FINANCIAL DEPARTMENT.

The following Notification by the Government of India is republished for general information :—

"No. 1765.

Fort William, the 29th March 1865.

The following correspondence is published for general information :—

From E. H. LUSHINGTON, Esq., Secretary to Government of India, Financial Department, to Secretary to Government of Fort St. George (No. 3609, dated 30th November 1864).

I am directed to acknowledge the receipt of your letter No. 1970 of the 25th October 1864, from the enclosures of which it appears that a retrenchment made by the Civil Pay Master, Madras, on account of the pay of the Serishtadar of the Dindigul Talook in Madras, who was allowed privilege leave for three months, of which only two months leave had been earned before the promulgation of the new rules for the grant of leave of absence to Uncovenanted Servants, was remitted by the Government of Madras, firstly, because the Resolution No. 3478, passed in this Department on the 31st July 1863, intended to allow Uncovenanted Officers who had already earned accumulated privilege leave under the old rules, to "retain that leave, *plus* whatever they could earn under the new, provided the aggregate does not exceed the maximum period of three months;" and, secondly, because the Leave Rules do not apply to servants on less than Rupees 100 per mensem.

2. In reply I am desired to forward a copy of a letter No. 343, dated the 24th May 1864, to the

Letter to the Civil Pay Master, Madras, No. 3654 of the 10th August 1863, communicated by Endorsement to the Government of Madras.

address of the Secretary to the Government of Bombay, from which it will be seen that the Madras Government has not correctly interpreted the Resolution of the 31st July 1863, and to draw attention to the orders noted in the margin, declaring that the spirit of the new Leave Rules should be observed in the cases of Uncovenanted Servants on less than Rupees 100 per mensem. The remission, however, of the retrenchment against the Serishtadar of the Dindigul Talook is confirmed, as a special case.

From J. D. SIM, Esq., Secretary to Government of Fort St. George, to Secretary to Government of India, Financial Department (No. 396—437, dated 23rd February 1865.)

1. I am directed to request that His Excellency the Governor in Council may be informed of the precise meaning of the ruling conveyed in paragraph 2 of your letter to my address, dated 30th November last No. 3609, viz., that "the spirit of the new Leave Rules should be observed in the cases of Uncovenanted Servants on less than Rupees 100 per mensem."

2. In the instance which led to the above ruling, this Government, in dealing with a case of special hardship, remarked that the Leave Rules do not apply *with the same strictness* to Officers drawing less than Rupees 100 per mensem as to those drawing that sum or more. From your reply above quoted, it would, however, seem that the rules apply with at least equal strictness to all Uncovenanted Officers.

3. Another case has now occurred in which a Clerk on 25 Rupees per mensem who obtained private leave in February 1859, was granted similar leave in March 1864. A moiety of his pay during the latter leave is available, but the Civil Pay Master objects to its disbursement, because, under the rules a second leave on private affairs cannot be taken by a servant drawing 100 Rupees and upwards, until the expiration of six years.

4. The Civil Pay Master, if correct, in fact applies the *letter* of the rules to these officers, whereas the ruling of the Supreme Government seems to imply that it is not the *letter* but the *spirit* of the rules which is applicable. The Governor in Council would be glad, under these circumstances, of a fuller expression of the wishes of the Supreme Government for his guidance.

From E. H. LUSHINGTON, Esq., Secretary to Government of India, Financial Department to Chief Secretary to Government of Madras (No. 1866, dated 28th March 1865).

In reply to your letter No. 396, dated the 23rd February 1865, I am desired to inform you that the spirit in which the rules for leave of absence to Uncovenanted Servants should be applied to servants drawing less than Rupees 100 monthly, is explained in my letter to the Civil Pay Master, Madras, No. 3654, dated 10th August 1863, a copy of which was duly communicated to you.

2. With reference to the inquiry whether the Leave Rules should be applied *with the same strictness* to servants on less than Rupees 100 a month as to those drawing that sum and more, I am to state that Local Governments may, at their discretion, grant other than privilege leave, to the former class of servants, in excess of the periods prescribed for servants on Rs. 100 and upwards, seeing that such leave will not count for pension.

(Signed) E. H. LUSHINGTON,
Secretary to the Government of India."

'INDIA OFFICE, London, 2nd February 1865.

PUBLIC No. 12.

To His Excellency the Right Honorable the Governor General of India in Council.

SIR,—In accordance with the suggestion made in your letter in the Foreign Department (General), dated 19th September (No. 17) 1864, I have consulted the Law Officers of the Crown and the Standing Counsel to this Department on the question whether the restrictions as to salaries in India imposed by Acts 33 George III, Cap. 52, Section 57, and 53 George III, Cap. 155, Section 82, have been repealed by Act 24 and 25 Victoria, Cap. 54; and it is the opinion of those functionaries that the enactments in question have been wholly repealed by Section 7 of the last-mentioned Act.

2. It will be proper, in accordance with this opinion, that any sums, which since the passing of Act 24 and 25 Victoria, Cap. 54, have been withheld from any Junior Civilian in any of the Presidencies under the view of the Law which has now been declared to be erroneous, should be paid to them, and that any sums retrenched on the same account should be refunded; and having considered the subject in Council, I have to request that you will cause an adjustment of the salaries of the Civil Servants in question to be effected in conformity with this view.

3. I shall address you hereafter on the general subject of the limitation of salaries in relation to length of service.

I have, &c.,

No. 209 of 1865.—His Excellency in Council learns with deep regret that at a recent examination of proficiency in the Native Languages, three Officers tendered translations which bore internal evidence of being prepared by another. The case was reported to His Excellency the Commander in Chief, who will have taken due notice of the misconduct of the Officers.

But His Excellency in Council has been advised in consequence to require from future candidates certain declarations on honour to preclude similar practices. This he is unwilling to do. If it be possible that a lax apprehension of honour in this matter has begun to prevail, His Excellency in Council believes that this publication of the case is alone sufficient to recall Officers and Gentlemen to a true sense of such conduct.

No. 27.

INDIA OFFICE: *London, 9th February 1865.*

To His Excellency the Right Honorable the Governor General of India in Council.

STR.—Having been informed by the Secretary of State for War that, in consequence of Officers commanding British Regiments in India not complying with the provisions of the War Office Circular No. 720 of 1861 (sent out in my Despatch No. 458 of 1861), errors have arisen, and are likely again to occur, in the settlement of the clothing compensation claims of men who arrive in this country from India.

2. I have to request that you will cause the provisions of the Circular in question to be made applicable to India, and to give instructions to Officers commanding British Regiments serving in India that all compensation in lieu of clothing (including the extra articles) should be paid at the Regiment to the end of the month preceeding the date of the men leaving it, and to no later date; that no compensation should be drawn in India for remittance to the men in this country for any time subsequent to that date, the Paymasters in England being authorized by the Circular to pay it; and further, that if any double payment should arise from inattention to this Regulation, the Officer signing the Return will be held responsible.

3. In order also to prevent the delay which occurs in the issue of such compensation to the legal representatives of a deceased Soldier, and to save much correspondence, directions should be given that when a Soldier dies in India, the clothing compensation due to him to the date of his death should be credited by the Regiment with his other effects in the Casualty Return, and that it should be stated on the Return that such is the case.

I have, &c.

WAR OFFICE, 16th October 1861.

Secretary Sir George Lewis having had under consideration the system at present pursued in the settlement of claims of discharged men for compensation in lieu of clothing, has decided that all such claims shall in future be adjusted prior to the men receiving their discharge, either at the Dépôts of their Regiments or at the Invalid Depot.

Officers commanding Regiments and Corps at Home, Abroad and in India, have been accordingly directed to send home, with the other documents which are required to accompany a soldier transferred to another corps, or to the Invalid Depôt, a Return (W. O. F. 32), a copy of which is annexed, carefully filled up and certified by them.

Upon receipt of this document, Paymasters are authorized to act upon the information therein given, and to settle each man's claim for compensation up to the day of his discharge, without special reference to this Office, as heretofore; and should any man on arrival be transferred to another Regiment or Depôt for discharge or otherwise, an extract of the Return alluded to, showing the state of his clothing accounts, should be invariably sent with him.

The amount paid should be charged in the Paymaster's accounts under Vote 9, Item 46, supported by the Return and the receipt of the man to whom compensation has been paid.

5. When a Commissioned or Warrant Officer is ordered to travel on public duty under any of the above conditions, he must apply to the Divisional Officer of the Quarter Master General's Department, or, if time does not admit of a reference to the Head Quarters of the Division, to the Brigade or Station Staff Officer on the spot, who will furnish him with either a Railway Pass, or Passage Order by any vessel or conveyance by which free or contract passages can be provided, on which pass or order is to be entered a copy of the General, Divisional, or Garrison Order referred to in paragraph 2.

N.B.—This table is an extract from a more extensive yearly Return that is prepared for statistical purposes, and chiefly for the detection of any removable sources of disease, with a view to improving the healthiness of the Island. As the principal object cannot be fully attained unless the true causes of death be recorded, persons at out-stations are requested, in each case of death occurring in their circle, to obtain, in writing, from the Medical Attendant, the name of the fatal disease, that it may be delivered to the Policeman at the funeral place. Medical Practitioners particularly are requested to aid the registration. Blank forms of Death Reports, to keep by them in readiness, are given gratuitously on application at the Office of the Deputy Commissioner of Police.

It is thought that some withhold their assistance through the notion that reports of the single casualties coming now and then under their observation could but little affect the Returns; but it ought rather to be borne in mind, that the accuracy of the Returns depends on the correct reporting of all single cases, for of such only the aggregate is made up.
