In every such case the Contract may be cancelled, at the discretion of the Inspector General; and if it be so cancelled, the Cash Deposit, mentioned in paragraph 2 of this Notice, will be forfeited to Government.

8. Any delay, negligence, evasion, or refusal on the part of a Contractor to make supplies or obey orders, or any attempt on his part, or that of his Agents, to pass off articles of an inferior quality in lieu of those he is bound to supply, or any neglect to deliver them at the time and place appointed, will subject him to be fined to the extent of Rupees (25) Twenty-five by the Executive Ordnance Officer; an appeal from his order may be made to the Inspector General, whose decision is to be final; but when any of the penalties provided for in the preceding clause are exacted, no further penalty shall be leviable under this clause.

9. Any party whose offer is accepted, must produce Sureties, such as shall meet the approval of the Government Solicitor, within fifteen days from the date of the acceptance of his offer, or the Contract will be resold, and the amount deposited by the party forfeited to Government. No reason will be stated for rejecting any Security offered.

10. Bills for articles supplied under this Contract must be preferred for examination within seven days from the date of the delivery of the same, or the Contractor will forfeit their full value, unless it clearly appear to the satisfaction of the Inspector General that the delay was unavoidable. Payment of Bills passed must be claimed within the month following that of delivery, or the amount will be forfeited to Government.

11. The amount of retrenchments made by the auditing authorities on the Contractor's Bills will be recovered from the first sums payable to him; but in the event of such retrenchments, or any portion thereof, being remitted, the amount remitted will be refunded immediately on receipt.

12. Any party who, after offering for the Contract, fails to furnish the necessary Security, as provided for in Clauses 3 and 10 of this Notice, will be interdicted from offering on future occasions, unless he produces a document from some person or persons of unexceptionable character and sufficient means, guaranteeing the due finding of the requisite Security and execution by him of the Deed of Contract on his offer being accepted.

13. Persons intending to tender may, on application, see a statement of the actual annual consumption during the past years; but it is to be distinctly understood that supplies must be furnished to any extent required, without reference to such former consumption.

14. No reason will be assigned for the rejection of any Tender.

15. The Deposits for rejected Tenders will be returned at the time of rejection. Securities for accepted Tenders will be cancelled when the last Bill is audited after fulfilment of the Contract.
