**POST OFFICE NOTICES.**

The following Rules approved of by Government respecting the Posting of Palkee Bearers are published for the information of the Public, and for the guidance of the several Post Masters under this Presidency :

I. Travellers may be furnished with Dawk Bearers on application at the different Post Offices, where they will obtain all the requisite information as to the estimated distances between known Stations, to which only Dawk Bearers can be laid by any Post Master.

II. A set of Dawk Bearers comprizes twelve, and one Mussalchee, for which is charged, payable in advance, at the rate of eight annas per Mile; but as in many instances, owing to the delay caused by Travellers remaining longer on the road than the stipulated time, this sum is found unequal to the expense, a further sum of four annas per Mile is required to be paid as a deposit to cover any eventual expense or demurrage caused by delay on the part of the Traveller. Should none occur, the full amount of the sum deposited is refunded, upon the Traveller furnishing a certificate from the Deputy Post Master at the place where his journey finished, that he arrived there without having incurred demurrage. It is the duty of the Deputy Post Masters to furnish Travellers with certificates specifying according to circumstances whether or otherwise they have come on demurrage;—such certificate however, it must be understood, is only applicable to the Deputy Post Master's Division who grants it, for it sometimes happens that a Traveller having incurred demurrage on part of the road, by travelling subsequently during those hours originally appointed for halting, reaches the last Division within the given time.

N. B. It is to be particularly observed, that in some Districts, Bearers are with difficulty procured, and where they have to be sent a considerable distance to take up the Traveller, and in like manner to return home, for time so occupied they are paid additionally, and in all such cases Post Masters are authorized to charge the actual cost for the Traveller's Bearers.

*When Demurrage is incurred adjustment of expenses deferred.*

III. When it is reported that a Traveller comes on demurrage on any part of the road, the adjustment of the amount deposited to cover such expenses will be postponed until the receipt of the Bills for the Dāk from all the Post Masters through whose Divisions the Traveller may have passed.

*Form to be provided to Travellers to insure their complaints being brought to notice.*

IV. Travellers, whether proceeding from the Presidency or from Outstations, are provided with a Form, in which they are requested particularly to note any cause of dissatisfaction they may meet with on their journey, and the places where they meet with obstructions or irregularities on the part of the Bearers or subordinate Post Office Servants; this Form being affixed to the certificate which the Traveller has to present for signature, secures its being noticed.

*When Bearers are withdrawn from their Posts by directions of the Traveller, adjustment of account how deferred.*

V. When a Dāk has been ordered and circumstances may render it expedient for the Traveller to postpone his journey, or to withdraw the Bearers entirely, he will of course

be held liable for any expense which may have been incurred on his account. The amount paid for the Dāk, and the amount deposited to cover demurrage, will therefore remain unadjusted until reports are received from the General Post Master on the line of route upon which the Dāk was ordered.

VI. Travellers' Baggage must not exceed for each Baghy Burdar, twenty-four seers, and this must be divided into two Parcels, or Pattarahs, of such dimensions as to render them conveniently portable when slung as Bungbies.

*Terms upon which a Traveller avails himself of the Post Office to lay Dāks.*

VII. It is to be generally understood, that although Government permits their servants to lay Dāk Bearers for the convenience of the Public, the State derives no benefit from this source, and that neither Government nor any of their Officers are in any degree responsible to the Traveller for the misfortunes and disappointments which are inseparable from Dāk travelling; thus every Traveller travels at his own risk, and is liable to the losses and increased expenses incidental to delays and accidents, and that Government can in no instance be considered liable to make good any losses whatever.

*Post Master General will investigate complaints.*

VIII. When irregularities and consequent inconvenience occur to Travellers, the Post Master General on being applied to, will immediately investigate the complaint brought to his notice; but this can only be done in the same manner, and to the same end, as a superior in any other Department would interfere to enquire into complaints preferred against his subordinates.

*In case of surcharge or unjust charges, Post Master General will investigate with a view to a refund.*

IX. In case of surcharge alone, or charges which to the Parties complaining might appear unjust because arising out of some positive neglect or error on the part of the Deputy Post Master who lays the Dāk, it would be the duty of the Post Master General to investigate the matter with a view to afford pecuniary redress.

*Penalty for refusing payments on account of Dāk Bearers.*

X. In every case of refusal to make good demands on account of laying Dāk Bearers, Post Masters are authorized to detain all Letters, Parcels, &c. for the person from whom demands are due in the same manner as they are authorized to act under Clause IX of the General Rules.

*Post Master General's decision final.*

XI. Any decision pronounced by the Post Master General in all references relative to Dāk Bearers, to be considered final.

Ordered, that the Act be promulgated for general information.

**Act No. XXV. OF 1848.**

*An Act for Restoration of the Jagheer of Bunganapilly.*

Whereas, by Act X. 1843, the administration of justice and collection of the revenue in the districts of Kurnool and Bunganapilly were vested in an Agent appointed by the Governor of Fort St. George in Council; and it is now deemed expedient to restore the Jagheer of Bunganapilly, to be holden by the Jagheerदार, subject to the same conditions and reservations as heretofore, It is enacted as follows :

ACT No. — of 1848.

*An Act for the appointment of an Administrator General in Bengal.*

Whereas it is expedient to disconnect the administration of the Estates of British Subjects dying intestate in the Presidency of Fort William in Bengal from the Office of Ecclesiastical Registrar of the Supreme Court there, It is enacted as follows :

I. Whenever after the passing of this Act any British Subject shall die intestate within the Presidency of Fort William in Bengal, or the Territories which are or shall be subordinate to the said Presidency, and on the return of the citation issued from the proper Ecclesiastical Court, no next of Kin or Creditor shall appear and make out their claim to the Administration of the Effects of the deceased to the satisfaction of the said Court, and also, whenever the Executor or Executors appointed by the Will of any British Subject dying therein shall refuse to prove the Will, the Administrator General created by this Act shall, except in the case hereinafter excepted, apply for, and the said Court shall grant to him, instead of the Ecclesiastical Registrar, such Letters of Administration or Ad Colligenda Bona as to such Court shall seem meet; by virtue whereof the said Administrator General shall collect the assets of the deceased, and account for them as herein provided.

II. All Letters of Administration or Ad Colligenda Bona, granted to the Ecclesiastical Registrar of the Supreme Court; and all Probates, granted to such Officer, of Wills appointing the Ecclesiastical Registrar of the Supreme Court by that description, or him and his successors, Executors thereof; and all Estates, Effects and Interests, vested in the said Ecclesiastical Registrar by virtue thereof; and all books, papers and documents belonging to him or in his possession, or under his controul by virtue of such Letters or Probates, shall, by this Act, and without other grant, be transferred to the Administrator General by this Act created; who shall be to all intents and purposes such Administrator, Executor, or Grantee, in his new character of Administrator General, as the Ecclesiastical Registrar of the Supreme Court was; and shall have all the same powers as the said Ecclesiastical Registrar might exercise at the time of the passing of this Act, as such Administrator, Executor or Grantee.

III. The Ecclesiastical Registrar at the time of the passing of this Act shall be the first Administrator General, and upon the passing of this Act shall cease to be Ecclesiastical Registrar; and as such Administrator General shall be entitled to receive or retain all Commission to which he was entitled as Ecclesiastical Registrar at the time of the passing of this Act on any such grants as aforesaid.

IV. On all future vacancies of the Office, the Administrator General shall be appointed by the Governor General of India in Council; and shall be one, who either has been admitted and is at the time of such appointment an Advocate or an Attorney of the said Supreme Court, or at the time of such appointment is qualified to be so admitted.

V. After the passing of this Act, the Administrator General shall not be deemed in that capacity an Officer of the said Supreme Court, and shall not be otherwise accountable to it than any ordinary Executor, Administrator, or Grantee of Letters Ad Colligenda Bona, as the case may be.

VI. Every Administrator General shall give Security by Bond to the East India Company, himself for one lack of Rupees, with two or more Sureties jointly and severally for another lack of Rupees, for the due execution of his said Office; and shall not be required by the said Supreme Court to enter into any Administration Bond, or to give other Security to that Court on the grant of any such Letters as aforesaid.

VII. The Administrator General shall receive for the discharge of his duties as such Administrator General under all such grants of Letters as aforesaid made after the passing of this Act, or on Probates of Wills so granted after the passing of this Act, wherein he is named Executor by virtue of his Office, instead of the Commission heretofore received by the Ecclesiastical Registrar, a Commission calculated after the rate of Three Rupees in every Hundred Rupees which he shall actually distribute, or which he shall set apart and invest as herein provided, for the benefit of the parties ultimately entitled thereto, if the same are not immediately payable; and, out of the said Commission of Three Rupees in the Hundred, shall defray the expences of the necessary Establishment, and all other charges, to which the said Office may be subject.

VIII. No person, other than the Administrator General, shall be entitled to charge any Commission or Agency, as Executor of any Will, of which Probate shall have been granted in the said Presidency after the passing of this Act, or as Administrator of any Effects whereof Administration shall have been granted in the said Presidency after the passing of this Act.

IX. The Assets belonging to the Estates administered by the said Administrator General shall be kept by him in the Treasury of the East India Company, or otherwise kept and invested by him, in such manner as the Governor General of India in Council shall from time to time direct; which order shall be published in the Calcutta Gazette, and shall be full authority, protection and indemnity in all Courts whatsoever for such keeping and investing.

X. The said Administrator General shall enter into books to be kept by him for that purpose separate and distinct accounts of each Estate, and of all such sums of Money, Bonds and other Securities for Money, Goods, Effects and things, as shall come to his hands or to the hands of any persons employed by him, or in trust for him under this Act; and likewise of all payments made by him on account of the said Estates, and of all debts due by or to the same, specifying the dates of such receipts and payments respectively; which said books shall be kept in the Administrator General's Office, and shall be open for the inspection of all such persons, practitioners in the said Courts and others, as may have occasion to inspect the same, at office hours; paying only such reasonable fee as may be from time to time fixed therefore by the Governor General of India in Council, and published in the Calcutta Gazette.

XI. The Administrator General shall twice in every year, that is, on the First day of March and on the Tenth day of August, or on the First day on which the said Court shall be sitting after those days, exhibit and deliver in open Court a true Schedule, shewing the gross amount of all sums of Money received or paid by him on account of each Estate in his charge, and the balances, during the period of six months ending severally on the Thirty-first day of December and Thirtieth day of June next before the day of delivering such Schedule, and a true list of all Bonds or other Securities received on account of each of the said Estates during the same period; and also a true Schedule of all Administrations whereof the final balances shall have been paid over to the persons entitled to the same, during the same period; specifying the amount of such balances, and the persons to whom paid; which

Schedules shall be filed of record in the said Court, and shall, within fourteen days afterwards, be published in the Calcutta Gazette by the said Administrator General; and copies thereof in triplicate shall be delivered to the Secretary of the said Presidency, and sent by the Governor of the said Presidency to the Court of Directors of the East India Company, for publication in the London Gazette.

XII. The Governor General of India in Council shall from time to time appoint an Auditor or Auditors to examine the Accounts of the Administrator General at the time of the delivery of the said Schedules, and also at any other time when the Governor General in Council shall think fit.

XIII. The Auditor or Auditors shall examine the Schedules, and accounts, and report to the said Governor General in Council whether they contain a full and true account of every thing which ought to be inserted therein, and whether the Books by this Act directed to be kept by the Administrator General are duly and regularly kept, and whether the Assets are duly kept and invested in such manner as is by Law prescribed.

XIV. Every Auditor shall have power to summon as well the Administrator General as any other person or persons whose presence he may think necessary, to attend him from time to time; and to examine the Administrator General or other party or parties if he shall think fit on Oath or Solemn Affirmation to be by him administered; and to call for all Books, Papers and Documents which may appear to him to be necessary for the purposes of the said reference; and if the Administrator General, or other person or persons when summoned shall refuse or without reasonable cause neglect to attend, or to produce any Books, Papers or Documents required, or shall attend and refuse to be sworn or make a Solemn Affirmation when by law an Affirmation may be substituted for an Oath, or shall refuse to be examined, the Auditor or Auditors shall certify such neglect or refusal in writing to the Supreme Court of Judicature at Fort William in Bengal; and every person so refusing or neglecting shall thereupon be punishable, in like manner as if such refusal or neglect had been in contempt of the said Supreme Court.

XV. The costs and expenses of preparing and publishing the said Schedules and copies thereof and of every such reference and examination shall be defrayed proportionably by all the Estates, the accounts of which are then under examination, which costs and proportions shall be ascertained and settled by the Auditor or Auditors, subject to the approval of the Governor General in Council; and shall be paid out of the said Estates accordingly by the Administrator General.

XVI. If upon any such reference and examination the Auditor or Auditors shall see reason to believe that the said Schedules do not contain a true and correct account of the matters therein, or which ought to be therein contained, he or they shall report accordingly to the Governor General of India in Council, specifying the substance of the objections thereto.

XVII. The Governor General in Council shall refer every such report as last aforesaid to the consideration of the Advocate General of the East India Company in Bengal, who shall thereupon if he shall think fit proceed summarily by petition for an account against the said Administrator General, or against a late Administrator General after his removal from Office, or against his personal representatives in case of his death, in respect of all or any of the Estates then or formerly under his care as the said Advocate General shall think fit; and shall have power to exhibit interrogatories to the said Administrator General, or other person or persons defendants, who shall be bound to answer the same as fully as if the same had been contained in a Bill filed for the like purpose; and the Court shall have power on any such petition filed to examine orally the parties before it and all witnesses, or to refer the accounts to be taken in the ordinary way.

XVIII. The costs of the reference and examination, and those of the Advocate General, when such are directed to be paid, shall be defrayed either by the defendant or defendants, in case he or they shall be decreed to pay the costs, or out of the Estates rateably as the said Court shall direct; and whenever the costs of any reference and examination shall be recovered from the defendant or defendants, the same shall be repaid to the Estates by which the same were in the first instance contributed, and the Court shall have power to order the Administrator General, or other person or persons defendants, to receive his or her costs out of the said Estates if it shall think fit.

XIX. The said Court shall have power on such petition to make such original and subsequent orders as upon a Bill filed; and such orders shall have the same effect, and be executed in the same manner as Decretal Orders.

XX. Whenever any British subject shall die within the said Presidency intestate, and Letters of Administration to his or her Effects shall not be taken out for three months after the death, and the Administrator General shall be satisfied that such Effects do not exceed in the whole Five Hundred Rupees, he may, if he shall think fit, grant, to any person claiming to be entitled to a principal share of the Effects of the deceased, Certificates under his hand entitling the claimant to receive the sums or securities for money therein severally mentioned belonging to the Effects of the deceased, to the value of any sum not exceeding in the whole Five Hundred Rupees.

XXI. The Administrator General shall not be bound to grant any such Certificate unless he is satisfied of the title of the claimant, and of the value of the Effects of the deceased, either by the oath or Affidavit of the claimant, or by such other evidence as he shall require.

XXII. Any such Certificate, with a receipt annexed under the hand of the person to whom the Certificate is granted, shall be a full receipt and discharge for payment or delivery to him or her of the money or security for money therein mentioned, with respect to the claim of any other person upon the person paying or delivering the same: but any next of kin or representative or creditor of the deceased shall have remedy for recovery hereof against the person receiving the same.

XXIII. The Administrator General shall not be bound to take out Letters of Administration to the Effects of any deceased person on account of whose Estate he shall grant any such Certificate, but may do so, if he shall discover any fraud or misrepresentation made to him, or that the value of the Estate exceeded Five Hundred Rupees.

XXIV. For every such Certificate the Administrator General shall be entitled to charge a fee calculated after the rate of Three Rupees in the Hundred on the amount mentioned in the Certificate.

XXV. Every person who, having been sworn or having taken a Solemn Affirmation under this Act, shall wilfully give false testimony upon any examination authorized by this Act, shall be deemed guilty of perjury; and if convicted thereof, shall be liable to fine and imprisonment, or to fine or imprisonment; which imprisonment may be at the discretion of the Court with or without hard labour, and may extend to two years.

Ordered, that the said Draft be reconsidered at the first meeting of the Legislative Council of India after the 1st day of January 1849.

16th. All applications for admission, accompanied by the above prescribed forms of Certificate and Declaration which may be transmitted to the Secretaries,

shall be submitted by them to the Directors for their decision. And the Directors shall in all instances be at full liberty to reject any such application without assigning any reason to the applicant for so doing.

17th. In all cases it shall rest with the Committee to judge whether with reference to the circumstances of situation and distance the interval which may have elapsed between the date of any Certificate and Declaration of health, and the time of their presentation, be reasonable or otherwise, and to admit or reject such Certificate and Declaration accordingly. In no case, however, is the party subscribing to have any claim on the funds of the late Society in the event of life lapsing between the date of the certificate and the date on which the applicant may be admitted a Member, unless where the Directors may at the instance of such applicant have originally permitted the subscription to take effect from the date of the Certificate and Declaration of health, which it shall at all times be in their discretion to do, on the arrears of subscription being paid up. In the event, however, of a person dying between the dates of his Certificate and Declaration of health and his admission, and the Insurance on his life was not effected from the date of Certificate and Declaration, the amount of premium paid for such Insurance shall be refunded.

18th. No subscription on any life shall be considered as entitling the party or parties concerned to benefit by the Society, until the life subscribed on shall have been approved by the Directors, the amount of the first subscription and premium of admission paid, and a Certificate of admission granted under the signature of the Secretaries, agreeably to the form annexed to these Regulations. And if any applicant shall omit to pay the amount of such subscription and premium of admission within two months after the life subscribed on shall have been approved by the Directors, such applicant shall forfeit his claim to be admitted except on a fresh application, accompanied by a new Certificate and Declaration of health.

19th. All subscriptions (except the first which is to be paid on admission) shall be paid within one month of the time at which they become due. If not paid within that time, a penalty of two per cent. on the amount of the instalment shall be added, and any Member who shall not have paid his subscription (together with the said penalty) within two months of the day on which his subscription shall have become due, shall be considered to have absolutely and entirely forfeited his share or shares.

20th. Any Member shall be at liberty at any time, to pay up his subscription for the whole unexpired period between the time of such payment and the close of the Society, or for any part thereof, and in the event of a lapse of the life subscribed on, such Member or his representatives shall be entitled to receive back any part of the subscription money so paid up, which would not have been due at the time of the lapse taking place, forfeiting however to the Society all interest which may have intermediately accrued thereon.

21st. No subsequent increase of shares on any life shall be allowed, except on fresh application to be again approved of by the Directors and accompanied by a Certificate and Declaration as above. The subscription on the additional shares to be according to the age of the party at the time of making the new application.

22d. Any member desiring to transfer his interest in any share, or shares, which he may hold in the Society, shall be at liberty to do so by an endorsement to be written on the original Certificate: which endorsement shall not be valid until the Certificate bearing the same shall have been produced to the Secretaries, and the transfer duly registered by them in a general book of registry to be kept in the office of the Society.

23d. As often as a sum exceeding Rupees two thousand shall be collected, it shall be laid out in the purchase of Government paper, Bank shares, or in Loans secured by a deposit of Government paper to be granted under the control and authority of the Directors, it being clearly understood, that in all cases of Loan the saleable value of the Deposit shall be more than sufficient to cover the sum lent. All public securities purchased for the Society shall be especially endorsed to two or more of the Directors, and the interest only shall be made payable to the Secretaries and Treasurers.

24th. The person or persons entitled to benefit by the lapse of a Life in the Society shall, in making application to the Secretaries, in writing, accompanied by such proof of the casualty as may be satisfactory to a majority of the Directors, at the expiration of three years from the commencement of the Society, receive the sum of four thousand Rupees on each share; two thousand Rupees on each half share; one thousand Ru-

pees on each quarter share; or five hundred Rupees on each eighth share; which he or they may have held, or be entitled to on the lapsed Life, provided that in the opinion of the Directors, the state of the Funds of the Society will admit of so large a payment being made. Should the Directors think, however, that the Funds will not allow of an immediate payment of this amount, then such sum only shall be advanced as they may deem proper, and the balance of the prescribed advance shall be paid so soon as the Directors shall be of opinion that the Funds will safely admit of it.

25th. A rears of subscription or any other sum due to the Society by the holders of any share or shares on a lapsed Life shall be deducted from the amount of the advance.

26th. At the expiration of this Society on the 31st December 1853, it is proposed that a new Society, on a similar plan, but subject to such alterations as experience may suggest, shall be immediately instituted, into which Society all members then holding shares on unexpired Lives in the Fifth Laudable Society shall be at liberty to transfer those shares without any renewed certificate of health, in consideration of a sum of money to be paid to such new Society out of the Funds of the Fifth Laudable Society, and without taking into account any proportion of the advances previously paid by the Society on account of the lapsed Lives. To entitle Members of the Fifth Laudable Society to transfer the shares held by them into the ensuing or Sixth Laudable Society, no regular form of application shall be necessary, but a Certificate of admission into the new Society shall be immediately issued to them on the simple payment of the usual half year's subscription in advance, subject, however, to the established penalty of two per cent. in the event of the payment being delayed beyond the term of one month from the commencement of the new Society, and to the entire forfeiture of the privilege of transfer (excepting on a new application to the Directors, accompanied by the regular certificate of health, &c.) if not made good within the second month from that period. The rates of subscription for Members transferring their shares from the Fifth to the Sixth Laudable Society shall be according to the respective ages of the parties on whose Lives the shares are held on the first January 1854.

27th. It is proposed to render the institution of the Laudable Society permanent by establishing a new Society, in succession to each Society, as it expires.

28th. Upon the transfer to the Sixth Laudable Society of any share or shares in the Fifth Laudable Society, which may stand assigned by endorsement or otherwise, for the benefit of any other person or persons than the person or persons originally interested therein, or upon any subsequent transfer of any share or shares so assigned from the Sixth or any succeeding Society to the Society next ensuing, such share or shares shall continue in all respects subject to the lien of the Assignee, and shall be declared to stand for the benefit of such Assignee in the Certificate of admission to be issued from the new Society.

29th. Within one month and fifteen days after its termination, the accounts of the Fifth Laudable Society shall be made up, and the balance of Funds actually on hand, after deducting for the new Society 12 per cent. on the amount of subscriptions received during the term of the Society, be divided by the number of shares held on Lives subscribed upon in this Society, which may have lapsed between its commencement and its close, and the parties entitled to benefit by such lapses shall each receive his or their proportion of the said Funds, according to the number of shares respectively held by them on the several lapsed Lives, the holders of half, quarter, or eighth shares divided according to those fractional proportions. The sum of Rs. 10,000 shall be considered as the maximum payable on any one lapsed share, and any surplus shall be carried to the credit of the new Society.

30th. With respect to any lapses of Lives in this Society, which may not be ascertained on or prior to the 15th of February 1854, such lapses shall be at the risk of the next ensuing or Sixth Laudable Society, and the advances of Dividends to which the parties claiming to benefit by such lapses may be entitled, shall be paid out of the Funds, and agreeably to the Regulations, of the said ensuing Society on the lapses being ascertained; but it is hereby expressly provided with respect to any lapses which may have occurred at any place to the eastward of the Cape of Good Hope, that notice of such lapses accompanied by satisfactory proof of the same, must be given to the Secretaries of the Sixth Laudable Society within one year from the expiration of the Fifth Society on the 31st December 1853, or within two years if the lapse have occurred in Europe or else-

where, beyond the Cape of Good Hope; and that in the event of the party or parties interested neglecting to prefer his or their claim on account of any such lapse within the period here prescribed, he or they shall entirely forfeit all right and title to any benefit whatever, by reason of such lapse from the funds of the Sixth or any succeeding Society.

31st. The following Gentlemen have this day been nominated Directors of the Fifth Laudable Society, viz.

- ALEXANDER FORBES, Esq.
- T. F. GRAY, Esq.
- L. A. WALLACE, Esq.
- R. F. REMINGTON, Esq.
- ROBERT STRONG, Esq.

Any mis-statement in the Declaration of health makes the Policy void, as does suicide, in cases when a person effects an Insurance on his own life, (unless the Certificate be specially endorsed over for the benefit of a Creditor or Creditors and duly registered) but not so in case of Creditors effecting an insurance on the lives of their debtors.
