To The SECRETARY to the GOVERNMENT of BOMBAY.

SIR,

I have the honour to enclose a printed copy of Rules for the Collector of Customs duties in His Highness the Nizam's Territories, with two Schedules, one of articles on which duty is to be levied, and the other of exempted articles.

2. The rules have received the approval of His Excellency the Viceroy and Governor General, and I beg His Excellency the Governor will be so good as to direct their publication in two or three successive numbers of the *Bombay Government Gazette* :—The new duties will take effect from 28th February 1865, corresponding with 1st Showal 1281 H.ree.

4. The rates of duty in Schedule I. are calculated to be 5 per-cent. on the average value of the articles, and they are liable to increase or reduction from time to time, of which notice will be given.

5. It may be as well to publish this letter, or the two preceding paragraph, at least with the rules.

I have the honour to be &c.,

(Signed) G. U. YULE,

TRANSLATION.

Rules for the Collection of Customs Duties in His Highness the Nizam's Territories.

I. His Highness the Nizam's Government has established a Custom House in the City of Hyderabad under the charge of the Hyderabad Kurorgheeree Officer, and three other Custom Houses at Chudderghaut, and the Cantonments of Secunderabad and Bolarum, subordinate to the City Custom House, under the charge of Officers nominated by His Highness' Government, and duties will be levied at the above Custom Houses on all Goods imported from British territory or from Districts in His Highness' territories into the Bazars connected with the City or with Chudderghaut and the Cantonments of Secunderabad and Bolarum, and on all Articles produced or manufactured within those places.

II. Duties will be levied at the frontier Custom Houses or Chowkees specified in Rule V. on all Goods imported from the British territories into those of His Highness the Nizam, excepting Goods imported direct into the City of Hyderabad, or Chudderghaut, or the Cantonments of Secunderabad and Bolarum.

III. Duties will be levied on all Goods by the Officers in charge of the Custom Houses and Chowkees established by His Highness the Nizam's Government, once for all, at the rates specified in the accompanying List, without any favour, remission, or reduction whatever.

IV. On Spiritous liquors, Sindee, Goolmowa, Ganja, Bung, and all other intoxicating drugs, which belong to the "Bidut" department, and on Salt belonging to the "Sub-o-punj," duties shall be levied by the Officers of the respective departments appointed by His Highness the Nizam's Government, agreeably to established usage.

V. On the frontiers of His Highness the Nizam's territories, Custom Houses, subordinate to the Kurorgheeree of Hyderabad, will be established at the following Six Stations, under the charge of Superintendents, appointed by His Highness the Nizam's Government.

1st.—On the West at Nuldroog, by which road, Goods pass to and from Bombay.

2nd.—On the North West at Moongeputtan, in the neighbourhood of Aurungabad, by which road, Goods pass to and from Ahmednuggur, &c., in the Bombay Presidency.

3rd.—On the South West at Lingsongoor, in the Zillah of West Raichore, by which road, Goods pass to and from Madras, Bellary, Kurnool, and Bombay.

In connection with the above Custom Houses, Chowkees will be established as may be necessary.

VI. In the Cantonments of Aurungabad, &c., the undermentioned five Custom Houses are established subordinate to the Kuroogheteer of Hyderabad, for the levy of duties on Goods imported from British territory, namely—

Aurungabad.
Jaulnah.
Mominabad.
Hingolee.
Lingsogoor.

VII. All Goods the produce or manufacture of districts belonging to the Surf-i-khas, the Dewanee and Pagah, or of places belonging to Jageerdars, Mukhtadars, and others in His Highness the Nizam's dominions, sold or consumed within the places named in the preceding Rule or within any other place whatever in His Highness' dominions, except those places mentioned in Rule I., or imported or exported from one place to another within the said dominions, shall be entirely exempted from the payment of all Customs and Transit duties, Huddarees, &c. Therefore all Talpookdars, Naibs, Jageerdars, Mukhtadars, Zumeendars, Mokudums, Putwarrees, Koolkurnees, Dangeputkees, &c. shall not levy Custom or Transit duties or Huddarees, &c., from traders and others, subjects of the British Government, or of His Highness the Nizam's Government at any place or on any account, upon Goods imported or exported from districts or villages, or consumed within them. Nevertheless, agreeably to Rule I., duties will be levied on the productions and manufactures of His Highness the Nizam's territories, at the Custom Houses of the City of Hyderabad, of Chudderghaut, and of the Cantonments of Secunderabad and Bolarum, by the Officers of the Customs department of His Highness the Nizam's Government.

VIII. Upon Goods from British territory, passing on the roads where the frontier Custom Houses or Chowkees mentioned in Rule V. are situated, to the City of Hyderabad or Chudderghaut or to the Cantonments of Secunderabad and Bolarum mentioned in Rule I., or to the Cantonments of Aurungabad, &c., mentioned in Rule VI., the Superintendents or Chowkeedars shall demand no duty, but deliver to the carriers of such Goods, certificates agreeably to Form No. 1, and they shall transmit copies thereof daily with their letters to the Officers in charge of the Custom Houses at the places to which the Goods may be consigned, with a view that on the arrival of the Goods at their destination, these Officers may verify the Invoices and realize the Custom duties thereon, agreeably to the List furnished by the Circar, granting receipts for the same agreeably to Form No. 2.

IX. On Articles the produce or manufacture of His Highness the Nizam's dominions, exported into the British territories, duties will be levied at the frontier Custom Houses or Chowkees agreeably to the List furnished by the Circar and specified in Rule III., and receipts granted agreeably to Form No. 3.

X. Traders receiving the certificates referred to in Rule VIII., at the frontier Custom Houses or Chowkees, and not taking their Goods to the Custom Houses specified in them, but fraudulently disposing of them at any intermediate place without paying the established Custom duties, are liable for such fraud, to fine or any punishment the Circar may deem proper to inflict.

XI. Duties agreeably to the List furnished by the Circar, shall be levied on Goods imported from British territory for any district in His Highness the Nizam's dominions, excepting the City of Hyderabad, Chudderghaut, and the Cantonments of Secunderabad and Bolarum, mentioned in Rule I., or the Cantonments of Aurungabad, &c., mentioned in Rule VI., by the Superintendent of the frontier Custom House or Chowkeedar on authentic Invoices, or if he has cause of suspicion, he is at liberty to open some of the bales and inspect the contents; and the above duties shall be levied either in ready money or by Hoondees at 8 days' sight drawn on some respectable Sowcar or Trader at Hyderabad. Receipts for the same shall be granted agreeably to Form No. 4.

XII. With a view to the prevention of fraud, it is ruled in regard to Goods on which duty is leviable at any of the Custom Houses or Chowkees established by the Circar, that if any fraud is attempted by the traders and others by exhibiting lower prices than the real ones either in their Invoices or otherwise, or by given a wrong account of the quality or quantity of Goods, the Officers in charge of such Custom Houses or Chowkees shall sequestrate such Goods, and give information thereof through the Kuroogheteer Officer at Hyderabad to the Circar, by whom orders will be issued for imposing a fine or inflicting any other punishment on the offending parties as may be deemed proper.

XIII. The Custom duties to be levied agreeably to the List furnished by the Circar, shall be in Halee Sicca Rupees current in His Highness the Nizam's dominions, and in the case of Goods where a rate per cent. is chargeable on the Invoice price when in Government Rupees, the rate of exchange shall be 116 Halee Sicca Rupees for 100 Government Rupees, and the duty charged shall be on the sum total of Halee Sicca Rupees.

XIV. On account of the scarcity and high prices of grain, all duties on grain of every description are remitted within His Highness the Nizam's dominions, including duties on grain imported across the frontier, but on grain of any description exported from His Highness the Nizam's territory beyond the frontier, a duty of 8 annas per bullock load agreeably to the authorized List will be levied by the Officers of the Custom Houses and Chowkees on the frontier.

XV. If any trader or other person quits the road on which the Custom Houses or chowkees on the frontier are established, with the purpose of defrauding the Government of the duties, and takes his Goods secretly by a different road, such Goods upon discovery will be sequestered by the Customs Officers, and a report made without delay to the Officer in charge of the Hyderabad Kuroogheteer, with a view to the punishment of the offenders and the reward of the persons through whom the discovery was made, as the Circar may deem fit.

XVI. All Goods passing through His Highness the Nizam's territory from one British district to another, shall be exempted from all Transit and Frontier duties whatsoever. On the arrival of such Goods at any frontier, the Officer in charge of the Custom House or Chowkee shall furnish the carriers with a Certificate per Form No. 5, and when Goods reach the opposite frontier, the Officer in charge of the Custom House or Chowkee there, shall claim and receive the Certificate and then allow the Goods to pass. All such certificates shall at the end of the month accompanied by a List of the Certificates and a detailed List of the Goods, containing the names of the owners, the quality and quantity of Goods, the place from whence they were brought, and their destination, and the date of their quitting the frontier, shall be transmitted to the Officer in charge of the Hyderabad Kurorgheeree. In the event of any of the traders or others, instead of conveying the Goods into the British territory, fraudulently disposing of them in any place within His Highness' dominions without paying the Government duties, the offenders shall be fined or otherwise punished as the Government may see fit.

XVII. If any trader shall bring Goods, on which duty is payable by the bullock load, agreeably to the established List of the Circar, and such bullock load shall exceed in weight a pullah of 120 pukkah seers, a duty corresponding to the excess of weight shall be levied.

FINANCIAL DEPARTMENT.

The following Despatch from Her Majesty's Principal Secretary of State for India, with enclosure is published for general information :—

"INDIA OFFICE: London, 18th January 1865.

FINANCIAL

No. 2.

His Excellency the Honorable the GOVERNOR IN COUNCIL, Bombay.

SIR,—I forward to you a copy of a Despatch to the Government of Madras of this day's date, No. 1, on the subject of an appeal by an Uncovenanted Servant in that Presidency, against the enforcement in his case of the new Uncovenanted Service Pension Rules.

2. You will observe that, in certain cases, where the application of the new Rules would render it necessary for an Officer, in order to obtain his pension, to serve for a longer period than was required by the old Rules, Her Majesty's Government authorise the grant of a pension, under the old Rules, provided that he has not at any time availed himself of the benefits conferred by the new Leave Regulations.

I have the honour to be, &c.

(Signed) C. WOOD.

INDIA OFFICE: London, 18th January 1865.

FINANCIAL

No. 1.

To His Excellency the Honorable the GOVERNOR IN COUNCIL, Fort Saint George.

Sir,

1. I have considered in Council your public letter, dated the 31st of October 1864, No. 38, forwarding a memorial by Mr. J. G. Ferrand, First Uncovenanted Assistant in the Military Department of the Government Secretariat, praying that the new Uncovenanted Service Pension Rules may not be enforced in his case, but that, when the time arrives for his retirement from the service, he may be allowed the benefit of the former rules.

2. The general tendency of the new rules, so far from causing injury to the members of the Uncovenanted Service, is on the contrary to improve their position. In regard to the grant of pensions to Uncovenanted Servants in the enjoyment of high salaries, it had become necessary to fix a more definite limit than had previously existed; but with this exception, the cases will be comparatively few, in which the new rules will not be found more favourable than the old.

3. Mr. Ferrand points out that the application of the new rules might render it necessary for him, in order to obtain a pension, to serve for a longer period than was required by the old rules. In the case of any Uncovenanted Servant so circumstanced, who was appointed prior to the promulgation of the new rules, and whom you may consider entitled to favourable consideration, I shall not object to your granting a pension after he has completed the period of service required by the old rules, in the event of his health rendering it necessary for him to retire from your service. It must, however, be understood that an Uncovenanted Servant will not be allowed to take his pension under the old rules, if he has at any time availed himself of the benefits conferred by the new leave Regulations.

4. In making this communication, I think it necessary to call your attention to the great inconvenience which must result from your asking the decision of the Home Government upon some point of the Pension Rules, with direct reference to an individual whose retirement from the service has not yet taken place. It is a fundamental principle of those rules that the full amount of pension is only to be given as the rewards of approved service. Until an Officer retires from the service, it cannot be known what amount of pension the Government will consider him to deserve, and their determination can hardly be unfettered, if a decision has been previously passed by the Home Government on his individual case.

I have the honour to be, &c.

(Signed) CHARLES WOOD."

The Directors of the Frere Land and Reclamation Company (Limited), in pursuance of Act XXII. of 1863, have the honour to apply for permission to reclaim that part of the Foreshore of the Bombay Harbour which extends from the property of the Mazagon Land and Reclamation Company, Limited, to the Island of Trombay, for the purpose of making Wharves and Docks, and of erecting Warehouses and other buildings, and of applying a portion of the land reclaimed to agricultural or other purposes.

The accompanying Map shows the ground proposed to be reclaimed.

The necessary funds are proposed to be provided by the Frere Land and Reclamation Company, Limited, whose property occupies at present a considerable sea-frontage in a most advantageous position. This is a registered Company; and the First Call, amounting to Rs. 80,00,000 has been already paid up.

NOTICE is hereby given, that an application is about to be made to the Government of Bombay, for the purpose of reclaiming a portion of the Foreshore closely abutting on the Lady Jamsetjee's Causeway, and situated about midway between the Police Station at Bandora and the Mahim Railway Station of the G. I. P. Railway. The singular advantages which call this project into existence are as follows:—

1st.—There is a Tidal power existing which with judicious management can be made subservient to all manufacturing purposes, and varying from ten to one hundred horse power as may be required.

2nd.—The importance of the project in question will be fully developed by the reclamation of six acres of the first Section, and the Promoters will solicit permission to apply for any other portion of the foreshore as the success of the scheme will render justifiable.

3rd.—The land proposed to be reclaimed is within almost immediate access to the Bombay, Baroda, and Central Indian Railway, and within half a mile of the Great Indian Peninsular Railway. This site will form, as it were, a terminus for the reception of Central Indian Imports.

4th.—No difficulties whatever will arise in turning to account the same facilities for export trade as specified in the above clause.

5th.—The contemplated extent of this reclamation will embrace the advantages arising from an open Sea-board which may be made eminently useful for the reception of coast craft cargoes.

6th.—Road communication already exists between the causeway and Bombay.

7th.—Several other roadways afford immediate communication to many important positions on the new reclamations.

8th.—The Promoters undertake to protect Lady Jamsetjee's Causeway as it exists at present, and to erect only such buildings as shall prove an ornament to the causeway.

MAY IT PLEASE YOUR EXCELLENCY.—We, the undersigned, with a view to assist in supplying some of the most urgent wants of our city, by providing additional room for its increasing commerce, and additional house accommodation, in a healthy situation and at moderate charges, for its increasing population, in accordance with the repeatedly expressed wishes of Your Excellency in Council, have the honour to make the following application under Act XXII. of 1863, with the provisions of which we undertake to comply.

We have the honour to solicit from your Excellency in Council a concession of the foreshore and portion of the Mahim Bay, situate and lying between Woorlee Point and the Bridge of Lady Jamsetjee's Causeway, being the whole of the south-western, southern, and south-eastern portion of the Bay, and all the proprietary and other rights of Government over the same.
