Notice

Is hereby given, that persons desirous of entering into a contract for supplying Provisions, Teas, &c. to the European troops, Commissariat and Indian Naval Departments, House of Correction and County Gaol, and for such other purposes as may from time to time be required, for the term of seven months and nine days—namely, from the 23d July next, to the 28th Feb. 1849,—may, on application at this office from 10 A. M. till 5 P. M. daily (Sundays excepted), obtain a list of prices and such other information relating thereto as they may require.

And further, that they are to be delivered by measure or weight as follows, viz:

Supplies to the Commissariat, at any of the Commissariat Godowns, or any other place which may be indicated; and for the troops, at the Regimen-

tal stores or such other places as may be appointed for their receipt.

And the contract may in all such cases be put an end to on the part of the East India Company.

The amount of retrenchments made by the Military Board on the contractors' bills, will be recovered from the first bills presented for payment by the contractors, but in the event of such retrenchments being subsequently removed, the amount thereof will be returned to them.

(True Extract)

(Signed) J. S. BROWNRIFF,

"Newspapers, printed papers or parcels, will not be received bearing postage, unless the sender shall give his name and address, in order that the regulated postage may be recovered from him in case of such paper or parcel being refused by the party addressed."

Parties coming to the General Post Office to enquire for letters awaiting their arrival, are requested to make application to the "Dead and Unclaimed Letter Department" in the South wing of the building.

FORT WILLIAM,
HOME DEPARTMENT,
LEGISLATIVE.

THE 6TH MAY, 1848

The following Draft of a proposed Act was read in Council for the first time on the 6th of May, 1848.

ACT No. — OF 1848.

An Act for the appointment of an Administrator General of unrepresented Estates in Bengal and for the regulation of that Office, and for the regulation of the Offices of the Supreme Court of Judicature at Fort William in Bengal.

Whereas by an Act of Parliament passed in a Session holden in the 39th and 40th years of the reign of King George III, entitled "An Act for establishing further Regulations for the Government of the British Territories in India, and for the better Administration of Justice within the same," it was amongst other things provided, that from and after the First day of March in the year of Our Lord One Thousand Eight Hundred and One, whenever any British Subject should die intestate within either of the Presidencies of Fort William, Port St. George, or Bombay respectively, or the Territories subordinate to either of the said Presidencies, or to become subordinate thereto, and on the return of the citation issued from the proper Ecclesiastical Court, no next of Kin or Creditor should appear and make out their claim to the Administration of the Effects of the intestate deceased to the satisfaction of the said Court, it should and might be lawful for the Registrar of such Court respectively, and he was thereby required to apply for, and such Court was thereby required and directed to grant such Letters ad Colligenda, or of Administration, as to such Court should seem meet, by virtue whereof such Registrar should collect the assets of the deceased, and should bring them for safe custody into such Court, and account for them regularly in like manner as was then by Law provided in cases where assets were in the hands of any Officer of the Court under or by virtue of the Equitable jurisdiction of any such Court: And whereas by a certain other Act of Parliament passed in the 55th year of the same reign, entitled "An Act to amend so much of an Act of the 39th year of His present Majesty as relates to fixing the limits of the Towns of Calcutta, Madras, and Bombay; and also so much of an Act of the 39th and 40th year of His present Majesty as relates to the granting of Letters of Administration to the Effects of persons dying intestate within the several Presidencies in the East Indies to the Registrar of the Ecclesiastical Courts; and to enable the Governor and Council of the said Presidencies to remove persons not being British Subjects and to make provisions for the Judges in the East Indies in certain cases," it was amongst other things provided, that in all cases in which the said Registrar should obtain a grant of Letters of Administration or ad Colligenda bona under the provisions of the Acts enabling and requiring him to apply for the same, the said Registrar should enter into a book to be kept by him for that purpose, separate and

distinct accounts of each Estate, and of all such sums of Money, Bonds, and other Securities for Money, Goods, Effects and things, as should come to his hands or to the hands of any persons employed by him, or in trust for him, by virtue of any Letters ad Colligenda, or of Administration granted to him under the authority of the said Act, and likewise of all payments made by him for and on account of the said Estates, and of all debts due by or to the same, specifying the dates of such receipts and payments respectively, which said book should be kept in the Registrar's Office, and should be open for the inspection of all such persons practitioners in the said Courts and others as might have occasion to inspect the same, at office hours, paying such reasonable fee as might be fixed therefore by the said Courts and no more; and the said Registrar should twice in every year, that is, on the First day of March and on the Twenty-second day of October, or on the First day after those days on which their respective Courts should be sitting, exhibit and deliver in open Court, a true and perfect Schedule of all sums of Money, Bonds, or other Securities received on account of each Estate remaining under their charge, together with the payments made thereof and the balances; and also of all Administrations whereof the balances should have been paid over to the persons entitled to the same, since the period of exhibiting the last Schedule, specifying the amount of such balances, and the persons to whom paid, which should be filed of record in the said Courts, and should within fourteen days afterwards be published in the Gazette of the Presidencies within which such Courts are respectively situated, by the said Registrar, who should likewise cause copies thereof in triplicate to be delivered to the Chief Secretary of such Presidency, and the same should be transmitted by the respective Governors at such Presidencies to the Court of Directors of the East India Company, who upon the receipt thereof should cause the same to be published in the London Gazette: And whereas it is desirable to disconnect the Administration of such Estates from the Office of Ecclesiastical Registrar of the Supreme Court, and to provide for the Administration of such Estates by the Officer by this Act to be appointed for that purpose, and to extend to that Officer the provisions hereinbefore recited, and to make further provisions for the due Administration of such Estates, It is enacted as follows:

I. All Letters of Administration or ad Colligenda bona granted to the Ecclesiastical Registrar of the Supreme Court, and all Probates granted to such Officer of Wills appointing the Ecclesiastical Registrar of the Supreme Court by that description or him and his successors Executors thereof, and all Estates, Effects, and Interests, vested in the said Ecclesiastical Registrar by virtue thereof, and all books, papers, and documents belonging to him or in his possession, or under his power or control by virtue of such Letters or Probate, shall by virtue and operation of this Act, and without other grant be transferable and shall be forthwith transferred to the Administrator General by this Act created, who shall be to all intents and purposes such Administrator, Executor, or Grantee in his new character of Administrator General as the Ecclesiastical Registrar of the Supreme Court was, and shall have as such Administrator, Executor, or Grantee all the same powers as the said Ecclesiastical Registrar might exercise at the time of passing this Act as such Administrator, Executor, or Grantee.

II. The Ecclesiastical Registrar at the time of the passing of this Act shall be the first Administrator General, and shall upon the passing of this Act cease to be Ecclesiastical Registrar, and shall as such Administrator General be entitled to receive or retain all Commission to which he was entitled as Ecclesiastical Registrar at the time of the passing of this Act on any such grants as aforesaid.

III. The said Administrator General and every succeeding Administrator General shall give Security by Bond to the East India Company, himself for one lac of Rupees, with two or more Sureties jointly and severally for another lac of Rupees, for the due execution of his said Office, and shall not be required by the said Supreme Court to enter into any Administration Bond or to give other Security to that Court on the grant of any such Letters as aforesaid.

IV. The Administrator General shall receive as the remuneration for the discharge of his duties as such Administrator General under all such grants of Letters as aforesaid made after the passing of this Act, or on Probates of Wills so granted after the passing of this Act wherein he is named Executor by virtue of his Office, a Commission of three Rupees in the Hundred on each Estate instead of the five per cent. Commission heretofore received by the Ecclesiastical Registrar, and

shall defray out of the said Commission of three Rupees in the Hundred, the expenses of the necessary Establishment and all other charges to which the said Office may be subject, and shall be entitled instead of the Ecclesiastical Registrar of the said Supreme Court, and is hereby required to take out such Administrations and Letters ad Colligenda as aforesaid in all cases in which by virtue of the said Statutes the Ecclesiastical Registrar of the Supreme Court was at the time of the passing of this Act so entitled and required, and not otherwise.

V. On all future vacancies of the Office the Administrator General shall be appointed by the Governor General of India in Council, and shall be one who has either been admitted and is at the time of such appointment an Advocate or an Attorney of the said Supreme Court, or one who is at the time of such appointment qualified to be so admitted.

VI. From and after the passing of this Act the Administrator General shall not as such be deemed to be an Officer of the said Supreme Court, and shall not be otherwise accountable to it than any ordinary Executor, Administrator, or Grantee of Letters ad Colligenda as the case may be.

VII. From and after the passing of this Act the Assets belonging to the Estates administered by the said Administrator General shall be kept deposited and invested by such Administrator General in such manner as the Governor General of India in Council shall from time to time by his order in writing direct, which order shall be published in the Calcutta Gazette, and shall be full authority, protection, and indemnification in all Courts whatsoever for such keeping, depositing, and investing, and until such order be made, the Assets in the hands of such Administrator General shall be deposited and kept in the Treasury of the East India Company.

VIII. The provisions above recited of the Act 55th Geo. III. as to the entries in and keeping of the Book or Books in the Office of the Ecclesiastical Registrar, and as to the right of access to and inspection of the said Books and as to the filing of Schedules in the Supreme Court, and as to the transmission of copies of the said Schedules shall be in force as to the Administrator General and his Office instead of the Ecclesiastical Registrar of the said Supreme Court and his Office, and shall be carried into effect in like manner as was by the said Act of Parliament directed as to the Ecclesiastical Registrar of the said Supreme Court, provided that the fee or fees, if any, directed to be paid for inspection shall be fixed by the Governor General of India in Council and not by the Supreme Court, and shall be notified in the Calcutta Gazette in manner aforesaid.

IX. At the said several times when the said Schedules shall be exhibited and delivered to the Supreme Court of Judicature at Fort William in Bengal, duplicates thereof shall also be laid before the Governor General of India in Council, who shall refer the same to such person or persons as he may from time to time appoint for that purpose to examine such Schedules, and to report to the said Governor General in Council whether they contain the matters by the said Statute directed to be therein respectively inserted, and shall enquire into the truth and correctness of the matters stated in such Schedules so far as regards the receipts and payments therein stated to have been had and made, so as to ascertain whether the same as stated to have been had and made, have in fact been so had and made, and shall also ascertain whether the Books directed by the said Act of Parliament of the 55th Geo. III. to be kept in the said Registrar's Office, and by this Act directed to be kept by the Administrator General, are kept as this Act by reference to the said Act of Parliament directs, and whether the same are regularly kept and not suffered to fall into arrear, and whether the Assets are duly kept, deposited, and invested in such manner as is by Law prescribed for the investment and custody of such Assets, and the said person or persons to whom such reference is made shall have power to summon as well the said Administrator General as any other person or persons whose presence he or they may think necessary to attend him or them from time to time, and to examine the said Administrator General or other party or parties if he shall think fit, on Oath or Solemn Affirmation to be by him or them administered, and to call for all Books, Papers, and Documents which may appear to him or them to be necessary for the purpose of the said reference, and if the said Administrator General or other person or persons when summoned shall neglect or refuse to attend, or to produce any Books, Papers, or Documents required, or shall attend and refuse to be sworn or make a Solemn Affirmation when by Law an Affirmation may be substituted for an Oath, or shall refuse to be examined, the said person or persons shall certify such neglect or refusal

in writing to the Supreme Court of Judicature at Fort William in Bengal, which shall have power to issue an Attachment against such Administrator General or other person or persons for such neglect or refusal as aforesaid, who shall thereupon be punishable in like manner as if such neglect or refusal had been in contempt of the said Supreme Court.

X. If on such reference and examination it shall appear that the said Schedules are correct, and that the Provisions of the said Acts of Parliament and of this Act have been complied with, the costs and expenses of such reference shall be defrayed proportionably by all the Estates, the accounts of which are then under examination, which costs and proportion the person or persons to whom such reference is made shall ascertain, and the said Administrator General shall deduct the sum chargeable to each Estate therefrom, and shall apply the same to the payment of the cost and expenses of such reference.

XI. If upon any such reference and examination the person or persons to whom the said reference is made shall see reason to believe that the said Schedules do not contain a true and correct account of the matters therein, or which ought to be therein contained, such person or persons shall report accordingly to the Governor General of India in Council, specifying in his or their report the substance of his or their objections thereto, and the said Governor General in Council shall thereupon refer the same to the consideration of the Advocate General of the East India Company in Bengal, who shall thereupon proceed summarily by petition for an account against the said Administrator General, or against a late Administrator General after his removal from office, or against his personal representatives in case of his death, in respect of all or any of the Estates then or formerly under his care as the said Advocate General shall think fit, and shall have power to exhibit interrogatories to the said Administrator General, or other person or persons defendants, who shall be bound to answer the same as fully as if the same had been contained in a Bill filed for the like purpose, and the Court shall have power on any such petition filed, to examine orally the parties before it and all witnesses, or to refer the accounts to be taken in the ordinary way, and the costs of the Advocate General when such are directed to be paid shall be defrayed either by the defendant or defendants in case he or they shall be decreed to pay the costs, or out of the Estates rateably as the said Court shall direct, and the Court shall have power to order the Administrator General, or other person or persons defendants, to receive his or her costs out of the said Estates if it shall think fit.

XII. The said Court shall have power on such petition to make such original and subsequent orders as upon a Bill filed, and such Orders shall have the same effect, and be executed in the same manner as Decretal Orders, and in case any apportionment amongst the several Estates shall become necessary in consequence of any deficiency of funds, the Court shall by one or more such Orders direct in what manner the same is to be made.

XIII. Every person who having been sworn or having taken a solemn Affirmation under this Act, shall wilfully give false testimony upon any examination authorized by this Act, shall be deemed guilty of perjury, and if convicted thereof, shall be liable to fine and imprisonment, or to fine or imprisonment, which imprisonment may be at the discretion of the Court with or without hard labour, and may extend to two years.

ACT No. — OF 1848.

For better defining the Law as to revision of the sentences of Subordinate Criminal Courts.
