## AGREEMENT WITH THE BANK OF BOMBAY.

Articles of Agreement made and entered into this Twenty-eighth day of February, in the year of our Lord One thousand Eight hundred and Sixty-two, between the Secretary of State in Council for India of the one part, and the Bank of Bombay of the other part.

Whereas due notice, in accordance with the provisions of Act III. of 1840 of the Legislative Council of India, “for the Incorporation of the Bank of Bombay,” has been given on the 21st day of February 1861, by the Governor General of India in Council to the Directors for the time being of the Bank of Bombay, as incorporated and constituted under the said Act III. of 1840, that the said Bank was to be modified by the power of the said Bank to issue Promissory Notes payable on demand, ceasing from and after the 1st day of March 1862. And whereas by Act XIX. of 1861, of the said Legislative Council, being “An Act to provide for a Government Paper Currency,” and whereby provision has been made for the issue by the Government of India of Promissory Notes payable to bearer on demand, it was (amongst other things) enacted, that Section 31 of the said Act III. of 1840, so far as the same Section authorized the said Bank of Bombay to issue Promissory Notes payable on demand, should be repealed from and after the said 1st day of March 1862, and that after the passing of the said Act now in recital, no body corporate, person, or persons whatsoever in British India (except the Banks of Bengal, Madras, and Bombay, up to the said First day of March 1862, and except as thereafter provided) should draw, accept, make, or issue any bill of Exchange or Promissory Note or engagement for the payment of money payable to bearer on demand, or borrow, owe, or take up any sum or sums of money on the Bills or Notes payable to bearer on demand of any such body corporate, or of any such person or persons (subject nevertheless to the proviso next hereinafter contained). And whereas by Act No. XXIV. of 1861 of the Legislative Council of India, “An Act to enable the Banks of Bengal, Madras, and Bombay to enter into arrangements with the Government for managing the issue, payment, and exchange of Government Currency Notes, and certain business hitherto transacted by the Government Treasuries,” it was (amongst other things) enacted, that it should be lawful for any of the said Banks, by Agreements under their Corporate seal, to enter into Agreements with the Secretary of State for India in Council through the Governor General of India in Council, the Governor of Madras in Council, and the Governor of Bombay in Council, respectively, for superintending, managing, and becoming Agents for the issue, payment, and exchange of Promissory Notes of the Government of India, payable on demand under the said Act XIX. of 1861, or any Act which might thereafter be passed in relation to the Paper Currency of the Government of India for the carrying on the business of an Agency of issue under the said Act XIX. of 1861, in any Circle of issue, in which any of the said Banks should have established a Branch Bank under Act VI. of 1839 (relating to the Bank of Bengal), or any other Act, and for transacting any part of the business of, or hitherto generally transacted by or at the General Treasury of the Governments at the several Presidencies of Fort William, Madras, and Bombay, respectively. And whereas negotiations have been pending and arrangements in course of discussion between the Governor in Council of Bombay (acting on behalf of the said Secretary of State), and the Directors of the Bank of Bombay, for the purpose of carrying into effect and exercising the objects and powers of the said Act XIX. of 1861 and Act XXIV. of 1861, and such negotiations and discussions have resulted in the agreement or arrangements, the terms and conditions of which are hereinafter intended to be expressed. Now these Presents witness that, for the purpose of carrying into effect the objects of the said Act XIX. of 1861 and Act XXIV. of 1861, and in exercise and execution of all and every the powers in the same Acts or either of them contained, and of all and every other the powers in any wise enabling them, the said parties to these presents in this behalf, and in consideration of the payments and covenants hereinafter respectively mentioned and contained, and by and on the part of the said parties to these presents respectively to be paid and performed, each of them the said parties to these presents doth hereby for himself and themselves respectively, and his and their respective successors, covenant with the others and other of them and their and his respective successors in manner following (that is to say):—

*Second.*—The Cash Balance which shall, on the day appointed by the notification aforesaid, be in the General Treasury shall on that day be transferred to and deposited with the Bank of Bombay, who shall

thereafter receive, for the said Government of Bombay, all moneys and balances which, but for these presents, would have been received by the said General Treasury; and the Bank shall transact, at their principal office in Bombay, all such business for the Government of Bombay, regarding the receipt, collection, payment, and remittance of money and securities and other matters, as is usually transacted by bankers for their customers.

*Third.*—During the continuance of this agreement the Government of Bombay shall carry on and transact, by and through the Agency of the said Bank of Bombay, and not by or through their own Officers, or the Agency of any other Bank or persons or person acting as such Agents, or Agent, all such business as it is herein provided and agreed that the Bank of Bombay shall carry on and transact on behalf of the said Government.

*Fourth.*—That from and after the day appointed by the notification aforesaid, the said Secretary of State in Council shall pay to the Bank the actual cost and expenses of packing and shipping specie remitted under the preceding clause, and for which cost and expenses Contingent Bills shall, from time to time, be delivered to the Civil Paymaster, Bombay, for the time being, and be passed by him, on approval; and the said Secretary of State in Council shall, from and after the last-mentioned day, further pay, or cause to be paid, to the said Bank the yearly sum of Rupees twelve thousand, two hundred and forty, in full of all costs and expenses of the said Bank of Bombay in respect of the carrying on and transacting by them of the said Government Banking account and business, and the Bank shall not charge any interest or commission on the said account, except under such arrangement as in the next following clause mentioned.

*Sixth.*—That the books of account, and minutes of proceedings of the Bank, relating as well to the said Government Banking account and business as to the general accounts and business of the Bank, shall, from time to time, and not less than once, and not exceeding four times, in any one year, be submitted to the examination and audit of an Officer or Officers to be, from time to time, appointed or authorised by the Governor in Council for the purpose, and the report of such Officer or Officers as to the state of the banking account between the Government of Bombay and the Bank, or as to the cash balances invested or uninvested for the time being in the hands of the Bank, or as to any proceedings relating to the said Banking account or business transacted by the said Bank on behalf of the said Government, shall first be laid before the Directors of the Bank to enable them to furnish any explanation or further information touching any of the matters referred to in the report; and such report, together with the explanation, shall then be submitted to the Governor in Council, whose order, decision, or finding on such report and explanation shall be binding and conclusive on the Bank so far as relates to matters by the same report and explanation appearing to have been done and transacted.

His Excellency the Governor General in Council is pleased to direct the publication in General Order of the following Military Letter from the Right Honorable the Secretary of State for India, No. 396, dated 23rd October 1862, and of the Royal Warrant and Regulations therein referred to :—

INDIA OFFICE: *London, 23rd October 1862.*

MILITARY.  
No. 396.

HIS EXCELLENCY THE RIGHT HONORABLE THE GOVERNOR GENERAL OF INDIA IN COUNCIL.

MY LORD,—I forward herewith copy of a Royal Warrant dated 21st June last, in the Regulations attached to which it is provided that promotions shall be made in Regiments of the Line in all cases of a Regimental Major being appointed to the Staff.

2. Having communicated with His Royal Highness the General Commanding in Chief, and the Secretary of State for War on the subject of the application of the Warrant to Line Regiments serving in India, with reference to the arrangement which was made known to you in my Despatch No. 439, of the 15th November 1861, paragraph 2, I have been informed that His Royal Highness the General Commanding in Chief has caused a communication to be addressed to the Commander in Chief in India to the effect that no Field Officer of a Regiment serving in India need be seconded on appointment to a Staff situation from a Regiment which has more than three Field Officers on its Establishment.

3. I have the satisfaction of informing you that the 2nd paragraph of the Warrant now forwarded which provides for the promotion to the Brevet rank of Lieutenant Colonel of substantive Majors after the completion of their service on the Staff, will apply to Officers of Her Majesty's Indian Forces other than those of the Staff Corps.

I have, &c.

CIRCULAR No. 766.

## VICTORIA R.

Whereas it has been represented to Us that it is expedient to improve the position of Regimental Majors holding Staff Appointments in Our Army, and of Captains and Subalterns of the Cavalry and Infantry employed at the Royal Military College, Sandhurst: It is

Our Will and Pleasure that, from the date of this Our Royal Warrant, Officers of the Regimental Rank of Major serving on Full Pay, who may be appointed to the Staff of Our Army as Assistant Adjutant Generals or Assistant Quartermaster Generals, and Captains and Subalterns of the Cavalry and Infantry serving on Full Pay, who may obtain employment as Professors and Masters, or as Captains of Companies of Gentlemen Cadets, or on the Staff at the Royal Military College, Sandhurst, shall, under the Regulations hereunto annexed, be continued on the strength of their Regiments as Supernumerary Officers, and retain their position and claim to promotion therein, the Majors on the Staff receiving as Regimental pay an amount equal to the half-pay of their rank, in addition to Staff pay, and the Officers employed at the Royal Military College a fixed rate of College pay in lieu of Regimental pay.

It is also Our Will and Pleasure that Officers of the substantive rank of Major, who have completed their term of service in the Staff Appointments of Assistant Adjutant General, Assistant Quarter-Master General, Military Secretary, and Assistant Military Secretary, and have performed the duties thereof to the satisfaction of the General Commanding in Chief of Our Army and of Our Secretary of State for War, shall, on removal from the Staff, be promoted by Brevet to the rank of Lieutenant Colonel.

It having also been represented to Us that it is expedient to revise the system under which Artillery and Engineer Officers are at present employed in Appointments on the Staff corresponding with those hereinbefore mentioned, as well as in those of Deputy Adjutant General, Deputy Quartermaster General and Colonel on the Staff: It is Our further Will and Pleasure that Regimental Colonels and Lieutenant Colonels of Artillery and Engineers, who may hereafter be nominated to such appointments, shall be placed on the same footing in respect to pay as Officers of Cavalry and Infantry, and that such Officers, as well as Colonels of Artillery commanding certain Districts or Divisions with the rank of Colonel on the Staff, and Captains and Subalterns of the Royal Artillery and Royal Engineers employed at the Royal Military College and Royal Military Academy, shall be governed by the Regulations hereunto annexed.

Given at Our Court at St. James's, this Twenty-first day of June One thousand Eight hundred and Sixty-two, in the Twenty-sixth year of Our Reign.

By Her Majesty's Command,

(Signed) G. C. LEWIS.

## REGULATIONS REFERRED TO IN THE PRECEDING WARRANT.

1. On the appointment of a Regimental Major to the Staff, under the provisions of the annexed Royal Warrant, the step will go in the Regiment without purchase; the Cornetcy or Ensigncy vacated by this promotion being filled by purchase, for the benefit of the Reserve Fund.

2. On removal of the Major from the Staff on completion of the regulated period of Staff service, *viz.*, five years, or on the resignation of his appointment on grounds satisfactory to the General Commanding in Chief and Secretary of State for War, he will continue as a Supernumerary Officer, to receive as Regimental pay an amount equal to the half-pay of his rank (even though he may then be the senior Major of the Regiment), till a vacancy shall occur into which he can fall.

3. If, however, a vacancy shall happen by the sale of the Lieutenant Colonelcy, and the Supernumerary Major shall purchase, the existence of the Supernumerary majority will be put an end to by payment from the Reserve Fund of the difference between the amount to be paid by the Major so promoted, and the value of the Lieutenant Colonelcy.

4. If the Major on the Staff shall die while so employed, no promotion will take place, as the Regiment will already have had the benefit of promotion in the vacancy occasioned by his appointment to the Staff, but any other death vacancy occurring among the Field Officers will be filled, as usual, by promotion without purchase, unless there be a Supernumerary Major whose period of service on the Staff has expired.

5. If the Major, while employed on the Staff, shall succeed to the Lieutenant Colonelcy of the Regiment whether by purchase or otherwise, he will be required to relinquish his Staff appointment, and join his Regiment.

6. If the Major, while employed on the Staff, shall hold the rank of Brevet Lieutenant Colonel, he shall, on attaining the rank of Regimental Lieutenant Colonel, reckon his Staff service as qualifying service for the rank of Colonel under the five years' rule, as provided in Clause 9 of the Warrant of the 14th October 1858 for Majors and Brevet Lieutenant Colonels falling into the temporary command of Regiments.

7. If the Major shall resign his Staff appointment on grounds not satisfactory to the General Commanding in Chief and Secretary of State for War, or be displaced for misconduct or incapacity, he will cease to be entitled to the benefit of this Regulation, and be placed upon the Half-pay List.

8. Vacancies occasioned by the appointment of Captains and Lieutenants, to the Royal Military College, Sandhurst (comprising the Staff College and Cadets' College), under the provisions of the Warrant, will be filled up in the Regiment, without purchase; the Cornetcy or Ensigncy vacated by promotion, or by appointment to the Royal Military College, being filled by purchase, for the benefit of the Reserve Fund.

9. If a Captain should be promoted to the rank of Major or a Lieutenant to the rank of Captain, or a Cornet or Ensign to the rank of Lieutenant, by purchase, while at the Royal Military College, Sandhurst, the difference between the sum paid by him, and the full value of the superior Commission will be made up from the Reserve Fund, thereby putting an end to the Supernumerary Commission vacated by him; but a Captain, on attaining the rank of Major, whether by purchase or otherwise, will be required to join his Regiment.

10. On promotion to higher Regimental rank of a Supernumerary Cornet, Ensign, or Lieutenant, whether by purchase or otherwise, he will become a Supernumerary in his new grade, and will carry up with him the Officer next for promotion.

11. The principle in Clauses 2, 4, and 7 of these Regulations, applicable to Majors on the Staff, shall govern the appointments at the Royal Military College, Sandhurst, whatever may be the Regimental rank of the Officer.

12. Regimental Colonels and Lieutenant Colonels of Artillery and Engineers, employed as Colonels on the Staff, and in other situations on the General Staff referred to in the Warrant, will remain on the Establishment of their Brigades or Corps, but will, in accordance with the practice in other branches of the Service, only be allowed a sum equal to the half-pay of their Regimental rank in addition to Staff pay.

13. Regimental Colonels of Artillery commanding certain Districts or Divisions, with the rank of Colonel on the Staff, will remain on the Establishment of their Brigades receiving such a reduced rate of Staff pay, as with Regimental full pay, will be equal in the aggregate to the established rate of Regimental half-pay and the full rate of Staff pay.

14. Lieutenant Colonels of Artillery and Engineers holding the appointment of Deputy Adjutant General or Deputy Quartermaster General, may retain their Staff appointments when promoted to the Regimental rank of Colonel, should such promotion happen during the period prescribed for holding their Staff appointments.

15. Lieutenant Colonels of Artillery and Engineers filling the appointments of Assistant Adjutant General or Assistant Quartermaster General will be required to relinquish their Staff appointment on promotion to the rank of Regimental Colonel, should such promotion take place during their term of Staff service.

16. Captains and Subalterns of the Royal Artillery and Royal Engineers employed as Professors and Masters at the Royal Military College, Sandhurst (comprising the Staff College and Cadets' College), and Royal Military Academy, Woolwich, and as Assistant Inspector of Studies at the latter Institution, will be continued as at present on the strength of their Regiment or Corps, as Supernumeraries to the Establishment, and receive their pay and allowances under the Regulations specially applicable to Supernumerary Captains and Subalterns.

17. Captains of the Royal Artillery and Royal Engineers, if promoted to the rank of Regimental Field Officer during the term of their employment as Professors and Masters, will be required to relinquish their appointments and join their Brigades or Corps.

18. Although the Clauses from 12 to 17 have been framed with special reference to Officers of Artillery and Engineers, it is to be understood that the general provisions of these Regulations are also to be adopted in every way in which they can be made applicable to those two services.

Secretary to the Government of India."

N.B.—This table is an extract from a more extensive yearly Return that is prepared for statistical purposes, and chiefly for the detection of any removable sources of disease, with a view to improving the healthiness of the Island. As the principal object cannot be fully attained unless the true causes of death be recorded, persons of all stations are requested, in each case of death occurring in their circle, to obtain, in writing, from the Medical Attendant, the name of the fatal disease, that it may be delivered to the Policeman at the funeral place. Medical Practitioners, particularly, are requested to aid the registration. Blank forms of Death Reports, to keep by them in readiness, are given gratuitously on application at the Office of the Deputy Commissioner of Police.

It is thought that some withhold their assistance through the notion that reports of the single casualties coming now and then under their observation could but little affect the Returns; but it ought rather to be borne in mind, that the accuracy of the Returns depends on the correct reporting of all single cases, for of such only the aggregate is made up.

## NOTIFICATION BY THE CIVIL PAYMASTER.

No. 17 of 1862-63.

In accordance with paragraph 1 of printed Circular No. 1309, dated 12th September 1860, the following orders of the Government of India are published for the information of those whom they concern :—

“ No. 516.

*Financial Department, Fort William, the 18th January 1862.*

**RESOLUTION.**—The Governor General in Council is pleased to approve of the proposal of the Military Finance Department to pre-audit the two months' advance pay of Native Doctors, issued to them under existing Regulations, when proceeding to join their appointments.

With regard to the question of the adjustment of the pay of Native Doctors, when they obtain leave, the Governor General in Council observes that the mode laid down in the Financial Resolution No. 4989, dated 20th August 1858, is the correct course of adjustment as between Civil and Military expenditure. But as it is represented that that mode is productive of delay and complication in practice, His Excellency in Council directs the adoption of the course recommended by the Audit Board, viz. that the Absentee pay of Native Doctors, when in Civil employ, be adjusted as a Civil and not as a Military charge.

No. 1299 G.

*Financial Department, Fort William, dated 5th December 1862.*

**RESOLUTION.**—His Excellency the Governor General in Council observes that the pay of Native Doctors in Civil employ, while in transit from one station to another, has hitherto escaped attention as an extra charge owing to its adjustment in the Military Department. His Excellency in Council is of opinion that in all such cases the pay of the Native Doctor, for the period of transit should be debited to his substantive Appointment, and that the person who acts for him should receive no extra pay for that period.”

## REGISTERED LETTERS.

Camp Nynceelal, 21st October 1862.

With the sanction of His Excellency the Governor General in Council, the following orders in the Postal Department are published for general information :—

# RULES RELATING TO THE REGISTRATION OF LETTERS SENT THROUGH THE POST OFFICE.

By the payment of a fee of Four Annas in addition to the ordinary Postage, *both of which must be prepaid in Stamps*, any Letter, Newspaper, Pamphlet, or Book may be registered to any place under the Government of India or in the United Kingdom and Colonies.

2. Information regarding the Foreign Countries to which Letters can be registered, and the conditions thereof, will be found in the "Steam Postage Schedule for the Post Offices in India."

3. Letters intended to be registered must be brought to the Post Office at least half an hour before the time fixed for closing the Mail; if brought after that time, they will be stamped "Too Late," and retained for the following Mail.

4. A Postmaster or other official, on being applied to register a Letter, will grant a receipt, and retain a copy on the counterpart of the Cheque Book for the purpose; the dated Office Stamp should be affixed to the receipt, and also to the copy.

5. So soon as a letter is registered, the Postage Labels thereon should be defaced, and the Special Stamp "*Registered*," should be affixed; the address and weight should then be entered in the *yellow cover*, after which, the Letter and the cover should be folded up together, and placed under lock and key, until the time for closing the Mail.

6. On opening a Mail Packet, the Postmaster should carefully examine the Registered Letters, and compare the weight of each with the entries thereof in the Chulan and yellow cover; the Office Dated Stamp should then be affixed to them, and also to the yellow cover, after which they should be disposed of as prescribed in the rules for opening and distributing the Mail.

7. In disposing of a Registered Letter, care must be taken to ensure *proof of transfer* by each official through whose hands it passes from the time of receipt to that of delivery; an acknowledgment must therefore be taken by initials, or otherwise, from each person into whose hands it may be given for *custody, despatch, or delivery*.

8. On delivery of a Registered Letter, the Postman should obtain the signature of the addressee on the yellow cover; the "original" receipt will be retained in the Delivery Office, and the "duplicate" returned to the Office of Despatch *by the first Mail*.

9. The "duplicate" receipt, on being returned, should be pasted to the counterpart in the Cheque Book; when not received back within the proper time, it should be called for, and a note of the requisition made on the duplicate receipt in the Cheque Book.

10. On a Registered Letter having to be *re-directed*, the duplicate portion of the yellow cover should be receipted and returned to the Office of Despatch, with a remark showing the Office to which it has been forwarded.

11. When a Registered Letter cannot be delivered, it should be forwarded without delay, together with the original yellow cover, to the Office of Despatch, in view to be returned to the Sender, and, if he cannot be found, it should be sent to the Dead Letter Office.

12. When a Registered Letter is found to be missing, the Postmaster must *immediately* submit a full and clear report of the circumstance to the Inspecting Postmaster and Postmaster General, and also to the Office of Despatch, in view to a searching inquiry being at once instituted to ascertain *where and how* it disappeared.

13. The Postmaster General will, without delay, bring to the notice of the Director General the loss or theft of a Registered Letter, and on completion of the inquiry instituted thereon, report the result.

14. By Section 49 of the Postal Act, Government does not guarantee, and is not responsible for, the safety of a Registered Letter, but any official through whose neglect it may be lost or made away with, will be called to strict account, and may be required to make good any loss.

15. Registration makes the transmission of a Letter more secure, by rendering it practicable to trace it from one official to another; if, therefore, by neglect of prescribed precautions, it is lost or made away with, the officials of the Post Office will have no ground for complaint if held responsible for the consequences of their neglect.

16. As registration does not involve a receipt for the *contents* of a Letter, and as abstraction thereof may take place *before* as well as *after the cover is posted, and even after delivery*, it is recommended that the addressee who expects valuable enclosures, should, at the time of granting a receipt, open the letter *in the presence of the Postman*.

17. A Letter containing Bank Notes, Postage Stamps, or other valuable articles, should, as a rule, be registered, and should be securely folded, or enclosed in a substantial envelope, and *always sealed with wax*, in order to prevent, as far as possible, its being tampered with.

*N. B.*—A Letter is not ordinarily of importance to any person excepting the addressee; but if valuable articles are enclosed, the case is otherwise, and temptation is thrown in the way of the numerous persons in the Post Office through whose hands it passes. Hence the precaution of registering such Letters is recommended.

G. PATON,

Director General of Post Office in India.

**Government Parcels by the P. & O. Co.'s Steamers.**—The following Circular, issued by the Bombay Government, is circulated for the information and guidance of Postal functionaries :—

**"GENERAL DEPARTMENT.**

"The Right Honorable the Governor in Council is pleased to direct that, in future, whenever Heads of Departments may have to send, by the Peninsular and Oriental Company's contract Steamers, Service Packets, the Postage on each of which, if transmitted through the Post Office, would exceed Rs. 2½, they shall not forward them by Post, but through the Peninsular and Oriental Company's Parcel Agency Office, paying the Freight due thereon, which should be charged for in Contingent Bills.

"It is to be distinctly understood, that Parcels forwarded as now directed, are not to contain Letters, which must be sent as usual through the Post Office.

"All articles to the same address, from any Office or Department, should be made into one Parcel whenever practicable.

"By order of the Right Honorable the Governor in Council,

(Signed) "W. HART,

"Secretary to Government.

"Bombay Castle, 23rd May 1855."

Whenever Service Parcels of the description mentioned in it are brought to the Post for being posted for the marginal Stations, the senders' attention should invariably be drawn to the Government Circular.
