MARINE DEPARTMENT.

The following report of a Committee appointed under the provisions of Section 100 of Act I. of 1859, to investigate the circumstances connected with the running down of the Pattamar "GUNESH PERSAD" by the Steamer "TILLY," while on her voyage to Cochin, on the morning of the 15th April last, is published for general information. His Excellency the Governor in Council concurring therewith.

W. F. MARRITOT, Lieut. Colonel,
Secretary to Government.

Bombay Castle, 9th July 1863.

"REPORT.

On careful consideration of the statements made before us we are of opinion that the collision by which the Pattamar 'GUNESH PERSAD' received injury was accidental. No blame appears to us to attach to the Master or Officers of the 'TILLY.'

The Master of the 'TILLY' appears to have adopted every proper precaution, to have acted according to the Admiralty instructions, and to have used every exertion to save the Crew and Passengers of the Pattamar after the collision, as well as to save the Pattamar.

The preponderance of the evidence elicited is to the effect that had the Pattamar continued her course, instead of porting her helm, the collision would not have taken place.

GENERAL ORDERS

BY HIS EXCELLENCY THE HONORABLE THE GOVERNOR IN COUNCIL.

MILITARY DEPARTMENT.

Bombay Castle, 8th July 1863.

No. 362 of 1863.—Captain O. Bourdillon, of the Invalid Establishment, Pension Paymaster at Dapoolee, has passed an examination in the Hindoostance language, agreeably to the test prescribed in the General Order No. 532, dated 21st September 1860.

No. 363 of 1863.—The following letter, addressed by the Secretary to the Government of India to the Secretary to Government Fort St. George, No. 562, dated 19th June 1863, is published for the guidance of those concerned :—

“No. 562.

To the SECRETARY to the GOVERNMENT, Fort St. George, Military Department,

SIR,—With reference to your letter No. 2581, of the 24th July 1862, I am desired to acquaint you for the information of the Government of Fort St. George, that unlimited service men of the Indian Army who have entered the line continue on the same footing in regard to renewal and bounty (gratuity) on renewal after 17 and 20 years' service as if they remained in the Indian Army, viz :—

Rupees 50 for 5 years' service.

“ 40 for 3 “ “

“ 16 for 1 “ “

2. With regard to kit money no such allowance was made to unlimited service men of the Indian Army, and there appears to the Government of India to be no reason adduced for extending it to them now.

I have &c.,

(Signed) H. K. BURNE, Major,

Fort William, 19th June 1863.

Officiating Secretary to the Government of India.”

No. 364 of 1863.—The following General Order by His Excellency the Commander in Chief in India, dated Camp Lucknow, 13th January 1863, is republished :—

“*Head Quarters, Camp Lucknow, 13th January 1863.*

Under instructions from Government, the Commander in Chief is pleased to direct that in supersession of all previous Orders, Soldiers who have volunteered for General Service from Her Majesty's Indian Forces shall in future be discharged, invalided, and pensioned precisely in accordance with the Forms and Regulations in force in the British Service, whether they may have elected for the Indian or British scale of pension, under the provision of G. O. C. C. of the 10th April 1861.

2. For the present, and till further orders, it will, however, be necessary in the case of men who apply for pension under the Indian Rules to furnish, in addition to the documents prescribed in Her Majesty's Regulations, the roll and certificate of character hitherto required under Articles 8 and 9, Section XLIV. of the Bengal Military Regulations. This roll and certificate should be at once forwarded to the Officer in charge of the office of the Adjutant General of the Army at the Presidency, for verification and submission to Government, in order that the proper rate of pension due to the Soldier may be authoritatively fixed without delay.

3. A certificate showing the exact amount of pension to which each Soldier is entitled under the Indian rules will be forwarded by the Government of India for the guidance of the authorities in England, by whom all discharge papers will be finally dealt with.

4. Applications for discharge by indulgence or otherwise, of men on the Unattached List, are to be forwarded by heads of departments, in the first instance, to the Regiments on whose Rolls the men are borne, with a Memo. of the applicant's conduct. The proceedings of the Regimental Boards assembled at the Head Quarters of the Regiment to verify the man's service, &c. will then be sent to the Officer under whom the applicant may be serving, for signature of the 'declaration' which must be attested by the departmental Officer who will then return the documents to the Regiment for immediate disposal in the usual manner.

5. Officers Commanding the new Regiments are here reminded that, the documents of Soldiers applying for discharge by purchase, and of men desirous of remaining in India, or of residing anywhere out of England on discharge, are in all cases to be sent to the Adjutant General Her Majesty's Forces at Head Quarters for completion.

By order of His Excellency the Commander in Chief,

(Signed) E. B. JOHNSON, Lieut. Colonel,

Officiating Adjutant General of the Army.”

"No. 83A of 1863.—The following extract from a Military Despatch from the Right Honorable the Secretary of State for India, No. 171 of the 9th May 1863, is published for general information :—

Paragraph 2.—You have informed His Excellency the Commander in Chief * * * * * that it was never contemplated to appoint Officers of one Presidency to the Army Staff Departments or to Corps of the regular establishment of another Presidency, and that so long as there are Officers of the Bengal Army available for employment, you cannot sanction the appointment of Madras or Bombay Officers to Corps on the regular Bengal Establishment.

3. You have also stated, I observe, that Officers of other Presidencies have always been freely employed in the Panjab and Hyderabad and other Irregular Forces under the orders of the Government of India, and are of course still eligible for such situations.

4. I approve of the decision you have formed upon the subject.

5. In my Despatch, No. 319, dated 18th August 1861, paragraph 46, I observed, with reference to the subject, that I should not object to the practice of Officers of the Staff Corps in one Presidency being employed in another, being extended, on special occasions, but that I concurred in your opinion that ordinarily it would be inconvenient to bring Officers of all the Presidencies promiscuously into the several Staff Departments of the Armies of Bengal, Madras and Bombay.

6. I consider therefore that so long as there are Officers of the Bengal Army available and qualified for employment, Madras and Bombay Officers should not be appointed to Corps on the regular Bengal Establishment.

N.B.—This table is an extract from a more extensive yearly Return that is prepared for statistical purposes, and chiefly for the detection of any removable sources of disease, with a view to improving the healthiness of the Island. As the principal object cannot be fully attained unless the true causes of death be recorded, persons of all stations are requested, in each case of death occurring in their circle, to obtain, in writing, from the Medical Attendant, the name of the fatal disease, that it may be delivered to the Policeman at the funeral place. Medical Practitioners, particularly, are requested to aid the registration. Blank forms of Death Reports, to keep by them in readiness, are given gratuitously on application at the Office of the Deputy Commissioner of Police.

It is thought that some withhold their assistance through the notion that reports of the single casualties coming now and then under their observation could but little affect the Returns; but it ought rather to be borne in mind, that the accuracy of the Returns depends on the correct reporting of all single cases, for of such only the aggregate is made up.

NOTE.—Eight pie is equal to one penny.

Eight pie Stamps can be obtained at the Post Office and other Stamp Vendors.

The quarter ounce weight that heretofore obtained for correspondence to the United Kingdom through France has been dispensed with.

The alteration consists of the abolition of the present rate of French postage (3*d.* per quarter ounce), and the substitution of a rate of 4*d.* per half ounce, the English postage (6*d.* per half ounce) remaining as at present.

Stamped Note Paper and Envelopes.—It having been ascertained in a number of instances that losses of Letters which had been attributed unjustly to the Post Office were in reality caused by the dishonesty of Peons and Servants of Posters, who made away with them for the sake of the Stamps affixed, it is considered advisable to remind the Public that they can protect themselves, to a great extent, by writing upon Stamped Note Paper or Stamped Envelopes, the Stamps of which it is illegal to sell or use except upon the Envelope and Paper upon which they were originally impressed. Stamped Paper and Envelopes are to be had, of the value of One Anna and Half Anna per cover or sheet, at the following prices, at all Post Offices:—

	<i>Rs.</i>	<i>a.</i>	<i>p.</i>	
¼ Anna Note Paper stamped	0	12	0	per bundle, containing 16 sheets.

Post Line between Goa and Sadashewghur.—A Post Line has been opened between Goa and Sadashewghur, 58 miles apart. The former, which is at present the nearest Telegraph Station to the latter, is available in both directions for Telegrams, which can also be sent by “Express,” if desirable, at Express rates of Postage—4 annas per mile.

Telegrams meant to be forwarded by the daily Post should not be later than 10 A.M. in reaching Goa.
