The following Notifications by the Government of India are republished for general information :—

No. 1915.

Fort William, the 13th April 1864.

Separate printed copies of these Rules in Maratha language have been received for translation

Notification.—In accordance with instructions received from the Right Honorable the Secretary of State for India, His Excellency the Governor General in Council is pleased to direct the publication of the following revised edition of the Rules for the grant of leave of absence and retiring pensions to Un-covenanted Servants in India, which were promulgated in Financial Notifications, Nos. 2426 and 2427 of the 8th June 1863 :—

LEAVE OF ABSENCE TO UNCOVENANTED SERVANTS.

These Rules are applicable to all Officers of the Uncovenanted Civil Service receiving salaries of not less than Rupees 100 a month, whether they receive their appointments direct from Government or from Heads of Offices and Departments.

The following are the kinds of leave allowed :—

- I. Leave on Medical Certificate.
- II. Leave on Private Affairs and Furlough.
- III. Privilege Leave.
- IV. Preparatory or Additional Leave.

GENERAL RULES.

1. All applications for leave must be made publicly, through the regular channel, in the Department to which the applicant belongs.

2. Officers appointed by Government can obtain privilege leave from the Heads of their respective Departments, when the latter are duly authorised to exercise this power. But in other cases, leave must be granted by Government.

3. Officers appointed by Heads of Offices and Departments, can obtain any leave under these Rules without reference to Government; but the Authorities granting such leave must furnish to the Civil or Military Audit Office which passes the Pay Bill of their Establishment a Monthly Return of the leave granted by them according to the Form given in Appendix A.

4. Absence without leave will involve loss of salary, and render the absentee liable to loss of appointment.

5. No leave of absence shall have retrospective effect, except in case of severe illness, to be attested by a Medical Certificate in the prescribed Form.

6. Applications for leave on Medical Certificate must be accompanied by a statement from the applicant's medical attendant, distinctly stating, from personal observation, the nature of the disease, its symptoms, causes, and duration, and by a Certificate* from the Chief Medical Officer of the Station or District, or, if at a Presidency Town, from a Presidency or other Official Surgeon, certifying, after careful personal investigation, the necessity for temporary absence and the period for which absence is, to the best of his judgment, absolutely requisite for restoration to health. If the requisite leave be for a longer period than six months, the Certificate must be countersigned by the Superintending Surgeon of the Division in which the applicant may be employed. In cases of leave beyond sea, the Certificate must be also submitted, with the statement of the case, for the countersignature of the Principal Inspector General of the Medical Department.

7. An application for extension of leave must, if the applicant be in India, be accompanied by a Certificate to a like effect from his Medical Officer attendant, together with a statement showing sufficient reason for the extension solicited, and such Certificate must be countersigned by the Principal Inspector General of the Medical Department, or by the Superintending Surgeon of the Division in which the applicant may be residing. If the applicant shall have proceeded beyond the Territories under the Government of India, he must furnish a Certificate and Statement to the required effect from a Surgeon or Physician at the place of his temporary residence by whom he has been attended; such attendance, and the period of it, to be stated, and the Certificate to be countersigned, after personal examination, by the examining Physician of the India Office, if the absentee is in England,—or by the Principal Medical Authority of the Colony or Country to which the absentee may have proceeded.

8. If any of the above particulars be neglected, or the omission of any one of them unsatisfactorily explained, the leave will be refused.

9. Leave on Private Affairs and Furlough will be granted by Government, or by authorised Officers on sufficient cause being shown, and when the concession of the indulgence may in no way interfere with the interest of the Public Service.

* In the Form given in Appendix B.

Extension of Leave to date of arrival of vessel.

Leave on Medical Certificate.

12. Leave on Private Affairs and Furlough, with retention of office, may be granted as follows:—

2nd.—Or a FURLOUGH—for one year after ten years' service, and a second Furlough, also for one year, after eighteen years' service in India,—such absence being limited to two years during the whole period of service.

14. Furlough, and Leave on Private Affairs taken in India, will reckon from the date of leaving Office to the date of return thereto. Furlough, and Leave on Private Affairs taken beyond India, will reckon from the sailing of the vessel on which the Officer embarks to the date of his return to India.

Privilege Leave.

17. Privilege leave for one month in each calendar year may be allowed to Officers who have not been absent on leave for eleven months immediately preceding; unless they took their last privilege leave in two instalments, in which case the indulgence will not be available until eleven months after the expiration of the first instalment, and six months after expiration of the second instalment of the previous year's Privilege Leave.

Preparatory Leave.

Absentee Pay.

I. To an Officer absent on sick leave in or out of India, half salary for the first fifteen months of each period of absence, (or—if the leave be taken in short periods in India,—for the first thirty months taken from time to time, provided that half salary be not drawn for more than fifteen months at any one time), and one-fourth salary during the remainder of his absence on allowances.

III. To an Officer proceeding on furlough whose salary does not exceed Rupees 200 per month — one-half of his salary, provided, however, that it shall not exceed Rupees 800 or £80 per annum. If the absentee's salary shall be—

Above Rs.	200 and not exceeding	400	per month, he may be granted an annual allowance of Rs.	1,300	or £130
" "	" "	700	" "	" "	2,000 " £200
" "	" "	1,200	" "	" "	3,000 " £300

IV. To an Officer on Preparatory Leave—one-half salary before commencement of other leave, and, on return from leave, one-half salary, or Furlough pay, according to the rate of allowance he may be then drawing.

V. To an Officer on Privilege Leave—full pay.

21. An Officer who overstays Privilege Leave by not more than one month will forfeit pay for the period in excess, but if he exceed his leave by more than one month, his Office will become vacant. An Officer on privilege leave who may resign the Service, or who may obtain Sick Leave without first rejoining, will, in the former case, forfeit his salary for the period of Privilege Leave, and in the latter case be subject to the Rules for sick leave for the whole period of his absence.

RULES FOR JOINING OFFICE.

22. Time allowed for joining an appointment will be fixed by the Authority conferring the appointment.

23. An Officer entering the service of the Government is not entitled to any salary before joining his appointment, but when transferred from one appointment to another of equal or higher value, he will draw so much of the salary of his new Office as may be equal to that of his former appointment.

PAYMENTS OF ABSENTEE ALLOWANCES.

24. Officers absent on privilege leave cannot draw pay until their return to duty.

25. Officers proceeding to England on Furlough, or on Private Affairs, or on Medical Certificate, must obtain Certificates from the Civil Pay Master, in the Form given below, for submission to the India Office on their arrival in London:—

The Certificate from an Official Surgeon to an applicant for sick leave shall be given in the following Form:—

I, A. B., Surgeon at (or of) _____ do hereby certify that E. F. (here enter designation of office) is in a bad state of health; and I solemnly and sincerely declare that, according to the best of my judgment, a change of air is essentially necessary to his recovery, and that the circumstances of his case are such as to render leave of absence for the period of _____ absolutely necessary (or highly desirable).

The following Form shall be observed by the Superintending Surgeon and the Principal Inspector General of the Medical Department in countersigning the Certificate:—

I do hereby certify that, according to the best of my professional judgment, after careful consideration of his case, I believe the state of health of E. F. to be such as to render leave of absence for a period of _____ absolutely necessary (or highly desirable) for his recovery.

SUPERANNUATION ALLOWANCES AND PENSIONS TO UNCOVENANTED SERVANTS.

- I. These Rules are applicable to all Officers of the Uncovenanted Civil Service in the receipt of more than ten Rupees a month on a permanent Establishment with the following exceptions:—
 - I. Jemadars, Sowars, Peons, Lascars, Boatmen, Smiths, Artificers, and all those engaged in any handicraft, Laborers, and other inferior servants.
 - II. Officers whose whole time is not devoted to the duties of their Offices.
 - III. Officers not paid from the General Revenues of the State, whose eligibility to pension may not be provided for by an order issued expressly for the particular case by the Government of India, and approved by the Right Honorable the Secretary of State.
 - IV. Officers for whom other Pension Rules or separate Superannuation Funds are provided.

APPLICATIONS FOR PENSION.

2. Applications for pension must be submitted in a letter to Government by the Head of the Office or Department in which the applicant may be employed, who shall certify whether the character, conduct, and past service of the applicant are such as to entitle him to the favourable consideration of Government.
3. Every application shall be accompanied by a Register prepared according to Form A. in the Appendix. In cases of other than a Good Service Pension, every application shall be accompanied by a medical certificate, stating the applicant's incapacity for further service, with the cause thereof, and whether it has been induced by irregular or intemperate habits.
4. Applicants for a Superannuation Allowance must be examined by the Principal Inspector General of the Medical Department, if serving at the Presidency, or by a Military Invaliding Committee, if serving elsewhere within a moderate distance of a Station at which a Military Invaliding Committee is periodically assembled. It is optional, however, with the Local Government to accept the certificate of a single Medical Officer, or to convene a Special Invaliding Committee at a convenient Civil Station, if the applicant be serving at an inconvenient distance from a Station where a Military Invaliding Committee can be assembled.
5. Good Service and Superannuation Allowances on retirement, sanctioned under these Rules by the Local Governments will be reported to the Government of India in Quarterly Returns in the Form given in Appendix B.

ALLOWANCES ON RETIREMENT.

6. On production by an applicant of such medical certificates as shall satisfy the Government under which he may be serving of his incapacity to serve longer in India, he may be allowed.

I. Under fifteen years' service, a gratuity not exceeding twelve months' salary.

* II. After fifteen years' service, one-third of his average salary, (and of his personal allowance, if any,) during the previous five years, provided that in no case shall a pension be granted exceeding the sum of Rs. 3,000 per annum, whatever the amount of salary, nor of Rs. 2,000 per annum, if the salary shall not exceed Rs. 12,000 per annum.

* III. After twenty-five years' service, one-half of his average salary, (and of his personal allowance, if any,) during the previous five years, provided, however, that in no case shall a pension be granted exceeding Rs. 5,000 per annum, whatever the amount of salary, nor exceeding Rs. 4,000 per annum, if the salary shall not exceed Rs. 12,000 per annum.

7. After thirty years' service or upwards, a pension may be granted, without production of medical certificate, of the same amount and subject to the same limitation as that sanctioned for twenty-five years' service on medical certificate. This pension, as the reward of faithful, efficient discharge of duty for thirty years, is termed a Good Service Pension.

8. Pensions of the full amount authorised in paragraphs 5 and 6 are to be granted only as the reward of approved service. In any case in which an Uncovenanted Servant, without having incurred the penalty of removal from Government employ, shall, nevertheless, in the opinion of the Government under which he has been serving, not be entitled to the full amount of pension, the Local Government will make such a reduction in the amount of pension as it shall consider just.

9. The foregoing rates of pension and gratuity are applicable also, without the production of a medical certificate of unfitness for service, to Officers discharged on reduction of Establishment.

* Clauses II. and III. will not affect the operation of the Orders of the 19th March 1864.

SERVICE TOWARDS PENSION.

10. Dismissal for misconduct entails forfeiture of the benefit of past service.

11. Service as a substitute does not count towards pension.

12. Periods of service before the age of 22, or of absence on other than Privilege Leave and Preparatory Leave, shall not count towards pension. Nor shall Preparatory Leave be allowed to count as service if it is granted in addition to leave on Medical Certificate to an Officer who has enjoyed leave of the latter description on two previous occasions.)

13. The whole of the service in virtue of which pension is claimed must have been passed in an eligible grade and on a permanent Establishment; but claims barred by this Rule will be especially considered if the promotion from an ineligible grade was bestowed as a reward for meritorious service or for good conduct.

14. The period of service must be continuous, but in case of the abolition of the office held by an Officer, and his being subsequently employed by Government, his first period of service is to be taken into account.

GRATUITIES.

15. When an Officer is discharged with a gratuity under these Rules on reduction of Establishment, the gratuity will not be given to him in one sum, but in monthly instalments of a month's pay until the full amount is paid. Should he be re-employed before or after the period for which gratuity is allowed, he will have the option of refunding the gratuity and recovering his former service, or of forfeiting that service by retaining the gratuity. In the latter case, any balance of gratuity remaining undrawn at the date of his re-employment may be paid to him.

PAYMENT OF PENSIONS.

16. Payment of pension will commence from the date on which the applicant ceases to be borne on the Establishment, or from that of his application, whichever may be the later date.

17. No pension shall be payable in arrear, for a period exceeding six months, without the express sanction of Government obtained through the Civil Pay Master,—unless the cause of the suspension of payment shall have been the neglect, order, or act of some public Officer, and beyond the control of the Pensioner, when the Civil Pay Master, on a reference being made to him, shall exercise his discretion in passing arrears for payment, or submit a representation of the case for the information and orders of Government, as he shall consider proper.

18. An Officer shall, on retirement, have the option of drawing his pension either in India or from the Home Treasury. After exercising his option on retirement, he may, at a subsequent period, change the place of Payment from England to India, or *vice versa*. This change can, however, be allowed but once. The Payments in England will be made at the rate of exchange which is annually fixed in communication with the Lords of the Treasury for the Adjustment of transactions between the British and India Exchequers.

No. 1916.

His Excellency the Governor General in Council is pleased to direct the publication of the following Extract from a Financial Despatch from the Right Honorable the Secretary of State, No. 208, dated the 24th November 1863 :—

Para. 16.—In your letter of the 22nd of June, you observe that by the orders of the Court of Directors, an exception to the rule prohibiting the grant of pensions for other than continuous service, was permitted when such service was interrupted by resignation of office, in which case *one* break of not more than twelve months was allowed. It was not my intention to continue this exception, and you rightly omitted it from the Revised Rules. At the same time, I concur with you in thinking that it would be harsh towards the members of the Uncovenanted Service to give retrospective effect to the alteration; and it will therefore only apply prospectively.

GENERAL DEPARTMENT.

With reference to the Notification published in the *Government Gazette* of the 14th May 1863, page 965, His Excellency the Governor in Council is pleased to notify, that from inquiries made by a Commission appointed by Government to ascertain the wishes of the Inhabitants of the Towns of HYPURGEE, ALMELLA, and SHINDGEE in the Sholapoor Collectorate, relative to the introduction of Act No. XXVI. of 1850, it would appear that the Townspeople are desirous that Taxes should be imposed for Municipal purposes.

The Honorable the Governor in Council is therefore pleased to declare Act No. XXVI. of 1850 in force in the Towns of HYPURGEE, ALMELLA, and SHINDGEE from the 1st June 1864.

By order,

MARINE DEPARTMENT.

The following sailing directions for entering the Port of Karwar are published for general information:—

“Steamers coming from the Northward should first make Cape Ramas, and then steer for the Oyster Rocks, avoiding a Rocky patch with only 14 feet on it at low water, bearing from Oyster Rock (Light House) N.W. $\frac{1}{2}$ W. 2 $\frac{1}{2}$ miles (a Red Buoy is placed).

When within about 3 to 4 miles of Oyster Rocks you will observe a House on the top of Koney Hill (the Collector's Bungalow) when this bears E.S.E. steer for it, and anchor in 4 or 5 fathoms of water, near a White Buoy which is placed to mark the anchorage about 1,000 yards from the shore.

Steamers coming from the Northward intending to make the Port at night should steer for Oyster Rock, on which is placed a *White Light* which should be seen at about 10 miles distance on a clear night.

As you approach the Oyster Rock a Red Light will be seen in the bay on shore, when that bears E.S.E. steer for it, and anchor in about 5 fathoms of water.

A gun should be fired on approaching the Oyster Rocks, which will be answered by burning a Blue-Light, this again will be answered from the shore in the same manner. Vessels coming from the Southward should make Oyster Rocks, and in the day time can with safety come between them and Carwar Head.

Deoghur Island on with Coormaghur will clear the reef off Oyster Rock to the S.E.,—a Beacon will shortly be placed there.

When you sight the Collector's Bungalow on Koney Hill, steer for it about E.S.E. and anchor in 4 or 5 fathoms (mud) near the White Buoy.

Vessels coming from the Southward at night should not come between Oyster Rocks and Karwar Head unless they are well acquainted with the harbour, but should go outside to the Northward of them, and when the Red Light on shore bears E.S.E., steer for it and anchor as before.

Sailing vessels making the Port at night should anchor near the Oyster Rocks in about 8 fathoms of water and wait till daylight.

Port Officer and Conservator of Karwar.”

JUDICIAL DEPARTMENT.

His Excellency the Governor in Council is pleased to notify that the Guzerat Irregular Horse will be disbanded from the 1st proximo.

In making this announcement, His Excellency in Council desires to record that the grounds on which the disbandment has been resolved on, do not in any way affect the high character hitherto borne by the Guzerat Irregular Horse.

The Regiment was raised 25 years ago by the late General Sir Henry Roberts, K.C.B. Its services under that distinguished Officer and others who have successively commanded it deserve the acknowledgements of Government.

In disbanding the Corps, the Governor in Council has much pleasure in recording his opinion that under the Command of Captain Harpur, the Guzerat Irregular Horse has maintained, to the last, its character for efficiency.

His Excellency in Council, moreover, will bring specially to the notice of the Government of India the good services of the Rissaldar Major Meer Mahomed Ali Sirdar Bahadoor, and of Rissaldars Khan Saheb Meer Moodood Buksh Sirdar Bahadoor and Oomur Khan, all of whom have been with the Corps since the year in which it was raised.

By order of His Excellency the Governor in Council,

H. L. ANDERSON,
Chief Secretary.

Bombay Castle, 27th April 1864.

MILITARY DEPARTMENT.

The following Resolution is notified for general information :—

Military Department.
No. 1122.

Letter from the Controller of Military Finance, No. 203, dated 27th February 1864.

Submits claim by the Agents of the *Salamanca* for troops short embarked on board that vessel, disposed of by Government Letter, No. 1911, dated 27th June 1863, and suggests, if Government be disposed to reconsider the claim, that it be referred to the Superintendent of Marine and the Deputy Quarter Master General for opinion and report.

Report by the Superintendent of Marine, No. 130, dated 14th March 1864.

Report by the Controller of Military Finance, No. 402, dated 23rd March 1864.

Letter from the Quarter Master General, No. 603, dated 28th March 1864.

RESOLUTION.—For the reason shown in Captain Young's report No. 130 of 14th March, confirmed by Major Wray's report No. 603 of 28th March, His Excellency in Council sanctions payment of compensation to the owners of the *Salamanca* to the extent recommended by Captain Young.

In 1860, in consequence of misunderstandings about claims founded on differences between the numbers intended for embarkation and actually embarked on Troop ships, a Committee was appointed consisting of Commodore Wellesley, Major Wray, and Mr. Andrew Grant, who was specially named by the Chamber of Commerce to represent the Mercantile interest in the matter; and, on their recommendation, the Government adopted the existing terms of Charter Party which, if attended to by the Agents of the ship owners, completely secure them against such loss as was incurred by the owners of the *Salamanca* in consequence of the number of men actually embarked being much less than was expected.

The Charter Party provides that the owners shall receive at least a sum "equal to 97 per cent of the passage money of the number of persons for whom the Master, at the time of the acceptance of the tender of the vessel, received written orders to provide from the proper Officer in the Marine Department."

The Master of the *Salamanca* neither received nor demanded any express orders on the point, and in this respect neglected his own part and his owners interest in the matter.

It is for the interest of all persons concerned that the terms of the Charter Parties should be strictly enforced; and in future the Government will not entertain claims untenable on the Charter Party if caused by irregular procedure or neglect on the part of the Ship Agents, even if the irregularity or neglect be shared by the Government Officers.

W. F. MARRIOTT, Lieutenant Colonel,
Secretary to Government.

Bombay Castle, 23rd April 1864.

N.B.—This table is an extract from a more extensive yearly Return that is prepared for statistical purposes, and chiefly for the detection of any removable sources of disease, with a view to improving the healthiness of the Island. As the principal object cannot be fully attained unless the true causes of death be recorded, persons at out-stations are requested, in each case of death occurring in their circle, to obtain, in writing, from the Medical Attendant the name of the fatal disease, that it may be delivered to the Policeman at the funeral place. Medical Practitioners particularly are requested to aid the registration. Blank forms of Death Reports, to keep by them in readiness, are given gratuitously on application at the Office of the Deputy Commissioner of Police.

It is thought that some withhold their assistance through the notion that reports of the single casualties coming now and then under their observation could but little affect the Returns; but it ought rather to be borne in mind, that the accuracy of the Returns depends on the correct reporting of all single cases, for of such only the aggregate is made up.

Bank of Bengal.

NOTIFICATION.

It is hereby notified that as the present Capital of the Bank is insufficient to meet its requirements in consequence of the increase of business, principally arising from the establishment of Branches subordinate to the Bank in various parts of the Bengal Presidency, the Directors have determined, under the authority vested in them by Section 6, Act IV. of 1862, to increase the Capital from One Crore, Nine lacs, Ninety thousand, Nine hundred and Nine Rupees, to Two Crores and Twenty lacs, by the issue of new Shares or consolidated Stock under the following conditions:—

1st.—Holders of old Shares will be entitled to claim new Shares at par, in the proportion of one Share for every Share of which they may be registered as Proprietors in the Books of the Bank. Registered Proprietors of consolidated Stock will, in like manner, be entitled to an equivalent amount of new Stock at par.

2nd.—Holders of Shares or Stock, whether in India or elsewhere, shall be allowed to the 15th day of August 1864 to claim the new issue. All Shares or Stock not claimed by the said date shall be at the disposal of the Directors, who shall cause the same to be sold for the benefit of the Bank, in such manner and at such times as they may deem expedient.

3rd.—Payments in one sum of the amount of Subscription on any whole, half, or quarter Share or Stock, to which any Proprietor may be entitled under this Notification, may be made, at any time, after the publication thereof. On all such payments, prior to the 30th June next, interest will be allowed, at the rate of 8 per cent. per annum, from date of payment to the 30th June; and the Shares or Stock so paid up shall, thenceforward, be entitled to dividend. On all payments, made subsequent to the 30th June, interest will similarly be allowed (at the rate of 8 per cent.) until the 31st December following, from which date the Shares or Stock so paid up shall, in like manner, become entitled to dividend.

4th.—The transfer Books will be closed from the 16th to the 31st August 1864 inclusive. All Shares or Stock previously subscribed for, but on which the full amount of Capital shall not be paid by the last-mentioned date, will lapse to the Bank, and will be at the disposal of the Directors as provided in Clause 2.

C. N. COOKE,

THE ELPHINSTONE LAND AND PRESS COMPANY (Limited).

एलफिन्स्टोन लैंड एंड प्रेस कंपनी लीमिटेड.

TO THE HONORABLE HIS EXCELLENCY THE GOVERNOR IN COUNCIL OF BOMBAY.

Sir,—The Directors of the Elphinstone Land and Press Company (Limited) have the honour to apply to your Excellency in Council, that the powers given to the local Government by Act XXII. of 1863, of the Legislative Council of India, may be exercised under the following circumstances:—

2. It having been found necessary that more land should be required at or near Warree Bunder for the purpose of the G. I. P. Railway Company, it has been arranged between the local Government and the Elphinstone Company in the course of the negotiations which have been pending respecting the reclamations now being made by that Company, that the Company should reclaim from the sea two pieces of land and hand them over free of cost for the use of the Railway Company within certain specified periods. The said pieces of land are respectively marked with the letters B. and C. upon the plan sent herewith, and it will be seen that a Wharf will thus be provided for the use of the Railway Company and Government.

3. The Elphinstone Company undertook to reclaim such pieces of land within very short periods, because the Railway Company urgently required the use of the land, and the Elphinstone Company in giving such an undertaking did so in the belief that they would be allowed to pull down and remove the Hill known as Bhunderwarra Hill, and to apply the earth and stone thereof for the purposes of the reclamations. The Company have endeavoured to acquire this Hill from the owners, but have not been able to do so.

4. The Elphinstone Company therefore request that the local Government will be pleased to put in force the Provisions of Act XXII. of 1863 and to declare the reclamations of the pieces of land marked B. and C. and the removal of the said Hill known as Bhunderwarra Hill and the application of the earth and stone thereof for the purpose of such reclamation to be a work of public utility and for the purposes aforesaid to take possession of the said Hill, the said Company being willing to enter into an agreement to indemnify the Government upon such terms and conditions as may hereafter be agreed upon.—We have the honour to be, Sir, your obedient Servants,

W. NICOL & Co.,
 Secretaries and Treasurers.

Samples of Merchandize by Post.—The Public are informed that an arrangement has been made with the London Post Office for sending Patterns of Merchandize by Post between India and the United Kingdom, under the rules and at the rates of Postage indicated below. The arrangement will commence as regards despatches from India from the 1st May next. Intimation has been received from the London Post Office that the arrangement will commence as regards despatches thence from the 1st April.

1. The Patterns must not be of intrinsic value. The rule excludes all articles of a saleable nature, and whatever may have a value of its own apart from its mere use as a Pattern. The quantity of any material sent, ostensibly as a Pattern, must not be so great that it could fairly be considered as having on this ground an intrinsic value.

2. The Patterns must not bear any writing other than the address of the persons for whom they are intended, a manufacturer's or trade mark, numbers, and the prices of the articles; nor must they contain any letter closed or open, or any enclosure sealed or otherwise closed against inspection.

3. The Patterns must be sent in covers open at the ends, so as to be easy of examination; samples, however, of Seeds, Drugs, and so forth, which cannot be sent in open covers, may be enclosed in bags of linen or other material; but closed bags, although transparent, must not be used for this purpose.

4. The rule which forbids the transmission through the Post of any explosive or dangerous substance will of course be applicable to Patterns, and no article likely to injure the contents of the Mail Bags is to be sent.

5. No Pattern Packet can be received if it exceeds two feet in length, width, or depth, or 3 lbs. in weight.

6. The Inland Transit of Pattern Packets will be by Banghy Post.

7. The following Postage rates (prepaid by a Stamp or Stamps) will be charged on Pattern Packets sent under these regulations by Post to the United Kingdom. The rates being consolidated rates no Inland Postage is leviable in addition:—

				0	4	0	0	8	0	1	0	0	1	8	0	2	0	0	2	8	0	3	0	0

8. If the Packets be *prepaid with a single rate of Postage* (as given in Column 1 of the above Table), the full rate chargeable being more, they will be forwarded charged with the deficient Postage, together with an additional single rate.

9. If the Packets be *prepaid with less than a single rate of postage*, they will be forwarded charged with double postage, less the amount actually paid.

10. If the Packets be *wholly unpaid*, they will be forwarded charged with double postage.

N.B.—In respect to Inland Transit the general conditions for Patterns are similar to those for Book Packets, and they will be treated like Book Packets.

If received unpaid or insufficiently paid from the United Kingdom, they will be charged at the rates mentioned in Paras. 8, 9, and 10 of the foregoing notice.

Lost Letters.—Several complaints have recently been made of the loss of heavy and important Stamped Letters for England, said or believed to have been posted, but which it is wholly out of the power of the Post Office to trace owing to their being unregistered and consequently unrecorded.

It is supposed that letters of the above description are made away with for the sake of the valuable stamps affixed to them, which can readily be detached and sold before obliteration in the Post Office.

It is therefore recommended that Postage Stamps attached to all letters should be crossed or defaced, in order to present less temptation to the peons and servants of postmen and to the Post Office Subordinates, and to lessen the chances of the sale of stamps, which can not be effected readily when stamps are defaced, without washing them and subjecting the sellers to suspicion.

Mail via the Cape.—The public are informed that the East India and London Steam Navigation Company's Steamers leave Calcutta and Madras for the United Kingdom *via* the Cape once a month, i. e. from the former station between the 12th and 20th, and the latter about the 25th. Letters, &c., for the Cape if forwarded by the above steamers reach earlier than those sent *via* Aden and Mauritius; the latest safe dates from Bombay will be for Calcutta 4th and Madras 17th of the month. The postage to be charged is the ordinary Indian Inland rates, which must be prepaid. Letters for the United Kingdom, if sent by the above vessels, will of course be liable to the usual rates of steam postage.
