No. 20 of 1848.—The Hon'ble the Governor in Council is pleased to republish the following general order by the Right Hon'ble the Governor General of India, and to declare its provisions applicable to this Presidency from this date.

GENERAL ORDERS BY THE RIGHT HON'BLE THE GOVERNOR GENERAL OF INDIA.

Simla 8th October 1847.

The Right Hon'ble the Governor General having taken into consideration the rules under which officers of mounted corps are at present permitted to select chargers, and the difficulty represented to have been experienced by them in obtaining chargers by private purchase in the market, is pleased to rescind the Regulations published in Government general orders No. 124 of the 26th June 1837, and No. 37 of the 22d January 1847, and to substitute for them the following revised rules which are to have effect from this date.

In modifying the regulations on this subject, the Governor General is desirous of affording the officers of horse artillery and cavalry every facility consistent with the interests of Government, of mounting themselves efficiently from the remounts allotted to corps, under conditions which will be hereafter specified, but with reference to the additional expense now entailed on the State by retaining the horses at the Remount Depot at Kurnaul until they are five years old, whereby their value is considered to be proportionally enhanced, the price to be paid for all Stud-bred Arab or Colonial Remounts is in future to be seven hundred (700) Rupees.

The Governor General having also taken into consideration the necessity for officers attached to light field batteries being mounted on parade, is pleased to extend to them the privilege of selecting chargers from horses, the property of the State. Their selection however, is limited to the remounts which join their batteries and the price to be paid for each, is the maximum price allowed by Government for their purchase, viz: four hundred (400) Rupees.

1. In the first instance every officer attached and doing duty with a troop of horse artillery or regiment of cavalry will be permitted to select from the remounts of the regiment two horses as chargers, and the medical officers, veterinary surgeons, and riding masters of such corps when permanently attached, one horse of the same description, on the terms hereinafter specified. Selected chargers now in the possession of officers are to come under these regulations.

2. In the same manner every European commissioned officer attached to horse field batteries, will be allowed to select chargers from the remounts which join their batteries.

3. Horses sent as remounts from the Depot to complete corps shall be continued to be considered as such for three months from the date of their joining.

4. When two or more officers are to select at the same time, the senior is to have the first choice, but must not be permitted to choose a second horse till his junior or juniors have chosen one.

5. Horses selected as chargers are always to be branded with the mark of the regiment, and entered on the description roll of the corps when they are delivered over to the selecting officer.

6. No officer is to be allowed to replace his charger from horses the property of the State, unless the animal was duly entered in the "Register of officer's chargers," and only then in the event of such charger having died, been killed in action, captured, stolen, lost, shot, at the recommendation of a station or detachment committee, or have been reported by such a committee unfit for further service from age, vice, disease or permanent unsoundness. In cases where the charger has been reported unfit for further service, without being infectiously diseased, his owner may dispose of him at his discretion.

7. Officers returning from furlough or rejoining from staff employ, are permitted to select chargers as allowed in articles 1 and 2, without reference to their having enjoyed that indulgence before they proceeded to Europe or were detached on staff employ.

8. Selected chargers may be exchanged between officers of the same corps with the sanction of the commanding officers, or when their full price has been recovered by the Pay Master, may be sold to any officer of the same corps entitled to a choice, the purchaser in that case to stand in the place of such choice, and the seller to be allowed to select another charger.

9. An officer who finds on trial that he has made an unsuitable selection may return the horse to the ranks and select another from the regimental remount, provided his desire to do so be made known to the commanding officer of the corps within three months from the date of selection, and provided the horse to be returned be reported by a regimental committee as sound and fit for the service as when selected.

10. At any time after the lapse of six months, and within twelve, from the date of selection, a charger may with the permission of the commanding officer of the corps, be returned for the purpose of being placed in the ranks, if reported by a regimental committee to be perfectly fit for the service, but in such case, the officer returning the horse will not be permitted to choose another in his room, and will merely be entitled to receive back from the Pay master the full price or such portion of the price as may have been deducted from his pay and allowances.

11. In all cases where an officer wishes to select a charger, or to sell, exchange, or place in the ranks a selected charger, he is to make a written application to the commanding officer of his corps, who when necessary will assemble a regimental committee composed of a president, not under the rank of captain, and two subalterns as members, the report of proceedings of which are not to be considered complete without his, the commanding officer's countersignature.

12. When officers are removed from one Brigade of Horse Artillery, regiment of cavalry or Horse Field Battery to another, they may take their selected chargers with them, and the horses so transferred are to be erased from the register of the one corps, and entered in that of the other.

13. The selected chargers of officers who may retire from the service, proceed on furlough to Europe, be nominated to the general staff, or any other detached permanent employ, or be transferred from the horse to the foot Artillery, or from a Horse Field Battery to the Horse Artillery, are not to be sold or taken out of the regiment, troop, or battery, to which their owners belonged, unless purchasers cannot be found in the corps, and the horses be pronounced by a regimental committee unfit for admission to the ranks, in which cases they may be disposed of at the discretion of their owners.

14. The terms on which chargers, the property of the several classes of officers specified in the foregoing paragraph are in the first instance to be offered for sale to such officers of the corps as are entitled to select chargers, and in default of purchasers to be tendered for admission to the ranks, are as follows.

If six years old, full price, and if above six, but not exceeding twelve years, a deduction is to be made at the rate of ten per cent per annum for the period elapsed since the horse attained the age of six years,

	Horse Artillery and Cavalry.	Horse Field Battery.
6 years full price Rupees	700	400
7	630	360
8	560	320
9	490	280
10	420	240
11	350	200
12	280	160

Horses whose age exceeds twelve years, are not to be admitted into the ranks, but may be disposed of at the discretion of the owners or their representatives.

15. In the annual return furnished on the 1st of October by officers commanding mounted corps, shewing the probable number of horses that will be required to complete each corps, a column will be added in which is to be inserted the number of chargers required by officers.

16. The price of chargers selected by officers to be realized from their pay and allowances by deputy pay masters in four equal monthly deductions from field officers, captains and surgeons, and in eight similar deductions from subalterns, assistant surgeons, veterinary surgeons and riding masters; when an officer has occasion to select two horses, double time will be allowed for payment, and in all cases the deductions are to commence with the first issue of pay after the date of selection.

17. Should an officer die before the full price of his selected charger has been recovered, the horse if reported by a committee fit in all respects for the service is to be received into the ranks, and the amount deducted will be refunded by the deputy pay master to the legal representative of the deceased, but if reported unfit for the service, the horse is to be sold under the orders of the commanding officer of the regiment, who from the proceeds of the sale, will remit to the deputy pay master the sum remaining due to Government, and pay the balance if any to the person entitled to receive it.

18. When an officer has selected and been put in possession of a charger he will immediately transmit, in duplicate, a descriptive roll of, and receipt for the horse selected, to the officer commanding the corps, who having countersigned them and caused a transcript of them to be entered in the "Register of officer's chargers" will transmit one copy to the Deputy Pay master within whose circle the corps may be, and the other to the Military Auditor General.

19. The commanding officer of the corps will then direct the officer in whose abstract the pay and allowances of the individual who selected the charger are drawn, to insert at the foot of each abstract until the necessary deductions shall be completed, a notification to the following effect.

Deduct from A's pay and allowances _____ Rupees, being the first (or as the case may be 2nd, 3rd, &c.) monthly deduction on account of a charger selected by him from the remount horses which joined the corps on the _____ day of _____ 18____.

20. At the close of each year, the Military Auditor General will compare the receipts with the amount realized on account of selected chargers and will take immediate steps for recovering any sums that may be over due.

Quarterly returns of horses selected as chargers, will be furnished regularly to the Adjutant General of the Army by officers commanding mounted corps, as directed in general orders by the Commander in Chief, 14th November 1846.

LEGISLATIVE.

The 18th *December 1847.*

The following *Draft* of a proposed Act was read in *Council* for the first time on the 18th of *December 1847.*

ACT No. — OF 1847.

An Act for preventing the dangers arising from *Gunpowder* and *Fireworks* within the limits of the *Presidency Towns* of *Calcutta*, *Madras* and *Bombay*.

I. It is hereby enacted, that the *Rule*, *Ordinance* and *Regulation* passed by the *Governor General* in *Council* on the 8th *April 1802*, and *Section II.* *Act XVIII.* of 1841, be repealed.

II. And it is hereby enacted, that if any person (unless licenced as hereinafter provided) shall within the limits of the *Presidency Town* of *Calcutta*, *Madras* or *Bombay*, manufacture *Gunpowder*, or have in his possession in any house, shop, warehouse or other building,

at any one time, a greater quantity of *Gunpowder* for sale or otherwise than ten pounds, he shall, on conviction, before a *Magistrate of Police*, be liable to a forfeiture of all such *Gunpowder* so manufactured or possessed, together with the vessel or receptacle in which it may be seized, and also to a fine not exceeding in amount the sum of *Rupees Five Hundred*.

III. And it is hereby enacted, that it shall be lawful for the *Chief* or *Senior Magistrate of Police* to grant to any person (whom he shall deem fit and proper) a licence for the manufacture of *Gunpowder*, or for the sale or keeping in deposit within the limits of the *Presidency Town* of *Calcutta*, *Madras* or *Bombay*, any quantity of imported or *Indian* manufactured *Gunpowder* not exceeding fifty pounds on such conditions and subject to such regulations as shall be specified in the licence and shall be approved of by the local Government: and any person who shall be guilty of a breach of any of such conditions and regulations shall, on conviction, before a *Magistrate of Police*, be liable to a forfeiture of his licence and of all *Gunpowder* so manufactured, together with all implements used in such manufacture, or so sold or kept in deposit contrary thereto, and also to a fine not exceeding *Rupees Two Hundred*.

IV. And it is hereby enacted, that no person or persons whatever being a dealer or dealers, or manufacturer or manufacturers of *Gunpowder*, shall keep at any one time at his or their house, shop, place of manufacture, warehouse or other building, more of the mixed materials required for making *Gunpowder* than may be sufficient for the manufacture of fifty pounds weight of *Gunpowder*, and any person or persons who shall be guilty of a breach of this rule shall, on conviction, before a *Magistrate of Police*, be liable to a forfeiture of his or their licence and of all such mixed materials, together with the vessels or receptacles in which they may be seized, and also to a fine not exceeding *Rupees Two Hundred*.

V. And it is hereby enacted, that every such licence as is mentioned in *Section III.* shall be in force for a period of one year only and no longer, but shall be renewable by the said *Chief* or *Senior Magistrate* at his discretion on the same or any other terms and conditions, to be subject in like manner to the approval of the local Government, and such licence shall also provide for the transit and carrying of *Gunpowder* from one place to another within the limits of the said *Presidency Town* of *Calcutta*, *Madras* or *Bombay*, in such manner and in such quantity as shall be deemed advisable for the safety of the inhabitants and of property within the said *Presidency Towns*, and every person offending against such provisions shall be liable to a fine not exceeding *Rupees Fifty*, and every person obtaining such licence as aforesaid, shall pay a fee of *Rupees Two* for the same to the said *Chief* or *Senior Magistrate* to be applied as the fines under this Act.

VI. And it is hereby enacted, that any *Magistrate of Police* on credible information laid before him on oath or solemn affirmation that *Gunpowder* or mixed materials for making the same contrary to the provisions of this Act, are suspected to be stored, kept or possessed by any person or persons, may issue his warrant for searching in the day-time any house, shop, magazine or other building or place in which he has reasonable ground to suspect any *Gunpowder* to be manufactured, sold or kept, or any boat, carriage, cart or other vehicle in which any *Gunpowder* or materials for manufacturing the same may be suspected to be carried, or any person or persons suspected of carrying the same contrary to such licence or to the provisions of this Act, and all *Gunpowder*, or materials for manufacturing the same found on such search shall, together with the vessels or receptacles in which they may be stored, be immediately seized by such searcher or searchers and brought before a *Magistrate of Police* with whom the same shall be kept till it shall be adjudged whether the same shall be forfeited.

VII. Provided, that the preceding Sections of this Act shall not extend to any *Government magazine*, or store or building for the making or deposit of *Gunpowder* under the authority or for the use of the *Government* or to any *Gunpowder* for the use of *Her Majesty's* or the *East India Company's Troops*, or otherwise for the service of *Government*, or to any of *Her Majesty's Vessels* of War, or the *Vessels* of the *Indian Navy* or of the *East India Company's Marine*, or to any other *Vessel* within the *River Hooghly*, or the *Port Road* or *Harbour* of *Madras* or *Bombay* laden with *Gunpowder* for importation or exportation.

VIII. Provided also and it is hereby enacted, that *Commanders* of *Merchant Vessels* entering the *River Hooghly* shall on or before the arrival of their *Vessels*

Moypore deposit in the Magazine at that place all Gunpowder intended for the Ship's use, from on board their respective Vessels, exceeding the quantity of one hundred pounds, which quantity they shall be permitted to retain in their Vessels for the purpose of firing Salutes or Signals in case of distress, and the Gunpowder so deposited shall be again delivered on board on the return of the respective Vessels from Calcutta in prosecution of the outward voyage: and it is hereby enacted, that Commanders of Merchant Vessels in the River Hooghly having on board their Vessels Gunpowder for importation (not being Gunpowder belonging to the Government) exceeding the quantity of fifty pounds, shall deposit the same on or before the arrival of their Vessels off Fort William or the Town of Calcutta in the Magazine at Howrah, under charge of an Officer belonging to the Customs at that place, or such other person as the Governor of Bengal may appoint; and the Proprietors or Consignees of such Gunpowder or their Agents, whenever they shall desire to remove the same from the Magazine, shall make application to the Collector of Sea Customs for authority to do so, which application when it be intended that such Gunpowder shall be lodged in any place or be laden in any boat or other conveyance within the limits of the Town, shall be accompanied by a written order of permission, signed by a Magistrate of Police to that effect, and when it be intended, that such Gunpowder shall be exported by Sea, the Commanders of Vessels, or the Proprietors or their Agents by whom it shall have been deposited in the Magazine shall make application to the Collector of Sea Customs for permission so to export it; and the Collector of Sea Customs shall comply with such applications aforesaid, except where the exportation of ammunition shall require, under provisions of Act XVIII. of 1841, a licence from a Public Officer other than the Collector of Sea Customs, in which case the Collector of Sea Customs shall not comply with the application unless it be accompanied by the licence of such Public Officer, and on or before the removal of all Gunpowder from the Magazine, the Collector of Sea Customs shall and he is hereby authorized to levy a fee, the rate of which shall not be exceeding two annas per pound, for all Gunpowder that has been lodged therein, which fee (not to exceed the rate of two annas per pound as aforesaid, and to be regulated by such orders as the Governor of Bengal may from time to time issue for the purpose) shall be taken to cover all charges for the safe custody of the Gunpowder during the period it has remained or shall remain in the Magazine. Provided also and it is hereby enacted, that the Governor of Bengal shall be at liberty to authorize such arrangement to be made by letting or otherwise contracting for the custody of the Magazine, and for the collection and appropriation of the fee which may be charged for Gunpowder stored therein as he may think proper, subject, however, to all the restrictions and rules imposed by this Section of this Act in respect to the removal from the Magazine of Gunpowder therein stored.

IX. And it is hereby enacted, that for every act done or omitted to be done contrary to the provisions in the last preceding Section of this Act by the Commander of any Merchant Vessel in the Port of Calcutta the Commander aforesaid shall forfeit the sum of Two Hundred Rupees, and the Collector of Sea Customs is hereby empowered to enforce the said penalty: Provided also and it is hereby enacted, that the Collector shall not grant a Port Clearance for any Vessel in which such penalty shall have been incurred until it shall have been paid. And the Collector of Sea Customs is hereby empowered to search for any quantity of Gunpowder which he may have reason to believe to be on board a Merchant Vessel in the Port of Calcutta contrary to the provisions of this Act, and to seize it and detain it in the Magazine at Howrah as a forfeiture to the Government to be dealt with as the Governor of Bengal shall think right to direct.

X. And it is hereby enacted, that if any person, except on public festivals or occasions as hereinafter mentioned shall in any highway, street or thoroughfare, or within twenty-five feet thereof, set fire to or wantonly let off or throw any squib or other firework, or send up any fire balloon, or make or assist in making any bonfire within the said Presidency Town of Calcutta, Madras or Bombay, every person so offending shall forfeit and pay a sum not exceeding Rupees Fifty, and if any person shall in any house, shop or other building adjoining to any public road or thoroughfare set fire to or let off any squib or other firework within the said Towns, he shall forfeit and pay a fine not exceeding Rupees Fifty, and if such person be not the owner or occupier of any such house, shop or other building, and

have the permission, express or implied of the owner or occupier thereof to set fire to or let off such squib or other firework, then such owner or occupier shall also forfeit and pay a fine not exceeding Rupees Fifty.

XI. And it is hereby enacted, that notwithstanding the provisions in the last Section, it shall be lawful for the Chief or Senior Magistrate of Police on any public festivals or days of private of family rejoicings among the Natives to permit the discharge of fireworks, and the lighting of bonfires in such places, and at such times and under such restrictions and limitations as to the said Chief or Senior Magistrates may seem fit for the protection of property and the persons of the inhabitants of the said Presidency Town of Calcutta, Madras or Bombay against injury, and for such purpose to issue a Proclamation notifying the conditions on which such permission is granted, and every person convicted before a Magistrate of Police of offending against such Proclamation shall forfeit and pay a sum not exceeding Rupees One Hundred, besides being liable in damages to any party injured thereby either in his person or property.

XII. And it is hereby enacted, that all fines, forfeitures and penalties incurred under this Act may be recovered in the form and mode prescribed by Act No. II. of 1833, and shall be paid into the General Treasury for the benefit of the Municipal Funds.

XIII. And it is hereby enacted and declared, that the words Presidency Town of Calcutta, Madras or Bombay, as used in this Act, shall for the purposes of it be held and deemed to include all places within the local limits of the jurisdiction of Her Majesty's Supreme Court of Judicature at the said Presidency Towns.

Ordered, that the Draft now read be published for general information.

Ordered, that the said Draft be reconsidered at the first meeting of the Legislative Council of India after the 18th day of March next.

FORT WILLIAM.

HOME DEPARTMENT,

LEGISLATIVE.

The 18th December 1847.

The following Act passed by the Governor General of India in Council on the 18th of December 1847, is hereby promulgated for general information.

Act No. XX. OF 1847.

An Act for the encouragement of learning in the Territories subject to the Government of the East India Company, by defining and providing for the enforcement of the right called Copyright therein.

Whereas doubts may exist whether the right called Copyright can be enforced by the Common Law of England in those parts of Territories subject to the Government of the East India Company into which the Common Law of England has been introduced:

And whereas doubts may exist whether the said right can be enforced by virtue of the principles of equity and good conscience in the other parts of the Territories subject to the Government of the East India Company.

And whereas for the encouragement of learning it is desirable that the existence of the said right should be placed beyond doubt, and that the said right should be made capable of easy enforcement in every part of the said Territories:

And whereas it is doubtful whether the Act of Parliament 5 and 6, Victoria, C. 45, entitled "*an Act to amend the Law of Copyright*," although such Act extend to every part of the British Dominions, has made appropriate and sufficient provision for the enforcement in every part of the said Territories subject to the Government of the East India Company of the said right by proprietors thereof: and whether the said Act of Parliament has made provision for the enforcement of the said right by or against any persons not being subject to the jurisdiction of the Courts established by Her Majesty's Charter.

I. It is therefore hereby enacted, that the Copyright in every book published in the life-time of its author within the said Territories after the passing of the Act of Parliament 3 and 4, Wm. 4, C. 85 entitled "*an Act for effecting an arrangement with the East India Company and for the better government of His Majesty's Indian Territories till the 30th day of April 1851*," shall

endure for the natural life of such author, and for the further term of seven years commencing at the time of his death and shall be the property of such author and his assigns: Provided always, that if the said term of seven years shall expire before the end of forty-two years from the publication of such book, the Copyright shall in that case endure for such period of forty-two years; and that the Copyright in every book published after the death of its author and after the passing of the Act of Parliament last aforesaid shall endure for the term of forty-two years from the first publication thereof and shall be the property of the proprietor of the author's manuscript, from which such book shall be first published, and his assigns.

II. And whereas it is expedient to provide against the suppression of books of importance to the public: It is enacted, that it shall be lawful for the Govern^r or General in Council on complaint made to them that the proprietor of the Copyright in any book published after the passing of this Act within the said Territories has after the death of its author refused to republish or to allow the republication of the same, and that by reason of such refusal such book may be withheld from the public, to grant a licence to such complainant to publish such book in such manner and subject to such conditions as they may think fit, and it shall be lawful for such complainant to publish such book according to such licence.

III. And it is hereby enacted, that a Book of Registry wherein may be registered as hereinafter enacted the proprietorship in the Copyright of books and assignments thereof, and licences affecting such Copyright, shall be kept in the office of the Secretary to the Government of India for the Home Department, and shall at all convenient times be opened to the inspection of any person on payment of Eight Annas for every entry which shall be searched for or inspected in the said book, and that such Officer shall whenever thereunto reasonably required, give a copy of any entry in such book certified under his hand, to any person requiring the same, on payment to him of the sum of Two Rupees, and such copies so certified shall be received in evidence in all Courts and in all summary proceedings, and shall be *prima facie* proof of the proprietorship or assignment of Copyright or licence as therein expressed, but subject to be rebutted by other evidence.

IV. And it is enacted, that if any person shall wilfully make or cause to be made any false entry in the Registry Book aforesaid, or shall wilfully produce, or cause to be tendered in evidence any paper falsely purporting to be a copy of any entry in the said Book, he shall be guilty of a misdemeanour and shall be punished with imprisonment with or without hard labour for a term not exceeding three years.

V. And it is enacted, that after the passing of this Act, it shall be lawful for the proprietor of Copyright in any book published, after the passing of the said Act of Parliament 3 and 4, Wm. 4, C. 85, to make entry in the Registry Book of the title of such book, the time of the first publication, and the name and place of abode of the publisher thereof, and the name and place of abode of the proprietor of the Copyright of the said book, or of any portion of such Copyright in the form in that behalf given in the Schedule to this Act annexed upon payment of the sum of Two Rupees to the said Secretary, and that it shall be lawful for every such registered proprietor to assign his interest or any portion of his interest therein, by making entry in the said Book of Registry of such assignment, and of the name and place of abode of the Assignee thereof in the form given in that behalf in the said Schedule on payment of the like sum; and such assignment so entered shall be effectual in Law to all intents and purposes whatsoever without being subject to any stamp or duty, and shall be of the same force and effect as if such assignment had been made by Deed.

VI. And it is enacted, that if any person shall deem himself aggrieved by any entry made under colour of this Act in the said Book of Registry, it shall be lawful for such person to apply by motion to the Supreme Court of Calcutta, or if the Court shall not be then sitting to any Judge of such Court sitting in Chambers for an order that such entry may be expunged or varied, and that upon any such application to the said Court, or to a Judge as aforesaid, such Court or Judge shall make such order for expunging, varying or confirming such entry either with or without costs, as to such Court or Judge shall seem just, and the said Secretary shall on the production to him of any such order for expunging or varying any such entry, expunge or vary the same according to the requisitions of such order.

VII. And it is enacted, that if any person shall after the passing of this Act print or cause to be printed either for sale or exportation, any book in which there shall be subsisting Copyright without the consent in writing of the proprietor thereof, or shall have in his possession for sale or hire any such book so unlawfully printed without such consent as aforesaid, such offender if he shall have so offended within the local limits of the jurisdiction of any of the Courts of Judicature established by Her Majesty's Charter, shall be liable to a special action on the case in such Court, and if he shall have so offended in any other part of the Territories subject to the Government of the East India Company to a suit in the Zillah Court within the jurisdiction of which he shall have so offended, which shall and may be prosecuted in the same manner in which any other action of damages may be brought and prosecuted there, and if he shall have so offended in any such last-mentioned part of the Territories subject to the Government of the East India Company in which there is no Zillah Court, to a suit in the highest local Court exercising original Civil jurisdiction in such part of the said Territories.

VIII.
