered, will subject him in every instance to be fined to the extent of Rupees twenty-five (25), at the option of the executive Commissariat Officer, from whose order an appeal may be made to the Commissary General, whose decision is to be final; but in cases when it may be deemed fit to exact any of the penalties provided for in the preceding clause, no further penalty shall be leviable under this clause.

6. It is further to be understood, that the contractor, or an accredited agent on his part, approved of by the executive Commissariat Officer, is to attend at this Office during the usual hours of business, *i. e.* from 10 A. M. to 5 P. M. daily (Sundays excepted), also at such other time or place as may be indicated by the executive Commissariat Officer, when he may consider it desirable for the public service to require such attendance.

7. Any party whose tender is accepted will be required to produce his sureties, for the approval of the Honorable Company's Solicitor, within fifteen days from the date of the acceptance of his tender, or the contract will be resold. No reason will be stated for rejecting any security offered.

8. Bills for articles supplied under this contract must be preferred within one month from the date of the delivery of the articles, in default of which the contractor will forfeit the full value of the supplies for which bills have not been so preferred, unless it clearly appear, to the satisfaction of the Commissary General, that the delay was unavoidable.

9. The amount of retrenchments made by the Military Board on the contractors' bills will be recovered from the first bills preferred for payment; but in the event of such retrenchments, or any portion thereof, being remitted, the amount remitted will be refunded.

10. Any party who, after tendering for a contract, fails to furnish the necessary security, as provided for in Clause 7 of this Notice, will be interdicted from tendering on future occasions, unless he produces a document from some person or persons of unexceptionable character and sufficient means, guaranteeing the due execution and performance of the contract on his tender being accepted.

11. The annual outlay on the above contract is estimated at Rupees one thousand nine hundred and sixty-five (1,965).

12. No reason will be assigned for the rejection of any tender.

NOTICE.

The Director General of the Post Office in India has been informed by the Secretary to the Post Office in England that, owing to non-compliance with the Regulations required to be observed in the form of addressing Letters sent to Great Britain by Soldiers serving in India, many such Letters have been charged with full Postage, instead of being delivered for the reduced rate authorised by law.

2. The Regulations referred to require that every Letter posted by a Soldier serving in India, if addressed to any place out of India, should be endorsed "*Soldier's Letter,*" and should be certified as such by the signature of the Commanding Officer.

3. The attention of Officers in Command of European Troops in India is drawn to the Regulation stated above, and it is requested that they will make it known to the Men under their command, and explain to them that Letters which are not marked as Soldiers' Letters, and which do not bear the signature of the Commanding Officer on the address, are charged with full Steam Postage, instead of being delivered for One Penny per half ounce.
