“VICTORIA R.

WHEREAS We, taking into Our Royal consideration that there exists no means of adequately rewarding the individual gallant services either of Officers of the lower grades in Our Naval and Military Service, or of Warrant and Petty Officers, Seamen, and Marines, in Our Navy, and Non-Commissioned Officers and Soldiers in Our Army; and whereas the Third Class of Our Most Honourable Order of the Bath is limited, except in very rare cases, to the higher ranks of both Services, and the granting of medals, both in Our Navy and Army, is only awarded for long service or meritorious conduct, rather than for bravery in action or distinction before an enemy, such cases alone excepted where a general medal is granted for a particular action or campaign, or a clasp added to the medal for some especial engagement, in both of which cases all share equally in the boon, and those who by their valour have particularly signalled themselves remain undistinguished from their comrades: Now, for the purpose of attaining an end so desirable as that of rewarding individual instances of merit and valour, We have instituted and created, and by these presents, for Us, Our Heirs and Successors, institute and create, a New Naval and Military Decoration, which We are desirous should be highly prized and eagerly sought after by the Officers and Men of Our Naval and Military Services, and are graciously pleased to make, ordain, and establish the following Rules and Ordinances for the government of the same, which shall from henceforth be inviolably observed and kept:—

“VICTORIA R.

WHEREAS We, taking into Our Royal consideration that there exists no means of adequately rewarding the individual gallant services either of Officers of the lower grades in Our Naval and Military Service, or of Warrant and Petty Officers, Seamen, and Marines, in Our Navy, and Non-Commissioned Officers and Soldiers in Our Army; and whereas the Third Class of Our Most Honourable Order of the Bath is limited, except in very rare cases, to the higher ranks of both Services, and the granting of medals, both in Our Navy and Army, is only awarded for long service or meritorious conduct, rather than for bravery in action or distinction before an enemy, such cases alone excepted where a general medal is granted for a particular action or campaign, or a clasp added to the medal for some especial engagement, in both of which cases all share equally in the boon, and those who by their valour have particularly signalled themselves remain undistinguished from their comrades: Now, for the purpose of attaining an end so desirable as that of rewarding individual instances of merit and valour, We have instituted and created, and by these presents, for Us, Our Heirs and Successors, institute and create, a New Naval and Military Decoration, which We are desirous should be highly prized and eagerly sought after by the Officers and Men of Our Naval and Military Services, and are graciously pleased to make, ordain, and establish the following Rules and Ordinances for the government of the same, which shall from henceforth be inviolably observed and kept:—

Firstly. It is ordained, that the distinction shall be styled and designated ‘The Victoria Cross,’ and shall consist of a Maltese Cross of Bronze, with Our Royal Crest in the centre, and underneath which an escroll, bearing this inscription, ‘For Valour.’

the Cross shall be suspended from the left breast, by a blue riband for the Navy, and by a red riband for the Army.

Thirdly. It is ordained, that the names of those upon whom We may be pleased to confer the Decoration shall be published in the *London Gazette*, and a registry thereof kept in the office of Our Secretary of State for War.

Fourthly. It is ordained, that any one who, after having received the Cross, shall again perform an act of bravery, which, if he had not received such Cross, would have entitled him to it, such further act shall be recorded by a Bar attached to the riband by which the Cross is suspended, and for every additional act of bravery an additional Bar may be added.

Fifthly. It is ordained, that the Cross shall only be awarded to those Officers or Men who have served Us in the presence of the enemy, and shall have then performed some signal act of valour, or devotion to their country.

Sixthly. It is ordained, with a view to place all persons on a perfectly equal footing in relation to eligibility for the Decoration, that neither rank, nor long service, nor wounds, nor any other circumstance or condition whatsoever, save the merit of conspicuous bravery, shall be held to establish a sufficient claim to the honour.

Seventhly. It is ordained, that the Decoration may be conferred on the spot where the act to be rewarded by the grant of such Decoration has been performed, under the following circumstances:—

I. When the Fleet or Army, in which such act has been performed, is under the eye and command of an Admiral or General Officer commanding the Forces.

II. Where the Naval or Military force is under the eye and command of an Admiral or Commodore commanding a squadron or detached naval force, or of a General commanding a corps, or division or brigade on a distinct and detached service, when such Admiral, Commodore, or General Officer shall have the power of conferring the Decoration on the spot, subject to confirmation by Us.

Eightly. It is ordained, where such act shall not have been performed in sight of a Commanding Officer as aforesaid, then the claimant for the honour shall prove the act to the satisfaction of the Captain or Officer commanding his ship, or to the Officer commanding the regiment to which the claimant belongs, and such Captain or such Commanding Officer shall report the same through the usual channel to the Admiral or Commodore commanding the force employed on the service, or to the Officer commanding the forces in the field, who shall call for such description and attestation of the act as he may think requisite, and on approval shall recommend the grant of the Decoration.

Ninthly. It is ordained, that every person selected for the Cross under Rule Seven shall be publicly decorated before the Naval or Military force or body to which he belongs, and with which the act of bravery for which he is to be rewarded shall have been performed, and his name shall be recorded in a General Order, together with the cause of his especial distinction.

Tenthly. It is ordained, that every person selected under Rule Eight shall receive his Decoration as soon as possible, and his name shall likewise appear in a General Order as above required, such General Order to be issued by the Naval or Military Commander of the Forces employed on the service.

Eleventhly. It is ordained, that the General Orders above referred to shall from time to time be transmitted to Our Secretary of State for War, to be laid before Us, and shall be by him registered.

Twelfthly. It is ordained, that as cases may arise not falling within the Rules above specified, or in which a claim, though well founded, may not have been established on the spot, We will, on the joint submission of Our Secretary of State for War and of Our Commander in Chief of Our Army, or on that of Our Lord High Admiral or Lords Commissioners of the Admiralty in the case of the Navy, confer the Decoration, but never without conclusive proof of the performance of the act of bravery for which the claim is made.

Thirteenthly. It is ordained, that in the event of a gallant and daring act having been performed by a squadron, ship's company, a detached body of Seamen and Marines not under fifty in number, or by a brigade, regiment, troop, or company, in which the Admiral, General, or other Officer commanding such forces, may deem that all are equally brave and distinguished, and that no special selection can be made by them: then in such case, the Admiral, General, or other Officer commanding may direct that for any such body of Seamen or Marines, or for every troop or company of Soldiers, one Officer shall be selected by the Officers engaged for the Decoration; and in like manner one Petty Officer or Non-Commissioned Officer shall be selected by the Petty Officers and Non-Commissioned Officers engaged; and two Seamen or Private Soldiers or Marines shall be selected by the Seamen, or private Soldiers, or Marines, engaged respectively, for the Decoration; and the names of those selected shall be transmitted by the Senior Officer in command of the Naval force, brigade, regiment, troop, or company, to the Admiral or General Officer commanding, who shall in due manner confer the Decoration as if the acts were done under his own eye.

Fourteenthly. It is ordained, that every Warrant Officer, Petty Officer, Seaman, or Marine, or Non-Commissioned Officer or Soldier, who shall have received the Cross, shall, from the date of the act by which the Decoration has been gained, be entitled to a Special Pension of ten Pounds a year, and each additional Bar conferred under Rule Four on such Warrant or Petty Officers, or Non-Commissioned Officers or Men, shall carry with it an Additional Pension of Five Pounds per annum.

Fifteenthly. In order to make such additional provision as shall effectually preserve pure this most honorable distinction, it is ordained, that if any person on whom such distinction shall be conferred be convicted of treason, cowardice, felony, or of any infamous crime, or if he be accused of any such offence, and doth not after a reasonable time surrender himself to be tried for the same, his name shall forthwith be erased from the registry of individuals upon whom the said Decoration shall have been conferred, by an especial Warrant under Our Royal Sign Manual, and the Pension conferred under Rule Fourteen shall cease and determine from the date of such Warrant. It is hereby further declared that We, Our Heirs and Successors, shall be the sole judges of the circumstances demanding such expulsion; moreover, We shall at all times have power to restore such persons as may at any time have been expelled, both to the enjoyment of the Decoration and Pensions.

Given at Our Court at Buckingham Palace, this Twenty-ninth of January, in the Nineteenth Year of Our Reign, and in the Year of Our Lord One thousand Eight hundred and Fifty-six.

'MILITARY DEPARTMENT.

No. 140 of 1856.

OUR GOVERNOR GENERAL OF INDIA IN COUNCIL.

Para. 1. We forward to you copy of a communication addressed by us to Her Majesty's Government, on the subject of the advantages held out to Retired Officers of the Indian Armies on settling in Her Majesty's Colonies, together with the copy of a reply we have received from the Colonial Office on the subject.

2. In reference to this correspondence, we are desirous that you should take into consideration whether it may not be practicable and desirable to hold out advantages to Officers and Soldiers retired or discharged from the Indian Armies, who, from their age and circumstances, may be qualified as Settlers, to induce them to settle in those localities in India which may, after due inquiry, be deemed best adapted to Europeans. We desire to have your views upon this subject as soon as possible.

We are, &c.

(Signed) W. H. SYKES,
And Nine other Directors.

London, the 3rd September 1856.

To the SECRETARY, INDIA BOARD.

East India House, the 9th May 1856.

SIR,

1. With reference to the announcement made in the Despatch to the Government of India, dated the 5th December last, I have the honour to forward copy of the communication from that Government to which the Despatch above referred to replies, on the subject of Retired Officers of the East India Company's Service not being allowed a remission of purchase money in the purchase of Crown Lands on settling in New South Wales.

2. The advantages enjoyed by Her Majesty's Retired Officers, with respect to the purchase of Crown Lands in the Colonies, were offered by Her Majesty's Government to the Retired Officers of the East India Company's Armies in the year 1836. The offer originated in a desire expressed by the Governor of Western Australia, that the settlement of such Officers in the Colony under his Government should be encouraged. The boon thus offered was announced to the Armies by the Government of India in General Orders, and its advantages were enjoyed by the Company's Officers from this date until 1847, when they were withdrawn from them. These advantages have since been restored, so far as regards the Colonies of Van Dieman's Land and Western Australia.

3. In forwarding this communication, I am instructed by the Court of Directors to express their hope that the present may be deemed a fitting occasion for a re-consideration of the subject by Her Majesty's Government, with the view of restoring to the Officers of the Indian Armies the advantages of obtaining a remission in the purchase of Land on settling in Her Majesty's Colonies generally, which they enjoyed from the year 1836 to 1847, thus removing any distinction in this respect between the Officers of Her Majesty and those of the Company.

I have, &c.

(Signed) JAMES C. MELVILL,
Secretary.

To Sir JAMES MELVILL, K.C.B.

India Board, the 4th July 1856.

SIR,

With reference to your letter of the 9th of May last, respecting the acquisition of Land in Her Majesty's Colonies by Officers of the East India Company's Service, I am directed by the Commissioners for the Affairs of India to transmit to you, for the information of the Court of Directors, a copy of a letter which has been received from the Colonial Office on that subject.

In reference to this correspondence, the Board are desirous of calling the attention of the Court of Directors to the advantages that might arise if Officers, and also Soldiers, of the Company's Service, were encouraged to settle in India, particularly in the various mountainous tracts in Madras and Central India, and also in the whole range of the Himalaya Mountains, from Cashmere to Sikkim.

If such a system could be applied to Soldiers of certified good character, as well as Officers, it appears to the Board that an essential benefit would be conferred, not only on the Pensioners themselves, who are now often located where no Land can be obtained for them, but would also tend to encourage cultivation and civilisation in various parts of India hitherto unfrequented by Europeans.

I am, &c.
(Signed) GEORGE CLERK.

To Sir G. CLERK.

Downing Street, the 27th June 1856.

SIR,

I am directed by Mr. Secretary Labouchere to acknowledge the receipt of your letter of the 28th ultimo, with its enclosures, calling attention to the disadvantage at which Retired Officers of the East India Company's Service are placed, as compared with those of Her Majesty's Forces, in not being allowed, on becoming Settlers in the Colonies, similar advantages in respect of the acquisition of Land.

In reply, I am to request that you will state to the Commissioners for the Affairs of India, that Mr. Labouchere is prepared at once to extend the advantages thus enjoyed by Queen's Officers to the Officers of the East India Company, so far as the Colonies of *Western Australia* and *Natal* are concerned, and that he will communicate with Sir Henry Ward, the Governor of *Ceylon*, as regards the expediency of including that Colony in the arrangement.

With respect to *New South Wales*, to which you particularly refer, and the Colonies of Victoria and New Zealand, I am to inform you, that the control over the Waste Lands of the Crown in those Colonies has been transferred by Parliamentary Enactments to the local Legislatures, and that the same is about to take place in South Australia; and consequently that, although the advantages hitherto held out to Officers of Her Majesty's Service are still obtainable in those Colonies, until the local Legislatures may think fit to make other provision, the Secretary of State has no power to extend those advantages to other applicants.

The same observation applies to the *Cape of Good Hope*, where the control over the Waste Lands of the Crown has also been recently surrendered to the local Government. Mr. Labouchere will transmit to the respective Governors a copy of your letter, in order that they may take such steps as they may think advisable.

I am, &c.

MISCELLANEOUS.

Government House, Auckland, New Zealand, 6th December 1856.

SIR,

With reference to your Despatch No. 53, of 27th of June last, covering a correspondence on the disadvantage at which retired Officers of the East India Company's Service are placed as compared with Officers of Her Majesty's Forces, in not being allowed, on becoming Settlers in the Colonies, similar advantages in respect of the acquisition of Land, I have the honour to forward a Minute on the subject by Mr. Stafford, the leading Member of my Executive Council.

By this you will perceive that all power in this matter rests with the Superintendents of Provinces; and in each Province different Regulations have been established in reference to Officers and Soldiers who desire to settle.

I have, &c.

"MINUTE.

Recommended.—That the Superintendents of the respective Provinces should have a copy of this Despatch (No. 53, 27th June 1856) forwarded to them, and be requested to state whether, in their respective Provinces, the

Regulations for the sale of Land place Indian Officers on the same footing as those in Her Majesty's Service ; and, if such Regulations do not do so, whether it is likely that any alteration with that object will be made.

The advantage of a uniform system throughout the Colonies, similar to that in other British Colonies, should be pointed out.

Notice is hereby given, that two Buoys have been laid down to mark the deepest Channel on the Bar above Woosung by Mr. Geo. L. Carr, Master H. B. M.'s Ship "Pique," with the assistance of Mr. W. E. Ayer, Pilot, in the following positions :—

The Black Buoy lies in 14 feet at low-water spring tides, on the Western extremity of a Shoal Spit, which makes off from the Eastern shore. It is $1\frac{1}{2}$ cable's length from the shore. The White House in Mr. Henderson's Garden bears from it S. 20° E.; Messrs. Jardine, Matheson, and Co.'s Coal Godowns, S. 21° W.; and the Woosung Joss Poles, N. 25° W.

The Red Buoy lies in 12 feet at low-water spring tides, on the Northern extremity of the Lower Middle Ground. The White House in Mr. Henderson's Garden bears it from S. 18° 30' W.; Messrs. Jardine, Matheson, and Co.'s Coal Godowns, S. 77° W.; and the Upper Bar Creek open N. 88° E., distant $5\frac{1}{2}$ cables. This Buoy is $2\frac{1}{2}$ cables from the nearest part of the Eastern shore, and between it and the Receiving Ships, which lie on the Western side. The ground is very uneven, and in several places very shoal, many spots having as little as 9 feet at low-water.

It is recommended that vessels proceeding up the River should pass close to the Black Buoy, leaving it on the Port hand, and after passing it steer for the Red Buoy, leaving it well on the Starboard hand, and gradually approach the Eastern shore to a ship's length off the Upper Bar Creek.

The Red Buoy should not be brought to the Eastward of S. 60° E. The Buoys bear from each other S. 52° E. and N. 52° W., distant $4\frac{1}{2}$ cables; lowest depth of water between them, 13 feet, at low-water spring tides.

"II. A Separate Instruction will be required for every Change of Address, and no Instruction will be attended to for more than three months after its receipt."

2. Many parties, heedless of the extra labour imposed upon the Post Office, will not take the trouble of intimating their Change of Residence to their Correspondents and Agents, and thus leave their Letters and Papers to be Re-directed in this Office for months after they have changed their place of abode. The rule laid down by the Director General will be strictly followed in future.

Parties to whom Bhangy Parcels are delivered from this Office are requested to sign their names, or initials, and insert the time of receipt, in a Book which will be presented for that purpose by the Delivery Peon. Should they be subject to detention, they are not to deliver the Letters, Papers, or Parcels, but to return them in the evening to the Post Office, for delivery the following day."

It has frequently happened, when Delivery Peons ask for Postage, that they are detained (whilst the party is reading the Letters), abused, threatened, and sometimes ill-treated. The Public are requested to pay immediately whatever Postage may be demanded, and if they have doubts, to refer to this Office, giving, at the same time, the number of the Peon to whom the money was paid. Their complaints shall receive prompt attention.
