FINANCIAL DEPARTMENT.

The following Notifications by the Government of India are republished:—

“NOTIFICATIONS.

Simla, the 17th May 1867.

No. 218.

Read the following Despatch from the Right Honorable the Secretary of State for India:—

FINANCIAL.

No. 88.

INDIA OFFICE, London, the 23rd March 1867.

To His Excellency the Right Honorable the Governor General of India in Council.

SIR.—PARA. 1.—I have considered in Council your Financial letter dated the 10th January last, No. 12, submitting for favourable consideration an application from Mr. M. J. Shaw Stewart, Bombay Civil Service, requesting that Civil Servants who, at the date of the publication of the Financial Despatch dated the 25th November 1862, No. 193, ‘were entitled to leave of absence on urgent private affairs, and had not previously availed themselves of it, should be permitted to count the time of such leave of absence, when afterwards granted, as part of their period of residence.’

2. As special leave on private affairs was only to be granted by the several Governments in India on very urgent grounds, and could never be claimed as a matter of right, I do not consider that any officer can be held to have been ‘entitled’ to such leave at any specified period, and I must decline to sanction a modification of the rule which provides that leave of absence, taken under Section 9 of the Civil Absentee Rules, shall not be counted as residence.

I have, &c.,

(Signed) STAFFORD H. NORTHCOTE.

ORDER.—Ordered that the foregoing Despatch be published in the *Gazette of India*, and that copies of it be forwarded to the Foreign and Home Departments, and the—
Government of Bombay, in continuation of letter from this Department, No. 147, dated the 10th January 1867;

Governments of Bengal, Madras, the North-Western Provinces, and the Punjab;

Comptroller General of Accounts;

Accountants General, Bengal, Madras, Bombay, North-Western Provinces, Punjab, and British Burmah;

and

Deputy Accountants General, Central Provinces, Hyderabad, and Mysore.

The 22nd May 1867.

No. 256.

With reference to the Financial Notifications Nos. 180 and 2010, dated respectively the 11th January and 11th April 1867, allowing the holders of the 5 per cent. Debenture Loans ‘the option of receiving interest on their Debentures from the India Office in London by Bills at sight on the General Treasuries at the Banks of Bengal, Madras, and Bombay, subject to the Rules and Regulations now in force, or which may hereafter be issued for the payment of interest on Government Loans;’ notice is hereby given that the said Bills will be issued from the Bank of England and not, as stated in those Notifications, from the India Office.

The 23rd May 1867.

No. 394.

Read the following Despatch from the Right Honorable the Secretary of State for India:—

FINANCIAL.

No. 148.

INDIA OFFICE, London, 25th April 1867.

To His Excellency the Right Honorable the Governor General of India in Council.

SIR.—PARA. 1. I have considered in Council your Financial letter dated the 29th January last, No. 37, proposing the abolition of the rule that a subordinate, acting for his principal or for any superior Officer in the same office or establishment at the same station, shall not be entitled to deputation allowance until after the expiration of one month, and that then the allowance is not be drawn in arrear.

2. As you are of opinion that it is undesirable to continue this rule, I will not object to its abolition as proposed.

I have, &c.,

(Signed) STAFFORD H. NORTHCOTE.

ORDERED that the foregoing Despatch be published in the *Gazette of India*, for general information.

(Signed) E. H. LUSHINGTON,

NOTIFICATION FROM THE SUDDER COURT OF THE PROVINCE OF SIND.

It having been brought to the notice of the Sudder Court that there exists considerable diversity of practice in administering Oaths and Solemn Affirmations to Witnesses, the following Rules are published for the general guidance of all the Courts in the Province of Sind, under the provisions of Section 443 of the Code of Criminal Procedure, and Section 40 of Act XXIII. of 1861, and are ordered to be published in the *Government Gazette* :—

I. When a Christian appears as a deponent, he should be sworn on the New Testament, which he should hold in his ungloved right hand.

II. Men should stand uncovered—Women covered.

The Oath should be administered, if by an English speaking Judge, in the following words:—

“You swear that the evidence you will give before this Court will be the truth, the whole truth, and nothing but the truth—So help you God.”

If by a Judge who does not speak English :—

اُردو

میں قسم کھا کے بولتا ہوں کہ جو کچھ میں بولوگا سو سچ بولوگا سب سچ بولوگا اور سچ کے سوائے دوسرا کچھ نہیں بولوگا — ایسا کرنے کے واسطے خدا میرے کو مدد کر —

سنڌي

يا آءِ قسم ڪئي چوان ٿو ته جيڪي آءٌ چوندس سو سچ چوندس سڀ سچ چوندس ۽ سچ کان سواءِ ڪي ٻيا چوندس — ائي ڪر ٿير خدا منکي مدد ڏي —

III. It is not necessary that the deponent should repeat the above words, but he should kiss the Testament. In recording the evidence of a Christian, his Surname and Christian name should be taken down, but it is not necessary that the person administering the oath should stand when doing so.

IV. A Parsee witness should be sworn with his hat and shoes on, and by a Priest of his own religion.

V. In the cases of Mahomedans, they should repeat the following words:—

اُردو

میں خدا کو حاضر ناظر جانکر بولتا ہوں کہ جو کچھ میں بولوگا سو سچ بولوگا سب سچ بولوگا اور سچ کے سوائے دوسرا کچھ نہیں بولوگا —

سنڌي

يا آءِ خدا کي حاضر ناظر ڄاڻي چوان ٿو ته جيڪي آءٌ چوندس سو سچ چوندس سڀ سچ چوندس ۽ سچ ڌاران ٻيو ڪي ڪين چوندس —

It is not necessary that he should repeat the “Kalma” before being affirmed. The form for solemnly affirming Hindus should be the same as that for Mahomedans, substituting “Bhagwan” for “Khuda.”

VI. In taking down the depositions of Hindus and Mahomedans, the names and fathers' names of the deponents, should be recorded.

VII. Jews (Yahudis) should be sworn on the Old Testament, and in the same form as that laid down above for Christians.

VIII. In swearing and solemnly affirming persons making affidavits, the following forms should be followed—

(To a Christian or Jew). “You swear that this is your signature, and that the contents of this affidavit are true. So help you God” (Deponent to kiss the New Testament or Old Testament).

(To a Mahomedan or Hindu)—

اُردو

میں خدا (بھگوان) کو حاضر ناظر جانکر بولتا ہوں کہ بہر مہر صحیح ہی اور جو اس قسم نامہ میں لکھا ہے سو سچ ہی —

سنڌي

يا آءِ خدا (ڀڳوان) کي حاضر ناظر ڄاڻي چوان ٿو ته هي مهنجي صحيح آهي جيڪي هن قسم نامي پر لکيل آهي سو سچ آهي —

* Government General Order No. 507 of 1864.

In reply, I have to inform you that the special grant of Rupees 150 referred to, was sanctioned to Assistant Surgeons of Her Majesty's Service in India who might, by the exigency of the Service, be placed temporarily in medical charge of a British Regiment.

It should be allowed, therefore, in all cases of an Assistant Surgeon succeeding to the temporary charge on the death, removal, or absence on medical certificate, of the Surgeon, but it was not intended that any such extra charge should be incurred as a consequence of the Regimental Surgeon being absent on private leave, and for his own convenience."

No. 366 of 1867.—The following Despatch from the Secretary of State to the Government of India, No. 66, dated 28th February 1867, is published for general information :—

"The Government of Madras have referred to me the case of an officer who had been recommended by a board of medical officers to proceed to England by the overland route leaving India by the first opportunity, and inquire, with reference to para. 9 of Lord de Grey's Despatch of 9th June 1866, No. 37, whether in future similar cases the steamer rate of passage money, or the lower rate for a sailing vessel, be granted.

2. I referred the question to the Secretary of State for War, with the view of ascertaining the practice in like cases under his department, and I have been informed that, in the case of an officer coming home from the colonies to appear before a medical board, the route by which his passage would be provided would depend on the recommendation of the medical officers on the spot. It therefore appears to me desirable, that only in those special cases where the overland route is expressly sanctioned by a medical board, or the exigencies of the Service require it, should the higher or steam rate of passage be granted. In all other cases of officers entitled to passage, the sailing allowance only should be granted.

3. I request that you will communicate the subject of this despatch to the Governments of Madras and Bombay, respectively, for their guidance in all such cases."

"No. 545 of 1867.—With reference to G. G. O. No. 190, dated 20th February 1867, the following letter from the Right Honorable the Secretary of State for India is published for general information :—

Military.
No. 113.

INDIA OFFICE, London, the 16th April 1867.

To His Excellency the Right Honorable the Governor General of India in Council.

SIR,—I have received and considered in Council your Military letter dated 28th February 1867, No. 40, having reference to Lord Cranborne's Despatch No. 288 of the 24th December 1866, extending to all Officers of the Bengal

and Madras Armies, holding permanent appointments situated above Allahabad and north of the Kistnah respectively, the rule which allows regimental Officers whose corps are similarly situated to land at Bombay, and to enjoy, on reporting their arrival at that Presidency, the same advantages as they are entitled to on arrival at Calcutta or Madras; and suggesting for consideration further modifications of the existing rules affecting Officers proceeding to, or returning from, England on leave.

2. In consideration, mainly, of the improvement that has taken place in the facility for Officers to travel throughout India, your Government propose—

1st.—That the existing restrictive limit, as to the part of India whereat an Officer returning from England shall report his return to duty, be altogether removed, and that, 'an Officer's return be considered to commence on the date of his report of arrival at whatever port he may, in good faith, disembark with that object.'

2nd.—That in order to place all Officers serving in India on a fair and equal footing, the present regulation may be so far modified, that 'Officers who may be absent on sick leave at other than their own Presidencies, may proceed thence direct to Europe, if granted leave on medical certificate by the local Government, such leave being reckoned to commence from the date of embarkation, or that on which the pilot quits the vessel, as the case may be, according to the practice of the Presidency from which they embark.'

3. I approve of the existing rules being modified in the manner proposed by your Government in both the above cases: the revised rule in the latter case being brought into operation from the date of publication of your General Order upon the subject, and made applicable to all Officers whose leave to Europe may be published in the *Gazette* upon a date subsequent to that order.

I have, &c.,

(Signed) STAFFORD H. NORTHCOTE.

(Signed) H. W. NORMAN, Colonel,
Secretary to the Government of India."

Mauritius and Cape of Good Hope Mails.—Under instructions from H. M.'s Post Master General, London, it is hereby notified that a new Mail Packet line has been established between Point de Galle and Port Louis (Mauritius), direct, instead of between Suez and Mauritius *via* Aden, as formerly. Letters and Papers for Mauritius, Natal, Reunion, Cape of Good Hope, &c., will accordingly be despatched *via* Point de Galle by the China Mail Steamer leaving Bombay on the morning of the 15th of each month, so as to be in time for the Mail Steamer which is appointed to leave Point de Galle for Port Louis on the 22nd idem.

Mails from the above places will likewise be received at Bombay by the aforementioned route. The packet leaving the Cape on the 17th will sail from Port Louis on the 6th of each month, and be due at Point de Galle on the 17th and at Bombay (with the China Mail) on the 22nd of each month.

Extension of time in posting Overland Letters.—The Post Master being frequently unable to obtain early intelligence, on Overland Mail days, of the anticipated time of arrival of the North East Mail Trains, upon which the departure of the Suez Steamer depends, and having in consequence no means of giving the public timely notice of unavoidable detentions of 2 or 3 hours, it is hereby notified that whenever the Suez Steamer is obliged to be put off, notices will be sent to the Secretariat, Chamber of Commerce, and the Public Journals in the Fort, and one will be hung up conspicuously outside the Post Office gates for general information.

To give the public the advantage of posting letters of importance to the latest hour, when such minor detentions occur, the Mail boxes will be kept open for *fully prepaid* letters upon which the after-time fee is affixed, to within 15 minutes of the departure of the Mail Vans, notification of which will be obtained at the Post Office.

Postage Stamps.—The following reductions have been made in the selling price of the undermentioned description of Postage Stamps:—

A Packet of 16 One-Anna Envelopes, from 1 Rupee 2 Annas to 1 Rupee 1 Anna.

A Packet of 16 Half-Anna Notepaper, from 12 Annas to 10 Annas.

Six-Annas Foreign Bill Stamps, when crossed with the word "Postage," will be recognized as Postage Stamps of the value of Six Annas, and can be used in the payment of postage on Overland or other letters and parcels.

Changes in Mail Trains.—In consequence of the alterations in the Departure and Arrival of the Mail Trains on the Lines of the G. I. P. Railway, the following changes will take place on and after the 15th October 1866 in the hours of Closing and Issuing of Mails at the General Post Office:—

DESPATCH OF MAILS.

Registered Letters and Banghy Parcels for despatch by all Mails will be received, except on Sundays, from 7 to 8 A.M. and from 12 (noon) to 5 P.M.

Delivery of Letters.—From and after the 1st June next, there will be six deliveries of paid letters, instead of three, all over the Island of Bombay, at the following hours:—

A. M.	P. M.
8, 10, 11½.	12½, 2, 5,

The delivery of *unpaid* letters will be confined to two hours, viz., at 10 A. M. and 2 P. M., and of *Banghy* Parcels to one hour, 11½ A.M. On Sundays, there will be two deliveries of letters only, at 8 A. M. and 2 P.M.

Letter Carriers, instead of commencing delivery from the General Post Office in the Fort only, will do so from nine different Branch Post Offices, exclusive of the General Post Office in the Fort, from which light carts will convey the Mails speedily and regularly to the Branch Offices. The Carts will, on each occasion, make a complete circuit of the District Post Offices, both in going and returning, and exchange letter bags with each Branch Post Office. The Local as well as Inland Correspondence will thus be enabled to be delivered all over the Island within one hour if addressed to any street in the same Postal Division, if addressed to a street in any other Division, within two hours.

To effect this, it is only necessary to post letters at detached Letter Boxes within one hour of the time named for delivery, and at Branch Post Offices within half an hour as follows:—

Letters Posted at detached Letter Boxes at 7, 9, 10½, 11½, A.M. 1, 4, P.M.
and at Branch Post Offices „ 7½, 9½, 11, A.M. 12 noon, 1½ 4½, P.M.
will be delivered „ 8, 10, 11½, A.M. 12½, noon, 2, 5, P.M.

It is advisable to write, as part of the address, the name of the street, and Postal Division, for which the letter is intended.

Letters intended for despatch to the Mofussil, should be posted at Branch Post Offices before 5 P.M., and at detached Letter Boxes at 4 P.M., and the same if meant for the first Local Delivery next morning.

No letters will be delivered at the window except to holders of Window Delivery Tickets.

Inspecting Officers have been appointed to supervise and watch the deliveries. To ensure punctuality and speedy delivery, the public are invited to make known either to the Inspector, to the Post Master, Bombay, or to the Post Master General direct, all defects, and irregularities, and every endeavour will be made to rectify these, and to meet the public wants.

In future, under the term "Book Packets" may be forwarded not only stitched or bound books, pamphlets, and sheets of music, but also printed proof sheets, with ordinary corrections in writing and manuscript attached to such proofs and having reference to them, as well as legal and other documents in manuscript; photographs and drawings (so long as those articles are not in glass or placed under glass); prints or maps, printed, engraved, or lithographed, and whether in paper, parchment, or vellum: but no letter or communication of the nature of a letter, must be forwarded in such Packets, or in or upon their covers.

Further, all legitimate binding, mounting, or covering of a book, publication, &c., or of a portion thereof, will be allowed, whether such binding, &c., be loose or attached; as also rollers in the case of prints or maps; markers (whether of paper or otherwise) in the case of books; and, in short, whatever is necessary for the safe transmission of literary or artistic matter, or usually appertains thereto.

Patterns or Samples of Merchandize may also, in future, be sent to Belgium at the same rates of postage as Book Packets, and subject to the following Regulations:—

This Rule excludes all articles of a saleable nature, and, indeed, whatever may have a value of its own, apart from its mere use as a Pattern or sample; and the quantity of any material sent ostensibly as a Pattern or Sample must not be so great that it can fairly be considered as having on this ground an intrinsic value.

2nd.—There must be no writing or printing, in addition to the address of the person for whom the packet is intended, and the address of the sender, other than a trade-mark and numbers and the prices of the articles; and these particulars must in all cases, be given, not on loose pieces of paper, but on small labels attached to the Samples, or the bags containing them.

3rd.—The Patterns or Samples must be sent in covers open at the ends, so as to be easy of Examination. Samples, however, of seeds, drugs, and so forth, which cannot be sent in open covers, may be enclosed in bags of linen or other material tied at the neck; or the bags may be entirely closed, provided that they be transparent, so that the Officers of the Post Office may be able to satisfy themselves as to the nature of the contents.

4th.—No article likely to injure the contents of the Mail bags, or the person of any Officer of the Post Office, may be sent through the Post as a Pattern.

If either of the foregoing Rules be infringed, the packet must not be forwarded.

Pattern and Book Post between India, the United Kingdom, and British Colonies.—Under the following conditions as to mode of packing, exclusion to all communications of the nature of a letter, and prepayment of Postage by means of stamps, packets of books, patterns, publications, or works of literature or art, whether British, Colonial, or Foreign, and all packets consisting of printed votes and proceedings of the Imperial Parliament or any Colonial Legislature, may be transmitted between any part of the East Indies, Great Britain, Malta, Gibraltar, the Australian Colonies, Hongkong, Ceylon, Mauritius, Aden, Singapore, and Penang, at the rates of Postage given in the subjoined Table.

1st.—The Postage must be prepaid by means of stamps affixed outside the packet or its cover.

2nd.—Every packet must be sent either without a cover or in a cover open at the ends or sides so as to admit of the enclosures being removed for examination. Samples, however, of seeds, &c. may be enclosed in boxes or in bags of linen or other material fastened in such a manner that they may be readily opened, or in bags entirely closed, provided that they are transparent, so that the Officers of the Department may be able to satisfy themselves as to the nature of the contents. If this rule be infringed, the packet will be treated as a letter.

3rd.—A book packet may contain any number of separate books or other publications (including printed or lithographed letters) photographs (when not on glass or in cases containing glass), prints or maps, and any quantity of paper, parchment, or vellum; and the books or other publications, prints, maps, &c., may be either printed, written, engraved, lithographed, or plain, or any mixture of these, but no printed matter or prints will be allowed, except such as may be printed on paper, parchment, or vellum. Further, all legitimate binding, mounting, or covering of a book, &c., or of a portion thereof, will be allowed, whether such binding, &c. be loose or attached; as also rollers in the case of prints or maps, markers (whether of paper or otherwise) in the case of books; and in short whatever is necessary for the safe transmission of such articles, or usually appertains thereto; but the binding, &c. must not be sent as a separate packet.

4th.—The packet must not contain any letter closed or open, or any enclosure sealed or otherwise closed against inspection, nor must there be any letter, or any communication of the nature of a letter, written or printed, in any such packet or on its cover. Entries, however, merely stating who sends the book, &c., or to whom it is given, are not regarded as a letter. In the case of packets of patterns the address of the sender, a trade mark and numbers, and the prices of the articles may be written, not on loose pieces of paper, but on the cover or on small labels attached to the samples or bags containing them.

5th.—No book or pattern packet can be received if it exceeds two feet in length, width, or depth.

6th.—The prohibition which has heretofore existed to the transmission as patterns of articles of intrinsic value by the Post between the United Kingdom and India has been withdrawn.

7th.—The rule which forbids the transmission through the Post of an article which might injure the contents of the Mail Bags, or the Officers of the Post Office, is so far relaxed as to permit the transmission of Scissors, Knives, Razors, Forks, Steel-pens, Nails, Keys, Watch Machinery, Metal Tubings, Pieces of Metals or Ore, and such like, as samples, provided that they be packed and guarded in so secure a manner as to afford complete protection to the contents of the Mail Bags and the Officers of the Post Office, while at the same time the samples may be easily examined. If any packet containing such articles as these be posted, which is found not to be sufficiently guarded, it will be stopped.

8th.—Samples of seed and similar articles may be sent in the bags entirely closed if transparent, so that the Officers of the Post Office may satisfy themselves of the nature of the contents.

9th.—In exception to the rule permitting articles of intrinsic value to be forwarded, it must be understood that such articles cannot be forwarded in the Mails *via* Marseilles.

10th.—Any packet which shall not be open to examination, as required by Rule 2, or shall have any letter, or any communication of the nature of a letter, written or printed, in it or upon its cover, will be charged with Letter Postage.

11th.—If a packet be found to contain any letter not wholly printed, whether closed or open, or any enclosure, sealed or otherwise closed against inspection, or any other unauthorized enclosure, the letter or enclosure will be taken out and forwarded to the address on the packet, charged with full postage as an unpaid letter, together with an additional book rate; that is, with the postage chargeable on a book weighing not more than half a pound; the remainder of the packet, if duly prepaid with stamps, will then be forwarded to its address.

12th.—In no case can a book packet be sent to the Colonies (except at the letter rate of Postage) through a foreign country.

13th.—Book or pattern packets which are wholly unpaid will be forwarded to their destination, charged with double the amount of Book Postage, and those which are insufficiently prepaid with the amount of the deficiency, and an additional book rate as a fine.

14th.—Book and pattern packets sent to Great Britain *via* Marseilles are subject to an additional French rate of Two Pence (1 anna 4 pie) for every 4 ozs., which must be prepaid.

Pattern Post to Netherlands.—Her Majesty's Post Master General has intimated that, in future, Patterns or Samples of Merchandise may be sent from India to the Netherlands through the United Kingdom, subject to the following Regulations :—

1st. There must be no writing, or printing, in addition to the address of the person for whom the packet is intended, and the address of the sender, other than a manufacturer's or trade mark and numbers and the prices of the articles; and these particulars must in all cases be given, not on loose pieces of paper, but on small labels attached to the samples or the bags or boxes containing them.

2nd. The Patterns or Samples must be sent in covers open at the ends, so as to be easy of examination. Samples, however, of seeds, drugs, and so forth, which cannot be sent in open covers, may be enclosed in boxes or in bags of linen or other material, tied at the neck, or bags may be entirely closed, provided that they be transparent, so that the Officers of the Post Office may be able to satisfy themselves as to the nature of the contents.

3rd. No Packet of Patterns must exceed two feet, British, in length, or one foot, British, in width or depth.

No article likely to injure the contents of the Mail Bags, or the person of any Officer of the Post Office, may be sent through the Post as a Pattern; but scissors and other similar articles may be forwarded as Patterns, provided they be packed and guarded in so secure a manner as to afford complete protection to the contents of the Mail Bags and the Officers of the Post Office, while, at the same time, the Patterns may be easily examined.

If either of the foregoing rules be infringed, the packet must not be forwarded.

The rates of postage (exclusive of the Colonial Inland rate) to be collected will be as follows :—

For a Packet sent via Southampton.

Not exceeding 2 ozs.	Above 2 ozs. and not exceeding 4 ozs.	Above 4 ozs. and not exceeding 8 ozs.	Above 8 ozs. and not exceeding 1 lb.	Above 1 lb. and not exceeding 1½ lbs.	Above 1½ lb. and not exceeding 2 lbs.

Packets of Patterns will also, in future, be forwarded from the Netherlands to India through the United Kingdom, and will be delivered over without any claim, and, consequently, they will be liable, on delivery, to the Colonial Inland rate only.

Books and Patterns to France and Italy.—Arrangements have been made for the transmission by Post between India and France, and between India and Italy, of patterns and samples of Merchandise of no intrinsic value, under the conditions and at the rates chargeable on books and printed papers addressed to France.

2. Book packets and patterns and samples of Merchandise received from France are liable on delivery to Indian Book Post rates, namely, one anna for ten tolas.

3. Patterns, books, and printed papers posted in India are, in like manner, liable to Indian Inland rates of Book Postage, which must be prepaid.

Delivery of Letters.—The delivery of letters being not only retarded, but rendered almost impossible in Bombay and large towns, owing to the imperfect *form of address* generally adopted, the Public at large are invited to assist the Post Office, when addressing Letters to any Municipal Town, by writing invariably the name of the Street and the number of the House, and informing their correspondents of the same, by heading their Letters inside accordingly.

2. Want of attention to these apparently trifling particulars, not only delays delivery by compelling the Letter Carriers to hunt over the whole length of a street for perhaps a single person, but it affords an excuse for non-delivery, and a temptation to the Letter Carriers to throw away or destroy the Letter, owing to the trouble imposed by the want of proper direction.

3. Besides this, it also places the Post Office Department entirely in the hands of Letter Carriers, upon whose experience of localities it becomes necessary to rely.

Currency Notes.—Several instances having occurred of the abstraction of Currency Notes from Registered and Un-registered letters, the Director General of the Post Office desires to warn the public against sending entire Currency Notes in letters whether registered or unregistered.

2. This practice, which, notwithstanding the losses which have occurred, appears to be on the increase, not only risks the loss of the letter or its enclosures, but exposes to unnecessary temptation every person through whose hands it passes. Entire Currency Notes should never be sent by Post, if halved and despatched in registered letters on different dates, their safe arrival will generally be secured. But it must be remembered that the registration of a letter is no security against the abstraction of the contents, though it may ensure the delivery of the cover. To protect the contents of a Registered letter, it must be carefully and securely sealed, and not, as is too often the case, enclosed in a flimsy semi-transparent envelope closed with gum.

3. As one successful theft invariably leads to other attempts, the carelessness of one person, who by sending a Currency Note in an unregistered or imperfectly secured letter, has tempted a Post Office subordinate to crime, may cause not only the ruin of the person whom he has tempted, but may also lead indirectly to the organization of a system of robbery which, when once established, it is exceedingly difficult to defeat and punish.

Banghy post.—The Post Office rule is subjoined regarding the closing of Banghy Parcels:—

“No Parcel shall be received for transmission by Banghy Post unless it be securely packed in cloth, or wax-cloth, or tin; and no such parcel, packed in cloth or wax-cloth shall be received unless seals bearing distinct impressions of some device (not that of a current coin) be fixed at intervals not exceeding three inches along the lines of sewing by which the cover is secured.”

Official Franking.—From the 1st of August next, the authority to frank letters on Her Majesty's Service only, which was given to the Officers and others enumerated in the two Franking Lists, is withdrawn, and the following Rules for the payment and settlement of accounts of postage on official correspondence will be in force:—

Privileged Offices.

2. The Public Offices, enumerated in the annexed List, will be privileged to send and receive (without actual payment of postage) all letters and packets *bonâ fide* and exclusively on Her Majesty's Service. The Post Office will keep an account of the Postage due on the official correspondence of each privileged office.

Official Covers despatched from a privileged Office.

3. Official covers despatched from a privileged Office must be properly tied up, faced, and enclosed in a bag sealed with the seal of the office.

4. Each cover must be endorsed, “On Her Majesty's Service only,” under the full signature (autograph or stamp) of the Head Clerk, or some other principal Officer of the Establishment.

5. The address must include the official designation of the Office to which the cover is directed.

6. The bag, when made up, must be sent before the hour fixed by the Post Office for the closing of the Mails for which it is intended.

Official covers addressed to a privileged Office.

7. Official covers addressed to a privileged Office by any Office not included in the privileged List must be endorsed, “On Her Majesty's Service only,” under the full signature and official designation of the person by whom they are despatched.

8. The address must include the official designation of the Office to which the cover is directed.

9. The official covers for each Office will be enclosed in the official bag, and sealed and sent out with the ordinary delivery, or given to the messenger of the Office, should one be in attendance.

Official covers not sent by, or addressed to, a privileged Office.

10. Official covers which are not sent by, or addressed to, a privileged Office, will be treated in all respects like private covers. Postage labels, marked with the word “Service,” will be made available for the prepayment of such covers.

11. Service labels are never to be used in payment of the postage of any letter which is not *bonâ fide* and exclusively on Her Majesty's Service. Every cover prepaid by service labels, must be endorsed, “On Her Majesty's Service only,” under the full signature and official designation of the person by whom it is despatched. The address must also include the official designation of the Office to which it is directed. If the above conditions be not observed, covers (even though stamped with service labels) will be treated as ordinary unpaid covers.

12. Service labels will be procurable at the Treasury or local Stamp Dépôt of each District; Officers requiring such labels will purchase the number required, paying for the same in cash as if they were ordinary postage labels. A receipt for the amount to be given by the Officer in charge of the Stamp Dépôt, will serve as a voucher for the charge to be made in the Contingent Bill of the purchaser.

13. As the present supply of service labels is limited, no Public Officer should purchase more than he estimates will be sufficient for one month's supply: and it is to be remembered that service labels are not to be attached to letters addressed to, or despatched from, any privileged Office.

14. All officials who do not belong to privileged Offices, and who have official correspondence with other than privileged Offices, will have to make arrangements for supplying themselves with service labels either by direct purchase or through their departmental superiors.

Correspondence of local officials within the limits of their respective Districts.

15. For the present no change will be made in the arrangements under which the public correspondence of local officials is conveyed, within the limits of their respective Districts, by District Post or by General Post.

List of Public Offices with which the Post Office will keep accounts of Postage on official letters received and despatched, and for which official bags will be made up.

Delivery at Post Office Window.—Delivery of the private correspondence of Officials at the Post Office window cannot be made except under the provision of the subjoined Postal Rules, Nos. 35 and 36, passed by the Governor General of India in Council on the 21st April 1866, under the provision of the Post Office Act:—

XXXV. Any person can rent a private box, and receive his letters &c., at the Post Office window who is willing to pay the appointed fee of twelve rupees per annum, to be paid in advance, and for a period of not less than a year. The same also are the terms for a private bag, except that in addition a charge will be made for the cost of the bag itself, and for conveyance,—the maximum of the latter being five rupees per annum if the bag be conveyed by a rural Messenger, and ten rupees if by a Contractor for a Mail Cart or other Horse Post. The weight of a private bag when empty is limited to one pound. No private bag shall be allowed without the permission of the Inspecting Post Master.

XXXVI. No person living within any town free delivery, or within the limits of a rural post free delivery, unless he rent a private box, can claim to have his letters delivered at the office window if a delivery by Letter Carrier or a despatch by Messenger is about to take place; but letters which arrive by a Mail, after which there is no *immediate delivery* by Letter Carrier or Messenger, may be obtained by any person on application at the office window *so long as the office is open for delivery*. But in order to prevent the additional trouble which is sometimes caused by letters being *directed to a Post Office*, although for persons residing within a free delivery from such office, but who have no private box, a Post Master is authorized, when such letters arrive by a Mail for which there is a delivery from house to house, to refuse to deliver them at the window (even though initials may be substituted for the name), and to send them out by the Letter Carriers.

Instances having been brought to notice of Service Labels having been affixed to Official Covers, addressed to privileged Officials, the attention

* 2. The Public Offices enumerated in the annexed List, will be privileged to send and receive (without actual payment of postage) all letters and packets *bond fide* and exclusively on Her Majesty's Service.

N.B.—It is to be understood that all Official Letters to and from Offices in the privileged List, are to pass free, i. e. unstamped, subject to the conditions laid down in the above resolution.

letters to privileged Offices from all classes of Officials should be stamped with Service Labels.

Inland Postage on Colonial Letters.—Under orders from Government, no Indian Inland postage will in future be levied on letters received for delivery from and despatched by Her Majesty's Mail, or French Mail Steamers, to Ceylon, Penang, Singapore, China, Hongkong, Australia, Mauritius, Port Louis, Natal, Reunion, Port Elizabeth, Cape of Good Hope, Saint Helena, Ascension Malta, and Gibraltar.

Official Franking.—As the obligation to receive official letters by public officers seems to be misunderstood, the orders of the Supreme and local Governments are published for general information:—

Extract from a Resolution of the Supreme Government in the Home Department, dated 13th July 1855.

“6. His Honour in Council concurs with the Director General in this view of the case, and resolves accordingly that no further relaxation of the Rule be allowed, and that postage due on covers addressed to all other officers,* *bonâ fide* on the Public Service, be paid as heretofore in cash and charged in Contingent Bills.”

* All officers, except Secretaries to Government, Private Secretaries to Governors or Lieutenant Governors.

Extract from the Bombay Government Order, dated 17th March 1858.

“It having been brought to the notice of Government, that the Postal Rules regarding the irregular franking of official letters, their receipt by the addressees, and the recovery of postage thereon, have not been properly understood by public officers, the Right Honorable the Governor in Council is pleased to publish, for general guidance, the following directions on the subject:—

B. Any letter improperly franked, that is franked by persons not authorized to do so by the Government of India, or not in the prescribed form, will be treated by the Post Office as an unpaid letter, and sent mearing Postage.”
