No. 180 of 1848.—Captain D. Ross is permitted at his own request to resign the office of Master Attendant of Bombay to which he was appointed in 1834.

The Right Honorable the Governor in Council has perused with great satisfaction the record which has been laid before him of Captain Ross's services, extending over a period of more than half a century. In the earlier part of his career this able and meritorious Officer distinguished himself on several occasions in action, and in operations against the enemy; but the greater portion of his service has been devoted to the prosecution of Maritime Surveys, and for these the name of Captain Ross has long been eminent. By his admirable Charts of the China Seas, compiled during many years of laborious research and with such scientific care as ensured their perfect accuracy and completeness, Captain Ross had rendered the most important benefit, not merely to his Government, but to his country at large, and to every maritime nation of the world. For several years he held the situation of Marine Surveyor General of Bengal, and while thus placed, lent all the energies of his active mind to improve the hydro-

graphy of that part of the Indian Ocean; and in the more limited sphere of Master Attendant at this Port, he has for the last fourteen years usefully occupied himself in directing the department under his charge to the entire satisfaction of the Government and of the late Commander in Chief of the Indian Navy, who highly appreciated and always acknowledged the valuable assistance and advice he derived from the lengthened experience and accurate information of Captain Ross in every branch of Naval knowledge.

The Right Honorable the Governor in Council will perform a gratifying duty, in bringing these services to the special notice of the Hon'ble the Court of Directors. Captain Ross has faithfully served the Hon'ble Company for fifty-three years, and now when the increasing infirmities of age compel him to retire from public duty, he may be assured that he carries with him in his retirement the sincere and cordial respect of the Government, and of all the members of that service in which he has gained and on which he has reflected so much honor.

The retirement of Captain Ross will take effect from this date; and the duty of the Master Attendant's Office will, as a temporary arrangement, be conducted by the 1st Assistant until further orders.

No. 181 of 1848.—The following promotions are made.

II. The several Courts of Justice established by Royal Charter, instead of directing an issue to be tried on a feigned wager for ascertaining any disputed fact, in the exercise as well of the Equity or Admiralty or any other Jurisdiction as of the common Law Jurisdiction of the Court, may issue summonses to witnesses and cause them to be examined orally in open Court as witnesses in the cause; and the witnesses so summoned shall be bound to attend and give their evidence in the same manner, and under the like penalties for neglect or disobedience, or for giving false evidence, as any witness duly summoned to give evidence according to the practice of the Court before the passing of this Act.

FORT WILLIAM,  
HOME DEPARTMENT,  
LEGISLATIVE.

The 14th October, 1848.

The following Draft of a proposed Act was read in Council for the first time on the 14th October 1848.

ACT No. — of 1848.

*An Act to confirm an Agreement between certain Shareholders and Creditors of the Union Bank of Calcutta.*

Whereas by Act XXIII. 1845, certain persons therein declared to have formed themselves into a Company or Co-partnership by the name of "The Union Bank of Calcutta," and those who should thereafter become Members and Proprietors of the said Union Bank, were enabled to sue and to be sued at law and in equity in the name of the person who should be the Secretary or the Treasurer of the said Bank for the time being, and certain provisions are therein contained for the recovery of debts and demands due by the said Co-partnership:

And whereas a Memorial has been presented to the Governor General of India in Council, signed by Thomas Charles Morton, Esquire, Henry Burkin-yong, Esquire, Jeremiah James Homfray, Esquire, and Baboo Prosunnocomar Tagore, all there in described as Members of the Executive Committee of Management of the said Union Bank, and also by (certain persons therein described as Members of the Committee of Creditors of the Union Bank,—that is to say) Charles Hogg, Esquire, therein described as constituted Attorney for Glyn, Halifax, Mills, and Company, by Henry Cowe, Esquire, and by Thomas Seddon Kelsall, Esquire, setting forth, that the said Joint Stock Banking Company or Union Bank of Calcutta suspended payment about the close of last year, and that the remaining assets of the said Bank are insufficient to satisfy the outstanding debts and liabilities: that several Creditors of the Bank have obtained judgments against the pub-

lic Officer under the said Act XXIII. 1845, and the assets of the Bank being insufficient, certain of the said judgments are put in suit against individual Shareholders; and that the Memorialists fear that, unless some mutually satisfactory arrangement can be immediately made between the Creditors and the Shareholders, an enormous sacrifice of property will speedily take place, and a great number of persons be involved in utter ruin: that many of the creditors are willing to agree with the Shareholders, and to give as complete a discharge as the law will allow, to those Shareholders who will pay such reasonable sums of money as have been assessed on them respectively, on account of the said debts and liabilities, by a Committee of Creditors appointed at a public meeting of the creditors, provided that such discharge do not work a release or otherwise affect their claims, in respect of the said debts and liabilities, against other persons liable to make good the same who shall refuse or neglect to pay the sums so assessed on them respectively; and that many of the said Shareholders are willing to pay the sums so assessed on them, provided that they may be thereby secured from all proceedings at law or in equity, in respect of the said debts and liabilities, at the suit of any creditor who shall have executed such agreement as aforesaid, and accepted any payment out of the sums so contributed; that doubts have been entertained of the legal effect of such an agreement and discharge: and praying therefore that the effect of it may be established and defined by authority of the Governor General of India in Council, without prejudice to the rights of any creditor of the said Bank who shall not execute the same, or of any creditor executing the same against any present or past Shareholder of the said Bank, who shall not have paid up in the time and manner prescribed by the said agreement, the full amount of the sum assessed on him or her as aforesaid, It is declared and enacted as follows:

I. The agreement set forth in the Schedule annexed to this Act, being the agreement referred to in the said Memorial shall be of full force as between those creditors of the said Union Bank who shall execute the same, and receive any payment out of the sums contributed according to such agreement, on account of the debts and liabilities due to them respectively by the said Union Bank, and those persons named in the Schedule hereinafter mentioned, and in the said agreement described as the Schedule thereunto annexed marked A, being the Schedule of Assessment or contribution towards the liquidation of the debts of the said Bank, who shall pay, at the time and in the manner mentioned in the said agreement, the several sums at which they are severally assessed in the said Schedule of Assessment; and as between all other persons shall be wholly null and void.

II. If any creditor of the said Bank who shall have executed the said agreement shall thereafter sue out any Writ of Scire Facias, or take any other proceeding at law or in equity on account of any debt or liability of the said Union Bank against any person named in the said Schedule of Assessment, who shall pay, at the time and in the manner mentioned in the said agreement the full sum at which he or she is assessed in the said Schedule of Assessment, the execution of the said agreement by such creditor, and payment of the said Assessment by the person against whom such Writ or other proceeding shall be sued out or taken may be pleaded in bar thereof: and all costs incurred by any such defendant in resisting such Writ or proceeding shall be paid by the creditor at whose suit the same shall have been sued forth or instituted.

III. If any creditor of the said Bank who shall not have executed the said agreement shall sue out any Writ of Scire Facias, or take any other proceeding at law or in equity, on account of any debt or liability of the said Union Bank against any person liable to make good the same or any part thereof, or if any creditor of the said Bank who shall have executed the said agreement shall sue out any Writ of Scire Facias, or take any other proceeding at law or in equity, on account of any debt or liability of the said Union Bank against any person liable to make good the same or any part thereof, who shall not pay at the time and in the manner mentioned in the said agreement the full sum at which he or she is assessed in the said Schedule of Assessment, the said agreement shall not be pleadable to such Writ or proceeding, nor shall the contents thereof be received in evidence in any Court of law or equity in any proceeding had for the recovery of such debt or liability from any such person.

IV. Provided always that nothing hereinbefore con-

tained shall be construed to prevent any Writ of Scire Facias which shall have been issued, or any action or suit which shall have been actually commenced against any Shareholder before payment of his Assessment from being prosecuted and continued afterwards, if the party instituting such proceeding chooses so to do.

V. Within one week after the passing of this Act, a copy of the said Schedule of Assessment signed by the said Thomas Charles Norton, Esquire, Henry Burkinyoung, Esquire, Jeremiah James Homfray, Esquire, Baboo Prosunocoomar Tagore, Charles Hogg, Esq., Henry Cowen, Esquire, and Thomas Seddon Kelsall, Esquire, shall be filed of record in the Court for the Relief of Insolvent Debtors at Calcutta, and the Schedule so filed shall be deemed the Schedule referred to by this Act and by the said agreement, and shall be conclusive evidence of the amounts severally assessed against the persons named therein according to the true intent and meaning of this Act.

VI. A copy of the agreement set forth in the Schedule annexed to this Act shall be deposited with the Official Assignee of the Court for the Relief of Insolvent Debtors in Calcutta, who shall allow the same to be executed by all Creditors of the said Bank willing to execute the same, and shall cause every such execution to be duly witnessed.

#### SCHEDULE.

We, the undersigned, Creditors of the Union Bank of Calcutta, hereby undertake and promise, upon payment, by the Executive Committee of the said Union Bank, of an immediate first dividend of twenty-five (25) per cent. upon our respective claims, to accept the Schedule hereunto annexed, marked A. (which has been framed by a Committee of Creditors of the Bank) as the Schedule of Assessment or contribution towards the liquidation of the debts of the said Bank of the several Shareholders, past and present, therein named; and we promise and agree not to sue out any writ of *scire facias* against or otherwise to molest the person or property of any Shareholder or Shareholders of the said Union Bank, named in the said Schedule, who shall pay up the full sum placed opposite his or her name in the said Schedule, as and for his or her assessment or contribution as aforesaid. Provided, however, that nothing herein contained, shall be construed to protect any of the said parties from being proceeded against, unless and until he shall have actually paid his said assessment in full, nor to prevent any writ of *Scire Facias* which shall have been issued, or any action or suit which shall have been actually commenced against any Shareholder, before payment of his assessment, from being prosecuted, and continued afterwards, if the party instituting such proceeding chooses so to do: Provided, further, that if any Shareholder in the said Schedule named, shall not have paid or given security to the Executive Committee of the said Bank, certified by them to be sufficient, for the payment of his assessment, within three months from this date, if he be resident in India, or within five months if he be resident out of India, the same shall be increased ten per cent, and that a further per centage of the like amount shall be added after every succeeding period of three months, during which the same shall remain unpaid or unsecured. Provided also that the said Executive Committee of the said Bank do engage to pay from time to time such further dividends upon our respective claims until full satisfaction thereof respectively, as the sums realized from the said contribution shall enable them to do, and whenever the realization shall amount to ten per cent. upon the remaining claims, to declare and pay a new dividend at that rate. Provided always, and it is hereby expressly declared and agreed, that we the undersigned reserve to ourselves all our rights and remedies whatsoever against the assets of the said Bank, legal and equitable, and against all Shareholders, present and past, not paying up the full amount of their said assessments respectively as aforesaid: In witness whereof we have hereunto set our respective hands this Twenty-fifth day of September, in the year of Christ one thousand eight hundred and forty-eight.

Ordered, that the Draft now read be published for general information.

Ordered, that the said Draft be re-considered at the first Meeting of the Legislative Council of India after the 14th December, 1848.
