5. The articles supplied must be of unexceptionable quality, or of the sort usually supplied; and are to be delivered, in the first instance, at the Commissariat Stores, if required, and afterwards to the Indenting Departments, in good condition, free of all charges, beyond the stipulated price, in such quantities as may, from time to time, be demanded, being liable to examination and rejection by the Executive Commissariat Officer, or by the Indenting or Receiving Officers, or by a Committee of Officers appointed, on the part of Government, in the event of the Contractor being dissatisfied with the decision of the above Officers, or either of them, it being understood that the decision of such Committee is final and binding on all parties.

7. The Contractor must comply immediately with emergent demands, and meet others of less urgency within the periods stated in the requisitions made upon him; in failure whereof, or if any supply be rejected, or condemned by a Committee as aforesaid, the articles, or such others as may be required in lieu thereof, may be at once purchased by this Department, at his risk and cost; and in all such cases Thirty (30) per cent. upon the amount of expenses incurred, or a fine of any amount up to Rupees (100) One hundred, at the option of the Executive Commissariat Officer, shall be levied as liquidated damages for each and every such breach of Contract,—the condemnation of any article by a Committee being held to constitute a breach of Contract, whether the rejected articles be replaced by the Contractor or by this Department. It is to be clearly understood that such of the articles specified in the Schedule as form part of the rations for European Soldiers or Hospital diet, are to be supplied under the rules laid down in G. G. O. No. 613 of the 10th October 1853, and No. 33 of the 11th January 1854, copies of which may be seen in this Office.

7. In case the said Articles or any of them shall be rejected by the Committee so appointed, the said Committee shall not be required to assign or give any reason for such rejection, but the decision of such Committee shall be final and conclusive; and it shall not be competent to the Contractor, his Heirs, Executors, or Administrators, to question such decision in any Court of Law or Equity, or otherwise howsoever.

8. The Contractor must comply immediately with emergent demands, and meet others of less urgency, within the periods stated in the requisitions made upon him; in failure whereof, or if any supply be rejected or condemned by a Committee as aforesaid, the articles, or such others as may be required in lieu thereof, may be at once purchased by this Department, at his risk and cost; and in all such cases Thirty (30) per cent. upon the amount of expenses incurred, or a fine not exceeding Rupees (200) Two hundred, at the option of the Executive Commissariat Officer, shall be levied as liquidated damages for each and every such breach of Contract, the condemnation of any article by a Committee being held to constitute a breach of Contract, whether the rejected articles be replaced by the Contractor or by this Department. In every such case, the Contract may be cancelled, at the discretion of the Commissary General; and if it be so cancelled, the Cash deposit, mentioned in paragraph 2 of this Notice, will be forfeited to Government.

9. Any delay, negligence, evasion, or refusal on the part of a Contractor to make supplies or obey orders, or any attempt on his part, or that of his Agents, to pass off articles of an inferior quality in lieu of those he is bound to supply, or any neglect to deliver them at the time and place appointed, will subject him to be fined to the extent of Rupees (25) Twenty-five by the Executive Commissariat Officer. An appeal from his order may be made to the Commissary General, whose decision is to be final; but when any of the penalties provided for in the preceding clause are exacted, no further penalty shall be leviable under this clause.

10. Any party whose tender is accepted must produce Sureties, such as shall meet the approval of the Government Solicitor, within fifteen days from the date of the acceptance of his tender, or the Contract will be re-sold, and the amount deposited by the tenderer forfeited to Government. No reason will be stated for rejecting any security offered.

11. Bills for articles supplied under this Contract must be preferred for examination within one month from the date of the delivery of the same, or the Contractor will forfeit their full value, unless it clearly appear, to the satisfaction of the Commissary General, that the delay was unavoidable. Payment of bills passed in this Office must be claimed within five days after they are passed, or the amount will be forfeited to Government.

12. The amount of retrenchments made by the auditing authorities on the Contractor's bills will be recovered from the first sums payable to him; but in the event of such retrenchments or any portion thereof being remitted, the amount remitted will be refunded.

13. Any party who, after tendering for the Contract, fails to furnish the necessary Security, as provided for in Clauses 3 and 10 of this Notice, will be interdicted from tendering on future occasions, unless he produces a document from some person or persons of unexceptionable character and sufficient means, guaranteeing the due finding of the requisite Security, and execution by him of the Deed of Contract on his tender being accepted.

14. Persons intending to tender may, on application, see a statement of the actual annual consumption during the past years; but it is to be distinctly understood that supplies must be furnished to any extent required, without reference to such former consumption.

15. No reason will be assigned for the rejection of any tender.

16. Tenders should be superscribed "Tender for the supply of provisions," &c.

PASSENGER TRAIN.

1st. The Train will start at 3 p. m. daily from each end of the Line, and also from each Halting Station, at the same hour, except on Sundays, when Passengers will not be received unless in cases of emergency. This is not applicable to Passengers wishing to travel through without halting; but whenever halts are made, the above hour for starting must be conformed to; if voluntary halts be made at any Station beyond 24 hours, demurrage will be charged at the rate of two Rupees per every hour in excess of that time.

2nd. Twenty pounds of Luggage will be allowed free of charge to Passengers travelling by spring cart, and ten pounds per muster cart. A spring cart will carry two adults, and a muster and country cart, four.

3rd. All Luggage in excess of the above weight must be paid for, and will be sent with the Travellers on country carts at the Train rates of hire; 500 pounds in weight are allowed to each cart in the fair weather, and 400 pounds in the monsoon.

6th. Passengers are on no account whatever to ill-treat the Cattle, Drivers, or Subordinates of the Train. These Tickets should be enclosed or presented to the Inspector of the Transport Train at Wassind, who will, on receipt of the Goods from Bombay by Railway, forward them to their respective destinations.

3rd. Goods, including Opium, intended for despatch upward, will in like manner be forwarded from Indore, Mhow, and all the principal intermediate Stations.

4th. Goods Trains will necessarily travel at a slower rate than Passenger Trains, and be subject to greater detention at the Halting Stations, for examination and such repairs to carts as may be found necessary.

5th. One spare cart will be allowed to every ten engaged for Opium and other Goods, for the accommodation of the Escort in charge, and to prevent delay in cases of accident.
