N.B.—This table is an extract from a more extensive yearly Return that is prepared for statistical purposes, and chiefly for the detection of any removable sources of disease, with a view to improving the healthiness of the Island. As the principal object cannot be fully attained unless the true causes of death be recorded, persons at out-stations are requested, in each case of death occurring in their circle, to obtain, in writing, from the Medical Attendant, the name of the fatal disease, that it may be delivered to the Policeman at the funeral place. Medical Practitioners particularly are requested to aid the registration. Blank forms of Death Reports, to keep by them in readiness, are given gratuitously on application at the Office of the Deputy Commissioner of Police.

It is thought that some withhold their assistance through the notion that reports of the single casualties coming now and then under their observation could but little affect the Returns; but it ought rather to be borne in mind, that the accuracy of the Returns depends on the correct reporting of all single cases, for of such only the aggregate is made up.

THE ELPHINSTONE LAND AND PRESS COMPANY (Limited).

एलफिन्स्टोन लैंड एंड प्रेस कंपनी लिमिटेड.

TO THE HONORABLE HIS EXCELLENCY THE
GOVERNOR IN COUNCIL OF BOMBAY.

SIR,—The Directors of the Elphinstone Land and Press Company (Limited) have the honour to apply to your Excellency in Council, that the powers given to the local Government by Act XXII. of 1863, of the Legislative Council of India, may be exercised under the following circumstances:—

2. It having been found necessary that more land should be required at or near Warree Bunder for the purpose of the G. I. P. Railway Company, it has been arranged between the local Govern-

ment and the Elphinstone Company in the course of the negotiations which have been pending respecting the reclamations now being made by that Company, that the Company should reclaim from the sea two pieces of land and hand them over free of cost for the use of the Railway Company within certain specified periods. The said pieces of land are respectively marked with the letters B. and C. upon the plan sent herewith, and it will be seen that a Wharf will thus be provided for the use of the Railway Company and Government.

3. The Elphinstone Company undertook to reclaim such pieces of land within very short periods, because the Railway Company urgently required the use of the land, and the Elphinstone Company in giving such an undertaking did so in the belief that they would be allowed to pull down and remove the Hill known as Bhunderwarra Hill, and to apply the earth and stone thereof for the purposes of the reclamations. The Company have endeavoured to acquire this Hill from the owners, but have not been able to do so.

4. The Elphinstone Company therefore request that the local Government will be pleased to put in force the Provisions of Act XXII. of 1863 and to declare the reclamations of the pieces of land marked B. and C. and the removal of the said Hill known as Bhunderwarra Hill and the application of the earth and stone thereof for the purpose of such reclamation to be a work of public utility and for the purposes aforesaid to take possession of the said Hill, the said Company being willing to enter into an agreement to indemnify the Government upon such terms and conditions as may hereafter be agreed upon.—We have the honour to be, Sir, your obedient Servants,

Samples of Merchandize by Post.—The Public are informed that an arrangement has been made with the London Post Office for sending Patterns of Merchandize by Post between India and the United Kingdom, under the rules and at the rates of Postage indicated below. The arrangement will commence as regards despatches from India from the 1st May next. Intimation has been received from the London Post Office that the arrangement will commence as regards despatches thence from the 1st April.

1. The Patterns must not be of intrinsic value. The rule excludes all articles of a saleable nature, and whatever may have a value of its own apart from its mere use as a Pattern. The quantity of any material sent, ostensibly as a Pattern, must not be so great that it could fairly be considered as having on this ground an intrinsic value.

2. The Patterns must not bear any writing other than the address of the persons for whom they are intended, a manufacturer's or trade mark, numbers, and the prices of the articles; nor must they contain any letter closed or open, or any enclosure sealed or otherwise closed against inspection.

3. The Patterns must be sent in covers open at the ends, so as to be easy of examination; samples, however, of Seeds, Drugs, and so forth, which cannot be sent in open covers, may be enclosed in bags of linen or other material; but closed bags, although transparent, must not be used for this purpose.

4. The rule which forbids the transmission through the Post of any explosive or dangerous substance will of course be applicable to Patterns, and no article likely to injure the contents of the Mail Bags is to be sent.

5. No Pattern Packet can be received if it exceeds two feet in length, width, or depth, or 3 lbs. in weight.

6. The Inland Transit of Pattern Packets will be by Banghy Post.

7. The following Postage rates (prepaid by a Stamp or Stamps) will be charged on Pattern Packets sent under these regulations by Post to the United Kingdom. The rates being consolidated rates no Inland Postage is leviable in addition :—

8. If the Packets be *prepaid with a single rate of Postage* (as given in Column 1 of the above Table), the full rate chargeable being more, they will be forwarded charged with the deficient Postage, together with an additional single rate.

9. If the Packets be *prepaid with less than a single rate of postage*, they will be forwarded charged with double postage, less the amount actually paid.

10. If the Packets be *wholly unpaid*, they will be forwarded charged with double postage.

N.B.—In respect to Inland Transit the general conditions for Patterns are similar to those for Book Packets, and they will be treated like Book Packets.

If received unpaid or insufficiently paid from the United Kingdom, they will be charged at the rates mentioned in Paras. 8, 9, and 10 of the foregoing notice.

Lost Letters.—Several complaints have recently been made of the loss of heavy and important Stamped Letters for England, said or believed to have been posted, but which it is wholly out of the power of the Post Office to trace owing to their being unregistered and consequently unrecorded.

It is supposed that letters of the above description are made away with for the sake of the valuable stamps affixed to them, which can readily be detached and sold before obliteration in the Post Office.

It is therefore recommended that Postage Stamps attached to all letters should be crossed or defaced, in order to present less temptation to the peons and servants of postmen and to the Post Office Subordinates, and to lessen the chances of the sale of stamps, which cannot be effected readily when stamps are defaced, without washing them and subjecting the sellers to suspicion.

Mail via the Cape.—The public are informed that the East India and London Steam Navigation Company's Steamers leave Calcutta and Madras for the United Kingdom *via* the Cape once a month, *i. e.* from the former station between the 12th and 20th, and the latter about the 25th. Letters, &c., for the Cape if forwarded by the above steamers reach earlier than those sent *via* Aden and Mauritius; the latest safe dates from Bombay will be for Calcutta 4th and Madras 17th of the month. The postage to be charged is the ordinary Indian Inland rates, which must be prepaid. Letters for the United Kingdom, if sent by the above vessels, will of course be liable to the usual rates of steam postage.

C. GONNE,
Officiating Secretary.

Bombay Castle, 20th April 1864.

His Excellency the Governor in Council is pleased to publish for general information the following Notifications which have appeared in the *Kattywar Political Agency Gazette*, announcing the abolition of Transit Duty on Grain by Chiefs of that Province.

By order of the Honorable the Governor in Council,

C. GONNE,

Bombay Castle, 20th April 1864.

Officiating Secretary to Government.

NOTIFICATION.

The Political Agent has great pleasure in giving publicity to a Yad from the Thakoor Sahib of Morevee, from which it will be perceived that he has for the present abolished all Transit Duty on Grain.

The necessity of some movement towards the establishment of an open trade in grain and other food, has been allowed by nearly all the principal Chiefs in India, some of the greatest Durbars have unconditionally abolished Transit Duty of every description.

The Political Agent congratulates the Thakoor Sahib of Morevee on being the first Chief in the Province to move in this matter.

The many restrictions to traffic that now exist have, in connexion with other causes, raised the value of food in Kattywar to famine prices.

Thousands of poor people will be spared from actual hunger by this well-timed liberality on the part of the Morevee Durbar.

Translation of a Yad from the THAKOOR SAHIB of MOREVEE to Major R. H. KEATINGE, V. C., Political Agent in Kattywar.

AFTER COMPLIMENTS,

The practice of levying Transit Duties has hitherto prevailed in my territory. In consequence of the dearness of grain, however, the people generally suffer much. I have, therefore, determined to abolish for a period of five years, commencing with the current one, Transit Duty on all kinds of Grain. Should, however, the price of Grain be lessened within the said period of five years to such an extent that it be sold at the rate of one maund and a half per Rupee (the maund consisting of seers weighing Rupees 28 each), the above arrangement will be considered as closed from such date, and Transit Duty will be levied according to the rates hitherto prevalent in my territory. Dated Sunvut 1920, Margsheish Shood 14th, Friday 23rd, December 1863.

Translation of a Letter from His Highness The NAWAB OF JOONAGHUR, to the address of Major R. H. KEATINGE, V. C., Political Agent in Kattywar, dated 13th January 1864.

AFTER COMPLIMENTS,

Eejur Assar Anunjee Amurchund having paid you his respects, has represented to me among other pleasing news, information regarding the abolition of Transit Duties on Grain, and has urged the advisability of abolishing Transit Duties, and thereby affording relief to the poor, who will then obtain Grain comparatively cheaper, because the present year's high or famine prices have proved ruinous, particularly to persons of fixed salary and people who live by their daily labour, and there is a general cry of distress from these people.

Some relief therefore has become a duty, and as I gather from the letters of the said Eejur Assar that you take particular interest in this matter, I have issued orders that from and after the Posh Wud 2nd (25th January 1864), no Transit Duty should be levied in any of my Mahals during the current year for certain, and in future years until Grain

becomes cheap, and sound grain, wheat, and bajree, attain the rate of $1\frac{1}{4}$ maund (50 lbs.) per Rupee throughout the country, no Transit Duty shall be levied.

I write this intelligence for your information, and beg that should you wish to make it known throughout the Province of Kattywar, you will have the goodness to do so through the *Kattywar Agency Gazette*. Dated Posh Sood 6th, Sumvut 1920, 13th January 1864.

Translation of a Letter from His Highness The JAM OF NOWANUGGUR, to Major R. H. KEATINGE, V. C., Political Agent in Kattywar.

AFTER COMPLIMENTS,

In consequence of the great rise in the price of Grain, the poor people suffer severe hardships.

Knowing that to assist them in these days is a work of great charity, I have resolved to postpone the levy of Transit Duty on Grain and Ghee passing through my territory until Grain be sold at the rate of forty-five seers per Rupee, the maund consisting of seers weighing Rupees 40 each, and Ghee at the rate of one maund per eight Rupees, (the maund being of the weight current there,) when Grain and Ghee are sold at the above prices, I will resume the levy of Duties according to the rates hitherto prevalent in my territory. This is written for your information. Sumvut 1920, Posh Sood 7th, Friday, 15th January 1864.

Translations of a Yad from the Bhownuggur State to the address of the SPECIAL ASSISTANT POLITICAL AGENT in KATTYWAR, dated 18th January 1864.

AFTER COMPLIMENTS,

From Bhownuggur and other parts of this State thousands of kulsees (a measure) of grain are imported into Kattywar and passed into other provinces, but owing to the present high prices all people are sufferers. For the benefit of the public, therefore, all Transit Duty hitherto levied on Grain at different places in this State has been suspended for seven years.

People in indigent circumstances, and the lame, and the blind, have been thrown into great distress in consequence of the high prices referred to. In order to afford relief to such people, a Charitable Institution has been opened in Bhownuggur, where Grain will be sold to poor people at 12 Annas for the Rupee worth (i. e. at 25 per cent. discount); and to blind, lame, and infirm people, a sufficient quantity will be distributed *gratis*. Rupees 30,000 will be the capital at present to be laid out, but it will be increased hereafter, if necessary; and it is intended to continue this establishment so long as the present dearness (of provisions) last. This is stated for your information. Dated Posh Sood, 10th Sumvut 1920, Monday, 18th January 1864. (Written by Suntokram Madhowjee).

AFTER COMPLIMENTS,

As the people are suffering from the present dearness of Grain, I have suspended the levy of Transit Duty on Grain hitherto collected in this State, the suspension continuing so long as the high prices last.

I have also for the same reason remitted the Town Duties on Grain exported by my Ryots from Wankaneer for their own use. Dated 20th January 1864.

In consequence of Grain having become very dear now-a-days in this province, the poor people suffer much, and whatever is done to assist them will be a work of charity and gratitude. I have therefore resolved to do in this matter as follows :—

1st.—Transit Duty on Grain carried through my State by traders or other people has been suspended for a period of five years, from Sumvut 1920 to Sumvut 1925.

2nd.—For the relief of persons in distressed circumstances, such as the lame, the widowed, and those who are ashamed to work as common labourers, a sum of Ten thousand Rupees has been set apart as a Fund for charitable purposes, out of which grain is purchased and distributed among those who come to take it, or a quantity sufficient for their consumption is sent to the houses of those poor who are ashamed to come forward to demand it.

I have resolved to render assistance as above owing to the dearness of Grain. This is written for your information, and if you wish to have this (news) published in the *Gazette*, you may do so. Dated Sumvut 1920, Posh Wud 2nd, Monday, 25th January 1864 A.D. (Written by Dulputram.)

In consequence of the prices of Grain and other things having greatly risen this year, the poor people suffer great hardships. AFTER COMPLIMENTS,

My Mehta Shivshunker Bawamehta, who has just returned from your presence where he had been for office work, informed me of the advice you gave him ; that in consequence of the dearness which at present prevails, it would be a work of credit to my State were I to remit for the relief of the poor Transit Duty on Grain. Such being your wish, and Major Keatinge having also conveyed through my Wukeel, Ghella Mehta, a similar wish, I am willing to do in conformity therewith for the benefit of the poor people, and beg to inform you that I have resolved to abolish from this date the levy of Transit Duty on Grain. This

levy will be resumed when Grain is sold at the rate of one maund and a quarter, or fifty seers per Rupee (the seer weighing 40 Rupees, each). Dated Sumvut 1920, Posh Wud 2nd, 26th January 1864, A.D.

*Translation of a Letter from RAWUL MEGRAJEE, Thakore of Wulla, to Captain LAW,
Special Assistant Political Agent in Kattywar.*

AFTER COMPLIMENTS,

In consequence of the dearth of Grain, &c., which at present prevails, the poor people suffer much for want of it. I have, therefore, determined to suspend for five years the levy of Transit Duty on Grain which is levied within the limits of my villages Wulla and Lolleana. Within the period of five years, however, should Wheat and Bajree be sold at the rate of thirty-two seers, each seer weighing Rupees forty, the levy will be resumed from such date; and should this not happen, it will be resumed after the expiration of five years.

At present the poor people being in want of grain, a list has been got up, and a sum of Rupees One thousand collected by me and with my assistance. This has been expended in purchasing grain for the purpose of being distributed among the blind, the lame, and others who are unable to earn anything. When Grain worth this sum is all given away, and if it be found necessary, a supplemental list will be got up for a similar purpose. Arrangements have been made as above. This is submitted for your information. Dated Sumvut 1920, Posh Wud 2nd, Monday, 23rd January 1864, A.D. (Written by Jaichund Odhujee.)

*Translation of a Letter from the THAKORE SAHIB OF WUDHWAN, to Major R. H.
KEATINGE, V. C., Political Agent in Kattywar.*

In consequence of Grain having at present become very dear, the poor people cannot obtain it. A general cry having been raised about it, I have caused a shop to be opened by the Durbar, in which grain from out-countries has been brought and sold to the poor at its prime cost. The expense incurred in employing men for this work is not included in the cost, but I have resolved to pay myself; and the work has commenced since these five or six months. In furtherance of the relief thus granted, I have suspended the levy of Transit Duty on Grain exported from and imported into my State for a period of five years, or until the Grain is sold at the rate of one maund per Rupee, the maund consisting of seers weighing 40 Rupees each if such a case occur within that period. This is written for your information. Dated Sumvut 1920, Posh Wud 7th, Saturday, 30th January 1864, A.D. (Written by Wujeshunker Samuljee, and presented by Doolubjee.)

AFTER COMPLIMENTS,

We have to-day perused here in your presence the *Kattywar Gazette* of the 4th instant, and we have consulted with you as to the benefits that would accrue to the poor by our abolishing the levy of "Cheela" on Grain, until there is some abatement of the present high prices thereof. It is pleasing to us to have it in our power to perform such an act of charity, and this is to inform you, that from Maha Sood 2nd, Sumvut 1920 (9th February 1864), the customary Transit Duty on Grain will cease throughout our dominions till Wheat and Bajree are again selling at 45 seers per Rupee, the weight of each seer being 40 Rupces.

Be pleased to acquaint Major Keatinge with this, as he will be pleased, considering it an act of benevolence. Dated 7th February, Bantwa.

Translation of a Letter from BAE SHREE BAJEERAJ, and BAE SHREE KURRIBA, of Limree, to the address of Captain LEGEY, Acting Third Assistant Political Agent in Kattywar.

AFTER COMPLIMENTS,

Grain being very dear this year, the poor people suffer much. Many of the State, having therefore remitted Transit Duty, you advised our Karbharee, Bhugwanall Mudunjees at Seeance, that to follow their example was an act of charity. Bhugwanall brought this fact to our notice, and we had it in view; but in the meantime, he having had to go out on boundary and other disputes, no steps could immediately be taken. On his return, he reminded us of the matter. Knowing that this is a work of charity, and that the poor people, as well as the Seebundee, Mootsudees, and other paid servants will be benefited by it, we have written to all the Wuhiwutdars in our territory to discontinue levying transit Duty on Grain from and after the 2nd Maha Shood, Tuesday, 9th February 1864. The object of writing to you is, that the levy will be resumed when Grain is sold at the rate of Rupees thirty per Kulsee.

Please, therefore, convey, if you think it advisable to do so, this information to the Political Agent, and get it published in the *Agency Gazette*. Dated Sumvut 1920, Posh Wud 12th, Thursday, 4th February 1864 A.D.

AFTER COMPLIMENTS,

In consequence of the dearness of Grain which at present prevails, the poor people find it very difficult to maintain themselves. I have, therefore, made arrangements within my district to suspend for a period of five years the levy of Transit Duty on Grain passing through my territory. Translation of a Yad, received from the AGENT OF HIS HIGHNESS The RAJ OF DHRANGUDRA to the address of Captain LEGEY, Acting Third Assistant Political Agent in Kattywar.

In consequence of the dearness of Grain which at present prevails, the poor people suffer much. For charity's sake, therefore, I have suspended the levy of Transit Duties on Grain in my territory for a period of five years. Within that period, however, should Grain be sold at the rate of 40 seers per Rupee, the seers weighing 40 Rupees each, the levy will be resumed as theretofore. This information would have been communicated directly; but the cause of delay is, that His Highness the Raj has gone out on a pilgrimage. This is written for your information.
