N.B.—This table is an extract from a more extensive yearly Return that is prepared for statistical purposes, and chiefly for the detection of any removable sources of disease, with a view to improving the healthiness of the Island. As the principal object cannot be fully attained unless the true causes of death be recorded, persons at out-stations are requested, in each case of death occurring in their circle, to obtain, in writing, from the Medical Attendant the name of the fatal disease, that it may be delivered to the Policeman at the funeral place. Medical Practitioners particularly are requested to aid the registration. Blank forms of Death Reports, to keep by them in readiness, are given gratuitously on application at the Office of the Deputy Commissioner of Police.

It is thought that some withhold their assistance through the notion that reports of the single casualties coming now and then under their observation could but little affect the Returns; but it ought rather to be borne in mind, that the accuracy of the Returns depends on the correct reporting of all single cases, for of such only the aggregate is made up.

DESIGN FOR COMPETITION.

PRESIDENCY COLLEGE AND SENATE HOUSE.

The Madras Government are prepared to receive designs for a new Presidency College, and for a Senate House, to be built at Chepauk, Madras.

A Schedule of measurements, together with a plan of the proposed site, can be had on application at the Office of the Secretary to Government, Department of Public Works, Madras.

The rates on which the work is to be calculated will also be furnished at that Office. The gross Estimate is not to exceed Rupees 2,50,000 for the College, and Rupees 1,50,000 for the Senate House.

The buildings will be erected on contiguous sites, and both should therefore be planned in the same style of architecture.

There must be ample provision for proper ventilation, and the walls must be protected, as far as possible, from the direct rays of the sun.

The designs are unrestricted, firstly as to the style, provided it is suited to the climate, and to the use to which the buildings are to be devoted; and secondly as to materials, provided they are procurable in Madras, at prices which will admit of their being used in the buildings as designed.

The designs must include,

1st. Ground plan, and plan of each Story.

2nd. Elevation of each of the four faces, if not alike.

3rd. Transverse sections.

The plans and elevations to be on a scale of 8 feet to an inch. A specification, in sufficient detail, to accompany each plan to enable the Judges to decide whether the plans can be carried out within the sum allowed.

A prize of Rupees 3,000 will be awarded for the best design, provided it fairly fulfils the above conditions.

If the best designs, in an artistic point of view, fail to fulfil any of the above essential conditions, the Judges will be empowered to reduce or withhold the prize: and no prize will be awarded to a design merely because it fulfils the conditions, if otherwise conspicuously deficient in artistic merit.

The drawings and estimates, &c., should be sent in on or before the 1st of November 1864 in the usual manner with mottos, and envelopes containing the name and address of the Artist, to the Secretary to Government, Public Works Department, Madras, by whom the envelopes will be opened after the prizes have been adjudged.

It will be optional to Government to avail themselves of the services of the Author in altering or executing the design selected, and that design will remain the absolute property of Government.

The design will be selected and the prize awarded by a Committee consisting of

The Secretary to Government, Public Works Department, Madras;

The Director of Public Instruction, Madras;

The Chief Engineer, Madras Railway Company; who will be asked to aid Government in the adjudication.

Unsuccessful designs will be returned to the Authors if claimed by them, or by their authorized Agents, within one month from the period of adjudication.

CHARLES A. ORR, Colonel, R. E.,

Secretary to Government.

Bank of Bengal.

NOTIFICATION.

It is hereby notified that as the present Capital of the Bank is insufficient to meet its requirements in consequence of the increase of business, principally arising from the establishment of Branches subordinate to the Bank in various parts of the Bengal Presidency, the Directors have determined, under the authority vested in them by Section 6, Act IV. of 1862, to increase the Capital from One Crore, Nine lacs, Ninety thousand, Nine hundred and Nine Rupees, to Two Crores and Twenty lacs, by the issue of new Shares or consolidated Stock under the following conditions:—

1st.—Holders of old Shares will be entitled to claim new Shares at par, in the proportion of one Share for every Share of which they may be registered as Proprietors in the Books of the Bank. Registered Proprietors of consolidated Stock will, in like manner, be entitled to an equivalent amount of new Stock at par.

2nd.—Holders of Shares or Stock, whether in India or elsewhere, shall be allowed to the 15th day of August 1864 to claim the new issue. All Shares or Stock not claimed by the said date shall be at the disposal of the Directors, who shall cause the same to be sold for the benefit of the Bank, in such manner and at such times as they may deem expedient.

3rd.—Payments in one sum of the amount of Subscription on any whole, half, or quarter Share or Stock, to which any Proprietor may be entitled under this Notification, may be made, at any time, after the publication thereof. On all such payments, prior to the 30th June next, interest will be allowed, at the rate of 8 per cent. per annum, from date of payment to the 30th June; and the Shares or Stock so paid up shall, thenceforward, be entitled to dividend. On all payments, made subsequent to the 30th June, interest will similarly be allowed (at the rate of 8 per cent.) until the 31st December following, from which date the Shares or Stock so paid up shall, in like manner, become entitled to dividend.

4th.—The transfer Books will be closed from the 16th to the 31st August 1864 inclusive. All Shares or Stock previously subscribed for, but on which the full amount of Capital shall not be paid by the last-mentioned date, will lapse to the Bank and will be at the disposal of the Directors as provided in Clause 2.

By order of the Directors,

C. N. COOKE,

Offr. Secretary and Treasurer.

THE ELPHINSTONE LAND AND PRESS COMPANY (Limited).

एलफिन्स्टोन लैंड एंड प्रेस कंपनी लिमिटेड.

TO THE HONORABLE HIS EXCELLENCY THE
GOVERNOR IN COUNCIL OF BOMBAY.

SIR,—The Directors of the Elphinstone Land and Press Company (Limited) have the honour to apply to your Excellency in Council, that the powers given to the local Government by Act XXII. of 1863, of the Legislative Council of India, may be exercised under the following circumstances:—

2. It having been found necessary that more land should be required at or near Warree Bunder for the purpose of the G. I. P. Railway Company, it has been arranged between the local Government and the Elphinstone Company in the course of the negotiations which have been pending respecting the reclamations now being made by that Company, that the Company should reclaim from

the sea two pieces of land and hand them over free of cost for the use of the Railway Company within certain specified periods. The said pieces of land are respectively marked with the letters B. and C. upon the plan sent herewith, and it will be seen that a Wharf will thus be provided for the use of the Railway Company and Government.

3. The Elphinstone Company undertook to reclaim such pieces of land within very short periods, because the Railway Company urgently required the use of the land, and the Elphinstone Company in giving such an undertaking did so in the belief that they would be allowed to pull down and remove the Hill known as Bhunderwarra Hill, and to apply the earth and stone thereof for the purposes of the reclamations. The Company have endeavoured to acquire this Hill from the owners, but have not been able to do so.

4. The Elphinstone Company therefore request that the local Government will be pleased to put in force the Provisions of Act XXII. of 1863 and to declare the reclamations of the pieces of land marked B. and C. and the removal of the said Hill known as Bhunderwarra Hill and the application of the earth and stone thereof for the purpose of such reclamation to be a work of public utility and for the purposes aforesaid to take possession of the said Hill, the said Company being willing to enter into an agreement to indemnify the Government upon such terms and conditions as may hereafter be agreed upon.—We have the honour to be, Sir, your obedient Servants,

The charge on delivery in any part of India will be at the rate given below :—

Letters not exceeding $\frac{1}{2}$ oz	4 Annas
Do. exceeding $\frac{1}{2}$ oz. and not exceeding 1 oz	8 „
Do. exceeding 1 oz. and not exceeding 2 oz	1 Rupee.

The above rate is a consolidated rate, no extra charge for bounty money to ship Captains being leviable.

Lost Letters.—Several complaints have recently been made of the loss of heavy and important Stamped Letters for England, said or believed to have been posted, but which it is wholly out of the power of the Post Office to trace owing to their being unregistered and consequently unrecorded.

It is supposed that letters of the above description are made away with for the sake of the valuable stamps affixed to them, which can readily be detached and sold before obliteration in the Post Office.

It is therefore recommended that Postage Stamps attached to all letters should be crossed or defaced, in order to present less temptation to the peons and servants of postmen and to the Post Office Subordinates, and to lessen the chances of the sale of stamps, which can not be effected readily when stamps are defaced, without washing them and subjecting the sellers to suspicion.

Newspapers, &c. undeliverable.—The Public are informed that in consequence of the receipt of the Overland Mails in Bags instead of as heretofore in Boxes, a considerable number of Newspapers and Books have been found to be without covers and without addresses, and are in consequence insusceptible of delivery.

A list of these has been kept in the Bombay Post Office, where every facility will be afforded to persons who have not received expected Periodicals or Books from England, to recover missing property.

Letters to Nicaragua.—By an arrangement made by Her Majesty's Post Master General, letters posted in India for Nicaragua will, if marked *via* Southampton, be liable to the following rates of postage:—

	Rs.	A.	P.
Letters not exceeding $\frac{1}{2}$ oz.	0	11	4
Ditto exceeding $\frac{1}{2}$ oz. and not exceeding 1 oz.	1	6	8
Ditto above 1 oz. and not exceeding 2 ozs.	2	13	4
Ditto above 2 ozs. and not exceeding 3 ozs.	4	4	0

and so on, adding Rs. 1-6-8 for each ounce or fraction of an ounce.

Letters for Nicaragua when sent *via* Marseilles, are liable to the additional French transit rate of Rs. 0-2-8 per $\frac{1}{2}$ oz.

Samples of Merchandize by Post.—An arrangement has been made with the London Post Office for sending Patterns of Merchandize by Post between India and the United Kingdom, under the rules and at the rates of Postage indicated below. The arrangement will commence as regards despatches from India from the 1st May next. Intimation has been received from the London Post Office that the arrangement will commence as regards despatches thence from the 1st April.

1. The Patterns must not be of intrinsic value. The rule excludes all articles of a saleable nature, and whatever may have a value of its own apart from its mere use as a Pattern. The quantity of any material sent, ostensibly as a Pattern, must not be so great that it could fairly be considered as having on this ground an intrinsic value.

2. The Patterns must not bear any writing other than the address of the persons for whom they are intended, a manufacturer's or trade mark, numbers, and the prices of the articles; nor must they contain any letter closed or open, or any enclosure sealed or otherwise closed against inspection.

3. The Patterns must be sent in covers open at the ends, so as to be easy of examination; samples, however, of Seeds, Drugs, and so forth, which cannot be sent in open covers, may be enclosed in bags of linen or other material; but closed bags, although transparent, must not be used for this purpose.

4. The rule which forbids the transmission through the Post of any explosive or dangerous substance will of course be applicable to Patterns, and no article likely to injure the contents of the Mail Bags is to be sent.

5. No Pattern Packet can be received if it exceeds two feet in length, width, or depth, or 3 lbs. in weight.

6. The Inland Transit of Pattern Packets will be by Banghy Post.

7. The following Postage rates (prepaid by a Stamp or Stamps) will be charged on Pattern Packets sent under these regulations by Post to the United Kingdom. The rates being consolidated rates, no Inland Postage is leviable in addition:—

To	Route.	PATTERN PACKETS.																				
		1			2			3			4			5			6			7		
		Not exceed- ing 4 ozs.			Exceeding 4ozs. and not exceeding 8 ozs.			Exceeding 8 ozs. and not exceed- ing 1 lb.			Exceeding 1 lb. and not exceeding 1½ lbs.			Exceeding 1½ lbs. and not exceed- ing 2 lbs.			Exceeding 2 lbs. and not exceed- ing 2½ lbs.			Exceeding 2½ lbs. and not exceed- ing 3 lbs.

		0	4	0	0	8	0	1	0	0	1	8	0	2	0	0	2	8	0	3	0	0

8. If the Packets be *prepaid with a single rate of Postage* (as given in Column 1 of the above Table), the full rate chargeable being more, they will be forwarded charged with the deficient Postage, together with an additional single rate.

9. If the Packets be *prepaid with less than a single rate of postage*, they will be forwarded charged with double postage, less the amount actually paid.

10. If the Packets be *wholly unpaid*, they will be forwarded charged with double postage.

N.B.—In respect to Inland Transit the general conditions for Patterns are similar to those for Book Packets, and they will be treated like Book Packets.

If received unpaid or insufficiently paid from the United Kingdom, they will be charged at the rates mentioned in Paras. 8, 9, and 10 of the foregoing notice.

Mail via the Cape.—The public are informed that the East India and London Steam Navigation Company's Steamers leave Calcutta and Madras for the United Kingdom *via* the Cape once a month, *i. e.* from the former station between the 12th and 20th, and the latter about the 25th. Letters, &c., for the Cape if forwarded by the above steamers reach earlier than those sent *via* Aden and Mauritius; the latest safe dates from Bombay will be for Calcutta 4th and Madras 17th of the month. The postage to be charged is the ordinary Indian Inland rates, which must be prepaid. Letters for the United Kingdom, if sent by the above vessels, will of course be liable to the usual rates of steam postage.
