**NOTIFICATION.**

It is hereby notified for general information that in conformity with Sec: XXVII. of the Post Office Rules of the 30th August 1837, no parcel can be received at this office which bears the appearance of having been opened, and reclosed, or otherwise improperly dealt with, or packed in so insecure and careless a manner as to render it impossible to tell whether it has been so dealt with or not; and the public are particularly requested to be careful in all cases to pack parcels intended for transmission by Post in the strongest and most secure manner that circumstances will admit, affixing their private seals when possible on the joinings of the covers, as the extremely loose and careless way in which parcels are packed, affords great facilities to parties who are so inclined, to tamper with their contents.

A Lieutenant ,, ,, .....	,, 300	,, 350

Whenever a Lieutenant may be appointed an Assistant Surveyor, he shall receive, in addition to his Naval pay of Rupees 175 or Rupees 145 per month, as senior or junior Lieutenant as the case may be, a Surveying allowance of Rupees 175 per month.

No. 63 of 1846.—The following extract from a despatch from the Hon'ble the Court of Directors dated the 20th May 1846 No. 38, is published for general information:

2. The Red Sea station which includes the Gulph of Aden, is of increasing importance, and we think that the senior Indian Navy Officer stationed at Aden may usefully exercise supervision over the vessels serving in the Red Sea, and as his duties thereby become more onerous and responsible, we have resolved that a special allowance be made to the senior officer employed in command on the Red Sea station, under the denomination of table money. We do not however deem it necessary to assign to him the amount drawn by the Commodore in the Persian Gulph, but we desire that the allowance according to rank appointed in our letter of 23rd April No. 36 of 1845, for the senior officer in the Gulph when the Commodore is absent, may be granted to the senior officer stationed at Aden, in addition to the command allowance of his ship.

3. It must be understood at the same time, that the tour of service of the senior Officer on the Red Sea station, is to be assimilated with the practice which obtains in the Persian Gulph station.

No. 64 of 1846.—Assistant Surgeon Babington, Port Surgeon, is allowed to proceed to Poona on private affairs with leave of absence for one month from the 18th instant, his duties being performed by Assistant Surgeon Stuart.

No. 66 of 1846.—Mr. Frederick Warden Nott, Midshipman, having passed the requisite examination, is placed on the list of Mates from the 2nd May 1846.
