BY HIS EXCELLENCY THE HONORABLE THE GOVERNOR IN COUNCIL.

MILITARY DEPARTMENT.

No. 153 of 1864.—With reference to G. O. No. 91, dated 1st instant, Lieutenant Colonel H. W. B. Bell, R.E., is appointed a member of the Sanitary Commission for so long as his other duties allow personal communication with the President.

No. 154 of 1864.—A Pay Havildar, on Rupees 5 per mensem, is sanctioned for the Depôt of H. M.'s 29th Regt. N. I. He will also perform the miscellaneous staff duties of the Depôt.

No. 155 of 1864.—The subjoined letter, addressed by the Secretary to the Government of India to the Superintendent Army Clothing in Bengal, is made applicable to this Presidency.

"I am directed to acknowledge your letter No. 2588, dated the 28th November 1863, with its enclosures, having reference to the supply of two sets of Marksmen's badges annually to each Regiment of British Infantry.

2. In reply, I am to acquaint you that the Right Honorable the Governor General in Council approves of the issue of two sets of Marksmen's badges to each Marksman.

3. It does not, however, appear necessary that, as a matter of course, two sets of badges up to full number sanctioned should be issued to each Regiment yearly,—doubtless some of the Marksmen of one year will be the Marksmen of the next, and there would be time between the date on which the relative shooting is made known and the issue of Clothing for the current year, for a Return to be sent to your office from each Regiment showing the exact number required.

4. Of course, I am to remark, the transmission of the annual clothing would on no account be delayed by non-receipt of the above return, as the badges could always be sent separately."

No. 156 of 1864.—The following extract of a letter from the Right Honorable the Secretary of State for India to the Government of India, dated 31st December 1863, No. 455, is published for general information:—

"Adverting to paragraph 6 of my despatch No. 423, dated 9th December 1863, I have to acquaint you that the Secretary of State for War has informed me, in reply to the inquiry as to 'what sums are allowed under the War Office Regulations on account of Cavalry equipments to men enlisting, re-enlisting, or re-engaging into each description of Cavalry Regiments,' that the articles of Cavalry equipment, comprising arms, accoutrements, saddlery, and stable necessities, are supplied from store gratuitously, and form a *regimental charge*, and that no money allowance is therefore granted to the soldier on account of the above stores."

The Government of India in communicating the above extract has ruled that no allowance for such equipments as therein referred to, or on any account in excess of the sums sanctioned in general orders of 10th July 1862, No. 415, and 4th August 1863, No. 410, is for the future to be granted.

"No. 222 of 1864.—With reference to Government General Orders noted in the margin, the following Military letter from the Right Honorable the Secretary of State for India, is published for general information :—

From Her Majesty's Secretary of State for India to the Right Honorable the Governor General of India in Council, No. 26, dated 30th January 1864.

SIR,—My letter, dated 8th October 1861, No. 389, informed you that it had been determined that Officers holding the rank of Colonel and Lieutenant Colonel regimentally in the Royal Artillery were not, in future, to be seconded when holding Civil situations. My Despatch of the 24th March 1862, No. 124, further informed you that the Supernumerary Lieutenant Colonels of the Royal Artillery were to be absorbed into the Regiment as vacancies occurred, and directed that a similar rule should be established with regard to the Indian Brigades.

2. Circumstances have hitherto prevented the carrying out this intention in the Royal Artillery, and the measure has, in consequence, been suspended, as respects the Indian Artillery also.

3. I am now informed that it is determined that the absorption of the Supernumerary Field Officers of the old Brigades shall commence on the 1st April next, and that with this prospect in view, the Field Marshal Commanding-in-Chief has commenced the discontinuance of the practice of placing Field Officers of Artillery on the Supernumerary List.

4. The absorption of the Field Officers in the new Brigades will not be commenced until the process is completed in the old Brigades, but no Field Officers of either Brigade will be placed on the Supernumerary List after this date.

5. It is understood that the absorption of the Field Officers will be effected in the manner indicated in my letter, dated 24th March 1862, No. 124, by making only one promotion for every three vacancies.

(Signed) H. W. NORMAN, Colonel,
Secretary to the Government of India."

No. 225 of 1864.—With reference to the Government General Orders noted in the margin, the following Military letter, from the Right Honorable the Secretary of State for India is published for general information and guidance :—

From Her Majesty's Secretary of State for India to the Right Honorable the Governor General of India in Council, No. 27, dated 30th January 1864.

SIR,—Referring to my Despatch, dated 31st December 1863, No. 446, on the subject of promotion to the rank of Colonel under the 8th Clause of the Royal Warrant of the 31st January 1859, I have to inform you that a communication now received from the Horse Guards states that the Secretary of State for War has brought to the notice of the Field Marshal Commanding in Chief that the qualifying period in the rank of Lieutenant Colonel previously to obtaining the rank of Colonel was extended from 3 to 5 years, with the express view that no deductions from that period were to be made on account of leave of absence. His Royal Highness in consequence sees the necessity of rectifying the position of all Colonels promoted since October 1858, who may have had their promotion retarded by the practice of limiting the leave of absence to 15 months in the 5 years.

2. A similar course is to be adopted by your Government with respect to all Colonels of Her Majesty's Indian Forces promoted under the Royal Warrant of 31st January 1859, whose promotion may have been retarded, under the restriction with regard to leave of absence published in General Order dated 18th September 1860, No. 940.

N.B.—This table is an extract from a more extensive yearly Return that is prepared for statistical purposes, and chiefly for the detection of any removable sources of disease, with a view to improving the healthiness of the Island. As the principal object cannot be fully attained unless the true causes of death be recorded, persons at out-stations are requested, in each case of death occurring in their circle, to obtain, in writing, from the Medical Attendant, the name of the fatal disease, that it may be delivered to the Policeman at the funeral place. Medical Practitioners particularly, are requested to aid the registration. Blank forms of Death Reports, to keep by them in readiness, are given gratuitously on application at the Office of the Deputy Commissioner of Police.

It is thought that some withhold their assistance through the notion that reports of the single casualties coming now and then under their observation could but little affect the Returns; but it ought rather to be borne in mind, that the accuracy of the Returns depends on the correct reporting of all single cases, for of such only the aggregate is made up.

Bank of Bengal.

NOTIFICATION.

It is hereby notified that as the present Capital of the Bank is insufficient to meet its requirements in consequence of the increase of business, principally arising from the establishment of Branches subordinate to the Bank in various parts of the Bengal Presidency, the Directors have determined, under the authority vested in them by Section 6, Act IV. of 1862, to increase the Capital from One Crore, Nine lacs, Ninety thousand, Nine hundred and Nine Rupees, to Two Crores and Twenty lacs,

by the issue of new Shares or consolidated Stock under the following conditions:—

1st.—Holders of old Shares will be entitled to claim new Shares at par, in the proportion of one Share for every Share of which they may be registered as Proprietors in the Books of the Bank. Registered Proprietors of consolidated Stock will, in like manner, be entitled to an equivalent amount of new Stock at par.

2nd.—Holders of Shares or Stock, whether in India or elsewhere, shall be allowed to the 15th day of August 1864 to claim the new issue. All Shares or Stock not claimed by the said date shall be at the disposal of the Directors, who shall cause the same to be sold for the benefit of the Bank, in such manner and at such times as they may deem expedient.

3rd.—Payments in one sum of the amount of Subscription on any whole, half, or quarter Share or Stock, to which any Proprietor may be entitled under this Notification, may be made, at any time, after the publication thereof. On all such payments, prior to the 30th June next, interest will be allowed, at the rate of 8 per cent. per annum, from date of payment to the 30th June; and the Shares or Stock so paid up shall, thenceforward, be entitled to dividend. On all payments, made subsequent to the 30th June, interest will similarly be allowed (at the rate of 8 per cent.) until the 31st December following, from which date the Shares or Stock so paid up shall, in like manner, become entitled to dividend.

4th.—The transfer Books will be closed from the 16th to the 31st August 1864 inclusive. All Shares or Stock previously subscribed for, but on which the full amount of Capital shall not be paid by the last-mentioned date, will lapse to the Bank, and will be at the disposal of the Directors as provided in Clause 2.

By order of the Directors,
C. N. COOKE,

Offg. Secretary and Treasurer.

THE ELPHINSTONE LAND AND PRESS COMPANY (Limited).

एलफिन्स्टोन लैंड एंड प्रेस कंपनी लिमिटेड.

TO THE HONORABLE HIS EXCELLENCY THE GOVERNOR IN COUNCIL OF BOMBAY.

SIR,—The Directors of the Elphinstone Land and Press Company (Limited) have the honour to apply to your Excellency in Council, that the powers given to the local Government by Act XXII. of 1863, of the Legislative Council of India, may be exercised under the following circumstances:—

2. It having been found necessary that more land should be required at or near Warree Bunder for the purpose of the G. I. P. Railway Company, it has been arranged between the local Government and the Elphinstone Company in the course of the negotiations which have been pending respecting the reclamations now being made by that Company, that the Company should reclaim from the sea two pieces of land and hand them over free of cost for the use of the Railway Company within certain specified periods. The said pieces of land are respectively marked with the letters B. and C. upon the plan sent herewith, and it will be seen that a Wharf will thus be provided for the use of the Railway Company and Government.

3. The Elphinstone Company undertook to reclaim such pieces of land within very short periods, because the Railway Company urgently required the use of the land, and the Elphinstone Company in giving such an undertaking did so in the belief that they would be allowed to pull down and remove the Hill known as Belvidere Hill, and to apply the earth and stone thereof for the purposes of the reclamations. The Company have endeavoured to acquire this Hill from the owners, but have not been able to do so.

4. The Elphinstone Company therefore request that the local Government will be pleased to put in force the Provisions of Act XXII. of 1863, and to declare the reclamations of the pieces of land marked B. and C. and the removal of the said Hill known as Belvidere Hill and the application of the earth and stone thereof for the purpose of such reclamation to be a work of public utility and for the purposes aforesaid to take possession of the said Hill, the said Company being willing to enter into an agreement to indemnify the Government upon such terms and conditions as may hereafter be agreed upon.—We have the honour to be, Sir your obedient Servants,

W. NICOL & Co.,
Secretaries and Treasurers.
