Notice

Is hereby given, that persons desirous of entering into a contract for the SUPPLY of STATIONERY, as may be required by the Commissariat Department at the Presidency, for the term of two years from the date of the acceptance of the tender, may, on application at this Office from 11 A. M. to 5 P. M.

daily (Sundays excepted), obtain copies of the schedule or list of prices, and such information relating thereto as they may require.

2. Sealed tenders for the contract will be received at this Office, on Friday the 2nd proximo, at 1 o'clock precisely. These must specify both in words and figures the rate per cent. above or below the prices exhibited in the above list at which the supply will be made; on the understanding that the articles supplied are to be of unexceptionable quality, and according to musters which may be seen in this Office, or of the sort usually supplied, and are to be delivered, in the first instance at the Commissariat Stores at the Presidency, if required, and afterwards to the indenting Departments, in good condition, free of all charges beyond the stipulated price, in such quantities as may from time to time be demanded, and that the same are liable to examination and rejection by the executive Commissariat Officer, or by the indenting or receiving Officer; or by a Committee of Officers appointed on the part of Government, in the event of the contractor being dissatisfied with the decision of the above Officers, or either of them; it being understood that the decision of such Committee is to be final, and binding on all parties.

3. No tender will be received unless accompanied by a deposit in cash, of the sum of Rupees eighty-two (82), which sum will be forfeited in the event of delay, evasion, or refusal on his part to execute the necessary deed of contract when required to do so, on his tender being accepted; in which latter case he must be prepared to give unexceptionable bonded security to the further amount of Rupees

three hundred and twenty-eight (328), which, together with the amount previously deposited, will be held as a guarantee for the due fulfilment of his contract.

4. A contractor must comply immediately with all emergent demands, and meet others of less urgency within the periods stated in the requisitions made upon him, in failure whereof, or if any supply be condemned by a Committee of Officers as aforesaid, the articles, or such others as may be required in lieu thereof, shall be purchased by this Department, without delay, at his risk and cost, if it be considered expedient to do so; and in all such cases thirty (30) per cent. upon the amount of expenses incurred, or a fine of any sum not exceeding Rupees thirty (30), at the option of the executive Commissariat Officer, will be levied as liquidated damages for each and every such breach of contract, it being understood that the simple condemnation of any article by a Committee constitutes a breach of contract, whether the rejected articles be replaced by the contractor or by this Department; in every such case, also, it is to be understood that the contract may be cancelled, at the discretion of the Commissary General, and that if the contract be so cancelled, the cash deposit mentioned in para. 3 of this Notice will be forfeited to Government.

5. It is also to be understood, that any delay, negligence, evasion, or refusal on the part of a contractor to make supplies or obey orders, or any attempt on his part, or that of his agents, to pass off articles of an inferior quality in lieu of those he is bound to supply, or any neglect to deliver them at the time and place ordered, will subject him in every instance to be fined to the extent of Rupees twenty-five (25), at the option of the executive Commissariat Officer, from whose order an appeal may be made to the Commissary General, whose decision is to be final; but in cases when it may be deemed fit to exact any of the penalties provided for in the preceding clause, no further penalty shall be leviable under this clause.

6. It is further to be understood, that the contractor, or an accredited agent on his part, approved of by the executive Commissariat Officer, is to attend at this Office during the usual hours of business, i. e. from 10 A. M. to 5 P. M. daily (Sundays excepted), also at such other time or place as may be indicated by the executive Commissariat Officer, when he may consider it desirable for the public service to require such attendance.

7. Any party whose tender is accepted will be required to produce his sureties, for the approval of the Honorable Company's Solicitor, within fifteen days from the date of the acceptance of his tender, or the contract will be resold. No reason will be stated for rejecting any security offered.

8. Bills for articles supplied under this contract must be preferred within one month from the date of the delivery of the articles, in default of which the contractor will forfeit the full value of the supplies for which bills have not been so preferred, unless it clearly appear, to the satisfaction of the Commissary General, that the delay was unavoidable.

9. The amount of retrenchments made by the Military Board on the contractors' bills will be recovered from the first bills preferred for payment; but in the event of such retrenchments, or any

portion thereof, being remitted, the amount remitted will be refunded.

10. Any party who, after tendering for a contract, fails to furnish the necessary security, as provided for in Clause 7 of this Notice, will be interdicted from tendering on future occasions, unless he produces a document from some person or persons of unexceptionable character and sufficient means, guaranteeing the due execution and performance of the contract on his tender being accepted.

11. The annual outlay on the above contract is estimated at Rupees one thousand six hundred and forty-one (1,641).

12. No reason will be assigned for the rejection of any tender.

Legislative Council.

6th October 1855.

The following Bill was read a second time in the Legislative Council on the 6th October 1855, and was referred to a Select Committee, who are to report thereon after the 10th of December next :—

A Bill to amend the Law respecting the Employment of Ameens by the Civil Courts in the Presidency of Fort William.

Whereas the law by which the Civil Courts are authorised to employ Ameens upon local investigations is defective, and requires amendment; and whereas, in consequence of the extended jurisdiction which has been given to Moonsiffs and the change which has been made in the constitution of the office, it is no longer expedient that Moonsiffs should be employed in the attachment and sale of personal property, nor, except on rare and special occasions, in any of the duties enumerated in Sections L., LI., and LIII. Regulation XXIII. 1814: It is enacted as follows :—

I. Section XVII. Regulation IV. 1793; Section XVIII. Regulation III. 1803; and Clauses 2 and 3 of Section LI., and Section LII. Regulation XXIII. 1814, are repealed.

II. In each District such number of persons as may be necessary shall be appointed, and shall be designated Civil Court Ameens. The Civil Court Ameens shall be appointed by the Judges with the sanction of the Court of Sudder Dewanee Adawlut, and shall be remunerated by a fixed monthly allowance.

III. Before entering upon the duties of their office, the Civil Court Ameens shall subscribe a declaration in the following form :—

I, A. B., appointed to the office of Civil Court Ameen, solemnly declare that, in the performance of the duties of my office, I will act according to the best of my abilities and judgment, without partiality, favour, or affection; and that I will not directly or indirectly receive, or knowingly allow any other person to receive, any money, effects, or property, except the allowances which may be made to me by Government, on account of any duty which I may have to execute.

IV. The Civil Court Ameens may be employed by the Judge, and (with the sanction of the Judge) by any subordinate judicial officer, in any of the duties enumerated in Sections L., LI., and LIII. of Regulation XXIII. 1814, and in the sale of moveable property, and of houses, gardens, and other immovable property of the kind described in Section III. Regulation VII. 1825. Clauses 2 and 3 of Section L. Regulation XXIII. 1814 shall be applicable to the proceedings of Civil Court Ameens in inquiries which may be held by them of the nature specified in Clause 1 of that Section, and in the prosecution of such inquiries the Ameens shall be empowered to take evidence on oath or affirmation.

V. Whenever a Civil Court Ameen may be employed on a local inquiry, or any other duty connected with a pending suit, or the execution of a decree, except the sale of property, the Court shall estimate the time which the duty may be expected to occupy, and shall charge for the expense of the Ameen such fixed rate per diem as may be determined by the Sudder Court. The amount shall be deposited in Court by the party at whose instance or for whose benefit the Ameen is deputed, and shall be added to the costs of suit.

VI. When a Civil Court Ameen shall be employed to sell property, a deduction at the rate of one anna in the rupee shall be made from the proceeds of the sale.

Provided that, if no sale takes place by reason either of the claim being satisfied or for any other cause, the expense of the Ameen shall be charged according to the time he may be employed at the rate prescribed in the preceding Section. All sums deposited or collected under this and the last preceding Section shall be credited to Government.

VII. The Judge, with the sanction of the Sudder Court, may attach a Civil Court Ameen to two or more Moonsiffships, or one or more Ameens to a single Moonsiffship, according as the state of business may require.

W. MORGAN,
Clerk of the Council.

3. It is to be clearly understood, that such of the articles specified in the Schedules as form part of the Rations for European Soldiers, or Hospital Diet, are to be supplied under the rules laid down in the G. G. O. No. 613, of the 10th October 1853, and No. 33, of the 11th January 1854, copies of which may be seen at this Office, and that of the Deputy Commissary General in Bombay.

6. Contractors must comply immediately with all emergent demands, and meet others of less urgency within the periods stated in the requisitions made upon them; they must, further, invariably keep on hand a sufficient stock of every article to the extent of three and six months' consumption, as particularized at the foot of every Schedule; in failure whereof, or if any supply be condemned by a Committee of Officers as aforesaid, the articles, or such others as may be required in lieu thereof, shall be purchased by this Department without delay, at their risk and cost, if it be considered expedient to do so; and in all such cases thirty (30) per cent. upon the amount of expenses incurred, or a fine of from Rs. fifty (50) to five hundred (500), at the option of the executive Commissariat Officer, will be levied as liquidated damages for each and every such breach of contract,—it being understood that the simple condemnation of any article by a Committee constitutes such a breach of contract, whether the rejected articles be replaced by the contractors or by this Department; in every such case, also, it is to be understood that the contract or contracts may be cancelled, at the discretion of the Commissary General, and that if the contract be so cancelled, the cash deposit stated opposite each Schedule, as mentioned in para. 5 of this Notice, will be forfeited to Government.

7. It is also to be understood, that any negligence, evasion, or refusal on the part of contractors to make supplies or obey orders, or any attempt on their part, or that of their agents, to pass off articles of an inferior quality in lieu of those they are bound to supply, or any neglect to deliver them at the time and place ordered, will subject them, in every instance, to be fined to the extent of Rs. twenty-five (25), at the option of the Commissariat Officer, from whose order an appeal may be made to the Commissary General, whose decision will be final; but in cases when it may be deemed fit to exact any of the penalties provided for in the preceding clause, no further penalty shall be leviable under this clause.

8. It is further to be understood, that the contractors, or accredited agents on their part,

approved of by the executive Commissariat Officer, are to attend at this Office daily, during the usual hours of business, i. e. from 10 A. M. to 5 P. No reason will be stated for rejecting any security offered.

10. Bills for articles supplied under this contract must be preferred within one month from the date of the delivery of the articles, in default of which the contractor or contractors will forfeit the full value of the supplies for which bills have not been so preferred, unless it clearly appear, to the satisfaction of the Commissary General, that the delay was unavoidable.

11. The amount of retrenchments made by the Military Board on the contractors' bills will be recovered from the first bills preferred for payment; but in the event of such retrenchments, or any portion thereof, being remitted, the amount remitted, or such portion thereof, will be refunded to them.

12. Any party who, after offering for a contract, fails to furnish the necessary security, as provided for in Clause 9 of this Notice, will be interdicted from offering on future occasions, unless he produces a document from some person or persons of unexceptionable character and sufficient means, guaranteeing the due execution and performance of the contracts, on his or their offers being accepted.

13. The annual outlay on the above contracts is estimated as follows, viz :—

Notice

Is hereby given, that the contracts for the exclusive privilege of SELLING ARRACK AND COUNTRY LIQUOR, AND INTOXICATING DRUGS (Ganja, Opium, and Khushkus) to the Troops and Camp Followers at Malligaum, for one year, from 1st February 1856 to 31st January 1857, will be put up to competition at the Office of the Superintendent of Bazars at Malligaum, at 12 o'clock (noon), on Wednesday the 5th December 1855.

2. Verbal offers for the contracts will be received by the abovenamed Officer on the date and hour specified in the preceding paragraph; and sealed tenders, accompanied by the requisite cash deposit, will also be received by the Commissary General of the Army at Bombay, on the same date and hour.

3. No person will be allowed to bid or tender for the contract, unless he deposits with his offer the sum of Company's Rupees eighty (80) for the Liquor, and Rupees twenty (20) for the Drug contract, which will be forfeited in the event of delay, evasion, or refusal to execute the necessary deed of contract; and two unexceptionable Securities will also be required from the highest bidders, to guarantee their fulfilment of the terms of the respective contracts.

4. The Troops composing the Malligaum Brigade are:—

	Strength.
Detachment of Artillery	35
One Regiment N. I.	890
Camp Followers	1790

But the contracts will be sold for the actual number of Troops that may be present on the day of sale, which will be duly notified to the bidders at the time; and the amount of the monthly payment shall not be increased or decreased on account of Troops arriving in or departing from the Cantonment, unless the strength of such Details exceeds one-fourth the number of men for whom the contracts have been entered into. It is, however, to be distinctly understood, that any alteration in the number of Camp Followers will not entitle the contractors to claim any remission in the payment of the stipulated monthly amount of their respective engagements; the departure of Troops from the Cantonment, as above specified, will alone give claim for remission.

5. The conditions of the contracts shall not be considered binding, or in force in any respect, until the same are confirmed by superior authority.

6. The person or persons whose tenders may be accepted will be required, ere entering on the performance of their contract, to deposit with the Superintendent of Bazars the amount of one month's stipulated payment as his or their personal security for the due execution of the agreement; this is to be in addition to the monthly payment in advance of the sums tendered for the contract.

7. Further particulars relative to these contracts will be made known on application at the Office of the Superintendent of Bazars at Malligaum, and that of the Commissary General of the Army at Bombay, from 10 A. M. till 4 P. M. every day, Sundays excepted.

8. The contractor will have to defray the expenses of maintaining a Preventive Police, when and wherever the Brigadier Commanding may deem necessary, for the suppression of clandestine sale of Spirits to European Troops.

9. No reason will be assigned for the rejection of any offer.

J. G. SCOTT, Captain,
Superintendent of Bazars.

Superintendent of Bazars' Office,

Notice

Is hereby given, that persons desirous of entering into a contract for the SUPPLY of the ARTICLES of SHIP CHANDLERY and NAVAL STORES as per Schedule No. 2, as may be required by the Commissariat Department at the Presidency, for the term of two years from the date of the acceptance of the tender, may, on application at this Office from 11 A. M. till 5 P. M. daily (Sundays excepted), obtain copies of the Schedule or list of prices, and such information relating thereto as they may require.

2. Sealed tenders for the contract will be received at this Office, on Saturday the 3rd proximo, at 1 o'clock precisely. These must specify both in words and figures the rate per cent. above or below the prices exhibited in the above list at which the supply will be made, on the understanding that the articles supplied are to be of unexceptionable quality, and according to musters which may be seen in this Office, or of the sort usually supplied, and are to be delivered in the first instance at the Commissariat Stores at the Presidency if required, and afterwards to the indenting Departments, in good condition, free of all charges beyond the stipulated price, in such quantities as may from time to time be demanded; and that the same are liable to examination and rejection by the executive Commissariat Officer, or by the indenting or receiving Officer, or by a Committee of Officers appointed on the part of Government, in the event of the contractor being dissatisfied with the decision of the above Officers, or either of them; it being understood that the decision of such Committee is to be final, and binding on all parties.

3. No tenders will be received unless accompanied by a deposit in cash of the sum of Rupees two thousand eight hundred and sixty-six (2,866), which sum will be forfeited in the event of delay, evasion, or refusal on his part to execute the necessary deed of contract when required to do so, on his tender being accepted, in which latter case he must be prepared to give unexceptionable bonded security to the further amount of Rupees eleven thousand four hundred and sixty-five (11,465), which, together with the amount previously deposited, will be held as a guarantee for the due fulfilment of his contract.

4. A contractor must comply immediately with all emergent demands, and meet others of less urgency within the periods stated in the requisitions made upon him; in failure whereof, or if any supply be condemned by a Committee of Officers as aforesaid, the articles, or such others

as may be required in lieu thereof, shall be purchased by this Department without delay, at his risk and cost, if it be considered expedient to do so; and in all such cases thirty (30) per cent. upon the amount of expenses incurred, or a fine of any sum not exceeding Rupees seventy-five (75) at the option of the executive Commissariat Officer, will be levied as liquidated damages for each and every such breach of contract, it being understood that the simple condemnation of any article by a Committee constitutes a breach of contract, whether the rejected articles be replaced by the contractor or by this Department; in every such case, also, it is to be understood that the contract may be cancelled, at the discretion of the Commissary General, and that if the contract be so cancelled, the cash deposit mentioned in para. 3 of this Notice will be forfeited to Government.

5. It is also to be understood, that any delay, negligence, evasion, or refusal on the part of a contractor to make supplies or obey orders, or any attempt on his part, or that of his agents, to pass off articles of an inferior quality in lieu of those he is bound to supply, or any neglect to deliver them at the time and place ordered, will subject him, in every instance, to be fined to the extent of Rupees twenty-five (25), at the option of the executive Commissariat Officer, from whose order an appeal may be made to the Commissary General, whose decision is to be final; but in cases when it may be deemed fit to exact any of the penalties provided for in the preceding clause, no further penalty shall be leviable under this clause.

6. It is further to be understood, that the Contractor, or an accredited agent on his part, approved of by the executive Commissariat Officer, is to attend at this Office during the usual hours of business, i. e. from 10 A. M. to 5 P. M. daily (Sundays excepted), also at such other time or place as may be indicated by the executive Commissariat Officer, when he may consider it desirable for the public service to require such attendance.

7. Any party whose tender is accepted will be required to produce his sureties, for the approval of the Honorable Company's Solicitor, within fifteen days from the date of the acceptance of his tender, or the contract will be resold. No reason will be stated for rejecting any security offered.

8. Bills for articles supplied under this contract must be preferred within one month from the date of the delivery of the articles, in default of which the contractor will forfeit the full value of the supplies for which bills have not been so preferred, unless it clearly appear, to the satisfaction of the Commissary General, that the delay was unavoidable.

9. The amount of retrenchments made by the Military Board on the Contractor's bills will be recovered from the first bills preferred for payment; but in the event of such retrenchments, or any portion thereof, being remitted, the amount remitted will be refunded.

10. Any party who, after tendering for a contract, fails to furnish the necessary security, as provided for in Clause 7 of this Notice, will be interdicted from tendering on future occasions, unless he produces a document from some person or persons of unexceptionable character and sufficient means, guaranteeing the due execution and performance of the contract on his tender being accepted.

11. The annual outlay on the above contract is estimated at Rupees fifty-seven thousand three hundred and twenty-nine (57,329).

12. No reason will be assigned for the rejection of any tender.

ELECTRIC TELEGRAPH NOTICES, &c.

TELEGRAPHIC CORRESPONDENCE WITH PLACES OFF THE LINE.

Under orders of Government, Messages will be received for transmission at any Telegraph Office, if sent by Post, from places not having Telegraph Stations,—if written on ordinary stamped paper of the value required.

Copies of the Rules passed by Government, with explanatory Notes, and Tables regulating the Charges for number of words and distances, are now in course of distribution at all Post Offices in India, where they will be posted for general access.

Post Masters in the Bombay Presidency not yet supplied with the Rules and Tables may obtain copies on application to the Bombay Post Office.

It is recommended that all Letters containing Messages for despatch by Telegraph be registered at the Post Offices, and be marked with the words "Telegraph Message" in large letters and in Red Ink.

W. B. O'SHAUGHNESSY,

Central Office, Meerut, 25th June 1855.

Superintendent Electric Telegraph in India.

No. 230.

OFFICE ORDER.

REGISTER OF CORRESPONDENTS' NAMES.

Several Messages having miscarried through errors in spelling the Names of the parties addressed, a Register will be opened in the Calcutta, Bombay, and Madras Offices, in which persons may insert the names of one to four habitual Correspondents at other Stations. This list will be printed, and a copy supplied to each Station. The words to "Registered Correspondent" will be telegraphed in all such cases free of charge. As more than half the Messages on the lines pass between such habitual Correspondents, it is confidently expected that the mistakes referred to will be thus prevented in a proportionate degree.

No charge is to be made for the Registry, and one or more names may be added monthly. The Register will be printed and circulated on the first Saturday in each month.

W. B. O'SHAUGHNESSY,

Meerut, 30th June 1855.

Superintendent Electric Telegraph in India.

OFFICE ORDER, DATED 31st JANUARY 1855.

"Whenever an interruption takes place, immediate notice is to be given to all Stations along the whole line through which correspondence is open, at each side of the place of interruption. Thus, if the line be broken between Agra and Gwalior, the Assistant in charge at Agra is to give notice of the occurrence along the lines to Calcutta and Peshawur, and the Assistant in charge at Gwalior will do the same along the lines to Bombay and Madras.

"All persons desiring to send Messages will be informed where the interruption exists, and given the option of withholding the Message, or having it sent on by post over the interrupted section of the line at the full charge for the entire distance."

Published for general information,

W. B. O'SHAUGHNESSY,
Superintendent Electric Telegraph in India.

Meerut, 20th June 1855.

Under the sanction of Government, REFUNDS will in future be made of the sums charged for the transmission of all repeated Messages, in cases of non-delivery, unreasonable delay, or gross errors. Precise Rules will be subsequently issued. Meanwhile all complaints should be addressed to the Central Office, Agra, where a daily report from every Station in India is filed for reference in such cases. Complainants must forward the Office receipts for the Messages issued to the sender by the despatching Station. Without the production of this document, no complaint will be attended to.

Attention is particularly requested to the resolution of Government, that it is only for repeated Messages, that a Refund can be made under any circumstances whatever. Further, no Refunds will be made for alleged errors in cypher Messages, pending the publication of a new cypher system, now in preparation for this department.

Agra, 10th October 1855.
