NOTIFICATION.

It is hereby notified for general information that in conformity with Sec: XXVII. of the Post Office Rules of the 30th August 1837, no parcel can be received at this office which bears the appearance of having been opened, and reclosed, or otherwise improperly dealt with, or packed in so insecure and careless a manner as to render it impossible to tell whether it has been so dealt with or not; and the public are particularly requested to be careful in all cases to pack parcels intended for transmission by Post in the strongest and most secure manner that circumstances will admit, affixing their private seals when possible on the joinings of the covers, as the extremely loose and careless way in which parcels are packed, affords great facilities to parties who are so inclined, to tamper with their contents.

LEGISLATIVE,
THE 12th SEPTEMBER 1846.**

The following Draft of a proposed Act was read in Council for the first time on the 12th of September 1846:

ACT No. — OF 1846.

An Act to provide for the appointment of Constables and Peace Officers at the Settlements in the Straits.

Whereas by the Letters Patent for the establishing Her Majesty's Court of Judicature at Prince of Wales' Island, Singapore and Malacca, His late Majesty King George the Fourth, amongst other things authorized and empowered the said Court at their General and Quarter Sessions, from time to time to nominate and appoint such persons as the said Court should see fit to be and act as Constables, or to perform the duties performed by Constables and Subordinate Peace Officers in that part of his United Kingdom called England as nearly as the different religions, customs and manners of the different inhabitants of the said Settlements and places should require or would admit, and His said late Majesty authorized and empowered the said Court to direct that the said Constables and other Subordinate Peace Officers should have and exercise their authority in and over any particular District or Districts, or any particular class or classes, tribe or tribes of the inhabitants of the said Settlements of Prince of Wales' Island, Singapore and Malacca and places, aforesaid as the Court should see fit. And His said late Majesty authorized and empowered

And whereas it is expedient that all Constables and Subordinate Peace Officers and other persons appointed to perform the duties of Police should receive pay in remuneration for the performance of their duties.

And whereas by the 13th Section of Act XII. of 1849, it was enacted that out of the Funds collected from the Assessment and Taxes leviable under that Act provision should be made in conformity with such instructions as might from time to time be issued by the Governor of Bengal for the efficient watching, cleansing, lighting and repairing of the Streets and Thoroughfares in the Towns of George Town, Singapore and Malacca, and for the making and repairing of Roads and Bridges, and the effecting of other purposes necessary for the comfort and protection of the inhabitants of the incorporated Settlement therein aforesaid.
