NOTIFICATION.

It is hereby notified for general information that in conformity with Sec. XXVII. of the Post Office Rules of the 30th August 1837, no parcel can be received at this office which bears the appearance of having been opened, and reclosed, or otherwise improperly dealt with, or packed in so insecure and careless a manner as to render it impossible to tell whether it has been so dealt with or not; and the public are particularly requested to be careful in all cases to pack parcels intended for transmission by Post in the strongest and most secure manner that circumstances will admit; affixing their private seals when possible on the joinings of the covers, as the extremely loose and careless way in which parcels are packed, affords great facilities to parties who are so inclined, to tamper with their contents.

FORT WILLIAM,
HOME DEPARTMENT,
LEGISLATIVE,

The 7th November 1846.—The following Draft of a proposed Act was read in Council for the first time on the 7th of November 1846.

ACT No. — OF 1846.

An Act for the Survey and Assessment of Lands in the Town of Calcutta, within the local limits of the jurisdiction of Her Majesty's Supreme Court of Judicature.

1. Whereas by reason of the defect of compulsory provision for the registration or mutations of Landed Property and from other causes, the Lands liable to the payment of ground rent in the Town of Calcutta, within the local limits of the jurisdiction of Her Majesty's Supreme Court of Judicature, cannot in many instances be identified, and the proprietors thereof cannot be ascertained, so that the dues of Government from the said lands cannot be realized with certainty and regularity, and it has become necessary to form a more correct assessment, and a new registry of such lands, and to make provision for the compulsory registration of all mutations of property therein :

It is therefore hereby enacted, that whenever an Officer shall be appointed by the Governor of Bengal to survey and assess the Lands, situate within the said local limits of the jurisdiction of Her Majesty's Supreme Court, such Officer shall, by public notification, require all persons, owing or occupying lands and tenements within the said local limits, to appear before him in person or by duly constituted Attorney within a reasonable time,

not being less than one month from the date of the notification at whatever place within the said limits his office may be held, with all Pottahs, Ground-rent Bills, Bills of Sale, and other writings, in virtue of which they may own, or occupy such lands, and to attend him from day to day during his enquiries.

II. And it is hereby enacted, that the said Officer shall for the purposes of this Act have full power and authority at all reasonable hours in the day time to enter or to direct his subordinate Officers to enter into and upon any land or tenement within the said local limits, and in and upon the land on which any house, building or other erection is built or building, or intended to be built, and into and upon any buildings or any part thereof without being liable to any action at law or suit in Equity, or any other legal proceedings or molestation whatsoever for or on account of such entry, or of any thing done or to be done in any part thereof in pursuance of [this Act. Provided, that such Officer or Subordinate Officers shall not enter upon any lands or tenements which may be occupied at the time, unless with the consent of the occupier thereof, without previously giving the said occupier reasonable notice of his or their intention to do so.

III. And it is hereby enacted, that if any person at any time shall obstruct or molest the said Officer or any of his Subordinate Officers in the performance and execution of his or their duty, or any thing which they are required to do by or by virtue or in consequence of this Act, every such person so offending shall on conviction before a Magistrate for the Town of Calcutta forfeit and pay for every such offence any sum not exceeding 200 Rupees.

IV. And whereas such notification as is directed by Section I. of this Act may not in all cases be effectual, it is therefore hereby enacted, that it shall be lawful for the Surveying Officer to cause any person owning or occupying lands or tenements within the said local limits, to be served with a special notice under his official seal and signature, stating the purpose for which the attendance of such person is required, and any document which such person is to bring with him and the period within which such person is to attend, and if such person cannot be found the notice shall be affixed to his usual place of residence.

V. And it is hereby enacted, that if any person shall wilfully omit to obey any lawful summons to attend before the Surveying Officer personally, or by duly constituted Attorney, or to produce any document which he is required by the said Officer to produce, or to answer any lawful question put by the said Officer, it shall be competent to the said Officer to impose upon such person a daily fine, not exceeding Ten Rupees, so long as he may be recalcant, such fine, if not paid to be recoverable summarily by distraint and sale of the defaulter's personal property.

VI. And it is hereby enacted, that it shall be competent to the Surveying Officer to examine the parties whom he may summon on oath, or solemn affirmation, and any person who after making such oath or affirmation may wilfully and knowingly depose falsely before such Officer on any point material to the question under his investigation shall be held to be guilty of perjury, and shall be committed by any Magistrate of the Town of Calcutta for trial before Her Majesty's Supreme Court of Judicature.

VII. And it is hereby enacted, that the person or persons who may have been in bona fide possession of any parcel of land as proprietor for one year previous to the date of the proceedings of the Surveying Officer shall be registered and settled with as proprietor, and all other claimants shall be

left to their remedies at Law or Equity in the proper Courts, provided always that no action shall lie against the Surveying Officer in Her Majesty's Supreme Court or in any other Court, for decisions passed by him under this Section.

VIII. And it is hereby enacted, that if after the notification prescribed by Section I. of this Act, and after due enquiry by the Surveying Officer no claimant shall be discovered for any parcel of land, the Surveying Officer shall put up a notice for one month on the said parcel, and in the event of no claimant appearing within that time such parcel shall be registered as the property of the State.

IX. And it is hereby enacted, that all lands of which the rate as at present assessed cannot be traced, or which have not heretofore been assessed, shall be assessed at the rate of Three Rupees per beegah.

X. And it is hereby enacted, that the Surveying Officer shall submit his proceedings in every case to the Revenue Commissioner of the Division who shall be competent to revise and alter them, and no settlement of the Surveying Officer shall be binding until it has received the confirmation of the said Commissioner, whose confirmation shall be final.

XI. And it is hereby enacted, that an appeal shall lie against any order passed by the Surveying Officer under this Act if preferred within one month from the date thereof to the Revenue Commissioner of the Division, whose decision in every case of appeal shall be final.

XII. And it is hereby enacted, that after the final orders of the Revenue Commissioner of the Division have been passed in any case, it shall be competent to the Surveying Officer to conclude the Settlement with the party or parties entitled to engage under the said orders by granting a pottah or lease, and taking a cabooleut or counterpart engagement.

XIII. And it is hereby enacted, that whenever a settlement for any parcel of land has been concluded, every new right therein or to any part thereof whether acquired by inheritance, gift, purchase or otherwise shall be registered by the party or parties to whom such right shall have accrued within three months after such right shall have accrued, and all land, any new right wherein has not been registered, shall be liable to an assessment of Six Rupees per beegah until every new right therein shall have been registered.

XIV. And it is hereby enacted, that when a claim to hold land lakhiraj or free of assessment shall be set up, the Surveying Officer shall investigate the claim, and record his proceedings in the case, and report the same for the orders of the Commissioner of Revenue whose decision on the merits of such claim shall be final.

XV. And it is hereby enacted, that for the purpose of such investigation it shall be lawful for the Surveying Officer by writing under his hand, to summon any person whatsoever to attend as a witness at a time and place to be specified in such summons, and that every witness, so duly summoned to attend as aforesaid, who shall not attend, or who attending shall refuse to give evidence on oath or solemn affirmation or declaration or to answer all such questions as the Surveying Officer may legally demand, shall be liable to be attached in the Supreme Court upon complaint made in like manner as if such witness had neglected to attend on any trial in such Supreme Court.

XVI. And it is hereby enacted, that any witness examined before such Surveying Officer shall be examined upon oath, which such Surveying Officer is hereby authorized to administer. Provided always that in all cases wherein a solemn declaration or affirmation would be allowed in Her Majesty's Courts of Judicature to be substituted for an

oath, the said Surveying Officer shall substitute such solemn declaration or affirmation for an oath.

XVII. And it is hereby enacted, that any witness wilfully and knowingly giving false testimony on oath or solemn declaration or affirmation before such Surveying Officer shall be deemed guilty of wilful and corrupt perjury.

XVIII. And it is hereby enacted, that lakhiraj tenures of which uninterrupted possession shall have been held exempt from assessment from the 12th August 1765 to the present time shall be valid; and that no other lakhiraj tenures shall be deemed valid unless the same shall be held under a grant from the British Government, which grant shall not have expired.

Ordered, that the Draft now read be published for general information.

Ordered, that the said Draft be re-considered at the first meeting of the Legislative Council of India after the 7th day of January next.
