CONTRACT FOR SUPPLY OF THE UNDERMENTIONED ARTICLES, &c.

Persons desirous of entering into a Contract for the supply of such articles embraced in the following Schedules, as may be required by the Commissariat Department at Deesa and Mount Abo, for the term of one year, from the date of the acceptance of the offer, may, on application at this Office, from 11 A.M. till 5 P.M. daily (Sundays excepted), obtain copies of the Schedule or List of Prices, and such information relating thereto as they may require.

2. No person will be allowed to bid for the Contract unless he deposits in this Office, in cash, the sum exhibited opposite the Schedule referring thereto, which will be forfeited in the event of withdrawal of his Tender before the Commissary General, or other authorised person in his behalf, shall have signified to him, by a notice in writing, his refusal to accept such Tender, or in the event of delay, evasion, or refusal, on his part, to furnish the requisite further security, and execute the Deed of Contract, when required to do so on his offer being accepted.

3. The further security required is Bonded Security to the amount of Rupees shown opposite each Schedule, subject to the approval of the Commissariat Officer; and this, together with the amount previously deposited, will be held as a guarantee for the due fulfilment of the Contract.

4. Verbal offers for the Contract will be received at this Office, on Thursday, the 31st proximo, at 12 o'clock precisely, when Bidders will be required to bid a percentage above or below the prices exhibited in the above list, at which the supply will be made.

5. The articles supplied must be of unexceptionable quality, and according to musters which may be seen at this Office, or of the sort usually supplied, and are to be delivered, in the first instance, at the Commissariat Stores if required, and afterwards to the indenting Departments, in good condition, free of all charges beyond the stipulated price, in such quantities as may, from time to time, be demanded, being liable to examination and rejection by the Executive Commissariat Officer, or by the indenting or receiving Officers, or by a Committee of Officers appointed on the part of Government, in the event of the Contractor being dissatisfied with the decision of the above Officers or either of them,—it being understood that the decision of such Committee is to be final and binding on all parties.

6. In case the said articles or any of them shall be rejected by the Committee so appointed, the said Committee shall not be required to assign or give any reason for such rejection, but the decision of such Committee shall be final and conclusive; and it shall not be competent to the Contractor, his Heirs, Executors, or Administrators, to question such decision in any Court of Law or Equity, or otherwise howsoever.

7. The Contractor must comply immediately with emergent demands, and meet others of less urgency within the periods stated in the requisitions made upon him; in failure whereof, or if any supply be rejected or condemned by a Committee as aforesaid, the articles, or such others as may be required in lieu thereof, may be at once purchased by this Department, at his risk and cost; and in all such cases Thirty (30) per Cent. upon the amount of expenses incurred, or a fine of any amount up to Rupees (200) Two hundred, at the option of the Executive Commissariat Officer, shall be levied as liquidated damages for each and every such breach of Contract,—the condemnation of any article by a Committee being held to constitute a breach of Contract, whether the rejected articles be replaced by the Contractor or by this Department. In every such case the Contract may be cancelled, at the discretion of the Commissary General; and if it be so cancelled, the Cash deposit, as well as the money secured to be paid by the Bond mentioned in paragraphs 2 and 3 of this Notice, will be forfeited to Government.

8. Any delay, negligence, evasion, or refusal on the part of a Contractor to make supplies or obey orders, or any attempt on his part, or that of his Agents, to pass off articles of an inferior quality in lieu of those he is bound to supply, or any neglect to deliver them at the time and place appointed, will subject him to be fined to the extent of Rupees (25) Twenty-five by the Executive Commissariat Officer; an appeal from his order may be made to the Commissary General, whose decision is to be final; but when any of the penalties provided for in the preceding clause are exacted, no further penalty shall be leviable under this clause.

9. The Contractor, or an accredited Agent on his part, approved of by the Executive Commissariat Officer, must attend at this Office during the usual hours of business, i. e. from 10 A. M. to 5 P. M. daily (Sundays excepted), also at such other time or place as may be indicated by the Executive Commissariat Officer, when it may be considered desirable for the public service to require such attendance.

10. Any party whose offer is accepted must produce Sureties, such as shall meet the approval of the Commissariat Officer, within Fifteen days from the date of the acceptance of his offer, or the Contract will be re-sold, and the amount deposited by the Bidder forfeited to Government. No reason will be stated for rejecting any Security offered.

11. Bills for articles supplied under this Contract must be preferred for examination within one month from the date of the delivery of the same, or the Contractor will forfeit their full value, unless it clearly appear, to the satisfaction of the Commissary General, that the delay was unavoidable. Payment of bills passed in this Office must be claimed within Five days after they are passed, or the amount will be forfeited to Government.

12. The amount of retrenchments made by the auditing authorities on the Contractor's bills will be recovered from the first sums payable to him; but in the event of such retrenchments or any portion thereof being remitted, the amount remitted will be refunded.

13. Any party who, after offering for the Contract, fails to furnish the necessary security, as provided for in Clauses 3 and 10 of this Notice, will be interdicted from bidding on future occasions, unless he

produces a document from some person or persons of unexceptionable character and sufficient means, guaranteeing the due finding of the requisite security, and execution by him of the Deed of Contract, on his offer being accepted.

14. Persons intending to offer may, on application, see a statement of the actual annual consumption during the past years; but it is to be distinctly understood that supplies must be furnished to any extent required, without reference to such former consumption.

15. No reason will be assigned for the rejection of any offer.

No. 1.

TENDER FOR WHEAT.

Notice is hereby given, that verbal offers will be received at this Office, at 12 o'clock (noon) precisely, on Monday the 4th February next, for supplying well-cleaned Wheat, 1st sort, to the Government Bakery at Poona, for one year, from 1st March 1861 to 28th February 1862.

2. The Wheat must be of unexceptionable quality, of the kinds called "Cannoor Pattar," "Pimplee," "Khupla," and "Katta," and delivered, free of all expenses beyond the stipulated price, into the Government Bakery, when ordered. One-third of the quantity should be "Khupla" Wheat.

3. If any Wheat tendered by the Contractor is considered objectionable by the Superintendent of the Government Bakery, and is not immediately exchanged by him, the required quantity will be purchased by this Department, without delay, at his (the Contractor's) risk and cost; and in all such cases, Thirty (30) per Cent. upon the amount of expenses incurred, or a fine of from Rupees (5) Five to Rupees (50) Fifty, at the option of the Executive Officer, will be levied, as liquidated damages, for each and every such breach of Contract,—it being understood that the simple condemnation of any quantity of Wheat by the Superintendent of the Government Bakery constitutes such breach of Contract, whether the rejected grain be

replaced by the Contractor or by this Department. In every such case, it is to be understood that the Contract may be cancelled at the discretion of the Commissary General; and that, if the Contract be so cancelled, the Cash deposit below-mentioned will be forfeited to Government.

4. Biddings for the Contract will be in Company's Rupees.

5. No person will be permitted to bid who has not previously deposited in this Office Rupees (3,300) Three thousand and Three hundred, which sum will be forfeited in the event of withdrawal of his Tender before the Commissary General, or other authorised person in that behalf, shall have signified to him, by a notice in writing, his refusal to accept such Tender, or in the event of delay, evasion, or refusal, on the part of any bidder, to execute the necessary Deed of Contract, after his offer has been accepted. Bonded Security, to the further amount of Company's Rupees (13,200) Thirteen thousand and Two hundred in addition to the above-mentioned deposit, will also be required previous to the execution of the Contract, and the whole will be held as a guarantee for its fulfilment.

6. Any party whose offer may be accepted, will be required to provide his Sureties, for the approval of the Civil and Bazar Authorities, within Fifteen days from the date of the acceptance of the offer, or the Contract will be re-sold; and no reason will be stated for rejecting any of the Sureties offered.

M. to 5 P. M. (Sundays excepted), obtain such information relating thereto as they may require:—

As per Schedule.

Mutton, 1st sort.

2. Verbal offers for the Contract will be received at this Office and at the Commissariat Office at Mhow on 15th proximo at 12 o'clock (noon) precisely, when intending parties will be required to bid at so many pounds per Company's Rupee, on the understanding that the supplies are to be first sort, of unexceptionable quality, and are to be delivered direct at the Lines of the indenting Corps and Departments at Neemuch, and for the Troops marching or on Field Service not below seven in number, free of all charges beyond the stipulated price, in such quantity or quantities as may, from time to time, be demanded, and that the same articles will be liable to examination and rejection by the Executive Commissariat Officer or by the Indenting or Receiving Officers, or by a Committee of Officers, on the part of Government, in the event of the Contractor being dissatisfied with the decision of the above Officers, or either of them,—it being understood that the decision of such Committee is to be final and binding on all parties.

3. No person will be allowed to bid for the Contract unless he previously produces his Security, and deposits in this Office, in cash, the sum of Rupees One thousand and Five hundred (1,500), which sum will be forfeited in the event of withdrawal of his Tender before the Commissary General, or other authorised person in that behalf, should have signified to him, by a notice in writing, his refusal to accept such Tender, or in the event of delay, evasion, or refusal on the part of the Contractor to execute the necessary Deed of Contract whenever required to do so, on his offer being accepted, in which latter case he must be prepared to give unexceptionable Bonded Security to the further amount of Company's Rupees Three thousand (3,000), which, together with the amount previously deposited, will be held as a guarantee for the due execution of his Contract.

4. The Contractor must comply immediately with all emergent demands, and meet others of less urgency, within the periods stated in the requisitions made upon him; in failure whereof, or if any supply be condemned by a Committee of Officers as aforesaid, the articles, or such quantity as may be required in lieu thereof, shall be purchased by this Department, without delay, at his risk and cost, if it be considered expedient to do so; and in all such cases Thirty (30) per cent. upon the amount of expenses incurred, or a fine of Rupees Fifty (50) to Two hundred (200), at the option of the Executive Commissariat Officer, will be levied as liquidated damages for each and every such breach of Contract, whether the rejected quantity be replaced by the Contractor or by this Department; and in every such case also it is to be understood that the Contract may be cancelled, at the discretion of the Commissary General; and that, if the Contract be so cancelled, the Cash deposit of Rupees One thousand Five hundred (1,500), mentioned in the third paragraph, will be forfeited to Government.

5. It is also to be understood, that any negligence, evasion, or refusal on the part of the Contractor to make supplies or obey orders, or any attempt on his part, or on that of his Agents, to pass off an article of an inferior quality in lieu of that he is bound to supply, or any neglect to deliver them at the time and place ordered, will subject him, in every instance, to be fined to the extent of Twenty-five Rupees at the option of the Executive Commissariat Officer, from whose order an appeal may be made to the Commissary General, whose decision is to be final; but in cases when it may be deemed fit to exact any of the penalties provided for in the preceding clause, no further penalty shall be leviable under this clause.

6. It is also to be understood that the Contractor, or an accredited Agent on his part, approved of by the Executive Commissariat Officer, is to attend at this Office during the usual hours of business, i. e. from 10 A. M. to 5 P. M. daily (Sundays excepted), also at such other time or place as may be indicated by the Executive Commissariat Officer, when he may consider it desirable for the public service to require such attendance.

7. Bills for the quantities supplied under this Contract must be preferred within one month from the date of the delivery of the articles; in default of which the Contractor will forfeit the full value of the supplies for which bills have not been so preferred, unless it shall clearly appear to the satisfaction of the Commissary General that the delay was unavoidable.

8. The amount of retrenchments made by the Auditor of Commissariat Accounts from Contractors' Bills will be recovered from the first Bills preferred for payment; but in the event of retrenchments or any portion thereof being remitted, the amount remitted will be refunded.

9. Any party who, after offering for the Contract, fails to furnish the necessary Security, as provided for in Clause 3 of this Notice, will be interdicted from bidding on future occasions, unless he produces a certificate from individuals of unexceptionable character and sufficient means guaranteeing the due execution and performance of the Contract, on his offer being accepted.

10. Intending parties may, on application, see a statement of the annual consumption during the previous years; but they must distinctly understand that supplies will have to be furnished to whatever extent they may be required without any reference to the quantity consumed or required in previous years.

11. No reason will be assigned for the rejection of any offer.
