Commissariat Office, Poona, 14th January 1861.

No. 245 of 1860.

CONTRACT FOR SUPPLY OF THE UNDERMENTIONED ARTICLES, &c.

Persons desirous of entering into a Contract for the supply of such articles embraced in the following Schedules, as may be required by the Commissariat Department at Deesa and Mount Aboo, for the term of one year, from the date of the acceptance of the offer, may, on application at this Office, from 11 A.M. till 5 P.M. daily (Sundays excepted), obtain copies of the Schedule or List of Prices, and such information relating thereto as they may require.

2. No person will be allowed to bid for the Contract unless he deposits in this Office, in cash, the sum exhibited opposite the Schedule referring thereto, which will be forfeited in the event of withdrawal of his Tender before the Commissary General, or other authorised person in his behalf, shall have signified to him, by a notice in writing, his refusal to accept such Tender, or in the event of delay, evasion, or refusal, on his part, to furnish the requisite further security, and execute the Deed of Contract, when required to do so on his offer being accepted.

3. The further security required is Bonded Security to the amount of Rupees shown opposite each Schedule, subject to the approval of the Commissariat Officer; and this, together with the amount previously deposited, will be held as a guarantee for the due fulfilment of the Contract.

4. Verbal offers for the Contract will be received at this Office, on Thursday, the 31st proximo, at 12 o'clock precisely, when Bidders will be required to bid a percentage above or below the prices exhibited in the above list, at which the supply will be made.

5. The articles supplied must be of unexceptionable quality, and according to musters which may be seen at this Office, or of the sort usually supplied, and are to be delivered, in the first instance, at the Commissariat Stores if required, and afterwards to the indenting Departments, in good condition, free of all charges beyond the stipulated price, in such quantities as may, from time to time, be demanded, being liable to examination and rejection by the Executive Commissariat Officer, or by the indenting or receiving Officers, or by a Committee of Officers appointed on the part of Government, in the event of the Contractor being dissatisfied with the decision of the above Officers or either of them,—it being understood that the decision of such Committee is to be final and binding on all parties.

6. In case the said articles or any of them shall be rejected by the Committee so appointed, the said Committee shall not be required to assign or give any reason for such rejection, but the decision of such Committee shall be final and conclusive; and it shall not be competent to the Contractor, his Heirs, Executors, or Administrators, to question such decision in any Court of Law or Equity, or otherwise howsoever.

7. The Contractor must comply immediately with emergent demands, and meet others of less urgency within the periods stated in the requisitions made upon him; in failure whereof, or if any supply be rejected or condemned by a Committee as aforesaid, the articles, or such others as may be required in lieu thereof, may be at once purchased by this Department, at his risk and cost; and in all such cases Thirty (30) per Cent. upon the amount of expenses incurred, or a fine of any amount up to Rupees (200) Two hundred, at the option of the Executive Commissariat Officer, shall be levied as liquidated damages for each and every such breach of Contract,—the condemnation of any article by a Committee being held to constitute a breach of Contract, whether the rejected articles be replaced by the Contractor or by this Department. In every such case the Contract may be cancelled, at the discretion of the Commissary General; and if it be so cancelled, the Cash deposit, as well as the money secured to be paid by the Bond mentioned in paragraphs 2 and 3 of this Notice, will be forfeited to Government.

8. Any delay, negligence, evasion, or refusal on the part of a Contractor to make supplies or obey orders, or any attempt on his part, or that of his Agents, to pass off articles of an inferior quality in lieu of those he is bound to supply, or any neglect to deliver them at the time and place appointed, will subject him to be fined to the extent of Rupees (25) Twenty-five by the Executive Commissariat Officer; an appeal from his order may be made to the Commissary General, whose decision is to be final; but when any of the penalties provided for in the preceding clause are exacted, no further penalty shall be leviable under this clause.

9. The Contractor, or an accredited Agent on his part, approved of by the Executive Commissariat Officer, must attend at this Office during the usual hours of business, i. e. from 10 A. M. to 5 P. M. daily (Sundays excepted), also at such other time or place as may be indicated by the Executive Commissariat Officer, when it may be considered desirable for the public service to require such attendance.

10. Any party whose offer is accepted must produce Sureties, such as shall meet the approval of the Commissariat Officer, within Fifteen days from the date of the acceptance of his offer, or the Contract will be re-sold, and the amount deposited by the Bidder forfeited to Government. No reason will be stated for rejecting any Security offered.

11. Bills for articles supplied under this Contract must be preferred for examination within one month from the date of the delivery of the same, or the Contractor will forfeit their full value, unless it clearly appear, to the satisfaction of the Commissary General, that the delay was unavoidable. Payment of bills passed in this Office must be claimed within Five days after they are passed, or the amount will be forfeited to Government.

12. The amount of retrenchments made by the auditing authorities on the Contractor's bills will be recovered from the first sums payable to him; but in the event of such retrenchments or any portion thereof being remitted, the amount remitted will be refunded.

13. Any party who, after offering for the Contract, fails to furnish the necessary security, as provided for in Clauses 3 and 10 of this Notice, will be interdicted from bidding on future occasions, unless he

produces a document from some person or persons of unexceptionable character and sufficient means, guaranteeing the due finding of the requisite security, and execution by him of the Deed of Contract, on his offer being accepted.

14. Persons intending to offer may, on application, see a statement of the actual annual consumption during the past years; but it is to be distinctly understood that supplies must be furnished to any extent required, without reference to such former consumption.

15. No reason will be assigned for the rejection of any offer.

PASSENGER TRAIN.

1st. The Train will start at 3 P. M. daily from each end of the Line, and also from each Halting Station, at the same hour, except on Sundays, when Passengers will not be received unless in cases of emergency. This is not applicable to Passengers wishing to travel through without halting; but whenever halts are made, the above hour for starting must be conformed to; if voluntary halts be made at any Station beyond 24 hours, demurrage will be charged at the rate of two Rupees per every hour in excess of that time.

2nd. Twenty pounds of Luggage will be allowed free of charge to Passengers travelling by spring cart, and ten pounds per muster cart. A spring cart will carry two adults, and a muster and country cart, four.

3rd. All Luggage in excess of the above weight must be paid for, and will be sent with the Travellers on country carts at the Train rates of hire; 500 pounds in weight are allowed to each cart in the fair weather, and 400 pounds in the monsoon.

4th. All fares for Passengers and excess Luggage must be prepaid.

5th. Tickets must be shown or given up by Passengers to the Subordinates of the Train, at the Halting Stations on demand. Any Passenger refusing to comply will have to pay the fare from the Terminus in rear to his destination, and will be prevented from proceeding further by the Train, unless the prescribed amount is at once paid or arranged for.

6th. Passengers are on no account whatever to ill-treat the Cattle, Drivers, or Subordinates of the Train. Should any person employed in the Department evince a want of proper Divility, or cause unnecessary inconvenience, the same should be reported to the Director at Bombay, or to the Assistant Director at Mhow, detailing all particulars, with the names of the drivers, Stations, Dates, &c.

7th. Passengers are earnestly requested to conform strictly to the above Rules, as infringements of them not only disturb the arrangements of the Department and interrupt the working of the Train, but may cause considerable inconvenience to themselves.

GOODS TRAIN.
