Bank of Bengal.

NOTIFICATION.

It is hereby notified that as the present Capital of the Bank is insufficient to meet its requirements in consequence of the increase of business, principally arising from the establishment of Branches subordinate to the Bank in various parts of the Bengal Presidency, the Directors have determined, under the authority vested in them by Section 6, Act IV. of 1862, to increase the Capital from One Crore, Nine lacs, Ninety thousand, Nine hundred and Nine Rupees, to Two Crores and Twenty lacs, by the issue of new Shares or consolidated Stock under the following conditions:—

1st.—Holders of old Shares will be entitled to claim new Shares at par, in the proportion of one Share for every Share of which they may be registered as Proprietors in the Books of the Bank. Registered Proprietors of consolidated Stock will,

in like manner, be entitled to an equivalent amount of new Stock at par.

2nd.—Holders of Shares or Stock, whether in India or elsewhere, shall be allowed to the 15th day of August 1864 to claim the new issue. All Shares or Stock not claimed by the said date shall be at the disposal of the Directors, who shall cause the same to be sold for the benefit of the Bank, in such manner and at such times as they may deem expedient.

3rd.—Payments in one sum of the amount of Subscription on any whole, half, or quarter Share or Stock, to which any Proprietor may be entitled under this Notification, may be made, at any time, after the publication thereof. On all such payments, prior to the 30th June next, interest will be allowed, at the rate of 8 per cent. per annum, from date of payment to the 30th June; and the Shares or Stock so paid up shall, thenceforward, be entitled to dividend. On all payments, made subsequent to the 30th June, interest will similarly be allowed (at the rate of 8 per cent.) until the 31st December following, from which date the Shares or Stock so paid up shall, in like manner, become entitled to dividend.

4th.—The transfer Books will be closed from the 16th to the 31st August 1864 inclusive. All Shares or Stock previously subscribed for, but on which the full amount of Capital shall not be paid by the last-mentioned date, will lapse to the Bank and will be at the disposal of the Directors as provided in Clause 2.

By order of the Directors,

C. N. COOKE,

Offg. Secretary and Treasurer.

N.B.—This table is an extract from a more extensive yearly Return that is prepared for statistical purposes and chiefly for the detection of any removable sources of disease, with a view to improving the healthiness of the Island. As the principal object cannot be fully attained unless the true causes of death be recorded, persons at out-stations are requested, in each case of death occurring in their circle, to obtain, in writing, from the Medical Attendant, the name of the fatal disease, that it may be delivered to the Policeman at the funeral place. Medical Practitioners particularly are requested to aid the registration. Blank forms of Death Reports, to keep by them in readiness, are given gratuitously on application at the Office of the Deputy Commissioner of Police.

It is thought that some withhold their assistance through the notion that reports of the single casualties coming now and then under their observation could but little affect the Returns; but it ought rather to be borne in mind, that the accuracy of the Returns depends on the correct reporting of all single cases, for of such only the aggregate is made up.

Samples of Merchandize by Post.—An arrangement has been made with the London Post Office for sending Patterns of Merchandize by Post between India and the United Kingdom, under the rules and at the rates of Postage indicated below. The arrangement will commence as regards despatches from India from the 1st May next. Intimation has been received from the London Post Office that the arrangement will commence as regards despatches thence from the 1st April.

1. The Patterns must not be of intrinsic value. The rule excludes all articles of a saleable nature, and whatever may have a value of its own apart from its mere use as a Pattern. The quantity of any material sent, ostensibly as a Pattern, must not be so great that it could fairly be considered as having on this ground an intrinsic value.

2. The Patterns must not bear any writing other than the address of the persons for whom they are intended, a manufacturer's or trade mark, numbers, and the prices of the articles; nor must they contain any letter closed or open, or any enclosure sealed or otherwise closed against inspection.

3. The Patterns must be sent in covers open at the ends, so as to be easy of examination; samples, however, of Seeds, Drugs, and so forth, which cannot be sent in open covers, may be enclosed in bags of linen or other material; but closed bags, although transparent, must not be used for this purpose.

4. The rule which forbids the transmission through the Post of any explosive or dangerous substance will of course be applicable to Patterns, and no article likely to injure the contents of the Mail Bags is to be sent.

5. No Pattern Packet can be received if it exceeds two feet in length, width, or depth, or 3 lbs. in weight.

6. The Inland Transit of Pattern Packets will be by Banghy Post.

7. The following Postage rates (prepaid by a Stamp or Stamps) will be charged on Pattern Packets sent under these regulations by Post to the United Kingdom. The rates being consolidated rates, no Inland Postage is leviable in addition:—

		0	4	0	0	8	0	1	0	0	1	8	0	2	0	0	2	8	0	3	0	0

8. If the Packets be prepaid with a single rate of Postage (as given in Column 1 of the above Table), the full rate chargeable being more, they will be forwarded charged with the deficient Postage, together with an additional single rate.

9. If the Packets be prepaid with less than a single rate of postage, they will be forwarded charged with double postage, less the amount actually paid.

10. If the Packets be wholly unpaid, they will be forwarded charged with double postage.

N.B.—In respect to Inland Transit the general conditions for Patterns are similar to those for Book Packets, and they will be treated like Book Packets.

If received unpaid or insufficiently paid from the United Kingdom, they will be charged at the rates mentioned in Paras. 8, 9, and 10 of the foregoing notice.
