2. Mail bags for Kurrachee, Bunder Abbas, Linga, Bushire, and Bussora, also Bagdad and Turkish Arabia, will be closed in future at 12 (noon) on the above dates.

Notice.

The Post Master being frequently unable to obtain early intelligence, on overland Mail days, of the anticipated time of arrival of the North East Mail Trains upon which the departure of the Suez Steamer depends, and having in consequence no means of giving the public timely notice of unavoidable detentions of 2 or 3 hours, it is hereby notified that whenever the Suez Steamer is obliged to be put off, notices will be sent to the Secretariate, Chamber of Commerce, and the Public Journals in the Fort, and one will be hung up conspicuously outside the Post Office gates for general information.

To give the public the advantage of posting letters of importance to the latest hour, when such minor detentions occur, the Mail boxes will be kept open for fully *prepaid* letters upon which the after time fee is affixed, to within 15 minutes of the departure of the Mail Vans, notification of which will be obtained at the Post Office.

Ship Letters Postage.—As letters received or despatched by private ship or steamer are charged with extra *i. e.* ship postage of one anna each letter in addition to all other postages due, and which is levied on delivery of the letter, it is requested that letters intended for despatch by private vessels should be always so marked on the cover, otherwise in the absence of such direction they will be forwarded by land, where land communication exists.

Goa and the Malabar Coast Mails will, until further notice, be made for despatch to the Stations named below by the Coast and River Navigation Company's Steamer.

The Letter Boxes will be closed at 12 noon, up to which time Letters can be posted.

Letters intended for despatch by the above opportunity should always have the superscription "Per Steamer," and are liable to an extra Ship Postage of one anna per cover on delivery.

Mauritius and Cape of Good Hope Mails.—Regular monthly communication has been established between between Port Louis (Mauritius) and Table Bay (Cape of Good Hope), calling at Natal. A Branch Packet will leave Port Louis immediately after the arrival of the Packets from Suez and Aden, that is, about the 25th of the month, and will return to Port Louis in time for the Packet appointed to leave for Aden and Suez on the 6th of each month.

Letters for Natal and the Cape of Good Hope, St. Helena, and Ascension, *if marked viâ Aden* and Mauritius, will be sent by the route above mentioned, by the P. & O. Company's Packets on the 29th of each month in the fair season.

The Postage on prepaid letters sent by this route will be 8 annas for ½ ounce. Prepayment is optional.

Postage on Letters for Italy.—Letters for any place in the Kingdom of Italy can be prepaid in India at the option of the sender, and will be forwarded with the British Mails to Alexandria, and from thence to their destination by Brindisi or Ancona.

2. The following table shows the combined Indian Sea and Italian Postage chargeable on letters prepaid in India by means of Indian Postage Stamps:—

	Rs.	a.	p.
1. On letters weighing less than ¼ oz., one rate	0	6	0
2. On letters weighing more than ¼ oz, but less than ½ ounce, 3 half-rates	0	9	0
3. On letters weighing more than ½ oz., but less than ¾ of an ounce, 5 half-rates	0	15	0
4. On letters weighing more than ¾ oz., but less than 1 oz., 6 half-rates	1	2	0
5. On letters weighing more than 1 oz., but less than 1¼ oz., 8 half-rates	1	8	0

and so on, adding a half rate or three annas for every additional quarter of an ounce, and one rate or six annas for every additional half ounce or fraction of half an ounce.

3. Unpaid letters from Italy are subject, on delivery in India, to the above rates, and to an additional charge of one penny (eight pies) for each half ounce.

4. Sea and Italian Postage on Newspapers, Books, Printed Papers, and Packets of Samples for Italy cannot be fully prepaid in India, but when posted at any Office except at the port of despatch are liable to Indian Newspaper and Book Post rates, which must be prepaid.

Delivery of Letters.—The delivery of letters being not only retarded, but rendered almost impossible in Bombay and large towns, owing to the imperfect *form of address* generally adopted, the Public at large are invited to assist the Post Office, when addressing Letters to any Municipal Town, by writing invariably the name of the Street and the number of the House, and informing their correspondents of the same, by heading their Letters inside accordingly.

2. Want of attention to these apparently trifling particulars, not only delays delivery by compelling the Letter Carriers to hunt over the whole length of a street for perhaps a single person, but it affords an excuse for non-delivery, and a temptation to the Letter Carriers to throw away or destroy the Letter, owing to the trouble imposed by the want of proper direction.

3. Besides this, it also places the Post Office Department entirely in the hands of Letter Carriers, upon whose experience of localities it becomes necessary to rely.

Books and Patterns to Belgium.—Under an additional Postal Convention concluded between Great Britain and Belgium, Books and Patterns can be sent through Great Britain to Belgium under the following Regulations:—

In future, under the term "Book Packets" may be forwarded not only stitched or bound books, pamphlets, and sheets of music, but also printed proof sheets, with ordinary corrections in writing and manuscript attached to such proofs and having reference to them as well as legal and other documents in manuscript; photographs and drawings [so long as those articles are not in glass or placed under glass]; prints or maps, printed, engraved, or lithographed, and whether in paper, parchment, or vellum: but no letter or communication of the nature of a letter, must be forwarded in such packets, or in or upon their covers.

Further, all legitimate binding, mounting, or covering of a book, publication, &c., or of a portion thereof will be allowed, whether such binding, &c. be loose or attached; as also rollers in the case of prints or maps; markers (whether of paper or otherwise) in the case of books; and, in short, whatever is necessary for the safe transmission of literary or artistic matter, or usually appertains thereto.

Patterns or Samples of Merchandize may also, in future, be sent to Belgium at the same rates of postage as Book Packets, and subject to the following Regulations:—

1*st.*—The Patterns or Samples must not be of intrinsic value. This Rule excludes all articles of a saleable nature, and, indeed, whatever may have a value of its own, apart from its mere use as a Pattern or Sample; and the quantity of any material sent ostensibly as a Pattern or Sample must not be so great that it can fairly be considered as having on this ground an intrinsic value.

2*nd.*—There must be no writing or printing, in addition to the address of the person for whom the packet is intended, and the address of the sender other than a trade-mark and numbers and the prices of the articles; and these particulars must, in all cases, be given, not on loose pieces of paper, but on small labels attached to the Samples, or the bags containing them.

3*rd.*—The Patterns or Samples must be sent in covers open at the ends, so as to be easy of Examination. Samples, however, of seeds, drugs, and so forth, which cannot be sent in open covers, may be enclosed in bags of linen or other material tied at the neck; or the bags may be entirely closed, provided that they be transparent, so that the Officers of the Post Office may be able to satisfy themselves as to the nature of the contents.

4*th.*—No article likely to injure the contents of the mail bags, or the person of any officer of the Post Office, may be sent through the Post as a Pattern.

If either of the foregoing Rules be infringed, the packet must not be forwarded.

Notice.

The Branch Post Office at Byculla is removed to the Wooden Building erected opposite the western entrance to the Byculla Church compound.

Official Franking.—The Government of India having sanctioned the abolition of the present system of Official Franking and substitution of a plan by which certain Public Offices will have accounts with the Post Office, and others will prepay their Official letters by means of service stamps, the details are published for general information:—

Postal Notice regarding the alteration in the system of Official Franking ordered to be introduced by the Supreme Government.

From the 1st of May next, the authority to Frank Letters "On Her Majesty's Service only," which was given to the Officers and others enumerated in the two Franking Lists, is withdrawn, and the following Rules for the payment and settlement of accounts of postage on Official Correspondence will be in force.

2. The Offices enumerated in the annexed List B will be allowed to send and receive (without actual Payment of postage) all letters and packets *bonâ fide* and exclusively on Her Majesty's Service. The Post Office will keep an account of the postage due on the Official Correspondence of the Offices and Departments included in the List.

3. Letters for *despatch* from each Office must be properly *tied* up, *faced*, and *enclosed* in a bag sealed with the seal of the Office.

4. Each letter must be endorsed "On Her Majesty's Service only," and bear the *autograph* or *stamp signature and official designation of the Head Clerk*, or some other recognized Officer to certify that it is on the Public Service.

5. The bag, when made up, must be sent *before the hour fixed by the Post Office* for the closing of the Mails for which it is intended. When received at the Post Office, the letters in each bag will be weighed in bulk and charged at the rate of two and quarter annas per tolah. They will then be stamped with a Service Stamp and sorted with the ordinary correspondence.

6. Official letters addressed to any of the Offices, with which accounts are kept, must be endorsed on the cover "On Her Majesty's Service only;" and on receipt at the Post Office to which they are addressed, the covers for each Office will be weighed in bulk, and a charge made against each Office at the same rate at 2¼ annas per tolah. The letters for each Office will then be enclosed in the Official bag sealed and sent out with the ordinary delivery or given to the Messenger of the Office should one be in attendance. It will be the duty of an Officer of the Post Office to see that no letter from any public Office is allowed to pass as Official-paid *which is not properly signed or stamped, and endorsed by the Certifying Officer.* No letter will be sent to any Public Office in the Official bag unless it is addressed to the *Official designation of the principal of the Office*, and is endorsed on Her Majesty's Service only. Letters irregular in these respects will be *treated as ordinary correspondence*, and *charged the full rate of postage.*

7. All correspondence between Public Offices which is not received or sent by one of the Offices with which accounts are kept, will be despatched post paid. But in order to avoid cash payments and possible abuses, a supply of Postage Stamps, marked with the word "Service" across the Stamp will be issued to the Public Officers who are enumerated in list C. The Officers named in this list will, when necessary, issue Service Stamps to their subordinates from their own supply, but will be held responsible for the exercise of reasonable diligence in checking any waste or misuse of the Service Stamp.

8. Stamps marked with the word "Service" will be issued by the Stamp Office in Calcutta to the Stamp Offices in other Presidencies and to the Local Departments supplied direct from Calcutta. The rules applicable to the distribution of ordinary Postage Stamps will be in force in regard to Service Stamps except that no discount will be allowed. Cash or a Transfer Receipt will be paid for all Service Stamps supplied to any Officer,—the amount paid to the Treasury being charged in the Office Contingent Bill of the purchaser supported by the Receipt of the Officer in charge of the Stamp Depôt as a voucher.

9. Each Officer will, in the first instance, procure a supply of Service Stamps sufficient for the estimated supply of his own and subordinate Offices for two months. In framing the Estimate care must be taken to exclude from the calculation all postage chargeable on letters addressed to any Office or Officer included in List B with which the Post Office will keep accounts.

10. Subsequent Indents will be drawn up under any rules and restrictions which may be imposed by the Local Government or Heads of the several Departments.

11. Service Stamps are never to be used in payment of the postage of any letter which is not *solely and exclusively On Her Majesty's Service.* Every letter paid by means of Service Stamps *must be endorsed as On Her Majesty's Service only*, and be attested by the *full signature* and *official designation of the person* by whom it is despatched.

N.B.—Service Stamps are now obtainable at all Hoozoor Treasuries. Mail Bags will, in the first instance, be supplied by the Post Office.

B.

D.

The following parties now authorized to frank will, under the proposed system, not frank, and will not require allowances of Service Stamps.

Brigadiers .... .. Commandants of Forces or Stations. Commanding Officers of Corps or Detachment .. Controller of Money-order Department .. .. .. General Officers on the Staff..	As all correspondence with Army Head Quarters will pass in one official bag or another, and as the Brigade Major or Station Staff will be allowed to send and receive letters without actual payment of postage, it is thought that the correspondence of these Officers with any Office with which an account is not kept, can be sent in the Staff bag. If it should be found necessary Stamps can be issued.
Superintendent, Penal Settlement of Port Blair.....	All correspondence from this Official can be sent to the Secretary to Government, or some Officer with whom an account is kept.

The power of franking will be taken from all the classes enumerated in the old List No. 2, as the arrangement by which superior Officer's account for correspondence received, as well as sent, will render it unnecessary to give them any longer a restricted power of franking. Subordinates in the Judicial, Revenue, Police, Customs, Public Works, Commissariat, Ordnance, Education, Marine and Survey Department will be supplied, when necessary, with Service Stamps by their immediate Superior named in List C.

Notice

Is hereby given that the introduction of the new system of Postage on Official Correspondence is postponed until 1st August 1866.
