NOTIFICATION.

It is hereby notified for general information that in conformity with Sec: XXVII. of the Post Office Rules of the 30th August 1837, no parcel can be received at this office which bears the appearance of having been opened, and reclosed, or otherwise improperly dealt with, or packed in so insecure and careless a manner as to render it impossible to tell whether it has been so dealt with or not; and the public are particularly requested to be careful in all cases to pack parcels intended for transmission by Post in the strongest and most secure manner that circumstances will admit, affixing their private seals when possible on the joinings of the covers, as the extremely loose and careless way in which parcels are packed, affords great facilities to parties who are so inclined, to tamper with their contents.
