M. till 5 P. M. daily (Sundays excepted), obtain Copies of the Schedules, or Lists of Prices, and such information relating thereto as they may require.

2. No person will be allowed to bid for the Contract unless he deposits in this Office, in cash, the sum of Rupees (200) Two hundred, which will be forfeited in the event of withdrawal of his offer before the Commissary General, or other authorised person in that behalf, shall have signified to him, by a notice in writing, his refusal to accept such offer; or, in the event of delay, evasion, or refusal, on his part, to furnish the requisite further security, and execute the Deed of Contract, when required to do so on his offer being accepted.

3. The further Security required is, Bonded Security to the amount of Rupees (800) Eight hundred, subject to the approval of the Government Solicitor; and this, together with the amount previously deposited, will be held as a guarantee for the due fulfilment of the Contract.

4. Verbal offers for the Contract will be received at this Office on Saturday, the 19th proximo at 1 o'clock precisely, when bidders will be required to bid a percentage above or below the prices exhibited in the above List, at which the supply will be made.

5. The Articles supplied must be of unexceptionable quality, and according to musters which may be seen at this Office, or of the sort usually supplied; and are to be delivered, in the first instance, at the Commissariat Stores, if required, and afterwards to the Indenting Departments, in good condition, free of all charges beyond the stipulated price, in such quantities as may, from time to time, be demanded, being liable to examination and rejection by the Executive Commissariat Officer, or by the Indenting or Receiving Officers, or by a Committee of Officers appointed on the part of Government in the event of the Contractor being dissatisfied with the decision of the above Officers or either of them.

6. In case the said Articles or any of them shall be rejected by the Committee so appointed, the said Committee shall not be required to assign or give any reason for such rejection; but the decision of such Committee shall be final and conclusive, and it shall not be competent to the Contractor, his Heirs, Executors, or Administrators, to question such decision in any Court of Law or Equity, or otherwise howsoever.

7. The Contractor must comply immediately with emergent demands, and meet others of less urgency, within the periods stated in the requisitions made upon him; in failure whereof, or if any supply be rejected, or condemned by a Committee as aforesaid, the articles, or such others as may be required in lieu thereof, may be at once purchased by this Department, at his risk and cost; and in all such cases (30) Thirty per cent. upon the amount of expenses incurred, or a fine not exceeding Rupees (50) Fifty at the option of the Executive Commissariat Officer, shall be levied as liquidated damages for each and every such breach of Contract; the condemnation of any article by a Committee being held to constitute a breach of Contract, whether the rejected articles be replaced by the Contractor or by this Department. In every such case, the Contract may be cancelled, at the discretion of the Commissary General; and if it be so cancelled, the Cash deposit mentioned in paragraph 2 of this Notice will be forfeited to Government.

8. Any delay, negligence, evasion, or refusal on the part of a Contractor to make supplies or obey orders, or any attempt on his part, or that of his Agents, to pass off articles of an inferior quality in lieu of those he is bound to supply, or any neglect to deliver them at the time and place appointed, will subject him to be fined to the extent of Rupees (25) Twenty-five by the Executive Commissariat Officer; an appeal from his order may be made to the Commissary General, whose decision is to be final; but when any of the penalties provided for in the preceding clause, are exacted, no further penalty shall be leviable under this clause.

10. Any party whose offer is accepted must produce Sureties, such as shall meet the approval of the Government Solicitor, within fifteen days from the date of the acceptance of his offer, or the Contract will be re-sold, and the amount deposited by the bidder forfeited to Government. No reason will be stated for rejecting any Security offered.

11. Bills for articles supplied under this Contract must be preferred for examination within one month from the date of the delivery of the same, or the Contractor will forfeit their full value, unless it clearly appear, to the satisfaction of the Commissary General, that the delay was unavoidable. Payment of bills passed in this office must be claimed within five days after they are passed, or the amount will be forfeited to Government.

12. The amount of retrenchments made by the auditing authorities on the Contractor's bills will be recovered from the first sums payable to him; but in the event of such retrenchments or any portion thereof being remitted, the amount remitted will be refunded.
