Resolution—The Governor General of India in Council resolves, that the following amended Draft on the subject be published for general information.

Act No. — of 1848.

An Act for the appointment of an Administrator General in Bengal.

Whereas it is expedient to disconnect the administration of the Estates of British Subjects dying intestate in the Presidency of Fort William in Bengal from the Office of Ecclesiastical Registrar of the Supreme Court there, It is enacted as follows:

1. Whenever after the passing of this Act any British Subject shall die intestate within the Presidency of Fort William in Bengal, or the Territories subordinate to the said Presidency, or to become subordinate thereto, and on the return of the citation issued from the proper Ecclesiastical Court, no next of Kin or Creditor shall appear and make out their claim to the Administration of the Effects of the deceased to the satisfaction of the said Court, and also, whenever the Executor or Executors, appointed by the will of any British Subject dying therein, shall refuse to prove the Will, the Administrator General created by this Act shall apply for, and the said Court shall grant to him, instead of the Ecclesiastical Registrar, such Letters of Administration or Ad Colligenda Bona as to such Court shall seem meet; by virtue whereof the said Administrator General shall collect the assets of the deceased, and bring them for safe custody into the said Court, and account for them as herein provided.

II. All Letters of Administration or Ad Colligenda Bona, granted to the Ecclesiastical Registrar of the Su-

preme Court; and all Probates, granted to such Officer, of Wills appointing the Ecclesiastical Registrar of the Supreme Court by that description, or him and his successors, Executors thereof; and all Estates, Effects and Interests, vested in the said Ecclesiastical Registrar by virtue thereof; and all books, papers and documents belonging to him or in his possession, or under his controul by virtue of such Letters or Probates, shall, by this Act, and without other grant, be transferred to the Administrator General by this Act created; who shall be to all intents and purposes such Administrator, Executor, or Grantee, in his new character of Administrator General, as the Ecclesiastical Registrar of the Supreme Court was; and shall have all the same powers as the said Ecclesiastical Registrar might exercise at the time of the passing of this Act, as such Administrator, Executor or Grantee.

III. The Ecclesiastical Registrar at the time of the passing of this Act shall be first Administrator General, and upon the passing of this Act shall cease to be Ecclesiastical Registrar; and as such Administrator General shall be entitled to receive or retain all Commission to which he was entitled as Ecclesiastical Registrar at the time of the passing of this Act on any such grants as aforesaid.

IV. On all future vacancies of the Office, the Administrator General shall be appointed by the Governor General of India in Council; and shall be one, who either has been admitted and is at the time of such appointment an Advocate or an Attorney of the said Supreme Court, or at the time of such appointment is qualified to be so admitted.

V. After the passing of this Act, the Administrator General shall be deemed in that capacity an Officer of the said Supreme Court, and shall not be otherwise accountable to it than any ordinary Executor, Administrator, or Grantee of Letters Ad Colligenda Bona, as the case may be.

VI. Every Administrator General shall give Security by Bond to the East India Company, himself for one lack of Rupees, with two or more Sureties jointly and severally for another lack of Rupees, for the due execution of his said Office; and shall not be required by the said Supreme Court to enter into any Administration Bond, or to give other Security to that Court on the grant of any such Letters as aforesaid.

VII. The Administrator General shall receive for the discharge of his duties as such Administrator General under all such grants of Letters as aforesaid made after the passing of this Act, or on Probates of Wills so granted after the passing of this Act, wherein he is named Executor by virtue of his Office, instead of the Commission heretofore received by the Ecclesiastical Registrar, a Commission calculated after the rate of Three Rupees in every Hundred Rupees which he shall actually distribute, or which he shall set apart and invest as herein provided, for the benefit of the parties ultimately entitled thereto, if the same are not immediately payable; and, out of the said Commission of Three Rupees in the Hundred, shall defray the expences of the necessary Establishment, and all other charges to which the said Office may be subject.

VIII. No person, other than the Administrator General, shall be entitled to charge any Commission or Agency, as Executor of any Will, of which Probate shall have been granted to him in the said Presidency after the passing of this Act, or as Administrator of any Effects whereof Administration shall have been granted to him in the said Presidency after the passing of this Act.

IX. The Assets belonging to the Estates administered by the said Administrator General shall be kept by him in the Treasury of the East India Company, or otherwise kept and invested by him, in such manner as the Governor General of India in Council shall from time to time by his order in writing direct; which order shall be published in the Calcutta Gazette, and shall be full authority, protection and indemnity in all Courts whatsoever, for such keeping and investing.

X. The said Administrator General shall enter into books to be kept by him for that purpose separate and distinct accounts of each Estate, and of all such sums of Money, Bonds and other Securities for Money, Goods, Effects and things, as shall come to his hands or to the hands of any persons employed by him, or in trust for him under this Act; and likewise of all payments made by him on account of the said Estates, and of all debts due by or to the same, specifying the dates of such receipts and payments respectively; which said books shall be kept in the Registrar's Office, and shall be open for the inspection of all such persons, practitioners in the said Courts and others, as may have occasion to inspect the same, at office hours; paying such reasonable fee as may be from time to time fixed therefore by the Governor

General of India in Council, and published in the Calcutta Gazette, and no more.

XI. The Administrator General shall twice in every year, that is, on the First day of March and on the Twenty-second day of October, or on the First day on which the said Court shall be sitting after those days, exhibit and deliver in open Court a true and perfect Schedule, of all sums of Money, Bonds or other Securities received on account of each Estate remaining under his charge, together with the payments made thereout, and the balances; and also of all Administrations whereof the balances shall have been paid over to the persons entitled to the same, since the period of exhibiting the last Schedule, specifying the amount of such balances, and the persons to whom paid; which shall be filed of record in the said Court, and shall, within fourteen days afterwards, be published in the Calcutta Gazette by the said Administrator General, who shall likewise cause copies thereof in triplicate to be delivered to the Chief Secretary of the said Presidency; and the same shall be transmitted by the Governor of the Presidency to the Court of Directors of the East India Company, for publication in the London Gazette.

XII. When the said Schedules are delivered to the Supreme Court of Judicature at Fort William in Bengal, duplicates thereof shall also be laid before the Governor General of India in Council, who shall refer the same to such person or persons as he may from time to time appoint an Auditor or Auditors for that purpose.

XIII. The Auditor or Auditors shall examine such Schedules, and report to the said Governor General in Council whether they contain a full and true account of every thing which ought to be inserted therein, and whether the Books by this Act directed to be kept by the Administrator General are duly and regularly kept, and whether the Assets are duly kept and invested in such manner as is by law prescribed.

XIV. Every Auditor shall have power to summon as well the Administrator General as any other person or persons whose presence he may think necessary, to attend him from time to time; and to examine the Administrator General or other party or parties if he shall think fit, on Oath or Solemn Affirmation to be by him administered; and to call for all Books, Papers and Documents which may appear to him to be necessary for the purposes of the said reference; and if the Administrator General, or other person or persons when summoned shall refuse or without reasonable cause neglect to attend, or to produce any Books, Papers or Documents required, or shall attend and refuse to be sworn or make a Solemn Affirmation when by law an Affirmation may be substituted for an Oath, or shall refuse to be examined, the Auditor or Auditors shall certify such neglect or refusal in writing to the Supreme Court of Judicature at Fort William in Bengal; and every person so refusing or neglecting shall thereupon be punishable, in like manner as if such refusal or neglect had been in contempt of the said Supreme Court.

XV. If on such reference and examination it shall appear that the said Schedules are correct, and that the provisions of this Act have been complied with, the costs and expenses of such reference shall be defrayed proportionally by all the Estates, the accounts of which are then under examination, which costs and proportions shall be ascertained and settled by the Auditor or Auditors, subject to the approval of the Governor General in Council; and shall be paid out of the said Estates accordingly by the Administrator General.

XVI. If upon any such reference and examination the Auditor or Auditors shall see reason to believe that the said Schedules do not contain a true and correct account of the matters therein, or which ought to be therein contained, he or they shall report accordingly to the Governor General of India in Council, specifying the substance of the objections thereto; and the said Governor General in Council shall thereupon refer the same to the consideration of the Advocate General of the East India Company in Bengal, who shall thereupon proceed summarily by petition for an account against the said Administrator General, or against a late Administrator General after his removal from Office, or against his personal representatives in case of his death, in respect of all or any of the Estates then or formerly under his care as the said Advocate General shall think fit; and shall have power to exhibit interrogatories to the said Administrator General, or other person or persons defendants, who shall be bound to answer the same as fully as if the same had been contained in a Bill filed for the like purpose; and the Court shall have power on any such petition filed to examine orally the parties before it and all witnesses, or to refer the accounts to be taken in the ordinary way; and the costs of the Advocate General, when such are directed to be paid, shall be defrayed

either by the defendant or defendants, in case he or they shall be decreed to pay the costs, or out of the Estates rateably as the said Court shall direct; and the Court shall have power to order the Administrator General, or other person or persons defendants, to receive his or her costs out of the said Estates if it shall think fit.

XVII. The said Court shall have power on such petition to make such original and subsequent orders as upon a Bill filed; and such Orders shall have the same effect, and be executed in the same manner as Decretal Orders.

XVIII. Every person who, having been sworn or having taken a Solemn Affirmation under this Act, shall wilfully give false testimony upon any examination authorized by this Act, shall be deemed guilty of perjury; and if convicted thereof, shall be liable to fine and imprisonment, or to fine or imprisonment; which imprisonment may be at the discretion of the Court with or without hard labour, and may extend to two years.

Ordered, that the said Draft be re-considered at the first meeting of the Legislative Council of India after the 2d day of October next.

FORT WILLIAM,
HOME DEPARTMENT.
LEGISLATIVE.

The 23rd September, 1848.

The following Act passed by the Governor General of India in Council on the 23rd of September 1848, is hereby promulgated for general information:

ACT No. XX. OF 1848.

An Act for better enforcing the attendance of Proprietors and Farmers of Land before Collectors of Land Revenue in the Lower Provinces of the Bengal Presidency.

Whereas, by sundry Regulations of the Bengal Code, provision is made for the imposition of a daily fine, by the Board of Revenue or other authority exercising the powers of that Board, on any proprietor or farmer of land subject to the provisions contained in the said several Regulations, who, when duly summoned by the Collector or other Officer exercising the powers of Collector, shall omit or refuse to attend, or to cause his Officer or Agent to attend, or to furnish the accounts or documents required, and shall not shew sufficient cause for such omission; and it is further provided that the fine, when confirmed by Government, is to be levied by the same process as is prescribed for the recovery of arrears of Revenue; and whereas in many cases, by the delay thus occasioned, the whole burden of the penalty is greatly increased beyond what would be necessary, if summary power were given to the Officer by whom the requisition is made, to impose and levy reasonable fines subject to review by the Commissioner of Revenue and other superior authority, It is enacted as follows:

I. If any proprietor or farmer of land shall omit or refuse to attend, or to cause his Officer or Agent to attend, when duly summoned by the Collector, in any case specified in any of the said Regulations, by the time prescribed in the notice issued by the Collector, or shall omit or refuse to furnish the accounts or documents required, and shall not shew sufficient cause for such omission, the Collector may impose of his own authority such daily fine, to be payable daily until compliance with the requisition, as he may think adequate to the situation and circumstances in life of the defaulter, not exceeding in any case the daily fine of 50 Rupees: and the amount of such fine, accruing due from time to time, may be levied, without further confirmation, by the same process as is prescribed for the recovery of arrears of revenue.

II. The Collector shall forthwith report the imposition of every such fine, and the amount thereof, and also from time to time the amount levied, to the Commissioner of Revenue, who shall report the same for the information of the local Government.

III. Every order passed by a Collector under this Act shall be appealable in the usual manner to the Commissioner of Revenue, and other superior authority; but no such appeal shall avail to prevent the levy of any fines imposed pending the appeal.

IV. Whenever the amount levied under any such order, issued for any default by authority of a Collector under this Act, shall have exceeded 500 Rupees, the Collector shall report the case specially to the Commissioner of Revenue; and no further levy for such de-

fault shall be made otherwise than by authority of the Commissioner of Revenue.

V. Nothing in this Act contained shall be deemed to repeal the power of imposing daily fines and of levying the fines so imposed in the manner prescribed by the said several Regulations.

VI. The word "Collector" used in this Act shall be taken to mean any person lawfully exercising the powers of a Collector.

VII. This Act shall not extend to the North West Provinces of the Presidency of Bengal.
