The Tender must specify both in words and figures the rates per cent above or below the prices in the List above adverted to at which they will undertake to furnish the Articles embraced therein, and it is to be understood that the supplies to be furnished under this Contract are to be of a good and unexceptionable quality, deliverable free of all expenses at such places and time as may be indicated in the requisitions from time to time served upon the Contractor, and the supplies to be subject to examination and rejection by a Committee of Officers to be appointed on behalf of Government.

The contractor will be required to sign and seal a contract stipulating to the above effect, and that he will comply immediately with all emergent demands for the articles included in the abovementioned list and others of less urgency within the periods stated in the requisitions made upon him; in failure whereof, the articles or such others as may be required in lieu will be purchased at his risk and loss, and in all such cases an advance of (30) thirty per cent upon the amount of expenses incurred or a fine of Rupees (50) fifty, at the option of the Executive Officer, will be levied as liquidated damages for each and every such breach of Contract as often as the same may occur, and that the Contract may also in all such cases be put an end to on the part of the East India Company.

Every person submitting a Tender will be required to lodge with it the sum of Rupees (25) twenty-five in Cash, which will be forfeited in the event of delay, evasion, or refusal to execute the necessary deed of Contract; should his tender be accepted, he must be prepared to give unexceptionable bonded security to the extent of Rupees (102) one hundred and two to be held by Government as security for the due performance of his Contract.

The amount of retrenchments made by the Military Board on the Contractors' Bills will be recovered from the first Bills preferred for payment by the Contractors, but in the event of such retrenchments being subsequently removed the amount thereof will be refunded to them.

The annual outlay on account of the above Contract is estimated at Rupees 514 or thereabouts. All further particulars will be communicated on the receipt and opening of the Tenders, and no reason will be assigned in the event of their rejection.

FORT WILLIAM,
HOME DEPARTMENT,
LEGISLATIVE.

The 25th November, 1848.

The following Act passed by the Hon'ble the President of the Council of India in Council on the 25th November 1848, with the assent of the Right Hon'ble the Governor General of India, which has been read and recorded.

Ordered, that the Act be promulgated for general information.

ACT No. XXV. OF 1848.

*An Act for Restoration of the Jagheer of
Bunganapilly.*

Whereas, by Act X. 1843, the administration of justice and collection of the revenue in the districts of Kurnool and Bunganapilly were vested in an Agent appointed by the Governor of Fort St. George in Council; and it is now deemed expedient to restore the Jagheer of Bunganapilly, to be holden by the Jagheerdar, subject to the same conditions and reservations as heretofore, It is enacted as follows:

I. On the First day of January 1849, the authority of the Agent of the Governor of Fort St. George, appointed under Act X. 1843, shall cease as to the district of Bunganapilly; and no Agent shall thereafter be appointed for Bunganapilly under that Act.

II. All lawful proceedings of the said Agent and his Assistants before the said First day of January shall stand good.

III. The Foujdaree Adawlut and Sudder Adawlut shall continue to have and exercise the same jurisdiction respectively as to criminal trials referred by the Agent before the said First day of January, and as to appeals from any decree made by the Agent before the said First day of January, as if his authority had not ceased in the said district; and their judgments and orders shall be executed in the same manner.

IV. When the Agent shall have duly accounted to the Governor of Fort St. George in Council, for all monies received and paid by him in his administration of the revenues of the said Jagheer, and shall have received, by order of the said Governor in Council, a discharge in full of all claims against him for such administration, neither he nor any of his Assistants shall be liable to give any further account, or to be questioned for the same or any part thereof in any Court of Justice.

V. Nothing in this Act contained shall be deemed to waive or abate any part of the paramount authority and controul of the East India Company over the said district, or of the Sovereign authority of the British Government.

FORT WILLIAM,
HOME DEPARTMENT,
LEGISLATIVE.

The 25th November, 1848.

The following Extract from the Proceedings of the Hon'ble the President of the Council of India in Council, in the Legislative branch of the Home Department, under date the 25th November 1848, is published for general information.

Read again the Draft of a proposed Act, dated the 2d September 1848, and published in the Calcutta Gazette of the 9th September 1848, for the appointment of an Administrator General of unrepresented Estates in Bengal, and for the regulation of that Office.

Resolution.—The President in Council resolves, that the following amended Draft on the subject be published for general information.

ACT No. — OF 1848.

*An Act for the appointment of an Administrator
General in Bengal.*

Whereas it is expedient to disconnect the administration of the Estates of British Subjects dying in-

testate in the Presidency of Fort William in Bengal from the Office of Ecclesiastical Registrar of the Supreme Court there, It is enacted as follows:

I. Whenever after the passing of this Act any British Subject shall die intestate within the Presidency of Fort William in Bengal, or the Territories which are or shall be subordinate to the said Presidency, and on the return of the citation issued from the proper Ecclesiastical Court, no next of Kin or Creditor shall appear and make out their claim to the Administration of the Effects of the deceased to the satisfaction of the said Court, and also, whenever the Executor or Executors appointed by the Will of any British Subject dying therein shall refuse to prove the Will, the Administrator General created by this Act shall, except in the case hereinafter excepted, apply for, and the said Court shall grant to him, instead of the Ecclesiastical Registrar, such Letters of Administration or Ad Colligenda Bona as to such Court shall seem meet; by virtue whereof the said Administrator General shall collect the assets of the deceased, and account for them as herein provided.

II. All Letters of Administration or Ad Colligenda Bona, granted to the Ecclesiastical Registrar of the Supreme Court; and all Probates, granted to such Officer, of Wills appointing the Ecclesiastical Registrar of the Supreme Court by that description, or him and his successors, Executors thereof; and all Estates, Effects and Interests, vested in the said Ecclesiastical Registrar by virtue thereof; and all books, papers and documents belonging to him or in his possession, or under his controul by virtue of such Letters or Probates, shall, by this Act, and without other grant, be transferred to the Administrator General by this Act created; who shall be to all intents and purposes such Administrator, Executor, or Grantee, in his new character of Administrator General, as the Ecclesiastical Registrar of the Supreme Court was; and shall have all the same powers as the said Ecclesiastical Registrar might exercise at the time of the passing of this Act, as such Administrator, Executor or Grantee.

III. The Ecclesiastical Registrar at the time of the passing of this Act shall be the first Administrator General, and upon the passing of this Act shall cease to be Ecclesiastical Registrar; and as such Administrator General shall be entitled to receive or retain all Commission to which he was entitled as Ecclesiastical Registrar at the time of the passing of this Act on any such grants as aforesaid.

IV. On all future vacancies of the Office, the Administrator General shall be appointed by the Governor General of India in Council; and shall be one, who either has been admitted and is at the time of such appointment an Advocate or an Attorney of the said Supreme Court, or at the time of such appointment is qualified to be so admitted.

V. After the passing of this Act, the Administrator General shall not be deemed in that capacity an Officer of the said Supreme Court, and shall not be otherwise accountable to it than any ordinary Executor, Administrator, or Grantee of Letters Ad Colligenda Bona, as the case may be.

VI. Every Administrator General shall give Security by Bond to the East India Company, himself for one lack of Rupees, with two or more Sureties jointly and severally for another lack of Rupees, for the due execution of his said Office; and shall not be required by the said Supreme Court to enter into any Administration Bond, or to give other Security to that Court on the grant of any such Letters as aforesaid.

VII. The Administrator General shall receive for the discharge of his duties as such Administrator General under all such grants of Letters as aforesaid made after the passing of this Act, or on Probates of Wills so granted after the passing of this Act, wherein he is named Executor by virtue of his Office, instead of the Commission heretofore received by the Ecclesiastical Registrar, a Commission calculated after the rate of Three Rupees in every Hundred Rupees which he shall actually distribute, or which he shall set apart and in-

vest as herein provided, for the benefit of the parties ultimately entitled thereto, if the same are not immediately payable; and, out of the said Commission of Three Rupees in the Hundred, shall defray the expenses of the necessary Establishment, and all other charges, to which the said Office may be subject.

VIII. No person, other than the Administrator General, shall be entitled to charge any Commission or Agency, as Executor of any Will, of which Probate shall have been granted in the said Presidency after the passing of this Act, or as Administrator of any Effects whereof Administration shall have been granted in the said Presidency after the passing of this Act.

IX. The Assets belonging to the Estates administered by the said Administrator General shall be kept by him in the Treasury of the East India Company, or otherwise kept and invested by him, in such manner as the Governor General of India in Council shall from time to time direct; which order shall be published in the Calcutta Gazette, and shall be full authority, protection and indemnity in all Courts whatsoever for such keeping and investing.

X. The said Administrator General shall enter into books to be kept by him for that purpose separate and distinct accounts of each Estate, and of all such sums of Money, Bonds and other Securities for Money, Goods, Effects and things, as shall come to his hands or to the hands of any persons employed by him, or in trust for him under this Act; and likewise of all payments made by him on account of the said Estates, and of all debts due by or to the same, specifying the dates of such receipts and payments respectively; which said books shall be kept in the Administrator General's Office, and shall be open for the inspection of all such persons, practitioners in the said Courts and others, as may have occasion to inspect the same, at office hours; paying only such reasonable fee as may be from time to time fixed therefore by the Governor General of India in Council, and published in the Calcutta Gazette.

XI. The Administrator General shall twice in every year, that is, on the First day of March and on the Tenth day of August, or on the First day on which the said Court shall be sitting after those days, exhibit and deliver in open Court a true Schedule, shewing the gross amount of all sums of Money received or paid by him on account of each Estate in his charge, and the balances, during the period of six months ending severally on the Thirty-first day of December and Thirtieth day of June next before the day of delivering such Schedule, and a true list of all Bonds or other Securities received on account of each of the said Estates during the same period; and also a true Schedule of all Administrations whereof the final balances shall have been paid over to the persons entitled to the same, during the same period; specifying the amount of such balances, and the persons to whom paid; which Schedules shall be filed of record in the said Court, and shall, within fourteen days afterwards, be published in the Calcutta Gazette by the said Administrator General; and copies thereof in triplicate shall be delivered to the Secretary of the said Presidency, and sent by the Governor of the said Presidency to the Court of Directors of the East India Company, for publication in the London Gazette.

XII. The Governor General of India in Council shall from time to time appoint an Auditor or Auditors to examine the Accounts of the Administrator General at the time of the delivery of the said Schedules, and also at any other time when the Governor General in Council shall think fit.

XIII. The Auditor or Auditors shall examine the Schedules, and accounts, and report to the said Governor General in Council whether they contain a full and true account of every thing which ought to be inserted therein, and whether the Books by this Act directed to be kept by the Administrator General are duly and regularly kept, and whether the Assets are duly kept and invested in such manner as is by Law prescribed.

XIV. Every Auditor shall have power to summon as well the Administrator General as any other person or persons whose presence he may think necessary, to attend him from time to time; and to examine the Administrator General or other party or parties if he shall think fit on Oath or Solemn Affirmation to be by him administered; and to call for all Books, Papers and Documents which may appear to him to be necessary for the purposes of the said reference: and if the Administrator General, or other person or persons when summoned shall refuse or without reasonable cause neglect to attend, or to produce any Books, Papers or Documents required, or shall attend and refuse to be sworn or make a Solemn Affirmation when by law an Affirmation may be substituted for an Oath, or shall refuse to be examined, the Auditor or Auditors shall certify such neglect or refusal in writing to the Supreme Court of Judicature at Fort William in Bengal; and every person so refusing or neglecting shall thereupon be punishable, in like manner as if such refusal or neglect had been in contempt of the said Supreme Court.

XV. The costs and expenses of preparing and publishing the said Schedules and copies thereof and of every such reference and examination shall be defrayed proportionably by all the Estates, the accounts of which are then under examination, which costs and proportions shall be ascertained and settled by the Auditor or Auditors, subject to the approval of the Governor General in Council; and shall be paid out of the said Estates accordingly by the Administrator General.

XVI. If upon any such reference and examination the Auditor or Auditors shall see reason to believe that the said Schedules do not contain a true and correct account of the matters therein, or which ought to be therein contained, he or they shall report accordingly to the Governor General of India in Council, specifying the substance of the objections thereto.

XVII. The Governor General in Council shall refer every such report as last aforesaid to the consideration of the Advocate General of the East India Company in Bengal, who shall thereupon if he shall think fit proceed summarily by petition for an account against the said Administrator General, or against a late Administrator General after his removal from Office, or against his personal representatives in case of his death, in respect of all or any of the Estates then or formerly under his care as the said Advocate General shall think fit; and shall have power to exhibit interrogatories to the said Administrator General, or other person or persons defendants, who shall be bound to answer the same as fully as if the same had been contained in a Bill filed for the like purpose; and the Court shall have power on any such petition filed to examine orally the parties before it and all witnesses, or to refer the accounts to be taken in the ordinary way.

XVIII. The costs of the reference and examination, and those of the Advocate General, when such are directed to be paid, shall be defrayed either by the defendant or defendants in case he or they shall be decreed to pay the costs, or out of the Estates rateably as the said Court shall direct; and whenever the costs of any reference and examination shall be recovered from the defendant or defendants, the same shall be repaid to the Estates by which the same were in the first instance contributed, and the Court shall have power to order the Administrator General, or other person or persons defendants, to receive his or her costs out of the said Estates if it shall think fit.

XIX. The said Court shall have power on such petition to make such original and subsequent orders as upon a Bill filed; and such orders shall have the same effect, and be executed in the same manner as Decretal Orders.

XX. Whenever any British subject shall die within the said Presidency intestate, and Letters of Administration to his or her Effects shall not be taken out for three months after the death, and the Administra-

tor General shall be satisfied that such Effects do not exceed in the whole Five Hundred Rupees, he may, if he shall think fit, grant, to any person claiming to be entitled to a principal share of the Effects of the deceased, Certificates under his hand entitling the claimant to receive the sums or securities for money therein severally mentioned belonging to the Effects of the deceased, to the value of any sum not exceeding in the whole Five Hundred Rupees.

XXI. The Administrator General shall not be bound to grant any such Certificate unless he is satisfied of the title of the claimant, and of the value of the Effects of the deceased, either by the oath or Affidavit of the claimant, or by such other evidence as he shall require.

XXII. Any such Certificate, with a receipt annexed under the hand of the person to whom the Certificate is granted, shall be a full receipt and discharge for payment or delivery to him or her of the money or security for money therein mentioned, with respect to the claim of any other person upon the person paying or delivering the same: but any next of kin or representative or creditor of the deceased shall have remedy for recovery thereof against the person receiving the same.

XXIII. The Administrator General shall not be bound to take out Letters of Administration to the Effects of any deceased person on account of whose Estate he shall grant any such Certificate, but may do so, if he shall discover any fraud or misrepresentation made to him, or that the value of the Estate exceeded Five Hundred Rupees.

XXIV. For every such Certificate the Administrator General shall be entitled to charge a fee calculated after the rate of Three Rupees in the Hundred on the amount mentioned in the Certificate.

XXV. Every person who, having been sworn or having taken a Solemn Affirmation under this Act, shall wilfully give false testimony upon any examination authorized by this Act, shall be deemed guilty of perjury; and if convicted thereof, shall be liable to fine and imprisonment, or to fine or imprisonment; which imprisonment may be at the discretion of the Court with or without hard labour, and may extend to two years.

Ordered, that the said Draft be reconsidered at the first meeting of the Legislative Council of India after the 1st day of January 1849.
