Conditions for Scholarships to be instituted by the Gilchrist Educational Trust for the benefit of Natives of India.

Two Scholarships, each of the value of £100 per annum, and tenable for Five years, will be annually awarded to Candidates born in India, who shall become eligible by Competitive Examination; under the following conditions:—

1. Of the Parents of each Candidate, one, at least shall belong to one of the Native Races.
2. Every Candidate must furnish proof satisfactory to the Local Authorities, that he has completed his sixteenth year, and that his age does not exceed twenty-two years.
3. Every Candidate must furnish proof satisfactory to the Local Authorities, that in regard to personal character and social position he is qualified to be admitted to competition for a Scholarship.
4. The subjects of Examination shall be (1) Latin, (2) English Language and History, (3) Arithmetic and Algebra, (4) Geometry, (5) Natural Philosophy, and (6) Chemistry. The Examination-Papers will be analogous, in character and difficulty, to those prepared in these subjects respectively for the Matriculation Examination of the University of London: and the number of hours assigned to each of the papers will be the same as those assigned to the like Paper by the University of London. These Papers will be sent out in sealed covers through the India Office, to the charge of Sub-Examiners appointed by Her Majesty's Government.
5. The Examination shall be held, under the charge of a Government Sub-Examiner, at each of the Presidential Capitals simultaneously; and shall commence in the second week of January in each year. The Place, and the Days and Hours of Examination (which shall be the same at all the Capitals), shall be appointed by the Local Authorities.
6. The Sub-Examiner shall open the sealed covers containing the Examination-Papers in the Place of Examination, at the hour prescribed for the Candidates to assemble. He shall be present throughout the whole of each Examination, and shall at the end of each collect the Answers written by every Candidate during the time allowed. He shall transmit these Answers in sealed covers, through the India Office, to the Secretary of the Gilchrist Trust, who will cause them to be carefully considered and compared by Examiners of established reputation named by the Trustees in each of the respective subjects. The Trustees will name whenever practicable, the Examiners or Sub-Examiners acting in those subjects respectively for the University of London. The Examiners shall consider the Papers, with as little delay as possible, and shall make their award thereupon, assigning to each Paper a number of marks suitable to its merits. Such award shall be transmitted forthwith by the Secretary, through the India Office, to the Local Authorities in the Presidential Capitals, to be by them announced to the Candidates.
7. The first Scholarship shall be awarded to the Candidate whose aggregate of marks stands highest; provided that he passes in each of the six subjects abovementioned, and that his aggregate of marks amounts to not less than one-half of the total. Such Candidate shall have his choice whether he will pursue his curriculum of study in the University of Edinburgh, or in University College, London.
8. The second Scholarship shall be awarded to the Candidate whose aggregate of marks stands second provided that he passes in each of the six subjects, and that his aggregate of marks amounts to not less than one-half of the total. Such Candidate shall pursue his curriculum of study in that one of the two Institutions above-named, which shall not have been chosen by the other Candidate.
9. If the two highest Candidates are equal in aggregate number of marks, the privilege of choosing between these two Institutions shall be determined between them by lot.
10. The successful Candidates shall be expected to arrive in London, and to present themselves to the Secretary of the Gilchrist Trust, not later than the first week in the October following their appointment.

11. The Scholarships shall be considered as commencing from the 1st of July following the award of the Examiners; and shall be paid in quarterly instalments on the first days of October, January, April, and July.

12. Each Scholar shall attend in every Session at least Three Courses of Lectures at the Institution in which he studies (unless specially excused by the Trustees from doing so during the first year); and shall transmit to the Secretary of the Gilchrist Trust, at the conclusion of each Session, a Certificate from each of the Professors whose Lectures he has attended, stating that his diligence and conduct have been satisfactory.—Should he not be able to produce such a Certificate, or should he be proved guilty of discreditable conduct elsewhere, he shall be considered to have forfeited all claim to the remaining instalments of his Scholarship.

13. Each Scholar shall be expected to present himself both at the Matriculation Examination of the University of London, and at the First Examination in one of its Four Faculties,—Arts, Science, Law, or Medicine,—before the termination of the Third (Academical) Year* from the commencement of his Scholarship, unless excused from doing so by the Trustees; and if he do not so present himself (unless by permission of the Trustees), or if he fail to pass, he shall be considered as forfeiting his claim to the remaining Two Years' instalments of his Scholarship.

14. The foregoing Scheme shall be subject to revision from time to time; the Trustees reserving to themselves the power of altering the conditions of the Scholarships, or of altogether withdrawing them, if they deem it expedient to do either. But no change will be made in such a manner as to affect the interests of Candidates already appointed to Scholarships, or in any case without Twelve Months' Notice.
