The following Act, passed by the Legislative Council of India, received the assent of the Right Honorable the Governor General on the 29th May 1857, and is hereby promulgated for general information :—

ACT No. XII. OF 1857.

An Act to authorise the Arrest and Detention, within the Ports of the Settlement of Prince of Wales' Island, Singapore, and Malacca, of Junks or Native Vessels suspected to be Piratical.

Preamble.

Whereas there is reason to believe that certain Junks periodically visit the Ports of the said Settlement, ostensibly for the purposes of trade, but in reality to equip, arm, and fit themselves out for the purpose of making piratical attacks on peaceful trading Vessels, in the vicinity of the Straits of Malacca, and elsewhere; It is hereby enacted as follows :—

Penalty for obstructing search or inquiry ordered by the Chief Resident Civil Authority in respect of any Junk or Native Vessel.

I. The Chief Resident Civil Authority of any Station of the said Settlement may, by an order in writing signed by him, at any time and as often as he shall deem it expedient, direct any public Officer to proceed on board any Junk or other Native Vessel, being in any Port or place within the limits of the said Station, and to search such vessel, and to take an account of the armament thereof, and to make such further and other inquiry and investigation into the objects, pursuits, and movements of the Master or person in charge of such Junk or Vessel, as the said Chief Civil Authority shall think fit; and any person who shall hinder, obstruct, or in anywise prevent such search, investigation, or inquiry, or shall obstruct such public Officer, or any person acting in his aid or assistance, in the discharge of his duty, shall, on his conviction before a Magistrate of Police, be liable to a fine not exceeding five hundred Rupees, or to imprisonment, with or without hard labour, for a term not exceeding six calendar months, or to both.

Seizure and detention of any Junk or Native Vessel suspected to be piratical.

II. Whenever it shall be proved, by oath or affirmation, to the satisfaction of the Chief Resident Civil Authority of any of the said Stations, that there is reasonable cause to suspect that any Junk or Vessel in any Port or place within the limits of the said Station is a piratical vessel, or belongs to pirates, or is intended to be used for piratical purposes, or for the purpose of knowingly trading with or supplying pirates, he may, by an order in writing signed by him, cause

such Junk or Vessel, together with her tackle, apparel, and furniture, arms, stores, and ammunition, and the goods and merchandise laden therein, or any portion thereof, to be seized and detained.

Report of seizure and detention to the Governor.

III. Whenever any such Junk or Vessel, furniture, arms, stores, ammunition, goods, or merchandise, shall be seized and detained under the provisions of this Act, the Chief Resident Civil Authority shall report the circumstance, as soon as possible, to the Governor of the said Settlement, who shall give orders as to the detention or release of such Junk or Vessel, or other things so seized or detained.

Penalty for Master or Crew refusing or neglecting to attend as witnesses, or giving false evidence.

IV. The Chief Resident Civil Authority at any of the said Stations may, by order in writing signed by him, summon the Master or person in charge, and any of the Crew of any such Junk or Vessel which he may have reasonable cause to suspect as aforesaid, or any other person, to attend before him, and to produce any document in his possession, and may examine such persons upon oath or affirmation to be administered by him, touching any matter which may appear to be material for the purpose of ascertaining whether the said Vessel is a piratical Vessel or belongs to pirates, or is intended to be used as aforesaid. Every person so summoned, who refuses or neglects to attend or make answer, or to produce any document in his possession concerning the matters hereby authorised to be inquired into, or who wilfully gives false evidence, or otherwise misbehaves, in giving or refusing to give evidence, shall be liable, on conviction before a Magistrate of Police, to a fine not exceeding five hundred Rupees, or to imprisonment, with or without hard labour, for a term not exceeding six calendar months, or to both.

No Vessel, or property on board thereof, to be detained beyond six months, unless proceedings have been commenced within that time.

V. No Vessel or other things seized or detained in pursuance of the provisions herein contained, and no property on board thereof, shall be detained for a longer period than six months, unless within that time proceedings shall have been commenced for the condemnation thereof.

Suspected vessels not to leave Port with increased armament, &c.

VI. Whenever it shall be made to appear to the satisfaction of the Chief Resident Civil Authority of any of the said Stations, that there are reasonable grounds to suspect that any Junk or Native Vessel is about to proceed to sea from any Port or place within the said Station, so manned, armed, equipped, furnished, or fitted out, as to afford reasonable ground to suspect that the said Vessel is intended for piratical purposes, it shall be lawful for the said Chief Civil Authority to take such measures as may be necessary or proper to prevent such Vessel from proceeding to sea from such Port or place, so long as the same is manned, armed, equipped, furnished, or fitted out beyond what he may deem sufficient for the due navigation and protection thereof as a Trading Vessel.

No damages to be recovered for seizure on reasonable grounds of suspicion.

VII. No damages shall be recovered for the seizure or detention of any Vessel or other thing in pursuance of this Act, if it shall appear that there were reasonable grounds to suspect that the Vessel or other thing so seized or detained was piratical, or belonged to any pirate or pirates, or was intended to be used for piratical purposes, or for the purpose of knowingly trading with or supplying pirates; but whenever any Vessel or other thing shall be seized or detained under the provisions of this Act, proceedings may be taken in any Admiralty or Vice-Admiralty Court having jurisdiction over the place where the seizure was made, or in any division of such Court, for the condemnation or for the restitution of such Vessel or other thing; and if, in such proceeding, it shall appear to the Court that such Vessel or other thing was piratical, or belonged to pirates, or was intended to be used for piratical purposes, or for the purpose of knowingly trading with or supplying pirates, the same shall be forfeited and condemned without a previous conviction of the owner or of any other person of the crime of piracy.

Condemnation or restitution of Vessel.

Clerk of the Council.

NOTICE.

The following Notice by the Officiating Director General, dated 9th May 1856, is republished for general information :—

POSTAL NOTICE.

As there is much injury to articles despatched under the Book-Post Rules when put up in Paper covers, the Officiating Director General of the Post Office in India recommends that Books, Pamphlets, &c. be invariably, at all seasons of the year, covered with Wax-cloth, having the ends open, but projecting sufficiently so as to admit of the Wax-cloth being folded down.

2. As a precaution against miscarriage, it is recommended that the address on Books, Pamphlets, &c., be written not only on the Wax-cloth covers, but also inside the boards, or on the title-page. The address, when written only on flimsy Paper covers, as heretofore customary, has not unfrequently, together with the covers, been lost or destroyed by friction while in transit by the Dâk, and, in consequence, it has been found impossible to have such Books, Pamphlets, &c. delivered to the Addressees.

3. Although every possible degree of care is taken by the Post Office, it is impossible in all cases to secure Parcels against injury from wet during the Rains, except on the Main Lines of road, on which Mail Carts are used.

4. Under instructions from Government, Public Officers, when despatching Books on the Public Service during the Rains, are directed to have them packed in Tin, and sent by the Bhangy in place of the Book-Post.

W. BLOWERS,
Bombay Post Office, 18th February 1857. Deputy Post Master General.

NOTICE.

The attention of the Public is requested to Section XVII., which is subjoined, of the Post Office Rules :—

"*Section XVII.*—The Delivery Peons are prohibited from going out of their usual course to deliver Letters, Papers, or Parcels, and from delivering them *without immediate payment of the exact amount of Postage*, and they are not bound to give change. Should they be subject to detention, they are not to deliver the Letters, Papers, or Parcels, but to return them in the evening to the Post Office, for delivery the following day."

It has frequently happened, when Delivery Peons ask for Postage, that they are detained (whilst the party is reading the Letters), abused, threatened, and sometimes ill-treated. The Public are requested to pay immediately whatever Postage may be demanded, and if they have doubts, to refer to this Office, giving, at the same time, the number of the Peon to whom the money was paid. Their complaints shall receive prompt attention.

W. BLOWERS,

Ditto 1 ounce.....	0 8 0	0 8 0	1 0 0

And so on, adding 2 annas for every quarter of an ounce in addition to the combined British and Indian rate chargeable on the Letter.

A corresponding reduction is also made in the Postage on all Prepaid Letters forwarded through the United Kingdom to British Colonies, or Foreign Countries, when sent to the United Kingdom *viâ Marseilles*. It is to be observed, however, that the Postage so paid does not include the Postage between the United Kingdom and the British Colonies, or Foreign Territories.

Her Majesty's Post Master General has intimated that the charges upon Letters conveyed directly between France and India, *viâ Egypt*, have been reduced, but, in future, will be *levied in France*, and *not in India*. All such Letters, however, whether on despatch or receipt, will be subject to Inland or Indian Postage, excepting when posted or received at the Presidency Town Post Offices, in accordance with Clause VI. of the Post Office Act of 1854.
