*N.B.*—This table is an extract from a more extensive yearly Return that is prepared for statistical purposes, and chiefly for the detection of any removable sources of disease, with a view to improving the healthiness of the Island. As the principal object cannot be fully attained unless the true causes of death be recorded, persons at out-stations are requested, in each case of death occurring in their circle, to obtain, in writing, from the Medical Attendant the name of the fatal disease, that it may be delivered to the Policeman at the funeral place. Medical Practitioners particularly are requested to aid the registration. Blank forms of Death Reports, to keep by them in readiness, are given gratuitously on application at the Office of the Deputy Commissioner of Police.

It is thought that some withhold their assistance through the notion that reports of the single casualties coming now and then under their observation could but little affect the Returns; but it ought rather to be borne in mind, that the accuracy of the Returns depends on the correct reporting of all *single* cases, for of such only the aggregate is made up.

R. HAINES, M.B.,

In charge of Mortuary Returns.

## COAST STATION MAILS.

List of Packets made up during the Week at the Bombay Post Office for despatch by the following Vessels:—

NAMES OF VESSELS.	DATES OF DEPARTURE.	TO WHAT PORT.
Corringa .....	17th June .....	Kurrachee.

## SHIP LETTERS.

The Post Office will despatch Letters, under the usual Regulations, by any Ships leaving the Harbour. The Post Office takes every means in its power to ascertain the exact date on which Vessels will leave the Harbour, but it cannot in any way guarantee their departure on the days mentioned in this List:—

NAMES OF VESSELS.	AGENTS' NAMES.	DATES OF INTENDED DEPARTURE.	TO WHAT PORT.	WHERE TOUCHING.
Salsetta .....	P. & O. S. Navigation Company ....	24th June 1864.....	Suez .....	Aden.
Singapore.....	Do. do. ....	23th June .....	Hongkong.....	Galle, Penang, and Singapore.
Kurrachee .....	B. I. S. N. Company.....	12 hours after the arrival of the Overland Mail ..	.....	Kurrachee.
Euphrates .....	Do. do. ....	24th June .....	Bussora.....	Kurrachee, &c.

As a general rule, the Packets for sailing Vessels will be closed the evening preceding the date of Departure.

**Registered Letters.**—The attention of the Public is called to the following paragraph 17 of the Rules for Registering letters at Post Offices:—

“Paragraph 17. A letter containing Bank Notes, Postage Stamps, or other valuable articles, should, as a rule, be registered, and should be securely folded, or enclosed in a substantial envelope, and always sealed with wax, in order to prevent, as far as possible, its being tampered with.”

**Letters to Hong-Kong.**—Under an arrangement made with the Colonial Government of Hong-Kong, letters transmitted by *private vessels* between Hong-Kong and India on and after the 1st May will be chargeable with postage at the place of delivery only, no postage being levied at the place of despatch. The charge on delivery in any part of India will be at the rate given below:—

Letters not exceeding $\frac{1}{2}$ oz .....	4 Annas
Do. exceeding $\frac{1}{2}$ oz. and not exceeding 1 oz .....	8 „
Do. exceeding 1 oz and not exceeding 2 oz .....	1 Rupee.
Do. and for every additional oz. or fraction of an oz .....	8 Annas.

The above rate is a consolidated rate, no extra charge for bounty money to ship Captains being leviable.

**Lost Letters.**—Several complaints have recently been made of the loss of heavy and important Stamped Letters for England, said or believed to have been posted, but which it is wholly out of the power of the Post Office to trace owing to their being unregistered and consequently unrecorded.

It is supposed that letters of the above description are made away with for the sake of the valuable stamps affixed to them, which can readily be detached and sold before obliteration in the Post Office.

It is therefore recommended that Postage Stamps attached to all letters should be crossed or defaced, in order to present less temptation to the peons and servants of postmen and to the Post Office Subordinates, and to lessen the chances of the sale of stamps, which cannot be effected readily when stamps are defaced, without washing them and subjecting the sellers to suspicion.

**Newspapers, &c. undeliverable.**—The Public are informed that in consequence of the receipt of the Overland Mails in Bags instead of as heretofore in Boxes, a considerable number of Newspapers and Books have been found to be without covers and without addresses, and are in consequence insusceptible of delivery.

A list of these has been kept in the Bombay Post Office, where every facility will be afforded to persons who have not received expected Periodicals or Books from England, to recover missing property.

**Letters to Nicaragua.**—By an arrangement made by Her Majesty's Post Master General, letters posted in India for Nicaragua will, if marked *via* Southampton, be liable to the following rates of postage:—

	Rs.	A.	P.
Letters not exceeding ½ oz. ....	0	11	4
Ditto exceeding ½ oz. and not exceeding 1 oz. ....	1	6	8
Ditto above 1 oz. and not exceeding 2 ozs. ....	2	13	4
Ditto above 2 ozs. and not exceeding 3 ozs. ....	4	4	0

and so on, adding Rs. 1-6-8 for each ounce or fraction of an ounce.

Letters for Nicaragua when sent *via* Marseilles, are liable to the additional French transit rate of Rs. 0-2-8 per ½ oz.

**Samples of Merchandize by Post.**—An arrangement has been made with the London Post Office for sending Patterns of Merchandize by Post between India and the United Kingdom, under the rules and at the rates of Postage indicated below. The arrangement will commence as regards despatches from India from the 1st May next. Intimation has been received from the London Post Office that the arrangement will commence as regards despatches thence from the 1st April.

1. The Patterns must not be of intrinsic value. The rule excludes all articles of a saleable nature, and whatever may have a value of its own apart from its mere use as a Pattern. The quantity of any material sent, ostensibly as a Pattern, must not be so great that it could fairly be considered as having on this ground an intrinsic value.

2. The Patterns must not bear any writing other than the address of the persons for whom they are intended, a manufacturer's or trade mark, numbers, and the prices of the articles; nor must they contain any letter closed or open, or any enclosure sealed or otherwise closed against inspection.

3. The Patterns must be sent in covers open at the ends, so as to be easy of examination; samples, however, of Seeds, Drugs, and so forth, which cannot be sent in open covers, may be enclosed in bags of linen or other material; but closed bags, although transparent, must not be used for this purpose.

4. The rule which forbids the transmission through the Post of any explosive or dangerous substance will of course be applicable to Patterns, and no article likely to injure the contents of the Mail Bags is to be sent.

5. No Pattern Packet can be received if it exceeds two feet in length, width, or depth, or 3 lbs. in weight.

6. The Inland Transit of Pattern Packets will be by Banghy Post.

7. The following Postage rates (prepaid by a Stamp or Stamps) will be charged on Pattern Packets sent under these regulations by Post to the United Kingdom. The rates being consolidated rates, no Inland Postage is leviable in addition:—

8. If the Packets be *prepaid with a single rate of Postage* (as given in Column 1 of the above Table), the full rate chargeable being more, they will be forwarded charged with the deficient Postage, together with an additional single rate.

9. If the Packets be *prepaid with less than a single rate of postage*, they will be forwarded charged with double postage, less the amount actually paid.

10. If the Packets be *wholly unpaid*, they will be forwarded charged with double postage.

*N.B.*—In respect to Inland Transit the general conditions for Patterns are similar to those for Book Packets, and they will be treated like Book Packets.

— If received unpaid or insufficiently paid from the United Kingdom, they will be charged at the rates mentioned in Paras. 8, 9, and 10 of the foregoing notice.
