Notice

Is hereby given, that persons desirous of entering into a contract for the SUPPLY of HOSPITAL PROVISION, COUNTRY MEDICINE, &c., as may be required by the Commissariat Department at Poona, for the term of two years from 1st September 1855, may, on application at this Office from 11 A. M. till 5 P. M. daily (Sundays excepted), obtain copies of the schedule or list of prices, and such information relating thereto as they may require.

2. Verbal offers for the contract will be received at this Office on Monday the 6th proximo, at 12 o'clock precisely, when bidders will be

required to bid a per-centage above or below the prices exhibited in the above list at which the supply will be made, on the understanding that the articles supplied are to be of first sort, and according to musters which may be seen in this Office, and are to be delivered, in the first instance at the Commissariat Stores at Poona if required, and afterwards to the indenting Departments, in good condition, free of all charges beyond the stipulated price, in such quantities as may from time to time be demanded, and that the same are liable to examination and rejection by the executive Commissariat Officer, or by the indenting or receiving Officer; or by a Committee of Officers appointed on the part of Government, in the event of the contractor being dissatisfied with the decision of the above Officers, or either of them; it being understood that the decision of such Committee is to be final and binding on all parties.

3. It is to be clearly understood that such of the Articles specified in the schedule as form part of the Rations or Hospital diet are to be supplied under the rules laid down in G. G. O. No. 613, of the 10th October 1853, and No. 33, of the 11th January 1854, copies of which may be seen at this Office.

4. No person will be allowed to bid for the contract unless he previously deposits in this Office, in cash, the sum of Rupees three hundred and sixty (360), which sum will be forfeited in the event of delay, evasion, or refusal on his part to execute the necessary deed of contract when required to do so, on his offer being accepted; in which latter case he must be prepared to give unexceptionable

bonded security to the further amount of Rupees one thousand four hundred and forty (1,440), which, together with the amount previously deposited, will be held as a guarantee for the due fulfilment of his contract.

5. A contractor must comply immediately with all emergent demands, and meet others of less urgency within the periods stated in the requisitions made upon him; in failure whereof, or if any supply be condemned by a Committee of Officers as aforesaid, the articles, or such others as may be required in lieu thereof, shall be purchased by this Department without delay, at his risk and cost, if it be considered expedient to do so; and in all such cases thirty (30) per cent. upon the amount of expenses incurred, or a fine of Rupees fifty (50), at the option of the executive Commissariat Officer, will be levied as liquidated damages for each and every such breach of contract, it being understood that the simple condemnation of any article by a Committee constitutes a breach of contract, whether the rejected articles be replaced by the contractor or by this Department; in every such case, also, it is to be understood that the contract may be cancelled, at the discretion of the Commissary General, and that, if the contract be so cancelled, the cash deposit mentioned in paragraph 4 of this Notice will be forfeited to Government.

6. It is also to be understood that any delay, negligence, evasion, or refusal on the part of a contractor to make supplies, or obey orders, or any attempt on his part, or that of his agents, to pass off articles of an inferior quality in lieu of those he is bound to supply, or any neglect to deliver them at the time and place ordered, will subject him in every instance to be fined to the extent of Rupees twenty-five (25), at the option of the executive Commissariat Officer, from whose order an appeal may be made to the Commissary General, whose decision is to be final; but in cases when it may be deemed fit to exact any of the penalties provided for in the preceding clause, no further penalty shall be leviable under this clause.

7. It is further to be understood that the contractor, or an accredited agent on his part, approved of by the executive Commissariat Officer, is to attend at this Office during the usual hours of business, i.e. from 10 A. M. to 5 P. M. daily (Sundays excepted), also at such other time or place as may be indicated by the executive Commissariat Officer, when he may consider it desirable for the public service to require such attendance.

8. Any party whose offer is accepted will be required to produce his sureties for the approval of the Civil or Bazar Authority as may be necessary, within fifteen days from the date of the acceptance of his offer, or the contract will be resold. No reason will be stated for rejecting any security offered.

9. Bills for articles supplied under this contract must be preferred within one month from the date of the delivery of the articles, in default of which the contractor will forfeit the full value of the supplies for which bills have not been so preferred, unless it clearly appear, to the satisfaction of the Commissary General, that the delay was unavoidable.

10. The amount of retrenchments made by the Military Board on the contractors' bills, will be recovered from the first bills preferred for payment; but in the event of such retrenchments, or any portion thereof, being remitted, the amount remitted will be refunded.

11. Any party who, after offering for a contract, fails to furnish the necessary security, as provided for in Clause 8 of this Notice, will be interdicted from bidding on future occasions, unless he produces a document from some person or persons of unexceptionable character and sufficient means, guaranteeing the due execution and performance of the contract, on his offer being accepted.

12. The annual outlay on the above contract is estimated at Rupees seven thousand and two hundred (7,200).

13. No reason will be assigned for the rejection of any offer.

The following Act, passed by the Legislative Council, received the assent of the Most Noble the Governor General of India on the 29th May 1855, (communicated to the Legislative Council on the 23rd June 1855,) and is hereby promulgated for general information :—

ACT No. XVII. of 1855.

An Act to improve the Law relating to the Copper Currency in the Straits.

Whereas the Company's Rupee is by Act XVII. of 1835 a legal tender in satisfaction of all engagements in the Settlement of Prince of Wales' Island, Singapore, and Malacca, but no copper coin, except the half-pice issued under Act XI. of 1854, is now by law legal tender for fractions of a Rupee in that Settlement; and it is expedient to remedy this defect in the law; and whereas, besides the Rupee, the Dollar is by custom current in the said Settlement, and it is therefore expedient to provide that the copper currency which is now a legal tender in the said Settlement for fractions of a Rupee shall also be legal tender in the said Settlement for fractions of a Dollar; It is enacted as follows :—

I. Sections I., II., and V. of Act VI. of 1847 are hereby repealed, in so far as they relate to copper-pice, double pice, and pies coined in accordance with Act XXII. of 1844, or Act XXI. of 1835: but in so far as they relate to all other copper coins, the said Sections shall remain in full force. And the provisions of Sections I., II., and IV. of Act XXII. of 1844, so far as they are now in force, are hereby extended to the Settlement of Prince of Wales' Island, Singapore, and Malacca, where they shall have effect, any thing in Act VI. of 1847 to the contrary notwithstanding.

II. From and after the first day of July 1855, within the said Settlement, a pice coined according to Act XXII. of 1844 shall be legal tender for one hundred-and-fortieth part of a Dollar, and a double pice so coined shall be legal tender for one-seventieth part of a Dollar; and a pie so coined shall be legal tender for one four-hundred-and-twentieth part of a Dollar; also a half-pice coined according to Act XI. of 1854 shall be legal tender for one two-hundred-and-eightieth part of a Dollar.

III. Provided always, and it is hereby enacted, that no copper coins within the said Settlement shall be legal tender except for fractions of a Rupee, or fractions of a Dollar.

W. MORGAN,
Clerk of the Council.

Legislative Council.

30th June 1855.

The following Act, passed by the Legislative Council, received the assent of the Most Noble the Governor General of India on the 6th June 1855, (communicated to the Legislative Council on the 30th June 1855,) and is hereby promulgated for general information :—

ACT No. XVIII. of 1855.

An Act to remove doubts relating to the Power to grant Pardons and Reprieves and Remissions of Punishments in India.

Whereas doubts have arisen as to the power of the several Executive Governments in India to remit punishments awarded by Her Majesty's Supreme Courts of Judicature; and it is desirable that all doubts respecting the power to pardon or reprove or grant remissions of punishment should be removed; It is declared and enacted as follows: (The sanction of Her

Majesty to the passing of this Act having been previously obtained and signified in pursuance of an Act passed in the 17th year of the reign of Her said Majesty, entitled "An Act to provide for the Government of India.")

I. The person or persons for the time being authorised to administer the Supreme Executive Government in any Presidency or place within the Territories in the possession and under the Government of the East

India Company have power to grant pardons and reprieves in respect of any crime or offence committed within such Presidency or place, or to remit the whole or any part of the punishment awarded in respect of any such crime or offence, whether the same be awarded by any of Her Majesty's Supreme Courts of Judicature or by any other Court or Officer exercising jurisdiction within the said Territories.

Or to remit punishment awarded by Supreme Court of Judicature or any other Court, &c. in respect of such offences.

II. Nothing in this Act shall be construed to interfere with the provisions contained in the Statutes of the Imperial Parliament 16 and 17 Vic. c. 95 and 17 and 18 Vic. c. 77, or any other Statute which empower the Governor General of India

Act not to affect the provisions of the Statutes empowering the Governor General in Council to limit the authority of Lieutenant-Governors, &c.

in Council, with the sanction therein mentioned, to limit the extent of the authority of the Lieutenant-Governors and other persons therein named; and in every such case, the aforesaid power of granting pardons and reprieves and remissions of punishment in case, and so far as the same may be excepted from the authority of the said Lieutenant-Governors or other persons, may be exercised by the Governor General of India in Council.

III. Nothing in this Act shall be construed to interfere with the undoubted right of Her Majesty to grant pardons or reprieves or remissions of punishment in any of the cases above-mentioned.

W. MORGAN,

Legislative Council.

23rd June 1855.

The following Bill was read a second time in the Legislative Council on the 23rd June 1855, and referred to a Select Committee, who are to report thereon after the 27th of August next :—

A Bill to empower Officers of the Customs and Revenue Departments to search Manufactories and Houses for Contraband Salt in the North-Western Provinces.

Whereas the existing laws do not empower Officers of the Customs or Revenue Department in the North-

Western Provinces of the Presidency of Bengal to search manufactories and houses for salt manufactured or stored contrary to the provisions of Act XIV. of 1843, and it is expedient to give them power to do so; It is enacted as follows :—

I. Whenever any Officer vested with powers to carry out the provisions of Act XIV. of 1843, not being under the grade of Naib Tehseeldar in the Revenue Department or of Assistant

Particulars to be recorded by Officer on receipt of information as to unlawful manufacture of Salt, &c.

Patrol in the Customs' Department, receives credible information that within his jurisdiction Salt is unlawfully manufactured, or the Salt refuse obtained in the manufacture of Saltpetre is without the sanction of Government so purified and refined as to produce alimentary Salt in any manufactory, dwelling-house, warehouse, or other place, or that Salt is unlawfully stored in any such place within the limits of Customs' jurisdiction as defined by the Government of the North-Western Provinces of the Presidency of Bengal under the provisions of Section III. of the aforesaid Act, he shall first record in writing the name, residence, and calling of the informant, the locality and description of the house or place where he believes the Salt to be manufactured, produced, or stored, and the supposed quantity and description of such Salt, with the grounds for believing the same to be contraband, and the name of the owner or occupant of such house or place, or the name of the person for or by whom such Salt is manufactured, produced, or stored.

II. The said Officer, after recording the particulars aforesaid, may summon from the nearest Police Station a Police Officer, not being under the grade of a Jemadar, to attend him, and, with such Police Officer and informant, proceed to the said house or place, and in their presence search the same for contraband Salt; provided that such search be not made between sunset and sunrise.

III. The said Officers may break open the door or force an entry within the said house or place, if, upon requisition duly made, the door be not opened, or admission be refused, by the owner or occupant thereof.

IV. A forcible entry under the last preceding Section shall only be made by the Police Officer in accordance with the rules and precautions prescribed by Regulation XX. of 1817, by Section X. Regulation V. of 1800 (for the Benares province), and by Section XIX. Regulation XXVIII. of 1803 (for the ceded and conquered provinces) for breaking into a house for execution of process of distraint. Provided, however, that the responsibility for the act, and the determination whether to force an entry or not, shall rest with the Officer of the Customs or Revenue Department only.

V. Whoever, being a Police Officer summoned under Section II., fails to attend himself or to depute a subordinate Police Officer, not being below the grade of a Jemadar, to attend, or, after attending refuses to aid in the search for, or seizure of, contraband Salt, or in any way wilfully frustrates the object of the search or seizure, shall, on conviction before a Magistrate, be liable, besides being dismissed from office, to a fine equal to the amount of fine that would have been leviable on the owners or holders of the Salt if it had been seized according to the information laid.

VI. Any Officer of the Revenue or Customs Department vested with power to search and for giving false information, carry into effect the provisions of this Act, who, under cover thereof, searches or causes to be searched any manufactory, dwelling-house, warehouse, or other place without reasonable grounds of suspicion that contraband Salt is there manufactured, produced, or stored, shall, upon conviction before the Magistrate within whose jurisdiction the offence may have been committed, be punished with fine not exceeding 500 rupees, which fine shall be paid over to the party aggrieved and, in default of payment of such fine, with imprisonment not exceeding six months; and any person wilfully and maliciously giving

false information, and so causing a search to be made in any manufactory, dwelling-house, warehouse, or other place, to the injury or vexation of the owners, occupants, or any other person or persons whatsoever, shall, on conviction before a Magistrate, be liable to the same penalties, and also to imprisonment not exceeding two years, with or without hard labour.

VII. Every search under this Act, whether the result thereof be the seizure of contraband Salt or otherwise, shall be reported within 48 hours by the Officers of the Customs or Revenue and of the Police Departments who were present, to their respective official superiors.

VIII. Whoever wilfully connives at the illicit manufacture, production, or storing of Salt within any manufactory, dwelling-house, warehouse, or other place, shall, on conviction before a Magistrate, be liable to a fine not exceeding 500 rupees, and in default of payment, to imprisonment not exceeding six months, with or without hard labour.

FORT WILLIAM,
26th June 1855.

No. 683 of 1855.—For purposes of ready reference and adaptation to the circumstances of Military Officers proceeding on leave beyond sea for brief periods under the New Furlough Regulations, the Honorable the President in Council is pleased to publish the following Rules, in supersession of existing General Orders, regarding the production of Certificates of No Demand by all Military and Medical Officers of Her Majesty's and the Honorable Company's Service when about to quit the limits of the Bengal Presidency on resignation or retirement, on obtaining Furlough to Europe, or general leave beyond sea:—

I. The Military and Medical Officer of the Honorable Company's Service will, in the first instance, obtain a Certificate of No Demand from the Deputy Pay Master by whom he was last paid or in whose circle he last did duty, and forward it to the Presidency Pay Master in Calcutta, who will issue in lieu a Certificate of No Demand under his own signature. This Certificate will be countersigned by the Military Auditor General and then finally passed by the Military Accountant, who will cause it to be delivered to the applicant.

II. The Military and Medical Officer of Her Majesty's Service will likewise, in the first instance, obtain a Certificate of No Demand from the Pay Master of his Regiment, and transmit it to the Pay Master, Queen's Troops, in Calcutta, who will, in lieu, grant a No Demand Certificate in his own name for the counter-signature of the Military Auditor General and the Military Accountant, as in Clause I.

III. The Military and Medical Officer of Her Majesty's or the Honorable Company's Service, in Civil or Political employ, will be required to produce, in addition to the Certificate from the Pay and Audit Department mentioned in Clauses I. and II., an acquittance from the Civil Department. This acquittance will be obtained from the Civil Branch of the Office of Account at the Presidency in the case of Officers employed under the Governments of India or of Bengal, and from the Accountant at Agra in the case of Officers employed under the Government of the North-Western Provinces or the Punjab.

IV. Military Officers employed in the under-mentioned Departments will be required to produce, in addition to the No Demand Certificates mentioned in Clauses I. and II., acquittances from the functionaries named opposite to each class:

<i>Department of Public Works</i> ..	{	From the Chief Engineer of the Division.
<i>Commissariat Department</i> ..		From the Auditor of Commissariat and Stud Accounts.
<i>Stud Ditto</i> ..	{	From the Inspector General of Magazines and Ordnance.
<i>Ordnance Ditto</i> ..		

V. Quarter Masters of Regiments will be required to produce, in addition to the acquittance

mentioned in Clauses I. and II., a Certificate from the Commanding Officers of their respective Corps, to the effect that the Cash Balance and Half Mounting Stores under their custody have been duly transferred to their successors.

VI. All Officers requiring acquittances under these Rules, are reminded of the necessity of using every means in their power for the settlement of their public accounts, and of making timely application for the requisite No Demand Certificates, in order to obviate inconvenience to themselves from any delay in the issue of the Certificates by the several Departments concerned.

VII. All Military and Medical Officers entrusted with the disbursement of public money in the Civil, Political, Public Works, Pay, Commissariat, and Stud Departments, having accounts with the Government Accountants at the Presidency, or at Agra, and desiring to quit the country, are especially enjoined to notify their intentions to the Military Accountant three clear months prior to the period of their probable departure, in order to afford that functionary sufficient time to obtain returns of their existing liabilities and to adopt the necessary measures for their adjustment.

VIII. Officers failing to produce Certificates of No Demand under these Rules, will be required to submit, in lieu, a sufficient guarantee for the due adjustment of all claims against them for the approval of Government; but in the case of an Officer who may have deposited the prescribed security on his appointment to any office of trust, it will be discretionary with the Government, on a report from the Military Accountant as to his existing liabilities and the sufficiency of the security already deposited, to determine whether any further guarantee shall be required or not.

OFFICE ORDER.**REGISTER OF CORRESPONDENTS' NAMES.**

Several Messages having miscarried through errors in spelling the Names of the parties addressed, a Register will be opened in the Calcutta, Bombay, and Madras Offices, in which persons may insert the names of one to four habitual Correspondents at other Stations. This list will be printed, and a copy supplied to each Station. The words to "*Registered Correspondent*" will be telegraphed in all such cases free of charge. As more than half the Messages on the lines pass between such habitual Correspondents, it is confidently expected that the mistakes referred to will be thus prevented in a proportionate degree.

No charge is to be made for the Registry, and one or more names may be added monthly. The Register will be printed and circulated on the first Saturday in each month.

Thus, if the line be broken between Agra and Gwalior, the Assistant in charge at Agra is to give notice of the occurrence along the lines to Calcutta and Peshawur, and the Assistant in charge at Gwalior will do the same along the lines to Bombay and Madras.

"All persons desiring to send Messages will be informed where the interruption exists, and given the option of withholding the Message, or having it sent on by post over the interrupted section of the line at the full charge for the entire distance."

Bombay Post Master's Office, 23 July 1855.

Post Master General.

NOTICE.

Sufficient attention not being paid to the importance of transmitting all Official Correspondence with as much regard as practicable to the saving of weight by the Post, attention is requested to the following remarks:—

1st.—The habit of using an envelope for each letter sent from an Office should be checked: all letters of the same date, to the same address, may generally be put into one cover.

2nd.—A set of envelopes of various sizes should be made up, according to the dimensions of papers despatched from an Office, so that one of an unnecessary size need not be made use of.

3rd.—Envelopes may frequently be dispensed with, unless enclosures have to be forwarded with letters. Official letters, Roobackaries, Purwannahs, &c., which are written on one side only, or not more than half of the reverse, may ordinarily be folded and addressed exactly in the same manner as a private letter.

4th.—Periodical Returns, and all documents of a similar nature, may generally be put up in wrappers like covers to Newspapers, open at both ends.

5th.—Great diminution in the weight and bulk of Vernacular Correspondence may be introduced by discarding the use of heavy paper, and writing in a closer and more condensed form than is customary.

NOTICE.

All Post Masters are hereby directed to pay particular attention to the packing in wax-cloth, during the Monsoon, of the Letter Packets despatched from their Offices, and to give strict orders on the subject to their subordinate Offices. A number of Packets, containing Government Despatches and private Letters, have been recently received in Bombay, tied up in single Paper Wrappers, which are altogether insufficient to protect them from wet, and many of them have in consequence been entirely spoilt, and rendered useless. Clerks neglecting this order will be fined.
