Notice

Is hereby given, that persons desirous of entering into a contract for SUPPLYING such ARTICLES embraced in the schedule, as may be required by the Commissariat Department at Poona, for the use of the Troops and Departments at Poona and Kirkee, for the term of 11 months from 1st February 1855, may, on application at this Office from 11 A. M. till 5 P. M. daily (Sundays excepted), obtain copies of the schedule or list of prices, and such information relating thereto as they may require.

2. Verbal offers for the contract will be received at this Office on Monday the 22nd January 1855, at 12 o'clock precisely, when bidders will be required to bid a per-centage above or below the prices exhibited in the above list at which the supply will be made, on the understanding that the articles supplied are to be of unexceptionable quality, and are to be delivered in the first instance at the Commissariat Stores at 5 o'clock A. M. daily if required, and afterwards to the indenting Departments, in good condition, free of all charges beyond the stipulated price, in such numbers or quantities as may from time to time be demanded, and that the same are liable to examination and rejection by the executive Commissariat Officer, or by the indenting or receiving Officer; or by a Committee of Officers appointed on the part of Government, in the event of the contractor being dissatisfied with the decision of the above Officers, or either of them, it being understood that the decision of such Committee is to be final, and binding on all parties.

3. It is to be clearly understood, that such of the articles specified in the schedule as form part of the Rations for European Soldiers, or Hospital Diet, are to be supplied under the Rules laid down in G. G. O. No. 613, of the 10th October 1853, and No. 33, of the 11th January 1854, copies of which may be seen at this Office.

4. No person will be allowed to bid for the contract unless he previously deposits in this Office, in cash, Rupees five hundred (500), which sum will be forfeited in the event of delay, evasion, or refusal on his part to execute the necessary deed of contract when required to do so, on his offer being accepted; in which latter case he must be prepared to give unexceptionable bonded security, to the further amount of Rupees two thousand (2000), which, together with the amount previously deposited, will be held as a guarantee for the due fulfilment of his contract.

5. The contractor must comply immediately with all emergent demands, and meet others of less urgency within the periods stated in the requisitions made upon him; in failure whereof, or if any supply be condemned by a Committee of Officers as aforesaid, the articles, or such others as may be required in lieu thereof, shall be purchased by this Department without delay, at his risk and cost, if it be considered expedient to do so; and in all such cases thirty (30) per cent. upon the amount of expenses incurred, or a fine of Rupees fifty (50), at the option of the executive Commissariat Officer, will be levied as liquidated damages for each and every such breach of contract; it being understood that the simple con-

condemnation of any article by a Committee constitutes a breach of contract, whether the rejected articles be replaced by the contractor or by this Department; in every such case, also, it is to be understood that the contract may be cancelled at the discretion of the Commissary General, and that if the contract be so cancelled, the cash deposit mentioned in Paragraph 4 of this Notice will be forfeited to Government.

6. It is also to be understood, that any negligence, evasion, or refusal on the part of the contractor to make supplies or obey orders, or any attempt on his part, or that of his agents, to pass off articles of an inferior quality in lieu of those he is bound to supply, or any neglect to deliver them at the time and place ordered, will subject him, in every instance, to be fined to the extent of Rupees twenty-five (25), at the option of the executive Commissariat Officer, from whose order an appeal may be made to the Commissary General, whose decision is to be final; but in cases when it may be deemed fit to exact any of the penalties provided for in the preceding clause, no further penalty shall be leviable under this clause.

7. It is further to be understood, that the contractor, or an accredited agent on his part, approved of by the executive Commissariat Officer, is to attend at this Office during the usual hours of business, *i. e.* from 10 A. M. to 5 P. M. daily (Sundays excepted), also at such other time or place as may be indicated by the executive Commissariat Officer, when he may consider it desirable for the public Service to require such attendance.

8. Any party whose offer is accepted will be required to produce his security for the approval of the Civil or Cantonment Authorities, as may be necessary, within fifteen days from the date of the acceptance of his offer, or the contract will be resold; no reason will be stated for rejecting any security offered.

9. Bills for articles supplied under this contract must be preferred within one month from the date of the delivery of the articles, in default of which the contractor will forfeit the full value of the supplies for which bills have not been so preferred, unless it clearly appear, to the satisfaction of the Commissary General, that the delay was unavoidable.

10. The amount of retrenchments made by the Military Board on the contractor's bills will be recovered from the first bills preferred for payment; but in the event of such retrenchments, or any portion thereof, being remitted, the amount remitted will be refunded.

11. Any party who, after offering for a contract, fails to furnish the necessary security, as provided for in Clause 8 of this Notice, will be interdicted from bidding on future occasions, unless he produces a document from some person or persons of unexceptionable character and sufficient means, guaranteeing the due execution and performance of the contract, on his offer being accepted.

The following Act, passed by the Legislative Council, received the assent of the Most Noble the Governor General of India on the 16th of December 1854, and is hereby promulgated for general information:—

ACT No. XXXI. OF 1854.

An Act to abolish Real Actions and also Fines and Common Recoveries, and to simplify the modes of conveying Land in cases to which the English Law is applicable.

Whereas it is expedient, in cases to which the English law applies, to abolish real actions and also fines and common recoveries, and to simplify the modes of conveying land, and to exempt the purchasers of trust property from the liability to see to the application of the purchase money, it is enacted as follows:—

I. All real actions, fines, and common recoveries, except such as may be in progress when this Act comes into operation, are abolished.

II. Every tenant in tail or other owner of an estate of inheritance less than an estate in fee simple, either at law or in equity, in any lands or hereditaments, not being under any disability, shall have power to dispose of such lands and hereditaments against the issue in tail, and all persons whose estates are to take effect after the determination or in defeazance of his own, or to enlarge his said estate into an estate in fee simple, by any deed declaring an intention so to dispose of the said lands or hereditaments, or to enlarge his estate therein; and every tenant in tail or other owner of an estate of inheritance less than an estate in fee simple, who shall be under the disability of coverture, shall have power to dispose of or enlarge her said estate in manner aforesaid, by any deed declaring her intention so to do and acknowledged by her as hereinafter mentioned. Provided that every disposition under this Section shall be subject to the rights of all persons in respect of estates prior to the estate tail or other estate of inheritance which is the subject of such disposition, and the rights of all other persons except those against whom such disposition is by this Act authorised to be made.

III. Every married woman who, either alone or jointly with her husband, is possessed of or entitled to any estate or interest in, or any power to be exercised over any lands or hereditaments, which, but for the passing of this Act, she might have disposed of or extinguished by levying a fine, or suffering a recovery, or by joining in either of such assurances, shall have power by deed, to be acknowledged by her as hereinafter mentioned, to dispose of, release, surrender, or extinguish any such estate, interest, or power, as fully and effectually as if she were an unmarried woman.

IV. The provisions of the last two preceding Sections shall, so far as circumstances will admit, apply to money subject to be invested in lands or other hereditaments.

V. No deed to be executed by a married woman under the provisions hereinbefore contained shall, so far as regards the interest of such married woman, be valid or effectual, unless her husband concur therein, nor unless the deed be acknowledged in manner hereinafter prescribed before a Judge of one of Her Majesty's Supreme Courts, or before a Judge or other covenanted officer of the East India Company exercising civil jurisdiction in the place wherein such deed shall be acknowledged, or before

some Commissioner appointed either specially for the occasion, or appointed as a permanent Commissioner by one of Her Majesty's said Courts to take such acknowledgments.

VI. If the husband of any married woman, desirous of enlarging, passing, or destroying any estate, interest, or power, by a deed to be acknowledged by her under this Act, shall be a lunatic, idiot, or of unsound mind, whether he shall have been found such by inquisition or not, or from any other cause shall be incapable of executing a deed, or if his residence shall not be known, or if he shall be in prison, or living apart from his wife either by mutual consent, or by sentence of divorce, or in consequence of his being transported beyond the seas, or from any other cause whatever, it shall be lawful for any of Her Majesty's said Courts, by an order to be made in a summary way upon the application of such married woman and upon such evidence as to the Court shall seem meet, to dispense with the concurrence of her husband in the deed so to be acknowledged; and any deed to be executed or acknowledged by her in pursuance of such order shall (but without prejudice to the rights of her husband as then existing, independently of this Act) be as valid and effectual as if he had concurred therein.

VII. It shall be lawful for any of Her Majesty's said Courts to appoint, by its order, under the seal of the Court, to be published in the *Government Gazette*, or otherwise as the Court shall direct, permanent Commissioners, either by name or Office, and to appoint from time to time, under special Commissions, Special Commissioners, any one of whom shall be authorized and empowered, unless the Act is directed to be done before more than one, to take the acknowledgment of any deed by any married woman, who, by reason of her place of residence or ill health, or other sufficient cause, shall be unable to make such acknowledgment before one of the Judges or other Officers described in the preceding Section.

VIII. Every such Judge, Officer, or Commissioner as aforesaid, before he shall receive the acknowledgment by any married woman of any deed to be acknowledged by her under this Act shall examine her apart from her husband, touching her knowledge of such deed, and shall ascertain whether she understands its object, and freely and voluntarily consents to the same, and unless she appears to understand its object, and freely and voluntarily to consent to such deed, he shall not permit her to acknowledge the same, and in such case, such deed, so far as relates to the execution thereof by such married woman, shall be void.

IX. Every Judge, Officer, or Commissioner taking such acknowledgment under this Act, shall, at the time of taking the same, sign a memorandum to be endorsed on or written at the foot or in the margin of such deed, which memorandum shall be to the following effect, namely, "This deed marked () was this day produced before me and acknowledged by therein named, to be her act and deed, previous to which acknowledgment the said was examined by me separately and apart from her husband, touching her knowledge of the contents of the said deed and her consent thereto, and appeared to understand the same, and declared the same to be freely and voluntarily executed by her."

X. Every deed executed by a married woman and hereby required to be acknowledged, shall, so far as regards the interest of such married woman, take effect only from the time of the acknowledgment thereof.

XI. It shall not be necessary for any person producing a deed so acknowledged in any Court of Justice, to prove the handwriting or authority of the Judge or other Officer, or the Commissioner taking such acknowledgment, but if such memorandum purports to have been in substance regularly made and signed, the deed shall be presumed to have been duly acknowledged by the party, until the contrary is shown.

XII. Nothing in this Act contained shall abridge, extend, or affect the powers of alienation or disposition, which any married woman might have exercised over any property or rights, otherwise than by levying a fine or suffering a recovery, or by joining in one of such assurances before the passing of this Act.

XIII. In any deed or will executed after this Act comes into operation, and disposing of immoveable property situate in the territories in the possession and under the Government of the East India Company, wherein contingent estates are limited without the appointment of any trustees to preserve such contingent estates, the same shall be, to all intents and purposes, as effectually protected by the law, as if such trustees had been duly appointed.

XIV. Any estate or interest in immoveable property, situate within the said territories, whether in possession, remainder, or reversion, may, in addition to any other mode of conveyance or release which is now valid, be conveyed, passed, or released by a simple deed, whether such deed operate under the Statute of Uses or not.

XV. No conveyance of any kind shall operate to destroy, impair, or affect any estate or interest which the conveying party has no right to destroy, impair, or affect, or beyond the extent to which he may impair or affect the same.

XVI. It shall not be necessary in any deed relating to immoveable property situate within the said territories, to be executed after the passing of this Act, to add words of limitation to heirs, when the intention is to give the absolute interest to a person and his heirs general; but a gift, grant, or other conveyance of immoveable property to, or in favor of any person, shall be taken to give him the entire and absolute interest in the nature of an estate in fee simple, unless such construction is rendered inadmissible by the other contents of the deed; and when in any deed or will executed after the passing of this Act any property is given to a person for life or for other freehold interests, and afterwards in the same deed, or will is limited to his heirs or heir special, the estates shall not unite, but the limitation to the heirs shall be a limitation of an estate to be taken by the heirs by purchase.

XVII. When any property is sold, the proceeds of which are subject to any trust, the *bonâ fide* purchaser of the property shall not in any case be bound to see to the application of the purchase-money to the purposes of the trust.

XVIII. Nothing in this Act contained shall extend to any case to which the English Law is not applicable.

Act to apply only to cases governed by English Law.

XIX. The term "Her Majesty's Supreme Courts" shall include the Court of Judicature of Prince of Wales' Island, Singapore, and Malacca.

W. MORGAN,
Clerk of the Council.

will also be received by the Commissary General of the Army at Bombay, on the same date and hour.

3. No person will be allowed to bid or tender for the contract unless he deposits with his offer the sum of Company's Rupees five hundred and seventy-five (575) for the Liquor, and Rupees one hundred and fifteen (115) for the Drug contracts, which will be forfeited in the event of delay, evasion, or refusal to execute the necessary deed of contract; and two unexceptionable securities will also be required from the highest bidders, to guarantee their fulfilment of the terms of the respective contracts.

The Troops composing the Nusseerabad Brigade are—

| | |
|---|-----------|
| | Strength. |
| 4th Company 2nd Battalion Artillery, about... | 72 |
| 2nd Regiment Light Cavalry, about | 406 |
| 2nd Regiment N. I., about | 964 |
| Camp Followers, about | 8000 |

4. But the contracts will be sold for the actual number of Troops that may be present on the day of sale, which will be duly notified to the bidders at the time, and the amount of the monthly payment shall not be increased or decreased on account of Troops arriving in or departing from the Cantonment, unless the Detachment strength of such Details exceeds one-fourth the number of men for whom the contracts have been entered into. It is, however, to be distinctly understood, that any alteration in the number of Camp Followers will not entitle the contractors to claim any remission in the payment of the stipulated monthly amount of their respective engagements. The departure of Troops from the Cantonment, as above specified, will alone give claim for remission.

5. The conditions of the contracts shall not be considered binding or in force in any respect, until the same are confirmed by superior authority.

6. The person or persons whose tenders may be accepted will be required, ere entering on the performance of their contracts, to deposit with the Superintendent of Bazars the amount of one month's stipulated payment as his or their personal security for the due execution of the agreement. This is to be in addition to the monthly payment in advance of the sums tendered for the contract.

7. Further particulars relative to these contracts will be made known on application at the Office of the Superintendent of Bazars at Nusseerabad, and that of the Commissary General of the Army at Bombay, from 10 A. M. till 4 P. M. every day, Sundays excepted.

8. The contractor will have to defray the expenses of maintaining a Preventive Police when and wherever the Brigadier Commanding may deem necessary, for the suppression of clandestine sale of Spirits to European Troops.

9. No reason will be assigned for the rejection of any offer.

By order of the Right Honorable the Governor in Council,

C. E. F. TYTLER,
Acting Secretary to Govt.

Bombay Castle, 17th January 1855.

Notice

Is hereby given, that persons desirous of entering into a contract for SUPPLYING PROVISIONS, &c. as may be required by the Commissariat Department at the Presidency, for the term of one year from the date of the acceptance of the offer, may, on application at this Office, from 11 A. M. till 5 P. M. daily (Sundays excepted), obtain copies of the Schedule or list of prices, and such information relating thereto as they may require.

2. Verbal offers for the contract will be received at this Office on Friday the 26th instant, at 1 o'clock precisely, when bidders will be required to bid a per-centage above or below the prices exhibited in the above list at which the supply will be made, on the understanding that the articles supplied are to be of unexceptionable quality, and according to musters which may be seen in this Office, or of the sort usually supplied, and are to be delivered in the first instance at the Commissariat Stores at the Presidency, if required, and afterwards to the indenting Departments, in good condition, free of all charges beyond the stipulated price, in such quantities as may from time to time be demanded, and that the same are liable to examination and rejection by the executive Commissariat Officer, or by the indenting or receiving Officer; or by a Committee of Officers appointed on the part of Government, in the event of the contractor being dissatisfied with the decision of the above Officers, or either of them; it being understood that the decision of such Committee is to be final, and binding on all parties.

3. It is to be clearly understood, that such of the articles specified in the Schedule as form part of the Rations for European Soldiers or Hospital Diet, are to be supplied under the rules laid down in G. G. O. No. 613 of the 10th October 1853, and No. 33 of the 11th January 1854, copies of which may be seen at this Office.

4. No person will be allowed to bid for the contract unless he previously deposits in this Office, in cash, the sum of Rupees three thousand five hundred and eighty-three (3,583), which sum will be forfeited in the event of delay, evasion, or refusal on his part to execute the necessary deed of contract when required to do so, on his offer being accepted; in which latter case he must be prepared to give unexceptionable bonded security to the further amount of Rupees fourteen thousand

three hundred and thirty-four (14,334), which, together with the amount previously deposited, will be held as a guarantee for the due fulfilment of his contract.

5. A contractor must comply immediately with all emergent demands, and meet others of less urgency within the periods stated in the requisitions made upon him; in failure whereof, or if any supply be condemned by a Committee of Officers as aforesaid, the articles, or such others as may be required in lieu thereof, shall be purchased by this Department without delay, at his risk and cost, if it be considered expedient to do so; and in all such cases thirty (30) per cent. upon the amount of expenses incurred, or a fine of from Rupees thirty (30) to two hundred (200) at the option of the executive Commissariat Officer, will be levied as liquidated damages for each and every such breach of contract; it being understood that the simple condemnation of any article by a Committee constitutes a breach of contract, whether the rejected articles be replaced by the contractor or by this Department; in every such case, also, it is to be understood that the contract may be cancelled, at the discretion of the Commissary General; and that if the contract be so cancelled, the cash deposit mentioned in paragraph 4 of this notice will be forfeited to Government.

6. It is also to be understood that any delay, negligence, evasion, or refusal on the part of a contractor to make supplies, or obey orders, or any attempt on his part, or that of his agents, to pass off articles of an inferior quality in lieu of those he is bound to supply, or any neglect to deliver them at the time and place ordered, will subject him, in every instance, to be fined to the extent of Rupees twenty-five (25), at the option of the executive Commissariat Officer, from whose order an appeal may be made to the Commissary General, whose decision is to be final; but in cases when it may be deemed fit to exact any of the penalties provided for in the preceding clause, no further penalty shall be leviable under this clause.

7. It is further to be understood that the contractor, or an accredited agent on his part, approved of by the executive Commissariat Officer, is to attend at this Office during the usual hours of business, *i. e.* from 10 A. M. to 5 P. M. daily (Sundays excepted), also at such other time or place as may be indicated by the executive Commis-

sariat Officer, when he may consider it desirable for the public service to require such attendance.

8. Any party whose offer is accepted, will be required to produce his sureties, for the approval of the Honorable Company's Solicitor, within fifteen days from the date of the acceptance of his offer, or the contract will be resold. No reason will be stated for rejecting any security offered.

9. Bills for articles supplied under this contract must be preferred within one month from the date of the delivery of the articles, in default of which the contractor will forfeit the full value of the supplies for which bills have not been so preferred, unless it clearly appear, to the satisfaction of the Commissary General, that the delay was unavoidable.

10. The amount of retrenchments made by the Military Board on the contractors' bills will be recovered from the first bills preferred for payment; but in the event of such retrenchments, or any portion thereof, being remitted, the amount remitted will be refunded.

11. Any party who, after offering for a contract, fails to furnish the necessary security, as provided for in Clause 8 of this Notice, will be interdicted from bidding on future occasions, unless he produces a document from some person or persons of unexceptionable character and sufficient means, guaranteeing the due execution and performance of the contract, on his offer being accepted.

12. The annual outlay on the above contract is estimated at Rupees seventy-one thousand six hundred and seventy-three (71,673).

13. No reason will be assigned for the rejection of any offer.

tractor to make supplies or obey orders, or any attempt on his part, or that of his agents, to pass off articles of an inferior quality in lieu of those he is bound to supply, or any neglect to deliver them at the time and place ordered, will subject him, in every instance, to be fined to the extent of Rs. twenty-five (25), at the option of the executive Commissariat Officer, from whose order an appeal may be made to the Commissary General, whose decision is to be final; but in cases when it may be deemed fit to exact any of the penalties provided for in the preceding clause, no further penalty shall be leviable under this clause.

7. It is further to be understood, that the contractor, or an accredited agent on his part, approved of by the executive Commissariat Officer, is to attend at this Office during the usual hours of business, i. e. from 10 A. M. to 5 P. M. daily (Sundays excepted), also at such other time or place as may be indicated by the executive Commissariat Officer, when he may consider it desirable for the public Service to require such attendance.

8. Any party whose offer is accepted will be required to produce his sureties for the approval of the Honorable Company's Solicitor, within fifteen days from the date of the acceptance of his offer, or the contract will be resold. No reason will be stated for rejecting any security offered.

9. Bills for articles supplied under this contract must be preferred within one month from the date of the delivery of the articles, in default of which the contractor will forfeit the full value of the supplies for which bills have not been so preferred, unless it clearly appear, to the satisfaction of the Commissary General, that the delay was unavoidable.

10. The amount of retrenchments made by the Military Board on the contractor's bills will be recovered from the first bills preferred for payment; but in the event of such retrenchments, or any portion thereof, being remitted, the amount remitted will be refunded.

11. Any party who, after offering for a contract, fails to furnish the necessary security, as provided for in clause 8 of this Notice, will be interdicted from bidding on future occasions, unless he produces a document from some person or persons of unexceptionable character and sufficient means, guaranteeing the due execution and performance of the contract, on his offer being accepted.

Notice

Is hereby given, that verbal offers will be received at this Office, at 12 o'clock precisely on Monday the 12th proximo, for SUPPLYING cleaned GRAM, MUTT, and BAJREE, to the Commissariat Department at Ahmednuggur, from 1st March 1855 to the 29th February 1856.

The grain must be of unexceptionable quality, of the description usually furnished to this Department, and delivered daily, free of expense beyond the stipulated price, into the Commissariat Stores, or at the Artillery Horse Lines at Ahmednuggur, as may be ordered. If any grain tendered is considered objectionable by the executive Commissariat Officer, or the indenting Officers, and is not immediately exchanged by the contractor, the required quantity will be purchased by this Department, without delay, at his risk and cost; and in all such cases thirty (30) per cent. upon the amount of expenses incurred, or a fine of Rupees fifty (50), at the option of the executive Commissariat Officer, will be levied as liquidated damages for each and every such breach of contract, it being understood that the simple condemnation of any quantity of grain by a Committee constitutes such breach of contract, whether the rejected grain be

replaced by the contractor or by this Department; in every such case, also, it is to be understood that the contract may be cancelled, at the discretion of the Commissary General, and that if the contract be so cancelled, the cash deposit below mentioned will be forfeited to Government.

The contract will only extend to Ahmednuggur, but in the event of any of the mounted Corps or Public Cattle moving, the contractor must supply one month's grain for use on the march, if required, as well as for any Troops temporarily stationed at the above Stations.

Biddings for the contract will be in the Company's Rupees. No person will be permitted to bid who has not previously deposited in this Office Rupees two hundred and nineteen (219), which sum will be forfeited in the event of delay, evasion, or refusal on the part of any bidder to execute the necessary deed of contract when required to do so, in the event of his offer being accepted. Bonded security to the further amount of Company's Rupees eight hundred and seventy-six (876), in addition to the above-mentioned deposit, will also be required previous to the execution of the contract, and the whole will be held as a guarantee for its due fulfilment. Any parties whose offers are accepted will be required to produce their sureties for the approval of the Civil or Bazar Authorities, as necessary, within fifteen (15) days from the date of the acceptance of their offers, or the contract will be resold. No reason will be stated for rejecting any securities offered.

Sums retrenched by the Military Board will be recovered from the first bill subsequently presented for payment by the contractor; if such retrenchments are eventually remitted, the amount will be refunded to him.

The annual outlay on account of the contract is estimated, for Gram Rupees four thousand three hundred and eighty-two (4,382), and for Mutt and Bajree uncertain.

Persons who, after offering for the contract, fail to furnish the necessary security, will be interdicted from bidding on future occasions.

No reason will be assigned for the rejection of any offer.

Further particulars will be made known on application at this Office, any day from 10 to 5 o'clock, Sundays excepted.
