

SUPPLEMENT
TO THE
BOMBAY GOVERNMENT GAZETTE.

Published by Authority.

MONDAY, 2ND FEBRUARY 1863.

PROCEEDINGS OF THE LEGISLATIVE DEPARTMENT, BOMBAY.

The following Report of the Select Committee of the Council of the Governor of Bombay for the purpose of making Laws and Regulations, is published for general information :—

Report of the Select Committee appointed to consider and report on a " Bill to promote the construction of Lines of Communication as Feeders to Railways, High Roads, Navigable Rivers, and Canals."

The Committee beg to report that, having compared the provisions of the Bill with those of a Bill for accomplishing the same objects which it is intended to introduce into the Council of the Governor General of India, they find that all the essential parts of the Bombay draft have been embodied in the proposed general enactment. They therefore recommend the withdrawal of the present Bill, adding only an expression of their hope that the general enactment may be passed with the least possible delay.
