Bombay Castle, 25th November 1863.

PROVISIONAL REVISED RULES FOR GRANTS-IN-AID.

Aid will henceforward be experimentally given to Private Schools (not carried on for the sake of profit) in the Bombay Presidency, under the following Rules, which supersede the Rules published in the *Government Gazette* of the 8th July 1863:—

1. The Managers of Schools, who may be desirous of receiving aid from Government, must, on their first application, be registered in the Office of the Director of Public Instruction, at least five months before the commencement of the official year then next following.*

2. With the application for registration must be forwarded a Memo. containing the particulars set out in Schedule A appended hereto.

3. The Educational Inspectors will visit, with the view of examining all registered schools within their divisions respectively, in the course of the official year, giving at least two months' notice thereof to the managers.

4. Provided that if the Inspector, on his visit, should consider arrangements of any school palpably defective, as regards the health or morals of the pupils, he may decline to examine, forwarding however a full report of his reasons for so declining to the Director of Public Instruction and the School Managers.

5. The Inspector, if he be satisfied with the general school arrangements, will examine all the children submitted to him, according to the standard for which they may be respectively presented by the managers (see Schedule B), and certify, under his signature, the number of children passed by him under each standard.

6. Provided, that the Inspector shall satisfy himself that each child presented to him has attended at least 150 days during the preceding 12 months, and is not above the standard of age as regulated by Schedule B.

7. It is to be understood that a child can only be examined for a certificate once in the official year.

8. The managers may then forward to the Director of Public Instruction a receipted Bill, vouched by the Inspectors' certificates, for the amount of Head Money to which they may be entitled under the Schedule C, hereto appended.

9. Schools which at present receive aid from the State cannot, unless they elect to renounce such aid, present children for examination under these rules. But this proviso is not in any way meant to affect the allowances made by the State to Soldiers' Orphans.

10. In addition to the grants to be made, under the above rules, to private schools not maintained for profit, all schools in the Bombay Presidency, except those wholly or partially maintained by the State, will be entitled to the sum of Rupees 50 for each student, whom they may respectively matriculate at the Bombay University; provided that such student shall have been *bonâ-fide* under instruction in such school for at least 12 months preceding his Matriculation.

N.B.—This table is an extract from a more extensive yearly Return that is prepared for statistical purposes, and chiefly for the detection of any removable sources of disease, with a view to improving the healthiness of the Island. As the principal object cannot be fully attained unless the true causes of death be recorded, persons at out-stations are requested, in each case of death occurring in their circle, to obtain, in writing, from the Medical Attendant, the name of the fatal disease, that it may be delivered to the Policeman at the funeral place. Medical Practitioners, particularly, are requested to aid the registration. Blank forms of Death Reports, to keep by them in readiness, are given gratuitously on application at the Office of the Deputy Commissioner of Police.

It is thought that some withhold their assistance through the notion that reports of the single casualties coming now and then under their observation could but little affect the Returns; but it ought rather to be borne in mind, that the accuracy of the Returns depends on the correct reporting of all single cases, for of such only the aggregate is made up.
