Extension of time in posting Overland Letters.—The Post Master being frequently unable to obtain early intelligence, on Overland Mail days, of the anticipated time of arrival of the North East Mail Trains, upon which the departure of the Suez Steamer depends, and having in consequence no means of giving the public timely notice of unavoidable detentions of 2 or 3 hours, it is hereby notified that whenever the Suez Steamer is obliged to be put off, notices will be sent to the Secretariat, Chamber of Commerce, and the Public Journals in the Port, and one will be hung up conspicuously outside the Post Office gates for general information.

To give the public the advantage of posting letters of importance to the latest hour, when such minor detentions occur, the Mail boxes will be kept open for *fully prepaid* letters upon which the after-time fee is affixed, to within 15 minutes of the departure of the Mail Vans, notification of which will be obtained at the Post Office.

Postage Stamps.—The following reductions have been made in the selling price of the undermentioned description of Postage Stamps:—

A Packet of 16 One-Anna Envelopes, from 1 Rupee 2 Annas to 1 Rupee 1 Anna.

Six-Annas Foreign Bill Stamps, when crossed with the word "Postage," will be recognized as Postage Stamps of the value of Six Annas, and can be used in the payment of postage on Overland or other letters and parcels.

Books and Patterns to Belgium.—Under an additional Postal Convention concluded between Great Britain and Belgium, Books and Patterns can be sent through Great Britain to Belgium under the following Regulations:—

In future, under the term "Book Packets" may be forwarded not only stitched or bound books, pamphlets, and sheets of music, but also printed proof sheets, with ordinary corrections in writing and manuscript attached to such proofs and having reference to them, as well as legal and other documents in manuscript; photographs and drawings (so long as those articles are not in glass or placed under glass); prints or maps, printed, engraved, or lithographed, and whether in paper, parchment, or vellum: but no letter or communication of the nature of a letter, must be forwarded in such Packets, or in or upon their covers.

Further, all legitimate binding, mounting, or covering of a book, publication, &c., or of a portion thereof, will be allowed, whether such binding, &c., be loose or attached; as also rollers in the case of prints or maps; markers (whether of paper or otherwise) in the case of books; and, in short, whatever is necessary for the safe transmission of literary or artistic matter, or usually appertains thereto.

Patterns or Samples of Merchandise may also, in future, be sent to Belgium at the same rates of postage as Book Packets, and subject to the following Regulations :—

1st.—The Patterns or Samples must not be of intrinsic value. This Rule excludes all articles of a saleable nature, and, indeed, whatever may have a value of its own, apart from its mere use as a Pattern or sample ; and the quantity of any material sent ostensibly as a Pattern or Sample must not be so great that it can fairly be considered as having on this ground an intrinsic value.

2nd.—There must be no writing or printing, in addition to the address of the person for whom the packet is intended, and the address of the sender, other than a trade-mark and numbers and the prices of the articles ; and these particulars must in all cases, be given, not one loose piece of paper, but on small labels attached to the Samples, or the bags containing them.

3rd.—The Patterns or Samples must be sent in covers open at the ends, so as to be easy of Examination. Samples, however, of seeds, drugs, and so forth, which cannot be sent in open covers, may be enclosed in bags of linen or other material tied at the neck ; or the bags may be entirely closed, provided that they be transparent, so that the Officers of the Post Office may be able to satisfy themselves as to the nature of the contents.

4th.—No article likely to injure the contents of the Mail bags, or the person of any Officer of the Post Office, may be sent through the Post as a Pattern.

If either of the foregoing Rules be infringed, the packet must not be forwarded.

Pattern and Book Post between India, the United Kingdom, and British Colonies.—

The following rates of Postage must be paid in advance by means of stamps attached to the packet. No packet exceeding 3 lbs. (120 Tolas) in weight can be sent :—

6. For a packet exceeding 2 lbs. and not exceeding 2½ lbs.	1 4 0
7. For a packet exceeding 2½ lbs. and not exceeding 3 lbs.	1 8 0

The following conditions are to be observed in sending book and pattern packets by Post :—

1st.—The Postage must be prepaid by means of stamps affixed outside the packet or its cover.

2nd.—Every packet must be sent either without a cover or in a cover open at the ends or sides so as to admit of the enclosures being removed for examination. Samples, however, of seeds, &c. may be enclosed in boxes or in bags of linen or other material fastened in such a manner that they may be readily opened, or in bags entirely closed, provided that they are transparent, so that the Officers of the Department may be able to satisfy themselves as to the nature of the contents. If this rule be infringed, the packet will be treated as a letter.

3rd.—A book packet may contain any number of separate books or other publications (including printed or lithographed letters) photographs (when not on glass or in cases containing glass), prints or maps, and any quantity of paper, parchment, or vellum; and the books or other publications, prints, maps, &c., may be either printed, written, engraved, lithographed, or plain, or any mixture of these, but no printed matter or prints will be allowed, except such as may be printed on paper, parchment, or vellum. Further, all legitimate binding, mounting, or covering of a book, &c., or of a portion thereof, will be allowed, whether such binding, &c. be loose or attached; as also rollers in the case of prints or maps, markers (whether of paper or otherwise) in the case of books; and in short whatever is necessary for the safe transmission of such articles, or usually appertains thereto; but the binding, &c. must not be sent as a separate packet.

4th.—The packet must not contain any letter closed or open, or any enclosure sealed or otherwise closed against inspection, nor must there be any letter, or any communication of the nature of a letter, written or printed, in any such packet or on its cover. Entries, however, merely stating who sends the book, &c., or to whom it is given, are not regarded as a letter. In the case of packets of patterns the address of the sender, a trade mark and numbers, and the prices of the articles may be written, not on loose pieces of paper, but on the cover or on small labels attached to the samples or bags containing them.

5th.—No book or pattern packet can be received if it exceeds two feet in length, width, or depth.

6th.—The prohibition which has heretofore existed to the transmission as patterns of articles of intrinsic value by the Post between the United Kingdom and India has been withdrawn.

7th.—The rule which forbids the transmission through the Post of an article which might injure the contents of the Mail Bags, or the Officers of the Post Office, is so far relaxed as to permit the transmission of Scissors, Knives, Razors, Forks, Steel-pens, Nails, Keys, Watch Machinery, Metal Tubings, Pieces of Metals or Ore, and such like, as samples, provided that they be packed and guarded in so secure a manner as to afford complete protection to the contents of the Mail Bags and the Officers of the Post Office, while at the same time the samples may be easily examined. If any packet containing such articles as these be posted, which is found not to be sufficiently guarded, it will be stopped.

8th.—Samples of seed and similar articles may be sent in the bags entirely closed if transparent, so that the Officers of the Post Office may satisfy themselves of the nature of the contents.

9th.—In exception to the rule permitting articles of intrinsic value to be forwarded, it must be understood that such articles cannot be forwarded in the Mails *viâ* Marseilles.

10th.—Any packet which shall not be open to examination, as required by Rule 2, or shall have any letter, or any communication of the nature of a letter, written or printed, in it or upon its cover, will be charged with Letter Postage.

11th.—If a packet be found to contain any letter not wholly printed, whether closed or open, or any enclosure, sealed or otherwise closed against inspection, or any other unauthorized enclosure, the letter or enclosure will be taken out and forwarded to the address on the packet, charged with full postage as an unpaid letter, together with an additional book rate; that is, with the postage chargeable on a book weighing not more than half a pound; the remainder of the packet, if duly prepaid with stamps, will then be forwarded to its address.

12th.—In no case can a book packet be sent to the Colonies (except at the letter rate of Postage) through a foreign country.

13th.—Book or pattern packets which are wholly unpaid will be forwarded to their destination, charged with double the amount of Book Postage, and those which are insufficiently prepaid with the amount of the deficiency, and an additional book rate as a fine.

14th.—Book and pattern packets sent to Great Britain *viâ* Marseilles are subject to an additional French rate of Two Pence (1 anna 4 pie) for every 4 ozs., which must be prepaid.

Pattern Post to Netherlands.—Her Majesty's Post Master General has intimated that, in future, Patterns or Samples of Merchandise may be sent from India to the Netherlands through the United Kingdom, subject to the following Regulations:—

1st. There must be no writing, or printing, in addition to the address of the person for whom the packet is intended, and the address of the sender, other than a manufacturer's or trade mark and numbers and the prices of the articles; and these particulars must in all cases be given, not on loose pieces of paper, but on small labels attached to the samples or the bags or boxes containing them.

2nd. The Patterns or Samples must be sent in covers open at the ends, so as to be easy of examination. Samples, however, of seeds, drugs, and so forth, which cannot be sent in open covers, may be enclosed in boxes or in bags of linen or other material, tied at the neck, or bags may be entirely closed, provided that they be transparent, so that the Officers of the Post Office may be able to satisfy themselves as to the nature of the contents.

3rd. No Packet of Patterns must exceed two feet, British, in length, or one foot, British, in width or depth.

No article likely to injure the contents of the Mail Bags, or the person of any Officer of the Post Office, may be sent through the Post as a Pattern; but scissors and other similar articles may be forwarded as Patterns, provided they be packed and guarded in so secure a manner as to afford complete protection to the contents of the Mail Bags and the Officers of the Post Office, while, at the same time, the Patterns may be easily examined.

If either of the foregoing rules be infringed, the packet must not be forwarded.

Delivery of Letters.—The delivery of letters being not only retarded, but rendered almost impossible in Bombay and large towns, owing to the imperfect *form of address* generally adopted, the Public at large are invited to assist the Post Office, when addressing Letters to any Municipal Town, by writing invariably the name of the Street and the number of the House, and informing their correspondents of the same, by heading their Letters inside accordingly.

2. Want of attention to these apparently trifling particulars, not only delays delivery by compelling the Letter Carriers to hunt over the whole length of a street for perhaps a single person, but it affords an excuse for non-delivery, and a temptation to the Letter Carriers to throw away or destroy the Letter, owing to the trouble imposed by the want of proper direction.

3. Besides this, it also places the Post Office Department entirely in the hands of Letter Carriers, upon whose experience of localities it becomes necessary to rely.

Currency Notes.—Several instances having occurred of the abstraction of Currency Notes from Registered and Un-registered letters, the Director General of the Post Office desires to warn the public against sending entire Currency Notes in letters whether registered or unregistered.

2. This practice, which, notwithstanding the losses which have occurred, appears to be on the increase, not only risks the loss of the letter or its enclosures, but exposes to unnecessary temptation every person through whose hands it passes. Entire Currency Notes should never be sent by Post, if halved and despatched in registered letters on different dates, their safe arrival will generally be secured. But it must be remembered that the registration of a letter is no security against the abstraction of the contents, though it may ensure the delivery of the cover. To protect the contents of a Registered letter, it must be carefully and securely sealed, and not, as is too often the case, enclosed in a flimsy semi-transparent envelope closed with gum.

3. As one successful theft invariably leads to other attempts, the carelessness of one person, who by sending a Currency Note in an unregistered or imperfectly secured letter, has tempted a Post Office subordinate to crime, may cause not only the ruin of the person whom he has tempted, but may also lead indirectly to the organization of a system of robbery which, when once established, it is exceedingly difficult to defeat and punish.

Banghy post.—The Post Office rule is subjoined regarding the closing of Banghy Parcels:—

"No Parcel shall be received for transmission by Banghy Post unless it be securely packed in cloth, or wax-cloth, or tin; and no such parcel, packed in cloth or wax-cloth shall be received unless seals bearing distinct impressions of some device (not that of a current coin) be fixed at intervals not exceeding three inches along the lines of sewing by which the cover is secured."

Official Franking.—From the 1st of August next, the authority to frank letters on Her Majesty's Service only, which was given to the Officers and others enumerated in the two Franking Lists, is withdrawn, and the following Rules for the payment and settlement of accounts of postage on official correspondence will be in force:—

Privileged Offices.

2. The Public Offices, enumerated in the annexed List, will be privileged to send and receive (without actual payment of postage) all letters and packets *bonâ fide* and exclusively on Her Majesty's Service. The Post Office will keep an account of the Postage due on the official correspondence of each privileged office.

Official Covers despatched from a privileged Office.

3. Official covers despatched from a privileged Office must be properly tied up, faced, and enclosed in a bag sealed with the seal of the office.

4. Each cover must be endorsed, "On Her Majesty's Service only," under the full signature (autograph or stamp) of the Head Clerk, or some other principal Officer of the Establishment.

5. The address must include the official designation of the Office to which the cover is directed.

6. The bag, when made up, must be sent before the hour fixed by the Post Office for the closing of the Mails for which it is intended.

Official covers addressed to a privileged Office.

7. Official covers addressed to a privileged Office by any Office not included in the privileged List must be endorsed, "On Her Majesty's Service only," under the full signature and official designation of the person by whom they are despatched.

8. The address must include the official designation of the Office to which the cover is directed.

9. The official covers for each Office will be enclosed in the official bag, and sealed and sent out with the ordinary delivery, or given to the messenger of the Office, should one be in attendance.

Official covers not sent by, or addressed to, a privileged Office.

10. Official covers which are not sent by, or addressed to, a privileged Office, will be treated in all respects like private covers. Postage labels, marked with the word "Service," will be made available for the prepayment of such covers.

11. Service labels are never to be used in payment of the postage of any letter which is not *bonâ fide* and exclusively on Her Majesty's Service. Every cover prepaid by service labels, must be endorsed, "On Her Majesty's Service only," under the full signature and official designation of the person by whom it is despatched. The address must also include the official designation of the Office to which it is directed. If the above conditions be not observed, covers (even though stamped with service labels) will be treated as ordinary unpaid covers.

12. Service labels will be procurable at the Treasury or local Stamp Depôt of each District; Officers requiring such labels will purchase the number required, paying for the same in cash as if they were ordinary postage labels. A receipt for the amount to be given by the Officer in charge of the Stamp Depôt, will serve as a voucher for the charge to be made in the Contingent Bill of the purchaser.

13. As the present supply of service labels is limited, no Public Officer should purchase more than he estimates will be sufficient for one month's supply: and it is to be remembered that service labels are not to be attached to letters addressed to, or despatched from, any privileged Office.

14. All officials who do not belong to privileged Offices, and who have official correspondence with other than privileged Offices, will have to make arrangements for supplying themselves with service labels either by direct purchase or through their departmental superiors.

Correspondence of local officials within the limits of their respective Districts.

15. For the present no change will be made in the arrangements under which the public correspondence of local officials is conveyed, within the limits of their respective Districts, by District Post or by General Post.

Delivery at Post Office Window.—Delivery of the private correspondence of Officials at the Post Office window cannot be made except under the provision of the subjoined Postal Rules, Nos. 35 and 36, passed by the Governor General of India in Council on the 21st April 1866, under the provision of the Post Office Act:—

XXXV. Any person can rent a private box, and receive his letters &c., at the Post Office window who is willing to pay the appointed fee of twelve rupees per annum, to be paid in advance, and for a period of not less than a year. The same also are the terms for a private bag, except that in addition a charge will be made for the cost of the bag itself, and for conveyance,—the maximum of the latter being five rupees per annum if the bag be conveyed by a rural Messenger, and ten rupees if by a Contractor for a Mail Cart or other Horse Post. The weight of a private bag when empty is limited to one pound. No private bag shall be allowed without the permission of the Inspecting Post Master.

XXXVI. No person living within any town free delivery, or within the limits of a rural post free delivery, unless he rent a private box, can claim to have his letters delivered at the office window if a delivery by Letter Carrier or a despatch by Messenger is about to take place; but letters which arrive by a Mail, after which there is no *immediate delivery* by Letter Carrier or Messenger, may be obtained by any person on application at the office window *so long as the office is open for delivery*. But in order to prevent the additional trouble which is sometimes caused by letters being *directed to a Post Office*, although for persons residing within a free delivery from such office, but who have no private box, a Post Master is authorized, when such letters arrive by a Mail for which there is a delivery from house to house, to refuse to deliver them at the window (even though initials may be substituted for the name), and to send them out by the Letter Carriers.

Postage to Ceylon, &c.—Under orders from Government, no Indian Inland postage will in future be levied on letters received for delivery from and despatched by Her Majesty's Mail, or French Mail Steamers, to Ceylon, Penang, Singapore, China, Hongkong, Australia, Mauritius, Port Louis, Natal, Reunion, Port Elizabeth, Cape of Good Hope, Saint Helena, Ascension, Malta, and Gibraltar.

Official Franking.—As the obligation to receive official letters by public officers seems to be misunderstood, the orders of the Supreme and local Governments are published for general information:—

"6. His Honour in Council concurs with the Director General in this view of the case, and resolves accordingly that no further relaxation of the Rule be allowed,

and that postage due on covers addressed to all other officers,* *bonâ fide* on the Public Service, be paid as heretofore in cash and charged in Contingent Bills."

Extract from the Bombay Government Order, dated 17th March 1858.

"It having been brought to the notice of Government, that the Postal Rules regarding the irregular franking of official letters, their receipt by the addressees, and the recovery of postage thereon, have not been properly understood by public officers, the Right Honorable the Governor in Council is pleased to publish, for general guidance, the following directions on the subject:—

B. Any letter improperly franked, that is franked by persons not authorized to do so by the Government of India, or not in the prescribed form, will be treated by the Post Office as an unpaid letter, and sent bearing Postage."

Bombay, General Post Office, 16th May 1867.

RULES FOR THE CUSTODY, DISTRIBUTION, AND SALE OF POSTAGE STAMP LABELS.

Sanctioned by the Government of India.

1. The Stamp Office in Calcutta, under the Superintendent of Stamps, shall be the Central Depôt for the distribution of Postage Stamps throughout India.
2. Supplies of Postage Stamps for the Madras Presidency, including Mysore and the Post Offices subordinate to Madras in the Nizam's Territory, shall be supplied on the Indent of the Superintendent of Stamps at Madras.
3. Supplies of Postage Stamps for the Presidency of Bombay, including Scinde, Berar, the Nagpore Territory, and Post Offices subordinate to Bombay in the Nizam's Territory, Baroda, and the Southern Marhatta States, shall be supplied on the Indent of the Officer in charge of the distribution of the Judicial Stamps at Bombay.
4. Stamps for the Bengal Presidency, including the North-Western Provinces, the Punjaub, the Saugor Territories, Bundelcund, Gwalior, Malwa, Rajpootana, Pegu, Assam, the Tenasserim Provinces, and the Straits Settlements, shall be supplied by the Superintendent of Stamps in Calcutta, on the Indent of the Officers in charge of local Depôts.
5. The Officers in charge of the Central Depôts at Madras and Bombay shall, whenever it is practicable, keep in hand a supply of Postage Labels sufficient for the estimated demand for four months of the several local Depôts supplied by them, and shall Indent* on Calcutta, whenever the Stamps in hand are fewer than have been expended during the preceding five months.
6. Every Treasury throughout India, including those attached to Political, Customs, and Salt Agencies, shall be a local Depôt for the sale of Postage Stamps of the value of not less than five Rupees of Labels at one time: provided that the quantity sold shall not include less than One Rupee's worth of any particular value of Stamps. At any station at which there is a Collector of Land Revenue, neither a Salt Agent nor Collector of Customs shall be entrusted with the custody and sale of Postage Stamps.
7. A supply equal to the probable consumption for two months of the District attached to each local Depôt shall be kept in each, and as soon as the number in store has fallen below the number expended during the preceding three months, the Collector or other Officer in charge of the Depôt shall Indent* on the Central Depôt of his Presidency for a number equal to the consumption of the last three months for which accounts have been rendered to the Central Depôt of the Presidency. If by any accident the stock of Stamps of any value should run short before the receipt of a fresh supply from the Central Depôt, the Officer in charge of the Treasury will indent on neighbouring Districts for a quantity sufficient to meet the demand, which may be supplied or not according to the discretion and on the responsibility of the Officer indented on, with reference to the wants of his own District. It will be the duty of the Superintendent of Stamps of the Presidency to report to the Director General of the Post Office, for the orders of Government, every occasion on which it may appear from the Monthly Statement, or otherwise, that the store of Stamps of any particular value in any District has fallen below the authorized amount.
8. A supply of Stamps for sale, by retail, shall be kept available at every Post Office, Receiving Houses, Tehsil-darce, Thanna, and every Police Station at which letters are received for despatch, and with every licensed Stamp Vendor; and it shall be the duty of the Officer, to whom the person in charge of any of the abovenamed places is subordinate, to take steps to ensure that the supply kept on hand is at all times equal to at least one week's demand.
9. No account current of Postage Stamps shall be kept at any subordinate Depôt. Stamps will be issued on credit from a Presidency Stamp Office to Officers in charge of Treasuries, but those Officers, when selling the Stamps to Post Masters and other vendors for distribution to the public, will invariably require cash on delivery. All Officers of Government, whether employed in the Post Office or otherwise, who are required to vend Postage Labels, may be allowed discount at the rate of one anna in the Rupee, provided that the Labels supplied to any such Officer at one time be of the value of not less than Five Rupees. All other persons, including Officers of Government, who are not required to sell Stamps, will only be allowed discount at the present rate of half an anna in the Rupee.
10. The bulk of Postage Stamps in store at any local Depôt, shall be kept in parcels containing a known number of sheets, in the Treasury or other secure place, in one or more strong chests or presses under double locks; the key of one lock of each chest or press always remaining in the hands of the Collector or other Officer in charge of the Stamps, and the key of the other in the hands of the Treasurer.
11. The remainder of the Stamps in store shall be in the hands of the Treasurer, and shall not exceed the probable demand of fourteen days, estimated according to the average of former sales.
12. The Treasurer shall keep a Day Book of Receipts and Issues* in the Vernacular of the District, in which the transactions of each succeeding day shall be entered consecutively, a balance being struck at the close of each day, and attested by the initials of the Officer in charge of the Treasury.
13. On the first open day of each month, and on every Monday during the month, the Treasurer shall prepare in the Vernacular, and submit to the Officer in charge of the Postage Stamps, an Indent* for a supply of Postage Stamps for the following week. The Indent, after being approved or altered by the Officer in charge of the Postage Stamps, shall be signed by him and complied with as directed in the following rule. The Indent thus signed shall be the warrant for the issue of the Stamps.

* Form 1.

* Form 2.

* Form 6.

* Form 7.

14. The Officer in charge of the Postage Stamps shall cause the store under double locks to be opened and the required number to be counted and delivered to the Treasurer in his presence. A Store Book* shall be kept in English, in which the number and value of the Stamps delivered to the Treasurer shall be entered, and a balance struck at the time of delivery. This balance will be attested by the initials of the Officer in charge and of the Treasurer, both of whom shall invariably be present during the whole time that the store under double locks, or any part of it, remains open. The deliveries shown in the Store Book will agree with the Indent as approved.

15. If the Treasurer require Stamps at any intermediate time, the same process will be observed as is prescribed in the two preceding rules.

16. Stamps will be supplied from the store under double locks only to the Treasurer and on Indent from him; all sales must be made from the supply in the hands of that Officer.

17. As soon as possible after the arrival of a despatch of Postage Stamps from a Stamp Office or from any other District, the Packets or boxes are to be opened one at a time in the presence of the Officer in charge of Stamps. The Stamps contained in each box or packet are then to be immediately counted and compared with the Invoice,* and a Receipt† forwarded by the first Post to the Dépôt whence they were despatched. Unless the Officer in charge of the Stamps can certify that the Stamps contained in any given packet or box were immediately counted by himself personally, or in his presence, he will be held responsible for the value of any that may be found deficient. The Stamps are then to be placed in the store under double locks and entered in the store books, and no Stamps are to be delivered to the Treasurer or sold to any party without being first brought into store.

18. Officers in charge of Stamps will have the Stamps in Store, both those under double locks and those in the hands of the Treasurer, counted in their presence on the last open days of October and April, in each official year, and will certify having done so in the following terms at the foot of the Monthly Abstract Account of Receipts and Sales for three months furnished to the Superintendent of Stamps:—

"I do hereby certify that I have personally counted the Postage Stamps in store on 18, the actual value of which is Rupees (here enter the amount in words and figures); and that the Rules prescribed by the order of the Government of India, dated , are duly observed."

19. On occasions of transfer of charge, Postage Stamps will be made over in the same manner, and under the same precautions, as the Cash Balance in the Treasury.

20. The Officer in charge of each local Dépôt will submit on the 2nd of each month an account* to the Superintendent of Stamps of his Presidency, showing the balance in hand at the close of the preceding month, and the sales effected during that month.

21. The Superintendent of Stamps of each Presidency will, on the 15th of each month, in addition to any account required by the Accountant, furnish the Director General of the Post Office with a Memorandum* showing the number of Stamps distributed by him during the preceding month; and at the close of each quarter he will furnish an Abstract Memorandum† showing the number and value of Stamps in hand, and the total amount of the actual sales of all the local Dépôts supplied by him.
