GOVERNMENT DEPARTMENTAL NOTICE.

FINANCIAL DEPARTMENT.

The following orders of the Government of India are republished for the information and guidance of the Officers and Departments concerned:—

“ FINANCIAL DEPARTMENT.

No. 20G.

Extract from the Proceedings of the Government of India, in the Financial Department, dated 3rd January 1863.

Read again the undermentioned papers regarding the grant of Deputation Allowance to Acting Police Officers in Oude and British Burmah:—

Letter from Officiating Civil Pay Master, Fort William, No 7, dated the 20th May 1862.

Letter from Officiating Civil Pay Master, Fort William, No. 3883, dated the 11th June 1862.

Extract, Home Department, No. 2497, dated the 17th May 1862.

Order No. 3860, issued from this Department on the 5th June 1862.

Letter from the Honorary Secretary to the Committee of Secretaries, dated the 19th June 1862.

Resolution, No. 628G, passed in this Department on the 30th September 1862.

Read Endorsement from the Home Department, No. 4504, dated the 25th August 1862, forwarding, for favorable consideration, a recommendation from the Chief Commissioner of British Burmah, that a Superintendent of Police, acting for another in a higher grade, may be permitted to draw deputation allowance.

RESOLUTION.—The Rule which, in those Departments of administration where appointments of the same class and title are sub-divided into grades of different rank and pay, prohibits the grant of deputation allowance to an Officer acting in a higher grade of his own class was originally introduced, His Excellency the Governor General in Council observes, to meet the cases of Deputy and Assistant Commissioners in Non-Regulation Provinces, and, in the absence of any special Rule, it has been hitherto made applicable to District Superintendents and Assistant Superintendents of Police. But, considering the superior salaries and prospects of Deputy and Assistant Commissioners, and the hardships which generally attend the application of the class rule to Police Officers, His Excellency in Council is pleased to decide that all Superintendents and Assistant Superintendents of Police, when acting in higher grades of the class to which they may in their substantive appointments belong, shall receive deputation allowance.

2. In continuation of this subject, His Excellency in Council is hereby pleased to direct that in all Presidencies and Provinces to which Act V. of 1861 has been extended, the same rule of limitation shall be observed, which, by Resolution dated 30th September last, was laid down for Oude, viz., that the allowances of an Assistant Superintendent of Police acting for a Superintendent shall in no case be allowed to exceed the salary of a Superintendent of the lowest grade.

ORDERED, that a copy of the foregoing Resolution be forwarded to the Home Department for information and further orders, with a copy of the papers received from that Department under Endorsement No. 4504, dated the 25th August 1862.

No. 2G.

ORDERED also, that a copy of the above Resolution be forwarded, for information and guidance, to the Civil Pay Master, North-Western Provinces.

Ordered further, that the above, and the Resolution No. 628G, passed in this Department on the 30th September last, be published for general information in the *Government Gazette*, and that copies thereof be forwarded, for information and guidance, to the Foreign Department, and the Governments of Madras, Bombay, Bengal, the North-Western Provinces, and the Punjab; Civil Pay Masters in Bengal, Madras, Bombay, and the Punjab.

No. 628G.

Resolution dated 30th September 1862.

The Chief Commissioner of Oude represents that when an Assistant Superintendent of District Police in that Province is appointed to officiate for a Superintendent of the first or second grade, he sometimes draws, under existing Rules, a deputation allowance which raises his total emoluments above those of third or fourth grade Superintendents.

His Excellency the Governor General in Council observes that, as the grades of salaries in the Oude Police are personal, not local, an Assistant Superintendent on his first promotion to a Superintendency would receive no more than the salary attached to the lowest grade. To allow him to draw a higher salary when only officiating as Superintendent would be anomalous, and would place the permanent Superintendents in lower grades in a disadvantageous position.

His Excellency in Council is therefore pleased to direct that the allowances of an Assistant Superintendent of Police in Oude, appointed to officiate as Superintendent, shall not exceed the salary attached to the lowest grade of Superintendent.

No. 21G.

FROM THE HONORABLE E. DRUMMOND,
Secretary to the Government of India Financial Department,
 TO THE OFFICIATING CIVIL PAY MASTER, NORTH-WESTERN PROVINCES.
Fort William, Council Chamber, the 3rd January 1863.

FINANCIAL DEPARTMENT.

SIR,—I am directed to acknowledge the receipt of your letter, No. 215-95 of the 25th August 1862, submitting for decision the question of the allowances of Lieutenants E. M. and H. T. Woodcock, who are acting as Superintendents of Police in Oude, and inquiring whether the Rule under which, when appointments are divided and sub-divided into classes and grades, an Officer acting in a higher grade of his own class is refused deputation allowance, should be maintained in the cases of a Military Officer Officiating for another, and entitled to acting allowances or full pay under Military Rules.

2. In reply, I am desired to inform you that the cases of Lieutenants E. M. and H. T. Woodcock are met by the Resolutions noted in the margin, and to observe that the class Rule to which you refer is intended to supersede the Military Regulations in all cases, except those of the Police Officers, to which, under the orders abovementioned, the Rule does not apply.

*No. 628G., dated 30th Sept. 1862.
 No. 20G., dated 3rd Jan. 1863.

I have, &c.,

(Signed) E. DRUMMOND,

MARINE DEPARTMENT.

The following Notification by the Government of India is republished for general information:—

"Orders by the Lieutenant Governor of Bengal.

No. 5725.

NOTIFICATION.—The 9th December 1862. The following Despatch from the Right Honorable the Secretary of State, with enclosure, is published for general information:—

From the RIGHT HONORABLE SIR CHARLES WOOD, BART., M.P. and G.C. B., Her Majesty's Secretary of State for India, to His Excellency the RIGHT HONORABLE the GOVERNOR GENERAL OF INDIA IN COUNCIL (No. 47, dated London, the 24th September 1862.)

MY LORD,—I forward to you herewith, for your information and guidance, a copy of a letter* from the Board of Trade, having reference to a Report of Inquiry held at Bombay relative to the abandonment at sea of the Ship *Loodianah*, and drawing my attention to an Act passed in the last Session of Parliament, some of the provisions of which materially bear upon the powers and the proceedings of Courts of Inquiry held in the British Possessions abroad to investigate the causes of wrecks, or the conduct of Masters and Mates and Engineers in the Merchant service.

2. I also forward to you a copy of this Act, entitled "The Merchant Shipping Act Amendment Act 1862."

3. I have to direct your special attention to the fact pointed out in the letter from the Board of Trade that it is essential that any Report of an investigation held in India under the Merchant Acts should not only receive but bear the formal confirmation in writing of the Governor or person administering the Government of the Presidency where the Court is held; and I have further to request that you will impress upon the Marine Authorities of your Presidency the necessity of a rigid compliance with the provisions of the Act of Parliament, and with the instructions communicated in the letter from the Board of Trade referred to in this Despatch.

From JAMES BOOTH, Esquire, to the Under-Secretary of State for India (India Office, No. 9534, dated Whitehall, the 4th September 1862.)

SIR,—I am directed by the Lords of the Committee of Privy Council for Trade to acknowledge the receipt of your letter of the 26th ultimo, transmitting extract of a letter from the Government of Bombay, enclosing copies of a Report and Proceedings of a Court of Inquiry held at the Police Office, Bombay, to investigate the circumstances connected with the abandonment of the Ship *Loodianah* at sea.

I am to acquaint you that a copy of the Report will be forwarded for the information of the Owners of the above Ship.

My Lords take this opportunity of directing the attention of Secretary Sir Charles Wood to an Act that was passed late in the last Session of Parliament, some of the provisions of which materially bear upon the powers and the proceedings of Courts of Inquiry held in the British Possessions abroad to investigate the causes of wrecks or the conduct of Masters and Mates and Engineers in the Merchant Service.

I transmit herewith six copies of the Merchant Shipping Act Amendment Act 1862.

It appears to my Lords that it is very important that the earliest opportunity should be taken to direct the attention of the Governments of the several Presidencies and Dependencies in India to the provisions of the 23rd Section of this Act, which gives to Courts of Inquiry the power which, until the passing of the Act, was exercised exclusively by the Board of Trade of cancelling or suspending the Certificates of Masters and Mates; also to Section XXIV., which gives the Court a power which they did not previously possess of demanding the delivery to them of a Certificate pending the trial of the offender.

My Lords would suggest that the Secretary of State should, in making known those provisions to the Authorities in India, particularly impress upon them the necessity of a rigid compliance with the requirements of paragraph 6 of the 23rd Section of the Act, and should also point out that it is essential that any Report of an investigation held in India or the Dependencies should not only receive, but bear the formal confirmation in writing of the Governor or person administering the Government of the Presidency or Dependency where the Court is held.

This formality is rendered necessary by the 5th provision in Section CCXLII. of the Merchant Shipping Act 1854.

It is hardly necessary to observe that unless it is in future shown upon the face of any Report of Inquiry into wrecks or into the conduct of Officers in the Merchant Service, that the requirements above referred to have been strictly observed, it will not be in the power of this Board to withhold a Certificate that may have been cancelled or suspended abroad, and the intention of the Act will be frustrated.

My Lords think it right to observe, with reference to the preceding remarks, that the Report of Inquiry in the case of the *Loodianah* is not formally confirmed by the Government, and the evidence, which is not in original, is not certified as a true copy, and it would not have been in the power of this Board, had the occasion required it, to cancel or suspend the certificate of the Master or Mate, those Officers must have escaped punishment owing to the informality of the proceedings.

I am to add that there are other provisions in the accompanying Act relating to Merchant Seamen which will form the subject of a further communication for the guidance of Shipping Masters in Her Majesty's British Possessions abroad.

(Signed) C. H. LUSHINGTON,
Secretary to the Government of Bengal."

Acting Secretary to Government.

N.B.—This table is an extract from a more extensive yearly Return that is prepared for statistical purposes, and chiefly for the detection of any removable sources of disease, with a view to improving the healthiness of the Island. As the principal object cannot be fully attained unless the true causes of death be recorded, persons of all stations are requested, in each case of death occurring in their circle, to obtain, in writing, from the Medical Attendant, the name of the fatal disease, that it may be delivered to the Policeman at the funeral place. Medical Practitioners, particularly, are requested to aid the registration. Blank forms of Death Reports, to keep by them in readiness, are given gratuitously on application at the Office of the Deputy Commissioner of Police.

It is thought that some withhold their assistance through the notion that reports of the single casualties coming now and then under their observation could but little affect the Returns; but it ought rather to be borne in mind, that the accuracy of the Returns depends on the correct reporting of all *single* cases, for of such only the aggregate is made up.

In accordance with paragraph 1 of printed circular, No. 1309, dated 12th September 1860, and with reference to the letter of the Supreme Government given below, the attention of all Officers is directed to the necessity of exercising particular care in testing periods of service and rates of pay when recommending individuals for gratuity.

FINANCIAL DEPARTMENT.

From the HONORABLE E. DRUMMOND,

Secretary to the Government of India, Financial Department,

To the OFFICIATING CHIEF COMMISSIONER OF THE CENTRAL PROVINCES.

SIR,—Your Assistant Secretary's letter, No. 1324, dated the 22nd October last, to the address of the Government of India, in the Home Department, having been transferred to this Department for disposal, I am directed to inform you, in reply, that His Excellency the Governor General in Council is pleased to sanction the gratuities proposed to be given to the Police Burkundazes of the Saugor and Jubbulpore Divisions who have been discharged in consequence of the reductions recently effected in the Establishments belonging to the Central Provinces.

2. I am instructed to take the opportunity to point out that in recommending the grant of gratuities in cases like the present, the local Officers should be careful to satisfy themselves of the correctness of the rates of pay and the periods of service shown in the Statements, and to certify that they have done so at the foot of the Statements.

3. The necessity for such a certificate and care will be obvious when it is remembered that the Civil Pay Masters are not generally possessed of the means of reporting upon such cases, and that this Department has no means of readily detecting any errors in the data on which the proposals of the Local Government are based.

I have the honour to be, &c.,

REGISTERED LETTERS.

Camp Nynceetal, 21st October 1862.

With the sanction of His Excellency the Governor General in Council, the following orders in the Postal Department are published for general information:—

RULES RELATING TO THE REGISTRATION OF LETTERS SENT THROUGH THE POST OFFICE.

By the payment of a fee of Four Annas in addition to the ordinary Postage, *both of which must be prepaid in Stamps*, any Letter, Newspaper, Pamphlet, or Book may be registered to any place under the Government of India or in the United Kingdom and Colonies.

2. Information regarding the Foreign Countries to which Letters can be registered, and the conditions thereof, will be found in the "Steam Postage Schedule for the Post Offices in India."

3. Letters intended to be registered must be brought to the Post Office at least half an hour before the time fixed for closing the Mail; if brought after that time, they will be stamped "Too Late," and retained for the following Mail.

4. A Postmaster or other official, on being applied to register a Letter, will grant a receipt, and retain a copy on the counterpart of the Cheque Book for the purpose; the dated Office Stamp should be affixed to the receipt, and also to the copy.

5. So soon as a letter is registered, the Postage Labels thereon should be defaced, and the Special Stamp "*Registered*," should be affixed; the address and weight should then be entered in the *yellow cover*, after which, the Letter and the cover should be folded up together, and placed under lock and key, until the time for closing the Mail.

6. On opening a Mail Packet, the Postmaster should carefully examine the Registered Letters, and compare the weight of each with the entries thereof in the Chulan and yellow cover; the Office Dated Stamp should then be affixed to them, and also to the yellow cover, after which they should be disposed of as prescribed in the rules for opening and distributing the Mail.

7. In disposing of a Registered Letter, care must be taken to ensure *proof* of transfer by each official through whose hands it passes from the time of receipt to that of delivery; an acknowledgment must therefore be taken by initials, or otherwise, from each person into whose hands it may be given for *custody, despatch, or delivery*.

8. On delivery of a Registered Letter, the Postman should obtain the signature of the addressee on the yellow cover; the "*original*" receipt will be retained in the Delivery Office, and the "*duplicate*" returned to the Office of Despatch *by the first Mail*.

9. The "*duplicate*" receipt, on being returned, should be pasted to the counterpart in the Cheque Book; when not received back within the proper time, it should be called for, and a note of the requisition made on the duplicate receipt in the Cheque Book.

10. On a Registered Letter having to be *re-directed*, the duplicate portion of the yellow cover should be receipted and returned to the Office of Despatch, with a remark showing the Office to which it has been forwarded.

11. When a Registered Letter cannot be delivered, it should be forwarded without delay, together with the original yellow cover, to the Office of Despatch, in view to be returned to the Sender, and, if he cannot be found, it should be sent to the Dead Letter Office.

12. When a Registered Letter is found to be missing, the Postmaster must *immediately* submit a full and clear report of the circumstance to the Inspecting Postmaster and Postmaster General, and also to the Office of Despatch, in view to a searching inquiry being at once instituted to ascertain *where* and *how* it disappeared.

13. The Postmaster General will, without delay, bring to the notice of the Director General the loss or theft of a Registered Letter, and on completion of the inquiry instituted thereon, report the result.

14. By Section 49 of the Postal Act, Government does not guarantee, and is not responsible for, the safety of a Registered Letter, but any official through whose neglect it may be lost or made away with, will be called to strict account, and may be required to make good any loss.

15. Registration makes the transmission of a Letter more secure, by rendering it practicable to trace it from one official to another; if, therefore, by neglect of prescribed precautions, it is lost or made away with, the officials of the Post Office will have no ground for complaint if held responsible for the consequences of their neglect.

16. As registration does not involve a receipt for the *contents* of a Letter, and as abstraction thereof may take place *before* as well as *after* the cover is posted, and even *after* delivery, it is recommended that the addressee who expects valuable enclosures, should, at the time of granting a receipt, open the letter in the *presence of the Postman*.

17. A Letter containing Bank Notes, Postage Stamps, or other valuable articles, should, as a rule, be registered, and should be securely folded, or enclosed in a substantial envelope, and *always sealed with wax*, in order to prevent, as far as possible, its being tampered with.

N. B.—A Letter is not ordinarily of importance to any person excepting the addressee; but if valuable articles are enclosed, the case is otherwise, and temptation is thrown in the way of the numerous persons in the Post Office through whose hands it passes. Hence the precaution of registering such Letters is recommended.

G. PATON,

Director General of Post Office in India.
